

ABRAHAM A. SALINAS-MIRANDA, MD, PhD, MACE, CDVS

13201 Bruce B. Downs Blvd., MDC 56, Tampa, FL 33612

Harrell Center for the Study of Family Violence

College of Public Health, University of South Florida

Email: asalinas@usf.edu | Direct Line: (813) 974-7069 | Fax: (813) 974-7830

*Member of the American College of Epidemiology (MACE); Certified Domestic Violence Specialist (CDVS)

EDUCATION

- | | | |
|------|-----------------------|--|
| 2016 | ECFMG Cert. | Educational Commission for Foreign Medical Graduates Certificate.
United States Medical Licensure Examinations: Medical Science, Clinical Knowledge, and Clinical Skills (Pass with higher performance). |
| 2014 | Postdoctoral research | Community-Based Participatory Research and Maternal and Child Health Disparities. <i>NIH/NIMHD R24 "Toward Eliminating Disparities in MCH Populations"</i> . Department of Epidemiology and Biostatistics, College of Public Health, Tampa, FL, USA. 2014. http://grantome.com/grant/NIH/R24-MD008056-02 |
| 2013 | Ph.D. | Public Health. Concentration: Community and Family Health
University of South Florida, Tampa, FL, USA
Dissertation Title: <i>Social determinants of racial and ethnic disparities in perinatal morbidity - "Social Origins of Perinatal Health Study"</i> (Multicenter Cohort Study;
Major Professor: Russell Kirby, PhD) |
| 2010 | Grad. Cert. | Epidemiology
University of South Florida, Tampa, FL, USA. 2010 |
| 2009 | ITDS | Infant Toddler Developmental Specialist (ITDS) Certificate Training Program, FL Early Steps Office, Children's Medical Services. Florida Department of Health. |
| 2007 | M.P.H. | Public Health. Concentration: Maternal and Child Health Concentration
University of South Florida, Tampa, FL, USA.
Special Project: <i>Mixed Methods Evaluation - Helping Our Toddlers Developing Our Children's Skills</i> (Special Project Supervisor: Kathleen Armstrong, PhD). |
| 2004 | PGY1, PGY2 | Pediatrics/Pediatric Surgery Residency Program (PGY-1, PGY-2)
Children's Hospital Manuel de Jesús Rivera, Managua, Nicaragua. 2004-2005
Universidad Nacional Autónoma de Nicaragua, Managua. |
| 2003 | M.D. | Doctor in Medicine and Surgery
Universidad Nacional Autónoma de Nicaragua, Managua. Monograph: <i>Factors associated with enterocutaneous fistulae complications in three tertiary hospitals in Managua, Nicaragua: A cross-sectional analysis.</i> |

POST-DEGREE PROFESSIONAL TRAINING

Child Abuse and Neglect

- 2022 Child Advocacy –Foundations for Outreach through Experiential Child Advocacy Studies Training (FORECAST), University of Missouri –St. Louis, 2022. Jan 10-14, 2022.
- 2022 Mandated Reported Training – Florida Department of Children and Families.
- 2021 Recognizing & Responding to Suspicions of Child Maltreatment. PCANC.
- 2019 Injuries and Injury Prevention for Children and Adolescents (CEU). Florida Health Grand Rounds, Florida Department of Health. April 9, 2019
- 2019 Perceptions of Race that Hurt Children: The Emotional Trauma of Racial Disparities for Children of Color in the Child Welfare System (Dr. Marva Lewis). Zero-To-Three.
- 2019 Adverse Childhood Experience and Early Trauma. West Midlands Violence Prevention Alliance, Public Health England, UK. Online Training Course.
- 2019 Trauma Basics for Youth Workers. Center for Adolescent Studies.
- 2019 Parent-Child Interaction Therapy for Traumatized Children. US Davis PCIT Training Center. Funded by Substance Abuse and Mental Health Services Administration in partnership with National Child Traumatic Stress Network.
Principles of Prevention (Web based –Family Violence Prevention). Certificate of Completion. Centers for Disease Control and Prevention. Continuing Education. July 12, 2017.
- 2011 Adverse Childhood Experiences: Understanding the Long-Term Effects of Trauma. Juvenile Welfare Board & All Children’s Hospital, St. Petersburg, FL. August, 11, 2011.

Domestic Violence (Adults)

- 2020 Trauma Trainings, Arizona Trauma Institute – 2020:
 - (1) Training for the Certification Clinical Trauma Specialist, Individual (CCTS-I). 17 contact hours;
 - (2) Training for the Certification Family Trauma Professional (CFTP). 12.5 contact hours;
 - (3) Training for the Trauma Treatment for Children. 4.5 contact hours.
 - (4) Professional Resilience Training: Compassion Fatigue Prevention. Forward-Facing® Professional Resilience. 5.5 contact hours;
- 2020 Understanding Domestic Violence for System Partners. The Spring of Tampa Bay, September 11, 2020.
- 2019 Creating Trauma Informed Systems. University of Tampa & Tampa Bay Crisis Center. June 28, 2019.
- 2019 Understanding Domestic Violence - Online Course for Social Service Professionals
Florida State University. April 10, 2019
- 2019 Trauma Informed Care Overview Training. Certificate of Completion (Online CEU). Department of Family & Protective Services, Texas. February 8, 2019.
- 2019 Delivering Trauma and Culturally Informed Care to the Latinx Community. National Latino Behavioral Health Association. September, 2019.
- 2018 Victims Assistance Training Online: Basic Communication Skills; Types of Victims Services; Ethics. Office for Victims of Crime. Training and Technical Assistance Training. July-Dec. 5, 2018.
- 2018 Substance Use, Trauma and Domestic Violence: Critical Issues, Promising Approaches. National Center on Domestic Violence, Trauma & Mental Health. October 23, 2018.
End Human Trafficking: A Community Approach Panel (Workshop). Global Disaster Management, Humanitarian Relief, and Homeland Security (GHH). University of South Florida. January 26th, 2018.
- 2017 Domestic Violence, Sexual Violence, Intimate Partner Violence. Certificate of Completion. Nursing CEUfast - American Nurses Credentialing Center’s Commission on Accreditation. July 26, 2017.
Domestic Violence: The Florida Requirement. Certificate of Completion. NetCE. May 11, 2017.
- 2016 Trauma-Informed Care Workshop. National Association of Social Workers Conference. Orlando, FL. June 15, 2016.

Perpetrator Intervention Programs

- 2021 Batterer's Intervention Facilitator Training: Duluth Model. ACEOnline LLC, Florida. General CE Hours: 19 Domestic Violence CE Hours: 2. Accredited by: National Board for Certified Counselors.
- 2020 Batterers' Intervention Programs and Community Coordinated Response (FL CWP). Florida's Center for Child Welfare, September 16, 2020.
- 2019 Certified Domestic Violence Specialist (CDVS-I): Cognitive Behavioral Approaches for Domestic Violence Interventions. Growth Central LLC, Greer, SC, endorsed by NAMA.
- 2018 Evidence-Based Treatment of Intimate Partner Abuse. Research, Theory, and Assessment. John Hamel & Associates. Certificate of Completion/CEU training. May, 2018.
<https://www.domesticviolencetrainings.org/>

Prevention: Child Development

- 2016 The Science of Dual Language Learning for Children Birth through Age Five Effective Practices that Improve Outcomes. Early Childhood Investigations Webinars. May 11, 2016.
- 2014 Mediation Intervention for Sensitizing Caregivers, Level I Certification. Early Intervention Training by Pnina Klein, Director of Bar-Ilan University's Baker Center for the Study of Development Disorders in Infants and Young Children, Israel. Sponsored by The Harrell Center, University of South Florida, Tampa. Feb, 2014.
- 2010 Play Therapy: The Essential Skills Workshop. All 'Bout Children, Inc. & The Florida Association for Play Therapy, Palm Beach and Martin Counties Chapter, August 27-30, 2010.
- 2009 Autism Diagnostic Observation Schedule (ADOS-2). Clinical Training (Modules 1-4)/Developmental Testing. By Dr. Catherine Rice, sponsored by Florida Atlantic University, CARD program, West Palm Beach, FL. January 14- 15, 2009.
Meeting the Needs of Young Children and Families. Early Childhood Council in collaboration with Florida Association for Infant Mental Health, Tampa, Florida. Nov, 18-20, 2009.
- 2008 Seminars in Pediatric School Psychology. Instr. Kathleen Armstrong, PhD (EDG 7931). College of Education, USF School Psychology Department. Spring 2008.
- 2007 7th Annual Infant Mental Health Conference "Building Our Future". Miami-Dade Area Health Education Center, Ft. Lauderdale, Florida. May 17-18, 2007

LICENSURE & PROFESSIONAL CERTIFICATIONS

Medical License (Nicaragua)

2003-current **Medicine and Surgery (Physician) License, NICARAGUA**. Doctor in Medicine and Surgery, Republic of Nicaragua (Sanitary Registry Ministry of Health, Nicaragua No. 17497, Nicaragua).

Professional Certifications

- **Mandated Reported (Identifying Child Abuse and Neglect) Certificate**. Training by Florida Department of Children and Families.
- **Educational Commission for Foreign Medical Graduates Certificate (ECFMG)**, United States. United States Medical Licensure Examinations: Medical Science - Step 1 Score: 227, Step 2 Clinical Knowledge Score: 224; Clinical Skills - Step 2 CS Score: Pass with higher performance in ICE, CIS, and SEP. 2016.
- Health Insurance Portability and Accountability Act (HIPAA) Research Compliance Training Certification. University of South Florida (2006-current).
- **Florida Developmental Specialist (ITDS)/Medicaid Early Intervention Provider Certification**. Children's

Medical Services/ Early Steps, Tampa, FL, USA.

