

CURRICULUM VITAE

Jaimie Payne Anderson, MS, CCC-SLP, BC-ANCDS

Speech-Language Pathologist

Phone: (813) 821-8902

E-mail: anderson84@usf.edu

EDUCATION

University of Texas Health Science Center at Houston- Houston, Texas 08/2016- 05/2017
Non-Degree Seeking Student, Completed 7 credits: Epidemiology, Biostatistics

Florida State University- Tallahassee, Florida 08/2011- 08/2013
Master of Science, Communication Science and Disorders

Florida State University- Tallahassee, Florida 08/2007- 04/2011
Bachelor of Science, Communication Science and Disorders with Honors, Summa Cum Laude
Honor's Thesis: College Students' Perceptions of Autism Spectrum Disorders

CERTIFICATION & LICENSURE

Academy of Neurologic Communication Disorders and Sciences, Board Certified 11/19/2020- present

American Speech-Language Hearing Association
Certificate of Clinical Competence in Speech-Language Pathology # 14040978 2015-present

Florida Speech-Language Pathology License #SA 17255 2019- present

American Society of Radiologic Technologists #946197 2022-present

Florida Basic X-Ray Machine Operator #BMO 101757 2022-present

Texas Speech-Language Pathology License #109634 2013-2019

CLINICAL CERTIFICATIONS

Lee Silverman Voice Treatment (LSVT) LOUD Training and Certification Workshop 12/2019- present

Modified Barium Swallow Impairment Profile (MBSImp) 03/2017

McNeil Dysphagia Therapy Program (MDTP) 05/2015- present

PROFESSIONAL EXPERIENCE

University of South Florida, Center for Swallowing Disorders-Tampa, FL

06/2021-present

Speech-Language Pathologist & Clinical Instructor

- Evaluate adults with complex swallowing disorders using instrumental evaluations including Modified Barium Swallow Studies and Fiberoptic Endoscopic Evaluation of Swallowing
- Provide evidence-based rehabilitation using advanced tools including Surface Electromyography, Expiratory Muscle Strength Trainer, Biofeedback, and McNeil Dysphagia Therapy Program
- Administer, calculate, and interpret pharyngeal manometry for complex swallowing disorders
- Assess and treat motor speech disorders from a variety of neurodegenerative diseases
- Administer laryngeal videostroboscopy for evaluation and treatment of voice disorders
- Provide Lee Silverman Voice Treatment to patients with Parkinson's disease
- Train graduate students in Speech-Language Pathology during full-time externship
- Collaborate with Gastroenterology, GI Surgery, and Otolaryngology
- Discuss complex patients with multiphase swallowing disorders at weekly conference
- Collaborate with clinicians at USF Communication Sciences and Disorders Clinic and Tampa General Hospital to improve the continuity of care
- Spearhead and directed the annual hybrid multidisciplinary swallowing symposium
- Collaborate with marketing for an updated website and news story for the swallowing center

Cleveland Clinic Florida, Department of Otolaryngology- Weston, Florida

10/2019- 05/2021

Speech-Language Pathologist

Clinical

- Evaluated and treated adults with a variety of neurogenic cognitive-communication disorders in the outpatient clinic
- Collaborated with Tobii, PRC, & Forbes for speech-generating devices for a variety of patients including amyotrophic lateral sclerosis, traumatic brain injury, & cerebral palsy
- Worked in partnership with neurology, neuropsychology, and physical therapy to establish a Multidisciplinary Parkinson's Clinic
- Administered standardized outpatient modified barium swallow studies using MBSimp, Dynamic Imaging Grade of Swallowing Toxicity, EAT-10, Functional Oral Intake Scale, & International Dysphagia Diet Standardization Initiative
- Prescribed intensive dysphagia rehabilitation including Expiratory Muscle Strength Training, McNeil Dysphagia Therapy Program, respiratory-swallow coordination training, and other evidence-based swallowing exercises
- Assessed and treated communication and swallowing disorders for a variety of critically ill patients in acute care
- Trained in Fiberoptic Endoscopic Evaluation of Swallowing in outpatient and inpatient settings

Leadership & Administration

- Led in a number of quality improvement projects to:
 - Increase patient caseload via scheduling optimization in collaboration with administration
 - Streamline billing and documentation procedures in the electronic health record (EPIC)
 - Improve patient accessibility by updating the website with the marketing department

- Updated and created new policies and procedures for speech-language pathology department
- Established and wrote new clinical competencies for staff training and onboarding
- Reviewed graduate student resumes, interview potential candidates & supervise students
- Trained staff on HIPPA-compliant evolving tele-health procedures during the pandemic
- Established a research relationship with NOVA Southeastern with Dr. Jaqueline Hinkley

