PROFESSIONAL EXPERIENCE

Instructor I, Undergraduate Studies

University of South Florida, College of Public Health — Tampa, FL

2023 – Present

- Teach undergraduate courses in Health, Behavior & Society (HSC 4211) and Contemporary Health Science (HSC 2100), reaching 200+ students across four sections in Fall 2026
- Apply a facilitator-based teaching approach using interactive engagement tools (Kahoot, Poll Everywhere) and references to current events and real-world examples to keep content engaging and relevant
- Maintain virtual and in-person office hours and lead in-class activities to reinforce course material
- Supervise and mentor teaching assistants, including document review and weekly check-ins

Program Evaluator/Data Analyst

University of South Florida, College of Public Health — Disease Intervention Specialist Training Academy (DISTA)

2023 – Present

- Execute multi-level evaluation frameworks for statewide Disease Intervention Specialist training cohorts
- Build interactive Tableau and Excel dashboards to monitor program performance and key outcome metrics
- Conduct longitudinal and trend analyses to evaluate training efficacy and workforce impact
- Author evaluation reports and presentations for leadership and academic partners
- Present program outcomes and evaluation findings at national and state public health conferences (NACCHO, FPHA, APHA)

Health and Nutrition Manager

Children First Inc., Sarasota County Head Start/Early Head Start — Sarasota, FL

2019 – July 2026

- Served on the Head Start leadership team as Health & Nutrition Manager, overseeing health, safety, and nutrition outcomes for children ages 0–5

- Supervised a multidisciplinary team of health coordinators, nutrition managers, cooks, nurses, and dietitians, ensuring compliance with program, state, and national standards
- Designed and delivered annual training on USDA CACFP requirements, breastfeeding policy, allergy prevention, and infant/child safety to approximately 250 staff each year
- Tracked and analyzed program data (knowledge retention, physical activity, dental/medical compliance) to guide continuous quality improvement
- Ensured regulatory compliance with Head Start, CFOC, DCF, and USDA standards, including documentation, budgets, and interagency agreements
- Provided Certified Lactation Consultation services and led community engagement through quarterly HSAC meetings and grant-funded initiatives

Administrative Specialist

Children's Urology Group — Tampa, FL

2016 – 2018

- Reviewed insurance and patient documentation to verify coverage, costs, and HIPAA compliance
- Ensured accurate patient registration and coordinated with insurance companies on approval requirements
- Served as communication liaison between nurses, providers, and patients to streamline care delivery
- Assisted nursing staff with basic treatments, specimen collection, and patient care support

Administration/Social Services Coordinator

Salvation Army Lodge — Tampa, FL

2016

- Assessed the physical and mental health needs of clients entering the facility and connected them with appropriate resources
- Coordinated access to VA benefits, disability paperwork, food stamps, TANF, housing/utility vouchers, and Medicaid for a high volume of homeless clients

Executive Director

Blessed Hands Blessed Hearts Corp (Non-Profit) — Tampa, FL

July 2012 – Present

- Founded and lead a nonprofit connecting homeless and displaced individuals with resources, direct goods, and community support
- Supervise a volunteer team of 5 across fundraising, grant writing, social media, and program development
- Develop and manage grant-funded initiatives addressing mental health, women's health, and nutrition for homeless individuals, ensuring compliance with 501(c)3 and funding regulations
- Built partnerships with organizations including Publix, Panera Bread, and Winn-Dixie to expand community reach and resource distribution
- Design and deliver public health training on social determinants of health and community communication
- Set strategic goals and five-year action plans addressing environmental, physical, and children's health needs in the community

Graduate Instructional Teaching Assistant, HSC 4211 Health, Behavior & Society

University of South Florida, College of Public Health — Tampa, FL

May 2019 – August 2019

- Served as liaison between the professor and students, providing weekly handouts, grades, and communications
- Assisted in organizing the learning environment, preparing materials, and grading tests and homework
- Tracked student attendance and performance, contributing to progress reports and recordkeeping
- Supported lesson execution and provided individualized student attention as needed

TEACHING PHILOSOPHY, STYLE & CURRENT LOAD

Niche: Maternal and Child Health, Breastfeeding/Lactation

Teaching Style: Facilitator-based approach; incorporates interactive engagement tools (Kahoot quizzes, Poll Everywhere) and references to current events and real-world examples to keep course content engaging and relevant