- **Certified Domestic Violence Specialist (CDVS-I)**. Cognitive Behavioral Approaches. Growth Central LLC, Greer, SC, endorsed by the National Anger Management Association. 2019-present.
- **Mental Health First Aid Certification**. Mental Health First Aid USA. National Council for Behavioral Health
- **Certified Mindfulness Parenting Practitioner**. Accredited by CPD Accreditation Group, London, UK. Life Success Academy. CPD Accreditation Group Provider.
- **Certified Mindfulness Practitioner**. Accredited by CPD Accreditation Group, London, UK. High Impact Consulting, Coaching, and Training. CPD Accreditation Group Provider No: 777313.
- **E-Learning Management Systems – Level I Certification**. Distance Learning Education Department, Universidad Nacional Autónoma de Nicaragua, Managua. February, 2018
- **Certification of Teaching Credentials** for:
 - *Family & Community Violence Courses*. Southern Association of Colleges and Schools (SACS)/College of Public Health, University of South Florida
 - *Maternal and Child Health courses*. Southern Association of Colleges and Schools (SACS)/College of Public Health, University of South Florida
- **Protection of Human Subjects Research Certificate** (2008-2022, renewable). Collaborative Institutional Training Initiative (CITI), University of Miami, FL
- **Certificate “Protecting Human Research Participants”**. National Institutes of Health (NIH), Office of Extramural Research (09/11/2013)
- **HIPAA Certificate (2006)**. College of Public Health, University of South Florida.

CURRENT POSITIONS

University of South Florida, College of Public Health, Tampa, FL, USA.

2015-present

Assistant Professor (Research Faculty from 2015-2019)

- Faculty Supervisor to Instructors of Record and TAs for HSC4579 Foundations of Maternal and Child Health
- Maternal and Child Health Concentration (MCH) & Community and Family Health Concentration (CFH)
 - Instructor (Family and Community Violence in Public Health (PHC 6413); Child Health and Development (PHC 6550))
- Strategic Area: Policy, Practice & Leadership
- Salud Latina, USF College of Public Health (2021-present)

Director (2020-present), Harrell Center for the Study of Family Violence

Associate Director (2015-present) and Co-Investigator (2020-present), USF Center of Excellence in Maternal and Child Health Education, Science, and Practice

- Co-Investigator, Strengthening the MCH Public Health Academic Pipeline (Postdoctoral Supplement)
- Co-Investigator, Maternal and Child Health Epidemiology Doctoral Traineeship (Supplement Grant)

Other Department Affiliations at USF

- **Co-Founder, Interdisciplinary Research Lab on Women’s Mental Health and Gender-Based Violence.** Joint project School of Social Work & Harrell Center-COPH.
- Affiliate Faculty, USF Department of Women’s & Gender Studies (2021-present)
- Affiliate Faculty, USF Institute for the Study of Latin America and the Caribbean (2020-present)

Universidad Nacional Autónoma de Nicaragua, Managua, Nicaragua

2017-present Professor of Public Health (Affiliate), Doctoral Program in the Health Sciences, School of Public Health (Centro de Investigaciones y Estudios de la Salud), Managua, Nicaragua. In partnership with the Pan American Health Organization.

PREVIOUS ACADEMIC APPOINTMENTS

2015-2019 Visiting Research Faculty & Associate Director (2017-2019)
Harrell Center for the Study of Family Violence, College of Public Health, University of South Florida.

2015-May 2020 Associate Director
USF Center of Excellence in Maternal and Child Health Education, Science, and Practice, HRSA-funded.
University of South Florida.

2015-May 2020 Coordinator
Maternal and Child Health Epidemiology Doctoral Traineeship Program-Scholarship. College of Public Health, University of South Florida.

2017-2020 Affiliate Professor of Public Health
Doctoral Program in the Health Sciences. Centro de Investigaciones y Estudios de la Salud, Universidad Nacional Autónoma de Nicaragua, Managua, Nicaragua, Nicaragua.

Fall 2015 Adjunct Faculty
Course: MCH I (Fall 2015). Lawton and Rhea Chiles Center for Healthy Mothers and Babies, College of Public Health, University of South Florida.

2014-2015 Project Manager & Research Coordinator
NIH R24 “Toward Eliminating Disparities in MCH Populations”, Department of Epidemiology and Biostatistics, College of Public Health, University of South Florida, in partnership with Federal Central Hillsborough County Healthy Start, REACHUP. (Dual position). Supervisors: H. Salihu, MD, PhD; Estrellita L. Berry, MA, President, CEO, REACHUP, Inc.

2010-2013 Graduate Research Associate (Graduate Research Assistant 2010-2012)
Department of Epidemiology and Biostatistics, USF College of Public Health, Supervisor: H. Salihu, PhD

2012-2013 Principal Investigator – Cohort Study
Doctoral Dissertation Research: “Social Origins of Perinatal Health” (FDOH IRB Protocol H12001H).
Community and Family Health Department, College of Public Health, University of South Florida.
Supervisor: R. Kirby, PhD

Summer 2013 Co-Investigator & Statistical Consultant
Project: “Health Department Research Day”. Florida Department of Health at Polk County and University of South Florida. Supervisors: U. Choe, MD; D. Chiriboga, MD; R. Kirby, PhD.

July-August 2012 Qualitative Data Analyst
Study: “Tools and Strategies for Modeling and Reinforcing Professionalism.” Morsani College of Medicine, University of South Florida. Supervisor: Alicia DH Monroe, MD, Dean Educational Affairs.

May-August 2012	Statistical Data Analysis Supervisor Project: "Encouraging Research at the Health Department". Florida Health Department at Polk County (PI: D. Haight, MD; Daniela Chiriboga, MD; Russell Kirby, PhD)
2008	Qualitative Research: Graduate Research Assistant Study: "Cultural Diversity and Breast Cancer Support Groups," (Funded by Susan G. Komen Foundation; PI: J. Coreil, PhD). Community and Family Health, College of Public Health, University of South Florida.
2007-2008	Graduate Assistant Study: "Helping Our Toddlers – Developing Our Children's Skills", Child Development Division, Department of Pediatrics, Morsani College of Medicine, University of South Florida. Supervisors: Carol Lily, MD; K. Armstrong, PhD; Robert Nelson Jr. MD.
Summer 2006	PAHO/Fulbright Summer Intern – International Health Child and Adolescent Unit, Pan American Health Organization Headquarters, Regional Office of the World Health Organization, Washington, DC, USA (Supervisors: Dr. Yehuda Benguigui, Dr. Ruben Grajeda; Dr. Rolando Cerezo; Dra. Virginia Camacho)

RESEARCH FOCI:

Family and Community Violence
Maternal and Child Health Epidemiology

Content Areas:

Family and community-level adverse childhood experiences (child maltreatment and exposure to domestic violence)
Youth and community violence
Maternal and child health epidemiology

Approaches:

Quantitative methods
Mixed methods design
Community-based participatory research
Generalized structural equation modeling
Complex survey data analysis, jointpoint regression; Meta-analytic systematic reviews.

Software:

MPLUS, SPSS, STATA, SAS, Comprehensive Meta-Analysis, JointPoint, MaxQDA (qualitative).

 - Authors: Buro, Acadia; Salinas-Miranda, Abraham; Marshall, Jennifer; Gray, Heewon; Kirby, Russell

Manuscripts in preparation (not submitted yet):

- To be submitted to *Journal of Pediatrics*
 - Relationship of adverse childhood experiences with bullying behaviors: evidence from the 2016-2017 National Survey of Children's Health
 - Authors: Abraham A. Salinas-Miranda, Mosadoluwa Afolabi, James O'cean, Nicholas Thomas, Russell Kirby
- To be submitted to *Journal of Neurology*
 - Title: Adverse childhood experiences and functional neurological disorders
 - Authors: **Abraham A. Salinas-Miranda**, Bashir, D., James O'cean, Elizabeth, Bridget Milton
- To be submitted to *American Journal of Public Health*
 - Title: ACE IQ validation for Haiti.
 - Authors: Abraham A. Salinas-Miranda, Guitele Rahill, Manisha Joshi.

Research Abstracts Presented in Scientific Conferences (Descending Order)

**Denotes Student as First Author under my mentorship/training or senior author/PI role.*

62. Agazzi, H, Dickinson, Thomas, N, **Salinas-Miranda, A**, Ortiz, C, Hayford, H. (2022). Pandemic parenting: DOCS K-5 programs for caregivers of school-age children with disruptive behavior. Society of Pediatric Psychology Annual Conference. (Submitted – Pending Decision).