Memorial Regional Hospital, Department of Rehabilitation Services- Hollywood, Florida

Staff Relief Speech Language Pathologist I

9/2019-5/2020

- Evaluated and treated adults in a CARF accredited, Level I trauma center with 500+ beds
- Populations included: CVA, TBI, neurodegenerative disorders, and cardiac issues
- Collaborated with the rehabilitation team including PT and OT to provide multidisciplinary care

University of Texas MD Anderson Cancer Center, Department of Head and Neck Surgery- Houston, TX

Senior Speech-Language Pathologist

12/2018-7/2019

Speech-Language Pathologist

01/2015-12/2018

Speech-Language Pathologist Clinical Fellow

11/2013-01/2015

Clinical

- Evaluated and treated speech, language, cognitive and swallowing disorders in the oncology population across the continuum of care in the acute, inpatient rehabilitation, and outpatient settings
- Administered standardized modified barium swallow studies under the training of Dr. Hutcheson
- Performed standardized speech-language and cognitive testing and enter data into the neurosurgery database
- Provided Functional Independent Measures at weekly inpatient rehabilitation rounds with physical therapy, occupational therapy, Physical Medicine Rehabilitation doctors, social work, dietician, and case management
- Participated in dysphagia “Boot Camp” rounds to discuss patient candidacy for intensive dysphagia therapies
- Collaborated with in-person and iPad interpreters, including Arabic, Spanish, and Mandarin

Leadership & Outreach

- Led the development and participation of speech-language pathology in intraoperative language mapping during awake craniotomies with neuropsychology and neurosurgery and collaborate on research
- Trained new employees on evaluation and treatment pathways for the acute and inpatient settings
- Led daily triage for inpatient and outpatient caseloads for full-time and PRN speech pathology staff
- Acted as a liaison for Simply Thick products for SLPs, dietician, kitchen, and patients
- Coordinated annual patient, family, and staff outreach events for Better Hearing and Speech Month
- Attended weekly multi-disciplinary lectures by neuroradiology, neuro-oncology, physical and medicine rehabilitation, social work, psychiatry, dental oncology, and head and neck surgery

AWARDS

ASHA Award for Continuing Education Award (7) 10/2015, 2/2017, 9/2017, 3/2019, 12/2019, 10/2021, 09/2023

PROFESSIONAL AFFILIATIONS & SERVICES

Academy of Neurologic Communication Disorders and Sciences

Member	2017- present
Board Certification Committee Member	2022-present
<ul style="list-style-type: none">Review case studies and oral defense for candidates of board certification by ANCDsUpdate board certification requirementsEncourage outreach for board certified members via publication or conference presentation	
Evidence-Based Clinical Research Committee Member	2020-2022
<ul style="list-style-type: none">Assisted with reorganization of the ANCDs website with special focus on translating research into clinical practice	

ASHA Special Interest Group 2 Neurogenic Communication Disorders

Professional Development Committee Member	2019- present
<ul style="list-style-type: none">Cultivate ideas related to education and outreach for neurogenic communication disorders, including generating seed topics for community discussions and ideas for speakers and topics for ASHA's Annual Convention	
Member	2014-present

Dysphagia Research Society

Website, Communications, and Public Relations Committee (WCPRC)	2023-present
<ul style="list-style-type: none">Collaborated with leaders of DRS to ensure social media platforms align with business goals, while increasing brand awareness and engagement for the annual fundraiser <i>Dash for Dysphagia</i> and the annual conference	
Member	2020-present

ASHA Special Interest Group 13 Swallowing and Swallowing Disorders

Member	2020- present
--------	---------------

Tampa Bay Medical Speech Pathology Association (MESPA)

Member	2021-present
<ul style="list-style-type: none">Present, host and attend continuing education events quarterly with medical SLPs in Tampa Bay	

Rome Foundation GastroPsych

Member	2022-present
--------	--------------

South Florida Medical Speech-Language Pathology Group

Founder, President 2019-2021

- Established a multi-institutional group of SLPs in the South Florida region

Texas Speech Language Hearing Association
Annual Conference Planning Committee Medical Chair 2018-2019

EDITORIAL & REVIEW ACTIVITIES

American Journal of Speech-Language Pathology, Ad Hoc Reviewer 2024

Seminars in Speech and Language, Ad Hoc Reviewer 2024

Perspectives of the ASHA Special Interest Group 2 Neurogenic Communication Disorders
Guest Editor 2019- 2021

