PROFESSIONAL EXPERIENCE

Employment:

University of South Florida- 03/01/2020 - present

Attending physician at Tamps general Hospital, supervising residents on OB GYN program affiliated with USF. See patients in the faculty practice plan and in resident clinic. Doing full scope OB GYN generalist practice . Medical Director of Safety for Obstetrics

University of Florida- 8/2017 – 6/2019

I resigned from Sacred Heart when my husband took a new job in Tampa

Attending physician at Sacred Heart Hospital , supervising residents in OB/Gyn Program affiliated with University of Florida. Seeing patients in both clinic and private settings. Doing full scope of ObGyn generalist work. Night call as OBHG hospitalist, within the residency program.

EMR -Athena outpatient, Cerner inpatient

- Yale Health, Yale University, New Haven, CT.

- Fulltime Attending 7/1994 – 7/1999
- Part-Time Attending with Full Time Call 7/1999– 6/30/2017
 - Yale Health is Yale University’s self insured HMO. Provides care to over 40,000 patients including students, faculty and staff of the university. The OB-Gyn department consisted of 5 MDs and 6 midlevel providers. Provided full OB and Gyn care , with 350-400 deliveries per year. All surgeries and deliveries are performed at Yale New Haven Hospital , with residents. Complex gyn surgeries are either referred to or performed with Yale Gyn oncologists or REI attendings. All robotic surgeries are referred to Yale Faculty surgeons .
 - Current EMR –EPIC
 - Previous EMR – Allscripts

. GAP 11/1993- 7/1994. We moved from LA to New Haven . My spouse’s job began in 11/1993. My position did not open until 7/1993. We moved the family when his job began. I did not work as an Ob Gyn until my job at Yale Health began.

- Olive View – UCLA Medical Center, Sylmar, CA.
 - Fulltime attending and Resident Educator 7/1991- 11/1993
 - is a 377-bed state-of-the-art hospital that serves much of the San Fernando Valley and the Antelope Valley, with out-patient clinics that provide primary care and hospital services for those who need specialty care or surgery. The hospital has a strong affiliation with the David Geffen School of Medicine at UCLA, the 10th best school of medicine in the country as ranked by U.S. New and World Report. Olive View-UCLA offers residency programs in 22 specialty areas and also operates an on-campus School of Nursing. The facility is a national leader in clinical research to improve quality of care

Teaching

Supervise residents in outpatient clinic, L&D, and OR.

Prepare didactic sessions for residents, lead discussion, “flipped classroom” model

Residents are involved in all my surgeries/deliveries

Medical students – suture and knot tying , lectures, clinical reasoning workshops, direct teaching as they spend day with me in clinic and see patients with my supervision (2-3 times per month)

Clinical reasoning workshops, Safety /Quality mentor to residents

Committees

RVU work allocation committee- We are examining potential ways to distribute RVUs between prenatal care and delivery physicians

ACOG district XII- Patient Safety Committee

- EPIC inbasket committee. 2014-2015
 - We established institutional guidelines for consistent use of functionalities within the EMR , to ensure effective communication between clinicians. Created standards for review and release of lab and imaging results .
- Pitocin review committee. 2016- 6/2017
 - Yale labor and delivery had instituted strict Pitocin guidelines. There were issues in instituting the policy. Review cases in which providers felt the policy was flawed..
- Claims Committee. 7/2010-7/2015
 - As a self insured HMO, there are cases which need review to decide if the plan will cover certain expenses . Patients may use care out of network, then seek reimbursement . Each case is reviewed on an individual basis