61. *Amory, K, **Salinas-Miranda, A**, Powers, R. (9/7/2021). Abstract submitted: Listening Sessions with Survivors of Domestic Violence and their Encounters with the Criminal Justice System. Submitted to the 2022 ACJS 59th Annual Meeting. (Pending Decision)

60. **Salinas-Miranda, A** & King, L. Session Moderator Family Violence Prevention Caucus: 4023.0 Risk and Protective Factors for Family Violence. Tuesday, October 26, 2021. 8:30 AM - 10:00 AM. *Annual Meeting American Public Health Association, 2021.*

59. Calvo, A, Martinez-Tyson, D, Reina-Ortiz, R, Salinas-Miranda, A, Izurieta, R, Hoare, I. University of south Florida's "Salud Latina" initiative to address health disparities among Latinx communities in the US and abroad. Latino Caucus. *Annual Meeting American Public Health Association, 2021.*

58. Vamos, C., **Salinas, A**, Daley, E, Kirby, R, Lovett, S, Petersen, D. Poster: Plan, pivot and prosper: Lessons learned from implementing a multi-pronged MCH leadership scholars' program amidst a global pandemic. *Annual Meeting American Public Health Association, 2021.*

57. *Buro, A, **Salinas, A**, Marshall, J., Gray, H., Kirby, R. Poster: Obesity and comorbidities among adolescents with autism spectrum disorder: The national survey of children's health 2017-2018. *Annual Meeting American Public Health Association, 2021.*

56. *Buro, A, **Salinas, A**, Marshall, J., Gray, H., Kirby. Poster: Obesity and comorbidities in adolescents aged 10-17 years: The national survey of children's health 2017-2018. *Annual Meeting American Public Health Association, 2021.*

55. *Jose, S, Sian, S, Menezes, L, **Salinas, A**. Poster: Investigating medical student knowledge, attitudes, and perceptions of human trafficking and need for training in the United States. *Annual Meeting American Public Health Association, 2021*

54. *Reid, C, Beckstead, J, **Salinas-Miranda, A**, MD, PhD, MACE, CDVS Poster: 5038.0 - The influence of COVID-19 stress on anxiety and depression in international students during the COVID-19 pandemic. *APHA 2021.*

53. *Lovett, S.M., Reid, B.M., **Salinas-Miranda, A.A.**, & Kirby, R.S. (Accepted, December 2021). Oral Presentation: Predictors of flourishing in relation to adverse childhood experiences and resilience using the National Survey of Children's Health. CityMatCH Leadership and MCH Epidemiology Conference, New Orleans, LA. December 8-10, 2021.
52. *Lovett, S.M., Sappenfield, W.M., **Salinas-Miranda, A.A.**, & Thomas, N. (Accepted, December 2021). Oral Presentation: Associations between intimate partner violence and pregnancy wantedness among reproductive-aged women in Guatemala. CityMatCH Leadership and MCH Epidemiology Conference, New Orleans, LA.
51. Mildon, B, Snow, E, Ocean, J, Agu, N, ****Salinas-Miranda, AA**. Association between adverse childhood experiences and functional seizures among FND patients in the FND Patient Registry. Submitted to 21st International Congress of Parkinson's Disease and Movement Disorders. Movement Disorder Society (MDS) Virtual Congress 2021. September 17-22, 2021.
50. *Sian, S, Jose, S, Menezes, LJ, **Salinas-Miranda, AA** (2021). Digital poster: Investigating Medical Students' Attitudes Toward Sex Trafficking Victims in the United States. USF Health Research Day 2021. February 26, 2021.
49. * Jose, S, Sian, S, Menezes, LJ, **Salinas-Miranda, AA**. (2021). Digital poster: Examining Human Trafficking Knowledge Among Medical Students in the United States. USF Health Research Day 2021. February 26, 2021.
48. *Buro, A, **Salinas-Miranda, AA**, Marshall, J, Kirby, RS. (2021). Digital presentation: Correlates of obesity among adolescents with autism spectrum disorder: The 2017-2018 National Survey of Children's Health. USF Health Research Day 2021. February 26, 2021.
47. *Reid, C, **Salinas-Miranda, AA**, Beckstead, J. (2021). Digital poster: A Predictive Model of COVID-19-related Stress on Anxiety and Depression in International Students at a Large Florida University during the Covid-19 Pandemic. USF Health Research Day 2021. February 26, 2021.
46. *Markis, A, **Salinas-Miranda, AA**, Cohen, N. (2021). Digital poster: The Lived Experiences of Individuals with Ehlers – Danlos Syndrome in Florida: A Qualitative Study. USF Health Research Day 2021. February 26, 2021.
45. **Salinas, A**, Hunter, A. Moderator/ Host: 4206.0 Family Violence Prevention and Intervention Session. Session: Tuesday, October 27, 2020, 3:00 PM - 4:30 PM
44. Schwab Reese, L, **Salinas, A**. Moderator/ Host: 3199.0 International Family Violence Prevention and Intervention Session. Session: Monday, October 26, 2020, 3:00 PM - 4:30 PM
43. Chatterji, M, **Salinas, A**. Moderator/Host: 3028.0 Epidemiology of Intimate Partner Violence (IPV). Session: Monday, October 26, 2020, 10:30 AM - 12:00 PM
42. King, L., **Salinas, A**, Collins, S, Wilson, R, Berry, EL, Salihi, H, Zori, G. (2020). Digital poster: Community residents' perceptions of fathers' health using community-based participatory research focus groups and the life-course perspective. Poster #14139.0. American Public Health Association Annual Conference 2020: Preventing Violence. Oct 26, 2020
41. Cupoli, R, Myslicki, T, **Salinas, A**, Sutton, N (2020). Oral Presentation: Title: Initiating a community-centered approach in addressing domestic violence: The hillsborough county domestic violence coordinated community response project. American Public Health Association Annual Conference 2020: Preventing Violence. Oct 26, 2020.
40. Reina Ortiz, M, Pracht, E, Hoare, I, Thomas, N, **Salinas, A** and Kurji, N. Poster #3068.0: Post-hurricane behavioral disorders: Health disparities in rates of Florida inpatient episodes between 1991 and 2014. American Public Health Association Annual Conference 2020: Preventing Violence. Oct 26, 2020.
39. *Car, C, **Salinas-Miranda, AA** (2020). Poster: Intimate partner violence among indigenous women in Guatemala: Analysis of Demographic Health Survey 2015. USF Health Research Day, Feb. 2020.

38. *Thomas, N., **Salinas-Miranda, AA**, Sayi, T. (2019) Poster: Associations between emotional intimate partner violence and family planning decision making among women in South Africa (#4205.1). American Public Health Association 2019. Family Violence Prevention Poster Session. Philadelphia. Nov 2-6, 2019.
37. *Thomas, N., **Salinas-Miranda, AA**, Wilson, R,Kirby, R. (2019). Poster: “The mediating effect of depression on the relationship between adverse childhood events and bullying behaviors: a study using the National Survey of Children’s Health”. *USF Health Research Day*. Tampa, FL. February 22, 2019. **Award winning poster: “Outstanding Poster Award.”**
36. *Chmaitelli GP, **Salinas-Miranda AA**, King LM, Dongarwar D, Berry, EL, Harris T, Salihu HM. (June 2019). Poster: Association among racism, psycho-social stress, and health-related quality of life: Buffered effect of alcohol. Poster presented to Baylor College of Medicine (BCM) Center of Excellence (COE) Summer Institute Summit, Houston, TX.
35. *Occean, JR, Thomas, N., **Salinas-Miranda, AA**. (2019). Poster: Intimate Partner Violence among Women in Haiti. *USF Health Research Day*. Tampa, FL. February 22, 2019.
34. *Sharma, V, Reina-Ortiz, M, Hoare, I, Thomas, N, **Salinas-Miranda, AA**. (2019). Poster: Reproductive behavior in post-earthquake Nepal: A comparison using a national-level survey. American Public Health Association Annual Conference 2019. Philadelphia. Nov 2-6, 2019.
33. King, L., Dongarwar, D, Yusuf, K, **Salinas-Miranda, AA**, Salihu, H. (2019). Poster: Trends in the incidence of macrosomia and macrosomia phenotypes in the United States across five decades, 1971-2017. American Public Health Association Annual Conference 2019. Philadelphia. Nov 2-6, 2019.
32. Medina, I., **Salinas, A.**, Masys, A. (2019). Oral Presentation: “Person-Centered Care and Human Trafficking Prevention – Training Healthcare Providers”. *The 12th Geneva Conference of the International College of Person Centered Medicine (ICPCM)*. Geneva, Switzerland. March 25-27, 2019.

Effectiveness of Federal Healthy Start in improving feto-infant morbidity associated with absent fathers: A quasi-experimental design. Abstract presented at *140 APHA Annual Meeting and Exposition; 10/2012*

11. Euna M. August, Amina Alio, Mulubrhan Mogos, **Abraham Salinas**, Alfred Mbah, Hamisu Salihu (2012). HIV/AIDS in mothers of advanced age and adverse pregnancy outcomes. Abstract presented at *140th APHA Annual Meeting and Exposition; 10/2012*

10. Alfred Mbah, Cara de la Cruz, Euna M. August, **Abraham Salinas**, Valerie Whiteman, Hamisu Salihu. (2012). Placenta accreta and feto-infant morbidity outcomes. Abstract presented *140th APHA Annual Meeting and Exposition; 10/2012*

9. Abraham Salinas, Hamisu Salihu, Michelle Nash, Jason L. Salemi, Euna August. (2011). Use of cutting edge educational technology for comparative effectiveness research: Developing an infrastructure for informed health care decision-making. Oral presentation at *139th APHA Annual Meeting and Exposition; 11/2011*

8. Abraham Salinas, Hamisu Salihu, Emanny Sanchez, Linda A. Detman, Jodi Ray. (2011). Utility of tele- insurance for increased health insurance coverage of children: The case of Florida covering Kids & Families. Poster presented *139th APHA Annual Meeting and Exposition. 10/2011*

7. Hamisu Salihu, **Abraham Salinas**, Michelle Nash, Jason Salemi. (2011). Innovative methods for curriculum development and evaluation to enhance public health workforce in comparative effectiveness research. Oral presentation and conference paper (Paper ID: 907). *The 4th International Conference of Education, Research and Innovation (ICERI)*. November 16- 18, 2011. Madrid, Spain.

6. Abraham Salinas, J.C. Smith. (2009). Engaging Fathers in Parenting Interventions. Conference paper presented at *Early Childhood Council & Florida Infant Mental Health Association 13th Annual Conference: Meeting the Needs of Young Children in their Family and Community Conference “Every Moment Matters”*. November 18, 19 and 20. Grand Hyatt Tampa Bay, Tampa, FL.

5. Daniela Chiriboga, **Abraham Salinas**, Kathleen Armstrong. (2009). Poster #HT 18 (Session 2): HOT DOCS Español- A parent training program to address challenging behavior in Hispanic toddlers. Future of Pediatrics Conference, *American Academy of Pediatrics*. February 27-March 1, 2009. Anaheim Marriott Hotel, California.