- Identified specialists across the nation in the evaluation and treatment of cognitive and communication disorders for patients with brain tumors for the ASHA *Perspectives* journal

Neuro-Oncology Practice, Ad Hoc Reviewer 2018

PRESENTATIONS

Invited Presentations

- Functional Dysphagia, Tampa Bay Medical Speech Pathology Association, Tampa, Florida, 04/2024
- Speech-Language Pathologist's Role in Patients with Parkinson's Disease, Parkinsons Foundation at University of South Florida, Tampa, Florida, 02/2024
- The Clinician's Guide to Motor Speech Disorders: Beyond DDKs & Speech Drills, Baylor Scott & White, Dallas Texas, 9/2023
- Comprehensive Assessment & Management of Functional Dysphagia, (Live Webinar) 12/2023
- Comprehensive Assessment & Management of Functional Dysphagia, Redmond, WA (Recording) 6/2023
- Multidisciplinary Treatment of Functional Dysphagia and Its Subtypes, MedBridge, Redmond, WA (Recording) 6/2023

7. SLP Treatment for Functional Dysphagia, MedBridge, Redmond, WA (Recording), 6/2023
8. Identifying & Managing Functional Dysphagia, Allied Health Regional Resource Team for Older Adults Northern Health, Vancouver, Canada (Virtual), 05/20/23
9. Comprehensive Management of Dysarthrias and Other Motor Speech Disorders: Beyond DDKs and Speech Drills (Part 1), Texas Speech-Language Hearing Association. Austin, Texas, 02/2023
10. Comprehensive Management of Dysarthrias and Other Motor Speech Disorders: Beyond DDKs and Speech Drills (Part 2), Texas Speech-Language Hearing Association. Austin, Texas, 02/2023
11. "ANCDS Case Study: Aphasia in Patient with Brain Tumor & Stroke," ASHA SIG 2 Meeting, 4/2022
12. "All About Brain Tumors: An Updated Primer for Speech-Language Pathologists" at Tampa Bay Medical Speech Language Pathology Association (MESPA), *Online*, 05/2022
13. "Evaluation and Rehabilitation of Speech, Language, Cognition, and Swallowing in Patients with Brain Tumors." American Speech-Language-Hearing Association, On-line Oncology Symposium, 2019 and 2020.
14. "Cognitive Deficits in Cancer Patients." 2nd UT MD Anderson Cancer Center / TIRR Memorial Hermann Cancer Symposium: Shifting Paradigms in Cancer Rehabilitation. Houston, TX, 2019.
15. "Dysphagia in Patients with Skull Based Tumors." University of Texas MD Anderson Cancer Center Brain and Spine Center, Annual Kempfer Functional Neuroanatomy Seminar. Houston, TX, 02/2014 & 02/2015
16. "Swallowing Dysfunction in Patients with Cervical Spine Tumors." Poster Presentation. University of Texas MD Anderson Cancer Center, 6th Annual Spine Tumor Patient Education Conference, 09/2015

Conference Presentations

1. "An SLP, GI, and GI Surgeon Walk into a Bar: Multidisciplinary Case Management." University of South Florida 1st Annual Swallowing Symposium. Tampa, Florida. 6/2024
2. "Management of Functional Dysphagia Part 1: Oropharyngeal Manifestation." American Speech-Language Hearing Association Annual Convention. New Orleans, LA 11/2022
3. "Management of Functional Dysphagia Part 2: Esophageal Manifestations." American Speech-Language Hearing Association Annual Convention. New Orleans, LA 11/2022
4. "Expanding SLP's Role in Multidisciplinary Management of Complex Multiphase Dysphagia." Florida Speech-Language Hearing Association, St. Petersburg, Florida, 07/2022
5. "Dysphagia Grand Rounds: Making a Mark in the World of Dysphagia." Florida Speech-Language Hearing Association, St. Petersburg, Florida, 07/2022
6. "Language Therapy for Adult Brain Tumor Survivors: A Review of Case and Small 'n' Studies." Poster Presentation. American Speech-Language Hearing Association Annual Convention. Boston, MA, 11/2018
7. "Skull Based Tumors: Rehabilitation of Speech and Swallowing." Texas Speech-Language Hearing Association Annual Convention, Houston, TX, 02/2018
8. "Brain Tumors: Evaluation and Rehabilitation of Speech, Language, and Cognitive Impairments." American Speech-Language Hearing Association Annual Convention. Los Angeles, CA, 11/2017
9. "Brain Tumors: Evaluation and Rehabilitation of Speech, Language, and Cognitive Impairments." Texas Speech-Language Hearing Association Annual Convention, Austin, TX, 02/2017
10. "College Students' Perceptions of Autism Spectrum Disorders." Poster Presentation. American Speech-Language Hearing Association Annual Convention, Atlanta, GA, 11/2012.

