

**ELIAS DOUMIT, MD**

**Address**

2 Tampa General Circle, 6<sup>th</sup> Floor  
Tampa, FL 33606  
Tel (813) 259-8668

[edoumit@health.usf.edu](mailto:edoumit@health.usf.edu)

**Citizenship**

USA

**Education**

**Medical School**

Damascus University, Faculty of Medicine  
Damascus, Syria  
MD Degree

1986-1992

**Postgraduate Training**

**Fellowship**

Nephrology and Hypertension  
University of South Florida, Morsani College of Medicine  
Department of Internal Medicine  
Division of Nephrology and Hypertension

2005-2007

Nephrology and Hypertension  
St. John Hospital and Medical Center  
Detroit, Michigan, (I stopped to adjust visa status)

1998-1999

**Internship/Residency**

Internal Medicine  
St. Joseph Mercy-Oakland Hospital  
Pontiac, Michigan

1995-1998

Transitional Year  
Syrian Red Crescent Hospital  
Damascus, Syria

1992-1993

### **Awards & Honors**

Contribution, Dedication and Commitment Award Adult Plasmapheresis Tampa General Hospital	2013
Best Teacher Award Division of Nephrology and Hypertension University of South Florida	2008

### **Scientific Society Membership**

American heart Association Council on Hypertension	2017-present
Renal Physicians Association	2014-present
American Society for Apheresis	2013-present
American Society of Hypertension	2013-2017
International Society of Nephrology	2010-present
National Kidney Foundation	2005-present
American College of Physicians	1995-present
American Medical Association	1995-present

### **Appointments**

#### **Academic**

Assistant Professor of Medicine Division of Nephrology and Hypertension Department of Internal Medicine Morsani College of Medicine University of South Florida	2007-present
---	--------------

#### **Administrative**

Coordinator, Onco-Nephrology H. Lee Moffitt Cancer Center	2009-2014
--	-----------

## Hospital

Tampa General Hospital Tampa, FL Attending Physician	2007-present
H. Lee Moffitt Cancer Center Tampa, FL Attending Physician	2007-present

## Other Appointments

Medical Director USF STC, Nephrology and Hypertension Clinic University of South Florida	2016-present
Medical Director USF Davita Dialysis Unit	2015-2016
Vice Chief, Nephrology Section Tampa General Hospital	2014-present
Medical Director, Inpatient Renal Replacement Therapy H. Lee Moffitt Cancer Center	2007-present
Chief Fellow Division of Nephrology and Hypertension University of South Florida	2006-2007

## Teaching, Lecture

### Teaching Supervisory USF Undergraduate Medical Education

Course# BMS 6826; Title: DCE-2 Doctoring-II Second year USF medical students (1-2 students) One afternoon per week for 8 weeks block throughout the school year duration	2014-present
Course# MEL 8313; Title: Clinical Nephrology Fourth year USF medical students (1-2 students) One morning daily for 4 weeks block Throughout the school year duration	2013-present

Course# BMS 6826; Title: Doctoring-II  
Second year USF medical students (8-9 students per group)  
One afternoon per week for the school year duration  
2011-2013

Course# 6825; Title: Doctoring-I  
First year USF medical students (8-9 students per group)  
One afternoon per week for the school year duration  
2010-2013

Course# 6941; Title: Longitudinal Clinical Experience  
First and Second year USF medical students (1-2 students)  
One afternoon per week for the school year duration  
2008-present

Course# MEL 7313; Title: Clinical Nephrology  
Third and Fourth year USF medical students (1-2 students)  
One morning per week for 4 weeks block  
Throughout the school year duration  
2007-present

#### **Teaching Supervisory graduate Medical Education (Residents)**

Course title: Nephrology Elective  
Internal Medicine residents (1-2 residents)  
Full day, daily for 4 weeks block  
Throughout the year  
2007-present

Serving as mentor  
Internal Medicine residents  
2007-present

#### **Teaching Supervisory graduate Medical Education (Nephrology Fellows)**

##### **In-Patient Service**

Daily in-patient rounds  
Tampa General Hospital  
H. Lee Moffitt Cancer Center  
2007-present

##### **Out-Patient Service**

USF STC Nephrology and Hypertension Continuity Clinic  
University of South Florida  
2007-present

USF Morsani Nephrology and Hypertension Continuity Clinic  
University of South Florida  
2007-2014