4. Abraham A. Salinas, Heather L. Curtiss, Daniela Chiriboga, Jillian Williams, Kathleen Armstrong. (2008). Adaptation of a parent training program for Hispanic families: *Helping Our Toddlers – Developing Our Children’s Skills* © (HOT DOCS). Presented at *USF Health Research Day 2008*.

3. Abraham Salinas, Kathleen Armstrong, Heather Curtiss, Cristina Ortiz. Presentation: Project HOT DOCS ©. *Florida Association of Infant Mental Health Annual Conference* (Fort Lauderdale, May 17-18, 2007).

2. Abraham Salinas, Kathleen Armstrong. Poster: Mixed Methods Evaluation of HOT DOCS ©. *USF Health Research Day 2007*, Feb 23, 2007. Tampa, FL, USA.

1. Abraham Salinas (2000). Oral Presentation: Clinical evolution in threatened abortion in patients of four hospitals of Managua. II Expo-Science. *National Council of Universities, Universidad Nacional Autónoma de Nicaragua*. April, 2000 [in Spanish]. Managua, Nicaragua.

RESEARCH ACTIVITIES

Proposal Recently Submitted: Awaiting Decision

Project: *Artificial Intelligence Applications to Recognize Fear-Based Responses Among Survivors of Domestic Violence: A Feasibility Study*.

Investigators: Pratoool Barathi (NIU-Principal Investigator), **Abraham Salinas (USF -Principal Investigator)**.

Co-Is: Guitele Rahill, Manisha Joshi, USF Computer Science (Sriran Chellapam),

Agency: NIJ

Status: Submitted April 27, 2021. Awaiting Results in October.

Grants and Contracts

Extramural Ongoing Grant Support

PNC Bank **Salinas, A (PI); Co-I: Agazzi, H; Vamos, C, Rahill, G, Joshi, M, Callejas, L.**

Project Title: COVID-19, Peritraumatic Distress, Mental Health and Educational Attainment in a sample of African American Teen Mothers in Hillsborough County's Alternative Education Programs

Purpose: To investigate associations among pre and current-COVID-19 disparities, social distancing mandates, peritraumatic distress (PD), social support, and childhood experiences, in relation to educational achievement/attainment in a sample of AA teen mothers.

Source: PNC Bank (Agency: Women's Health Collaborative Seed Grants - USF Foundation & PNC Bank). Amount: \$15,000

R41MC39340-01-00 **9/1/2020-2021 (No Cost Extension April 2020)**

Principal Investigator: Kirby; R; **Co-Principal Investigator: Salinas, AA;**

Co-Is: Marshall, J

Title: An Ecological Approach to Understanding Obesity Risk among Children with Autism Spectrum Disorders.

Funding Opportunity and Agency: HRSA R41 Autism Secondary Data Analysis. PROJECT PERIOD: 09/01/2020-08/31/2021. Status: Awarded (Notice of Award July 10, 2020 for 1 R41MC39340-01-00).

Source: HRSA

Amount: \$99,860.00

T7618122 **2020-2025**

Vamos, C (Director; PI); Salinas, A (Associate Director, Co-I)

Centers of Excellence in Maternal and Child Health Education, Science, and Practice

Source: HRSA
Amount: \$ 517,226.00/year for five years.

T7618122-MCH Epidemiology Supplement 2020-2025

Vamos, C (PI); Salinas, A (Co-I); Kirby, R (Co-I)

Competitive CoE Supplement: Maternal and Child Health Epidemiology Doctoral Enhancement.

Source: HRSA

Amount: \$27,250.00 annually for five years.

HRSA Daley, E (PI); Vamos, C (Co-I); Salinas, A (Co-I) 6/2020-5/2025

Postdoctoral Supplement to the Centers of Excellence in Maternal and Child Health Education, Science, and

Practice. Description: Support for supplemental postdoctoral program to the USF Center of Excellence in MCH.

Source: HRSA

Internal Funding:

USF Research Foundation/Seeds Grant Hux, Vanessa (PI); Salinas-Miranda, AA (Co-I)

Project Title: Unique Experiences and Needs of Black Pregnant Women

Source: USF Research Foundation

Amount: Tier II: \$15,000 (No Cost Extension 06/01/2022).

Harrell Center Research (Endowment Fund Principal Value \$657,630; 5% Earnings/year)

Study: Listening Sessions with Survivors of Domestic Violence. Academic-Community Partnership: USF Harrell Center; The Spring of Tampa Bay. 5 student volunteers. Note: Two GA hired 10hrs/week in Summer 2021, College funding.

Study: Adverse Childhood Experience (ACE), Bullying, and Child Health Outcomes (IRB Exempt)

Salinas-Miranda, A (PI)/Kirby, R (Co-I)

Description: This study examines non-identified secondary data (weighted sample data) on children ages 0-17 drawn from the National Survey of Children's Health 2016, 2017, 2018-2019. Aim: To determine the co-prevalence of adverse childhood experiences and bullying; and examine the association between adverse childhood experiences and bullying mediated by depressive symptoms. Note: GA was hired 10hrs/week in Summer 2021, College funding.

Study: Domestic Violence using the Demographic Health Surveys

PI: Salinas-Miranda, AA/Thomas/Bashir, D.

Description: This study examines non-identified secondary data (weighted sample data) on the most recent Demographic Health Surveys from several countries including Guatemala, Haiti, Nepal, South Africa, and Uganda. Aim: To determine the role of sociodemographic risk factor and intimate partner violence in the context of developing countries in Latin America. (IRB Exempt)

Study: Functional Neurological Disorders: The Role of Adverse Childhood Experiences on Functional Neurological Disorders. (IRB ID: STUDY000156)

PI: Salinas-Miranda, AA/Co-I: Bashir, D.

Description: This study examines the relationship between functional neurological disorders and adverse

childhood experiences using extant data from an international patient-registry from FND Hope and in collaboration with the Genetic Alliance.
External funding: None.

Study: Helping Our Toddlers, Developing Our Children's Skills (HOT DOCS) Pro00032638 (Expedited)

Agazzi, H (PI)/Salinas/Thomas

Description: HOT DOCS is a parent training program that emphasizes teaching caregivers and early childhood professionals' problem-solving skills. This program is a form of primary prevention for child maltreatment. The Harrell Center provides support for data analysis and manuscript preparation.

Completed Grant Support

Maternal and Child Health Bureau: T76MC18122

Vamos, C (PD) 6/2015-5/2020

USF Center of Excellence in Maternal and Child Health Education, Science, and Practice. Purpose: prepare public health masters and doctoral students for careers in MCH research and practice and continuing education for current MCH professionals. Role: FTE 0.45 - Associate Director, MCH Faculty (Co-I)/Visiting Research Scientist
Source: MCHB/HRSA.

Amount: \$272,033/yearly, for five years

Post-Doctoral Enhancement/Supplement, MCHB/HRSA: 6-T76MC18122-09-02 – Liller, K (PD), 6/01/15-5/31/20

USF Center of Excellence in Maternal and Child Health Education, Science, and Practice (Supplement). Purpose: prepare public health post-doctoral fellows for academic MCH leadership. Role: FTE 0.45 Co-I/MCH Faculty, Coordinator

Maternal and Child Health Bureau: 2 T03MC07650-10-00

Kirby, R. (PI)/ Wilson, R (Co-PI) 9/15-5/20

MCH Epidemiology Training Grant

Purpose: prepare doctoral level MCH epidemiologists in focused practice based analytical methods. Role: FTE 0.03 – Coordinator

Source: HRSA

Amount: \$30,000 annually for five years

Harrell Center Funded Research

Study: Life as Ehlers-Danlos Patient (Pro00029859)

Salinas, A (PI)

USF Center of Excellence in MCH

06/25/2017-12/25/2019 (Re-analysis Feb 2020)

Description: An online video-based focus group research study with individuals with Ehlers-Danlos syndrome (EDS) to assess their life experiences with EDS and their perceptions regarding family-centered care criteria during their encounters with the healthcare system. The study is expected to provide information on the unmet healthcare needs of individuals with EDS and uncover the necessary improvements in family-centered care for these persons and their families.

National Violent Death Reporting System, New Investigator Research Awards

Investigators: Thomas, N (PI, Post-Doctoral Fellow)/Salinas, A (Co-PI, Faculty Supervisor; in-kind), Spring 2018

Description: Secondary data analysis of National Violent Death Registry System (Study Title: Violence Deaths in Post-Disaster Settings -IRB Pro00035355).

Innovations in Teaching Grant Award Schafer, E/Coulter, M/Liller, K/Salinas, AA

Innovations in Teaching Grant Award, Association of Teachers of Maternal and Child Health (ATMCH), Spring

2017

Project Title: A Collaborative Teaching Strategy for Building Relationships in Maternal & Child Health.
<http://www.atmch.org/collaborative-teaching-strategy-building-relationships-maternal-child-health>
 Role: Co-Investigator.

Hillsborough County Coulter (PI)/Salinas (Co-I) 9/15-5/16

Process Evaluation of Safe and Sound Hillsborough, Violence Prevention Collaborative

Purpose: Assess the process of the first year of implementation of the Safe and Sound Hillsborough initiative.

Role: Evaluator and Data Analyst

Hillsborough County Coulter (PI)/Salinas (Co-I) 9/15-5/16

Youth Outreach Survey 2015-2016, Safe and Sound Hillsborough, Violence Prevention Collaborative

Purpose: Describe risk and protective factors for violence exposure among youth attending Hillsborough County Schools and identify determinants of perceived safety. Role: Supervisor, Data Analyst.

HRSA Coulter, M. (PI) 2010-2015

Project: *MCH Leadership Training Program*. Purpose: Graduate training in MCH. Harrell Center, Community and Family Health Dept., College of Public Health, University of South Florida (USF). Role: MCH Consultant.

