Bbackus1@gmail.com

Summary

Knowledgeable and evidence-based chiropractor with excellent diagnostic and patient management skills. High energy level and self-motivated. Communicates well individually and in group settings. Excellent problem solving, computer, and organizational skills. Continually seeking additional knowledge and technical competence.

Work Experience

Chiropractor, Hennepin County Medical Center

Jan 2013 – Present

Work in a Level 1 Trauma Center Ambulatory Clinic while collaborating with medical doctors, nurse practitioners, physical therapists and nurses to ensure best patient care and treatment. Appropriate referrals for patients to the correct intervention such as surgery, pain management, physical therapy and others. Utilize appropriate diagnostic tools such as orthopedic, neurologic tests, imaging and labs. Work independently to diagnose and treat patients with a variety of musculoskeletal complaints. Utilize spinal and extra-spinal joint manipulation/mobilization as well as a full range of active therapies and soft tissue techniques to assist in patient healing. Focus on educating and engaging patients in restoring and maintaining their own health. Utilize a number of different methodologies and tools to provide appropriate patient care. Skilled in Epic EHR.