Hospital Multidisciplinary In-Services

1. "Dysphagia Case Files: Multidisciplinary Management of Multiphase Issues," Tampa General Hospital, Gastroenterology, 03/2024
2. "Management of Functional Dysphagia: Oropharyngeal & Esophageal Manifestations," Tampa General Hospital, Gastroenterology, 04/2023

4. "Expanding the Videofluoroscopic Swallowing Assessment: Improving Dysphagia Management," James A. Haley Veteran's Hospital, Speech-Language Pathology & Radiology, 02/2022
5. "Speech-Language Pathology." Cleveland Clinic Florida, Neurology & Neurosurgery Nursing Staff, 4/2020
6. "Establishing an Awake Craniotomy Team-Proposal for Standardized Cognitive-Linguistic Brain Mapping." UT MD Anderson Cancer Center, Neurology, Speech-Language Pathology Core Curriculum, 6/2018
7. "Speech-Language Pathology: Our Role." UT MD Anderson Cancer Center, Neuropsychology Educational Series, 08/2017
8. "Rehabilitative Therapies." UT MD Anderson Cancer Center, Brain Tumor Education and Support Together (BEST) Group, 09/2014 & 04/2017
9. "Aphasia and Cognitive-Linguistic Impairment." UT MD Anderson Cancer Center, Neurology, Neurosurgery, and Rehabilitation Inpatient Clinical Nursing Staff, 09/2014 & 06/2016
10. "Communication Strategies for Patients with Speech and Language Disorders." UT MD Anderson Cancer Center, Psychiatry Educational Lecture Series, 05/2016
11. "Dual-Hemisphere Repetitive Transcranial Magnetic Stimulation (rTMS) for Rehabilitation for Post Stroke Aphasia: A Randomized, Double Blind Clinical Trial." UT MD Anderson Cancer Center, Physical Medicine and Rehabilitation Medicine Physicians Journal Club, 09/2014

TEACHING EXPERIENCE

Teaching Activities

1. Clinical Instructor, SPA4271 Introduction to Neurogenic Communication Disorders 08/2022-12/2022
2. Teaching Apprentice, CSD 3040: Neuroanatomy, Dr. Erica Friedland, NOVA Southeastern University, B.S. in Speech, Language, and Communication Disorders, 01/03/2022-05/01/2022
3. Teaching Assistant, Clinical Phonetics, Dr. Hall-Mills 10 hours/week. Graduate students of Florida State University, 01/2013-05/2013 & 01/2012-05/2012
4. Teaching Assistant, Neurologic Basis of Communication, Dr. Kerry Lenius, 10 hours/week. Graduate students of Florida State University, 08/2012-12/2012 & 08/2011-12/2011

Graduate Student Supervision

1. SPA 6505, Speech-Language Pathology Practicum, University of South Florida, Summer 2021, Fall 2021, Spring 2022, Summer 2022, Fall 2022, Summer 2023, Spring 2024, Summer 2024
2. SLP 6102, Speech-Language Pathology Clinical Practicum, NOVA Southeastern University, Fall 2020,

Guest Lectures

1. "Brain Tumor 101," Medical Speech Language Pathology, University of Central Florida, 06/2024
2. "Brain Tumor 101," Medical Speech Language Pathology, University of South Florida, 04/2024
3. "Awake Craniotomy 101," SPA4870C Capstone, University of Central Florida, 06/2023
4. "Essential Vocal Tremor," Advanced Adult Practicum Course, University of South Florida, 03/2023
5. "Medical Speech Pathology," SPA4870C Capstone, University of Central Florida, 10/2022
6. "Medical Speech-Language Pathology." University of South Florida, SLP Master's Practicum Course, 9/2022
7. "Neurology of Speech," CSD 3040: Neuroanatomy, NOVA Southeastern University, 3/2022
8. "Board Certification in ANCDs," Speech Pathology Graduate Class, University of South Florida, 2/2022
9. "Dysphagia Treatment." Florida Atlantic University, Dysphagia Master's Level Class, 11/2021
10. "Medical Speech-Language Pathology." University of South Florida, SLP Master's Practicum Course, 9/2021
11. "Medical Speech-Language Pathology." University of Northern Colorado, Medical Aspects ,10/2020
12. "Medical Speech-Language Pathology." NOVA Southeastern University, Medical Aspects Master's Level Class, 4/2020
13. "Dysphagia Treatment." Florida Atlantic University, Dysphagia Master's Level Class, 10/2020