R24 MD008056-02 Salihu, H. (PI) /Estrellita Lo Berry (Co-I) 04/25/13-12/31/15

Project: *"Toward eliminating disparities in maternal and child health populations"*. Agency: National Institute on Minority Health and Health Disparities/NIH. Purpose: To utilize community-based participatory research to conduct a community needs assessment, develop an evidence-based intervention, and pilot the intervention within a Federal Healthy Start model. Role: Project Manager/Study Coordinator.

1R01 HS19997-01 Salihu, H. (PI) 09/30/10-09/29/12

Clinically enhanced multi-purpose administrative dataset for comparative effectiveness research in the State of Florida. Purpose: To create and validate an expanded clinically enhanced maternal-infant dataset for the State of Florida and to demonstrate the utility of the newly created enriched dataset in conducting comparative effectiveness analysis using early term elective delivery as a case study. Role: Graduate Research Associate

Florida Public Health Training Center Chiriboga, D; Kirby R.; Salinas, A. 2013

Project: *"Health Department Research Day"*. Purpose: To activate an established academic- community partnership to conduct secondary data analyses with extant databases on diverse topics of relevance for the Polk County Health Department, including HIV, teen pregnancy, obesity, and STDs. Role: Co-Investigator, Quantitative Data Analyst

Florida Public Health Training Center Chiriboga, D (PI) 04/2012-08/2012

Project: *"Encouraging Research in the Health Department"*

Purpose: To enhance the research and decision-making capacity of the Communicable Diseases

Unit at the Polk County Health. Florida Department of Health, Polk Co. FL. Role: Co-Investigator, Qualitative Data Analyst

Institute on Medicine as a Profession/Macy Foundation Alicia DH Monroe (PI) 2012

Project: *"Tools and Strategies for Modeling and Reinforcing Professionalism"*. Morsani College of Medicine, USF. Role: Qualitative Data Analyst

Mini-grant Heartland for Children, Circuit 10, Polk County Salinas, A. (PI) 2008

Project: *Implementing Behavioral Parent Training for Families in Polk Co., FL; Early Steps, FL.*
 Role: Trainer and Evaluator

Children’s Board of Hillsborough County Armstrong, K (PI) 2007-2010

Project: *Helping Our Toddler Developing Our Children’s Skills, Dept. Pediatrics, USF.*

Role: Training and Evaluation.

Previously submitted grant proposals: Not Awarded

Year	Proposals submitted
2021	Project: Resource Alignment Child Equity (RACE). Applicant: Eckerd Connects. Genet Stewart, PI. Co-Applicant: USF Harrell Center. Abraham Salinas, PI for USF. Co-I: Karen Liller, Michelle Hughes Miller, Jill McCracken, Guitele Rahill, Manisha Joshi. Agency: Kellogg Foundation. Amount requested: \$2 mill. Status: Submitted on Feb 26, 2021
2020	Grant to NIMHD/NIH. PI: Hux, V; Co-I: Abraham Salinas. Understanding Trauma and Discrimination Interactions and Biological Mechanisms in Pregnant African American Women. Amount requested: \$2,293,400.00
2020	Grant to CDC’s RO1, PI Etienne Pracht; Co-PI: Abraham Salinas; Co-I: Liller, K; Verona, E, Thomas, N. Project entitled “A longitudinal Analysis of Firearms, Intimate Partner Violence, and Associated Risks and Costs Among Women, ages 18-64, in ED and Inpatient Settings in Florida.” (Submitted 5/12/2020).
2020	Grant DHHS-Administration for Children and Families: Fatherhood Family-focused, Interconnected, Resilient, and Essential Grants program (PI: Roxeanna McNeish, CBCS). Harrell Center Role: Abraham Salinas is CoI and will provide training support. Proposal Title: Home Instruction for Fathers to Increase their Valuable Engagement (HI FIVE).
2020	To Russell Sage Foundation – Trustee Grant Mechanism: Salinas, A PI; Co-PI: Bohn, J, Liller, entitled “Domestic Violence Survivors' Decision-Making and Community Healing Processes: A Mixed Methods Study” (Submitted 5/21/2020)
2020	Short proposal COVID response USF (Second Round): Salinas, A (PI); Liller, K (Co-PI); Pracht, E (Co-I); Rahill, G (Co-I); Thomas, N (Co-I). Psychological impact of the COVID-19 pandemic among survivors of domestic violence in Tampa Bay (resubmission 5/18/2020).
2020	Short proposal COVID response USF (Second Round): Callejas, L (PI); Ismajli, F, Abella, A, Gamache, Peter, Armstrong, M, and Salinas, A (as Co-I). Exploring Miami-Dade's child welfare system response during Covid-19 crisis and its effects on families with children in out-of-home care (resubmission 5/18/2020).
2020	Short proposal COVID response USF (Second Round): Himmelgreen, D (PI), Romero-Daza, N, Salinas, A. Proposal Title: Impact of COVID-19 on loneliness and food insecurity among older adults in Tampa Bay (resubmission 5/18/2020)

- 2020 COVID USF Small Funding Award 2020 PI: Romero-Daza, N; Co-I: Himmelgreen, D, **Salinas, AA.** IMPACT OF COVID-19 ON FOOD INSECURITY AND HEALTH AMONG OLDER ADULTS IN TAMPA BAY. Submitted: 4/13/2020. Status: Not awarded.
- 2020 COVID USF Small Funding Award 2020 **PI: Salinas-Miranda, AA.** Psychological impact of social isolation on family stress and resiliency among survivors of family violence during COVID-19 pandemic. Target Area: Behavioral, Socio-emotional, and Educational Wellbeing. Submitted: 4/13/2020. Status: Not awarded.
- 2019 Innovations in Teaching Grant Award Foti, T; Vereen, S.; **Salinas-Miranda, A.** Innovations in Teaching Grant Award, Association of Teachers of Maternal and Child Health (ATMCH), Spring 2019
Project: Communication, Consent and Prevention of Sexual Violence across the Lifespan.
Role: Co-Investigator. Faculty Supervisor.
- 2018 Application Number: RB18000094
Proposal Title: National Technical Assistance Center for Refugee Resettlement Services.
Partner: Gulf Coast Jewish Family and Community Services, Inc. State: FL City: Clearwater
Role: Salinas A. **Sub-contract/Co-Investigator.**
Funding Agency: Office for Refugee Resettlement (ORR).
Date Submitted: July 30, 2018.
Status: Not Awarded. Assessed highly (95 out of 99 review criteria points). ORR_FY18.
- 2018 Proposal Title: Ethics Training for Health Investigators of Central and Latin-America
Role: **Co-Investigator**, Family Violence and Maternal and Child Health Training Components. (PI: R. Izurieta, Global Health Department, College of Public Health).
Funding Agency: National Institutes of Health. Fogarty International Center.
Date Submitted: 5/10/2018.
Status: Not Awarded (Nov/Dec 2018)
- 2017 Proposal Title: Cost burden of tobacco use in Nicaragua: A Healthcare Cost Perspective of the lack of adoption of the WHO Framework Convention on Tobacco Control
Role: **Salinas, A. Principal Investigator, Lead Epidemiologist.** (Co-I: Reina-Ortiz, M., USF-USA; Orozco, M., CIES-UNAN-Nicaragua; Espinoza, A., Ministry of Health-Costa Rica).
Funding Agency: IDRC - International Development Research Centre, Canada.
Date Submitted: 12/14/2017. Status: Not Awarded. Assessed as highly relevant and of good scientific merit (Ref. Natacha Lecours, Senior Program Officer, IDRC 06/01/2018).
- 2016 Proposal Title: Safe and Sound: A Community Violence Prevention Partnership.
Role: **Salinas, A. Co-Investigator** (PI: Coulter, M.)
Funding Agency: National Center for Injury Prevention and Control Extramural Research Program Office, Research Grants for Preventing Violence and Violence Related Injury (R01). RFA-CE-18-001.
Date Submitted: 2/17/2016.
Status: Not Awarded.

TEACHING ACTIVITIES

A. Program & Curriculum Development, College of Public Health, University of South Florida

2015 –2025 Center of Excellence in Maternal and Child Health Education, Science, and Practice. Training Grant

aimed at developing a cadre of MCH professional leaders. Funded by Maternal and Child Health Bureau, Health Services and Resources Administration. Competitive training program for 5 scholars (master and/or doctoral) selected every year based on a rigorous selection process focused on leadership in MCH. Underrepresented minority (URM) students also encouraged to apply (URM = economically and educationally disadvantaged backgrounds and underrepresented racial/ethnic minorities).

2015 –2025 Post-Doctoral Enhancement, Center of Excellence in Maternal and Child Health Education, Science, and Practice. Supplement Training Grant (5 years) - Funded by Maternal and Child Health Bureau, Health Services and Resources Administration. Competitive 2-year training program, for 2 post-doctoral scholars/fellows selected every 2-years based on a rigorous selection process focused on academic leadership potential in MCH. Aims are to develop a cadre of MCH leaders in academia.

- Programmatic components include:
 - Personal leadership development plan using the National Postdoctoral Association Competencies and MCH Navigator Competencies.
 - Six Seminars on MCH Leadership Competencies
 - Monthly Leadership Meetings
 - New Research, Grant Writing, Publications.
 - Community and University Service.
 - Teaching Graduate Level courses in areas of expertise.
 - Faculty Mentorship
 - Participation in National, Regional, and State-level Conferences
 - Peer-mentoring to MCH scholars.
 - Post-doctoral salary and benefits.
 - Alumni follow up at 2 and 5 years upon program completion.

2015-2025 MCH Epidemiology Doctoral Training Institute. Supplement training grant funded by Maternal and Child Health Bureau, Health Services and Resources Administration

- Competitive 1-year training program, for 1 doctoral student conducting dissertation research using state or local level data sources. Aims is to train MCH Epidemiologists, who can provide leadership at the state, local, and national level.
- Program components: Self-Assessment, Planned Enhanced Learning Experiences (courses, conferences, workshops) depending on student needs for the dissertation, MCH Epidemiology Faculty mentorship, Manuscript for Publication, and Presentations in Scientific Conferences. Stipend provided (no tuition).

B. Course Development, College of Public Health, University of South Florida

Oct 22, 2021	Preparation of Family Violence in Public Health course materials for cross-listing and for Child Advocacy Studies (CAST) curriculum certification. CAST focuses on developing students' understanding of the factors that lead to child maltreatment and the currently existing responses to incidents of child abuse and neglect, so they work more effectively within multiple systems and institutions that respond to these situations
Summer 2021/ Fall 2021	Developed and Adapted to Online/Graduate Course PHC 6934 Child Health and Development (Instructors: Abraham Salinas; Jennifer Marshall).

- Fall 2020** **PHC6907.112F20.87495 Independent Study: Public Health**
I developed an independent study course focused on structural equation modeling using the software STATA (PhD Student: Acadia Buro). The course included basic SEM aspects (measurement and structural models), as well as generalized SEM and reporting SEM results for scientific publication
- Summer 2019** **Modified Existing/Co-Developed Doctoral Course**
PHC 7405 Theoretical Applications to Public Health Issues (Summer 2019; doctoral students only). Note: Added lectures on family and community theories.
- Spring 2019** **Developed Undergraduate Advanced Research Independent Study Course**
Course: IDS4914.034S19 Advanced Undergraduate Research Experience: Writing for Publication in Family Violence Research. (Spring 2019). Notes: Develop syllabus, assignments, rubrics, lectures, practical experiences, and outcomes/milestones.
- Fall 2018** **Developed Undergraduate Research Independent Study Course**
Course: IDS2912.062F18 Undergraduate Research Experience: Research in Family Violence and Health Outcomes. (Fall 2018; Hybrid/Blended course). Notes: Develop syllabus, assignments, rubrics, lectures, practical experiences, and outcomes/milestones.
- 2017** **Modified Existing/Co-Developed Graduate Course**
PHC 6934 Child Health and Development (Main Instructor: Martha Coulter, Co-Instructor: Abraham Salinas). Notes: Updated readings, topics, assignments, aligned learning objectives and competencies with new syllabus requirements.
- 2017** **Developed Graduate Independent Study**
Course: PHC6907 Independent Study: Public Health. Focus: Scientific Writing in Maternal and Child Health (Spring 2018; Summer 2017). Notes: Develop syllabus, assignments, rubrics, lectures, practical experiences, and outcomes/milestones.
- 2016** **Co-Developed Doctoral Level Directed Research Course**
PHC 7910 Public Health Directed Research: Juvenile Violence: Research and Theory; Application of Structural Equation Models to Violence Research (Fall, 2016; Co-Instructors: M. Coulter; A. Salinas-Miranda).

C. Instructor

Graduate Courses

Year	Semester	Number	Role	Course Title
2021	Fall	PHC6934	Instructor	Child Health and Development Online (New)
2021	Fall	PHC7910	Instructor	Directed Research

2021	Fall	PHC6971	Instructor	Thesis: MSPH
2021-2022	Spring, Summer, Fall	PHC6949	Instructor/ Supervisor	Applied Practice Experiences
2021-2022	Spring, Summer, Fall	PHC6943	Instructor/Sup ervisor	Integrated Learning Experience
2018-2021	Summer	PHC 6413	Instructor	Family & Community Violence in Public Health
2020	Fall	PHC6907	Instructor	Independent Study in Public Health: Structural Equation Modeling using STATA
2019	Fall	PHC6907	Instructor	Independent Study: The Intersection of Intimate Partner Violence and Sexually Transmitted Diseases.
2019	Summer	PHC 7405	Co-Instructor	Theoretical Applications to Public Health Issues (doctoral students only)
2018	Fall	PHC 6530	Co-Instructor	Issues and Concepts in Maternal and Child Health (Core Course, MCH Concentration)
2018	Spring	PHC 6537	Instructor	Case Studies in Maternal and Child Health Programs, Policies and Research (Spring 2018; Capstone Course)
2018	Spring	PHC6907	Instructor	Independent Study: Public Health - Scientific Writing in Maternal and Child Health
2017, 2021	Spring	PHC 6934	Co-Instructor	Child Health and Development
2017	Summer	PHC6907	Instructor	Independent Study: Public Health. Focus: Scientific Writing in Maternal and Child Health
2016	Fall	PHC 7910	Co-Instructor	Public Health Directed Research: Research and Theory in Juvenile Violence; Application of Structural Equation Models to Violence Research (Co-Instructors: M. Coulter; A. Salinas). Doctoral student: Yingwei Yang.
2013	Spring	PHC 6410	Graduate Teaching Assistant	Social and Behavioral Sciences Applied to Health (Instr.: Cheryl Vamos, PhD).
2012	Spring	PHC6410	Graduate Teaching Assistant	Social and Behavioral Sciences Applied to Health (Instr.: Carla Vandeweerd, PhD).

Undergraduate Courses

Year	Semester	Number	Role	Course Title
2020-2021	Spring, Summer, Fall	PHC4579 or HSC4211	Faculty Supervisor	Foundations of Maternal and Child Health (2 sections)
2021	Fall	IDH4970	Thesis Chair	Honors Thesis I (Student: Grace Thompson, Genshaft Honors College Awardee)
2019	Fall	IDS4914.116	Instructor	Advanced Undergraduate Research: Experience: Critical Review of Scientific Literature and Scientific Publication
2019	Spring	IDS4914.034	Instructor	Advanced Undergraduate Research Experience: Scientific Writing in Family Violence Research. (Hybrid/Blended course).
2018	Fall	IDS2912.062	Instructor	Undergraduate Research Experience: Research in Family Violence and Health Outcomes. (Hybrid/Blended course).
2009	Spring	HSC 4579	Instructor	Foundations of Maternal and Child Health (Online)
2008	Fall	HSC 4579	Instructor	Foundations of Maternal and Child Health (Online)

Guest Lectures for Other Courses at USF

Year	Semester	Presentation Title	Course	Instructor
2021-2022	Spring	Community Engagement in Family Violence Prevention	PHC 6537: MCH II: Case Studies MCH Programs, Policies and Research	Russell Kirby, PhD
2019-2021	Fall	Child Abuse and Neglect	PHC 6530 Issues and Concepts in Maternal and Child Health	William Sappenfield, MD, MPH
2017-2021	Fall	Global Maternal and Child Health	PHC 6530 Issues and Concepts in Maternal and Child Health	William Sappenfield, MD, MPH

2019	Fall	Domestic Violence and Homelessness	SOW 4315: Social Work Case Management with Special Populations	Guitele Rahill, PhD
2019	Spring	Role of Theory in MCH Program Planning	PHC 6537: MCH II: Case Studies MCH Programs, Policies and Research	Russell Kirby, PhD
2019	Spring	Logic Models in Maternal and Child Health Programs	PHC 6537: MCH II: Case Studies MCH Programs, Policies and Research	Russell Kirby, PhD
2018	Spring	Journal Club: Q&A with author Dr. Abraham Salinas (Participatory Focus Group Research)	CFH Doctoral Advisory Committee (DAC)	Moderated by Tara Foti
2018	Spring	Community-Based Participatory Research in Public Health.	HSC 4211 Health, Behavior, & Society.	Helen Mahony, MPH
2017	Summer	Adverse Childhood Experiences and Trauma-Informed Care	PHC 6413.002 Family & Community Violence in Public Health	Martha Coulter, DrPH
2017	Summer	Juvenile Violence.	PHC 6413.002 Family & Community Violence in Public Health	Martha Coulter, DrPH
2017	Spring	Maternal and Child Health Careers.	HSC 2399 Careers in Public Health	Laura Rusnak, MPH
2016	Fall	Community-Based Participatory Research and Health Disparities	PHC 7583 Community-Based Health Promotion	Cheryl Vamos, PhD

Invited Lectures in Other Higher Education Institutions

University of Albany, School of Public Health (Instructor: Christine T. Bozlak, Director Center of Excellence, UA)
Salinas-Miranda, AA, Invited guest lecture, title “The impact of family violence on infant mental health” (Course: HPM 530 Introduction to Maternal and Child Health), Spring 2022 (Virtual Lecture).

University of Florida, College of Public Health & Health Professions.

Salinas-Miranda, AA. Presentation Title: “Adverse Childhood Experiences and Research Gaps in Trauma Informed Care Approaches”. PHC 6937: Trauma Informed Approaches for Individuals, Communities, and Public Health (Instructor: Lindsey King, PhD). Spring 2019.

Universidad Nacional Autónoma de Nicaragua, Managua (School of Public Health, National Autonomous University of Nicaragua, Managua, Nicaragua). Lecture series for the Doctorate in the Health Sciences Program.

Date	Distance Learning Presentations
September 18, 2019	<i>Public Health Trends: Humanization of Healthcare</i> (Expert Panel - Roundtable Discussion). XXXVII Anniversary of the Center of Investigations and Health Studies (Centro de Investigaciones y Estudios de la Salud), UNAN, Managua, Nicaragua.
November 2018	<i>Writing Objectives and Research questions for Dissertations in the Health Sciences.</i> Eighth Encounter Doctoral Cohort II
November 2018	<i>Statistical Analysis - Refresher Course: Correlation, Linear Regression, and ANOVA.</i> Eighth Encounter Doctoral Cohort II
November, 2018	<i>Research Ethics Training: Overview.</i> Eighth Encounter Doctoral Cohort II.

People's Open Access Education Initiative (E-learning courses accredited by UK Royal Society for Public Health), Manchester, UK. <http://courses.peoples-uni.org/>

Module Leader and Tutor. Inequalities and the Social Determinants of Health (Online; Fall 2011, 2012).

People's Open Access Education Initiative and volunteer tutor (Online course; Course Builder and Moderator). <http://www.peoples-uni.org/> Served during 2011-2013.

STUDENT ADVISING, SUPERVISION, MENTORSHIP AND COMMITTEES

University of South Florida

A. Postdoctoral Scholars

Center of Excellence in MCH Education, Science, and Practice

- 2021-2022: Richard Powis, PhD. USF Center of Excellence in Maternal and Child Health Education, Science and Practice. Role: Faculty Mentor, together with Ellen Daley & Ronee Wilson. Period: 2021-2022.
- 2018-2019: Nicholas Thomas, PhD. USF Center of Excellence in Maternal and Child Health Education, Science, and Practice. Period: 2018-2019.

B. Doctoral Students:

Co-Major Professor

- Kelli Agrawal (Admitted Fall 2021; Current).

Committee Member

- 2019-present: Caitlyn Carr (Anthropology/Public Health, PhD Student/MPH student, USF). Role: Doctoral Dissertation Committee Member – Family violence theories and quantitative methods.
- 2020-present: Chinyere Reid, PhD Student. Role: Committee Member.
- 2020-2021: Ngozichukwuka Agu (Public Health, PhD Student, USF). Defended Spring 2021. Graduated.
- 2016-2020: Yingwei Yang (Public Health, PhD Student, USF). Role: Doctoral Dissertation Committee Member - Research methods (structural equation modeling) and conceptual development aspects.
 - Successfully defended and graduated, Spring 2020.
 - Under my guidance, Yingwei presented one research poster at the 2018 USF Health Research Day 2018 and was awarded *College of Public Health Graduate Student Award*.
 - She also presented another research poster at the 2017 USF Health Research and was awarded *Best College of Public Health Poster Presentations*.

Dissertation Proposal Chair

- Nisha Vijayakumar (Public Health, PhD Student, USF). Role: Chair for proposal defense. Topic: Concentrations of Phthalate in dust among day care centers in Tampa Bay.

Supervision for doctoral students

- Acadia Buro (Public Health, Community and Family Health, PhD Student). Role: Grant-writing collaboration for R41 proposal “Obesity and Autism” (Structural Equation Modeling analysis). Co-mentored with Dr. Russell Kirby (PI).
- Yingwei Yang (Public Health, PhD Student). Project: Process Evaluation of Safe & Sound Hillsborough. Role: Supervisor. Year: 2016.
- Angela Makris (Public Health, MPH/Social Marketing Concentration). Project: USF Center of Excellence. Recruitment Specialist. Role: Supervisor. Year: Spring 2017-Fall 2018.
- Ellis E. Perez (Public Health, DrPH Student, USF). PHC 6197 Secondary Data Analysis in Maternal and Child Health (On-Campus). Role: Provided short-term mentorship on logistic regression modeling with complex samples using SPSS (referred to me by her instructor: Dr. Russell Kirby). Fall 2018.
- Oluyemisi Falope (Public Health, PhD Student). Role: Mentorship on skills development for peer-reviewing of

scientific publications (Assessment of systematic reviews using PRISMA guidelines).

- Shams Rahman (PhD Student). Project: USF Center of Excellence. Recruitment Specialist. Role: Supervisor. Year: 2016.
- Shawna Green (Public Health, PhD Student, USF). Research project: Observing adult-child interactions in an Ecuadorian context through the Mediation Intervention for Sensitizing Caregivers (MISC) approach. Role: Provided short-term mentorship on qualitative research design and data analysis (referred to me by her advisor: Dr. Martha Coulter). Year: 2014.

C. Master Students

Faculty Mentor for MCH Concentration students

- Rhosemalindha Louis, Fall 2021
- Sara Stubben, Fall 2021
- Eliana Huffman, Fall 2021
- Morghan Hyatt, Fall 2021
- Lucas Hicks, Fall 2020-present.
- Oluwaseun Robinson, Fall 2020-present.
- Anne Kelsie Barker, Fall 2021-present.
- Shikha Darnal 2019-2020 (graduated).

D. Undergraduate Students

Research mentorship

- Adesola Orogade
- Grace Thompson
- James Ocean

E. Other mentorship

Integrated Learning Experience Supervisor for

- Maria Dager (Fall 2021)
- Christiana Zimmer (Spring 2022)

Mentor for MCH Scholars

- Eden Cunningham, MCH Scholar for the USF Center of Excellence in MCH (Public Health, MPH Student, USF). Role: Faculty Mentor, USF Center of Excellence in MCH (leadership skills and qualitative research). Year: Fall 2017-Summer 2018.
- Grace Liggett, Scholar for the USF Center of Excellence in MCH (Public Health, MPH Student, USF). Role: Faculty Mentor, USF Center of Excellence in MCH (leadership skills and qualitative research). Year: Fall 2016-Summer 2017.

Couching other MPH students (Various Projects)

- Nicole Sutton. Spring-Summer 2019. Role: Supervisor and mentorship in the student's applied practice experience (APE) focused on family violence prevention. Partnership with the Hillsborough County Domestic Violence Task Force, Project "Victims Assistance Virtual Academy".

- Samantha Scott. Summer 2019. Role: Mentor in systematic review methods for student project “Social media and suicidal ideation: Systematic Review”.
- Fato Hassani. Spring 2019. Role: Faculty mentor for research papers on intimate partner violence determinants in developing countries using the demographic health surveys.
- Sharonda Lovett. Spring 2019. Role: Faculty mentor for research papers on intimate partner violence determinants in developing countries using the demographic health surveys.
- Andrew Lim. Spring 2019. Role: Faculty mentor for research papers on intimate partner violence determinants in developing countries using the demographic health surveys.
- Kyle Jacobsen. Spring 2019. Role: Faculty mentor for research papers on intimate partner violence determinants in developing countries using the demographic health surveys.
- Abimbola Michaels. Spring 2019. Role: Faculty mentor for research papers on intimate partner violence determinants in developing countries using the demographic health surveys.
- Astha Kakkad. Spring 2019. Role: Guidance on research conceptualization for MSPH thesis.
- Mosadoluwa Afolabi, MCH Student, Harrell Center Student. Years: 2017-2018. Role: Mentor in research projects, data analysis, and research findings dissemination.
 - *Under my guidance, Mosadoluwa presented one research posters at USF Health Research Day 2018 and was awarded College of Public Health Graduate Student Award.*
- Student: Anne Bjorke, MCH Student. Role: Mentor in scientific writing for publication. The student also took an independent study with me. Fall 2017/Spring 2018.
- Carlson Bell, Global Health Concentration. Summer 2019. Role: Mentor in systematic review methods for student project “Social media and suicidal ideation: Systematic Review”.
- Santiago Hernandez, Global Health Concentration (Fulbright Scholar 2018-2020). Role: Mentor, guidance on career development direction and volunteer research experiences for a healthcare career.

Job supervision to students, University of South Florida

- Mosadoluwa Afolabi (Public Health, MPH Student, USF). Role: Supervisor, guidance on literature review, manuscript writing, and data analyses. Year: 2017-2018.
- Somtochukwu Ginigeme (Public Health, MPH/Epidemiology Student). Project: USF Center of Excellence. Database Design. Role: Co-Supervisor with Dr. Ronee Wilson. Year: Spring 2017.
- Dana Goodlet (MA, MPH – Public Health/Anthropology Student). Project: USF Center of Excellence. Recruitment Specialist. Role: Supervisor. Year: 2016.
- Shana Geary (Public Health, MPH Student). Project: Process Evaluation of Safe & Sound Hillsborough. Role: Supervisor. Year: 2016.
- Rujuta Shutla (Public Health, MPH Student). Project: Process Evaluation of Safe & Sound Hillsborough. Role: Supervisor. Year: 2016.
- Chantell Robinson (Public Health, MPH Student). Project: Process Evaluation of Safe & Sound Hillsborough. Role: Supervisor. Year: 2016.
- Juliana Prieto (Public Health, MPH Student). Project: Process Evaluation of Safe & Sound Hillsborough. Role: Supervisor. Year: 2016.
- Amogh Bhalerao (Public Health, MPH Student). Project: Process Evaluation of Safe & Sound Hillsborough. Role: Supervisor. Year: 2016.
- Sadia Robinson (Public Health, MPH Student). Project: Process Evaluation of Safe & Sound Hillsborough. Role: Supervisor. Year: 2016.
- Jeannese Castro (Public Health, MPH Student) Topic: Family Planning Project. Role: Guidance on the application to Institutional Review Boards for international study setting (USF Health Nicaragua Project). Year: 2013-2014.

- Samantha Copeman (Public Health, MPH Student). Topic: Late Diagnosis of HIV, Polk County Health Department. Role: Supervisor, COPH Special Project (Health Department Research Day FDOH/USF). Year: 2013.
- Ryan Ortega (Public Health, MPH Student). Topic: Repeat Chlamydia Infections, Polk County Role: Supervisor, Health Department Research Day Project (FDOH/USF). Year: 2013-2014.
- Amelia Phillips (Public Health, MPH Student; MCH Scholar). Topic: WIC Non-Participation Rates, Polk County Role: Supervisor, Health Department Research Day Project (FDOH/USF). Year: 2013-2014.
- Dena Garcia (Public Health, MPH Student). Topic: Factors Associated with Repeat Teen Pregnancy, Polk County. Role: Supervisor, Health Department Research Day Project (FDOH/USF). Year: 2013.
- Amanda Ellis (Public Health, MPH Student). Topic: Providers' perceptions about obesity determinant, Polk County. Role: Supervisor/Mentor, Health Department Research Day Project (FDOH/USF). Year: 2013-2014.
- T'Shane Williams (Public Health, MPH Student) Topic: Arsenic and Wells Waters, Polk County. Role: Supervisor/Mentor, Health Department Research Day Project (FDOH/USF). Year: 2013.

Medical Students and Residents, USF Morsani College of Medicine

- Pratiksha Vaghela (Occupational Medicine Residency, Doctoral, USF). Topic: Socioecological model of Affordable Care Act (ACA) acceptance. Role: Short-term mentorship and guidance on web-based data collection design and research ethics (referred to me by her major professor: Dr. Hamisu Salihu). Year: 2014.
- Nicole Teal & Samson Lu. Community-Based Research Project: From Need to Intervention: A Community-Guided Holistic Clinic Founded on Population Health Strategies. Role: Collaborator & Peer Mentor, USF-MPI Summer Internship (International Elective, Nicaragua). Main supervisor: Dr. Robert Nelson. Year: 2013-2014.
- Eric Shamas & Eric Monaco. Photovoice Project: Voces de Cedro Galan – A Participatory Needs Assessment of Resource-Poor Community in Nicaragua. USF Health Nicaragua Project, Role: Peer-mentor, USF-MPI Summer Internship (International Elective, Nicaragua). Main supervisor: Dr. Robert Nelson. Year: 2013.
- Chelsea Gorsline (Medical Student). Student-led Research Project: Water, Sanitation and Hygiene Assessment, Cedro Galan, Nicaragua. USF Health Nicaragua Project. Role: Mentor for Scholarly Excellence Leadership Experiences Collaborative Training (MD SELECT). Main supervisor: Dr. Robert Nelson. Year: 2013.

DEPARTMENT, COLLEGE & UNIVERSITY SERVICE

University Service

2021	<u>Grant reviewer for USF COPH Internal Award Review. August 15, 2021.</u>
2021	<u>Facilitator for Workforce Group – Addressing Systemic Racism in the Curriculum (T. Penniecook)</u>

Purpose: Providing technical assistance on the core public health functions and to provide an opportunity for State Title V directors and program staff to engage with counterparts from other states, Federal partners, various MCHB-funded resources, and CoE project directors. October 13-17, 2017.
- Technical Assistance to State-Jurisdictional Title V Departments (2016). National meeting organized by HRSA MCHB. Washington Marriot Wardman Park, Washington DC, April 4-5, 2016. Role: Provider of Technical Assistance to Title V representatives from middle size states on evidence-based strategy measures for state jurisdictional Title V agencies. After the event, Dr. Salinas continued to be engaged in an interdisciplinary group charged with refining a *brokering protocol* for the provision of Title V agencies. April 5-6, 2016.

Regional/Southern USA

- Southeast MCH Scholars Collaborative: At USF Center of Excellence in MCH, we collaborate with University of Alabama at Birmingham, Emory, and University of Tulane, which has a multi-state regional impact. Last Regional Meeting was October 24-26, 2018, Birmingham, Alabama

Global/International Collaborations

- COVID-19 and Migration in the Americas: Research and Practice. A Virtual Symposium organized by Universidad del Norte (UNINORTE Global) and ISLAC USF. November 12, 2020, 15:30-18:00. Invited Speaker (Topic Violence Against Women and Children During the COVID-19 pandemic).
- Project: Curriculum Development in Epidemiology, Mental Health, and Kinesiology. Kinesiology Department, University of Santiago de Chile (USACH), Santiago, Chile. January 2019
- Project: Grant proposal development – “Cost utility analysis for Nicaragua to inform policy adoption of the World Health Organization’ Tobacco Control Framework” Collaborative: CIES-UNAN, Nicaragua; Ministry of Health, Costa Rica; Ministry of Health, Nicaragua. December 2017.
- Project: Substance use disorders in maternal and child health: A scoping review project. Familias Unidas International, Inc. Miami, FL. Description: Systematic review of scholarly/peer-reviewed articles published up to July 2017, in English, and restricted to populations in the United States. A qualitative synthesis approach (Ref: Dr. Imelda Medina). Fall 2017.

Community & University Invited Presentations (Audience: Workforce and Students)

Presenter/Collaborator, USF Salud Latina Initiative Webinars, College of Public Health:

<https://hscweb3.hsc.usf.edu/health/publichealth/news/salud-latina-usf-combats-misinformation-in-spanish/>

Presenter in the following webinars:

- COVID-19 Vaccines : 3-17-2021
- COVID Treatments: 4-28-2021
- COVID Social Impact: 6-24-2021
- Lead presenter: COVID and Gender-based Violence/ Violence Against Women and Girls, Latin America and USA. 11/18/2021.

Salinas-Miranda, AA. Invited Speaker (virtual). Presentation: Adverse childhood experiences and addictions. Community Council against Substance Abuse in Ocala. December 9, 2021.

Salinas-Miranda, AA. Invited Speaker for the Family-Professional Summit (virtual). Presentation: Co-parenting: What keep dads awake at night. September 22, 2021. Florida Family Leaders Network.

Salinas-Miranda, AA. Invited Speaker for the ACE and Resilience Symposium: Dealing Families a Winning Hand. Presentation: Family Violence Impact and its Impact on Infant Mental Health. Virtual. September 15, 2021. Organized by Early Childhood Council.

Salinas-Miranda, AA. Invited Speaker for the 9th Prevention Summit. Presentation: Adverse childhood experiences and substance abuse. August 30, 2021.

Salinas-Miranda, AA. Invited Speaker for the MCHSO 12th Annual Symposium. March 4-5, 2021.

<https://hscweb3.hsc.usf.edu/health/publichealth/news/mchso-to-hold-its-12th-annual-symposium/>

Salinas-Miranda, AA (August/September, 2020). Infant Mental Health and the Impact of Family Violence. Psychology Didactics (Virtual). Child Development Division, Department of Pediatrics, USF Morsani College of Medicine, Tampa, FL.

Salinas-Miranda, AA. (July, 2020). Virtual Domestic Violence Awareness for Community Volunteers. Hindu Family Support Services. USF School of Social Work, Adelphi University, and HFSS. July 11-12, 2020.

Salinas-Miranda, AA. (May, 2020). Virtual Domestic Violence Advocates Training Series. The Spring of Tampa Bay. Topics: Family violence impact on infant mental health; Violence, trauma, and mindfulness; Batterer Intervention Programs: Review of Best Practices and Issues.

Salinas-Miranda, AA. (Nov, 20, 2019). *USF Perinatal Research Seminar: Biopsychosocial Model of Opioid Use Disorders: Implications for Perinatal Outcomes.* USF Health South Tampa Campus. Interdisciplinary Activity.

Salinas-Miranda, AA. (November 19, 2019). Invited Presentation (Subject Matter Expertise): *“The Impact of Family Violence on Infant Mental Health”*. For Infant Mental Health Steering Committee (Impact of Family Violence on Infant Mental Health), Early Childhood Council, Tampa, Florida.

Salinas-Miranda, AA (Fall 2019: October 18, 2019). *Nursing Grand Rounds: Intimate Partner Violence among College Students.* USF College of Nursing Faculty Development: Grand Rounds with Journal Club. College of Nursing, University of South Florida.

Salinas-Miranda, AA (Fall 2019: September 20, 2019). *Nursing Grand Rounds: Domestic Violence Training for Nurses*. USF College of Nursing Faculty Development: Grand Rounds with Journal Club. College of Nursing, University of South Florida.

Salinas-Miranda, AA (September 13, 2019). Opioids Use and Opioids Use Disorder in Pregnancy. Invited Lecture: Second Regional Summit: Substance Use Disorder in the Pregnant Patient and Substance Exposed Neonate, September 12-13, 2019. Florida Department of Health at Sarasota County.

Salinas-Miranda, AA (Fall 2018). Family-Professional Partnerships. Seminar. Center of Excellence in MCH Education, Science, and Practice & Univ. of Florida Pediatric Pulmonary Care. (Hybrid/Blended)

Salinas-Miranda, AA (2016). *Life Course Perspective on Domestic Violence against Children*. Update presented to International Delegation from China - Beijing CDC School Health Division visiting USF. Organized by Dr. Yiliang Zhu. 2016.

Salinas-Miranda, AA (December 20, 2017). *Intimate Partner Violence (IPV) within a University Population*. Audience: USF Counseling Center (mental health professionals). University of South Florida. Tampa, Florida.

Salinas-Miranda, AA. (June 1st, 2017). *Domestic Violence Awareness for School Psychology Professionals*. Audience: School Psychology & Health Sciences Students. Silver Child Development Center-Child Psychiatry Clinic. University of South Florida, Tampa, Florida.

Salinas-Miranda, AA (May 24, 2017). *Domestic Violence Awareness for Healthcare Professionals*. Audience: USF Student Health Services Staff (medical staff: nurses, physicians, and others). Patel Center for Global Solutions. University of South Florida, Tampa, Florida.

Salinas-Miranda, AA (Summer 2017). *Family-Centered Care*. Summer Training for the Pipeline Scholars (Summer 2017; Online). MCH Pipeline Program. Target Audience: Undergraduates. College of Public Health, University of South Florida.

Salinas-Miranda, AA (2011, 2012, 2013, 2014, 2016). *Practical Issues for Collaboration in Family-Centered Care*. Seminar - Invited Speaker. Maternal and Child Health Leadership Training Program, College of Public Health, University of South Florida

Salinas-Miranda, AA (November 17th, 2017). *Topics: (1) Cultural Competence in Working with Children with Disabilities; (2) Organizational Cultural Competence Model*. USF Center of Excellence in MCH. Target Audience: Graduate students and community partners (Title V and MCH-related programs). College of Public Health, University of South Florida.

Salinas-Miranda, AA (2014, 2016). *Cultural Competence Seminar [Invited Speaker]*. MCH Leadership Training Program Series, College of Public Health, University of South Florida.

Salinas-Miranda, AA (May, 22, 2014). *Continuing Education for Healthy Start Personnel: Social Origins of Perinatal Health*. Healthy Start Coalition of Hardee, Highlands and Polk Counties, Inc. [Invited Speaker].