USF Davita Dialysis Unit  
2007-present

### Nephrology Fellows

Nicoleta Radoianu, MD Fadee Abu Al Rub, MD	Onyekachi Obi, MD Jeongwon Choi, MD	2019
Firas Abed, MD Silvano Rodriguez, MD	Bassem Ibrahim, MD Andres Reyes, MD	2018
Rosales, John Paul, MD Chemaly, Elie, MD, PHD	Salgado, Juan Carlos, MD Hussain, Faizul, DO	2017
Shah, Amit, MD Farhang, Pejman, DO	Winkler, Adam, MD Mathew, Ajay, MD	2016
Rebecca Ong, MD Panagiotis Zervogiannis, MD	Ammar Almakkee, MD Jose Lizcano-Perez, MD	2015
Claude Bassil, MD Julissa Ortega, MD	Rayane Nassar, MD Bassem Roupahel, MD	2014
Bachar Alkhalil, MD Bharvi Oza, MD	Reji Nair, MD Mohammed Taha, MD	2013
Beverly Deliz, MD Ash Patil, MD	Amr Mohamed, MD Michael Yap, MD	2012
Marina Antar, DO Raghu Juvvadi, MD Karthikeyan Sai, MD	Suiwen He, MD Kaushal Patel, MD	2011
Hemalatha Gutta, MD Sreelatha Varkala, MD	Amit Patel, MD Samer Zeayter, MD	2010
Mahati Adla, MD Ala'a Farahat, MD	Luis Beltran Garcia, MD Nicholas Shah, MD	2009
Peng Hou, MD, PhD Joaquin Rosario, MD	Chandana reddy, MD	2008

## Lectures

### National by invitation

Title: Hematuria Thirty third National Annual Family Medicine Conference St. Pete Beach, FL	2011
Title: Chronic Kidney Disease Thirty second National Annual Family Medicine Conference St. Pete Beach, FL	2010

### Local by invitation

Title: Secondary Hypertension, updated yearly Internal Medicine Grand Round University of South Florida	2016-present
Title: Hematuria Internal Medicine Grand Round University of South Florida	2016-2017
Title: Citrate Regional Anticoagulation for CRRT Tampa General ICU Nurses Tampa General Hospital	2016
Title: Billing Integrity Program, Evaluation & Management Department of Radiology Tampa General Hospital	2016
Title: Hepatorenal Syndrome Internal Medicine Grand Round University of South Florida	2015
Title: Slowing Down the Progression of Chronic Kidney Disease Internal Medicine Grand Round University of South Florida	2015
Title: Hematuria Medical Students Lecture University of South Florida	2009-2010
Title: Proteinuria Medical Students Lecture University of South Florida	2009-2010

**Local, Division of Nephrology and Hypertension**

Title: Citrate Regional Anticoagulation for CRRT, updated yearly Division of Nephrology and Hypertension University of South Florida	2017-present
Title: Secondary Hypertension, updated yearly Division of Nephrology and Hypertension University of South Florida	2016-present
Title: Slowing Down the Progression of Chronic Kidney Disease, updated yearly Division of Nephrology and Hypertension University of South Florida	2014-present
Title: Hemodialysis, updated yearly Division of Nephrology and Hypertension University of South Florida	2014-present
Title: Peritoneal Dialysis, updated yearly Division of Nephrology and Hypertension University of South Florida	2014-present
Title: Continuous Renal Replacement Therapy, updated yearly Division of Nephrology and Hypertension University of South Florida	2014-present
Title: Hematuria, updated yearly Division of Nephrology and Hypertension University of South Florida	2014-present
Title: Billing Integrity Program, Evaluation & Management, updated yearly Division of Nephrology and Hypertension University of South Florida	2012-present
Title: Hepatorenal Syndrome, updated yearly Division of Nephrology and Hypertension University of South Florida	2012-present
Title: Small Vessel Vasculitis and the Kidney, updated yearly Division of Nephrology and Hypertension University of South Florida	2010-present
Title: Membranous Nephropathy, updated yearly Division of Nephrology and hypertension University of South Florida	2008-present

Nephrology Board Review lecture series  
Division of Nephrology and Hypertension  
University of South Florida

2008-present

### **Clinical Activities & Innovations**

#### **Certifications**

Nephrology and Hypertension Certification  
The American Board of Internal Medicine

2007

Nephrology and Hypertension Maintenance of Certification  
The American Board of Internal Medicine

2017

Internal Medicine Certification  
American Board of Internal Medicine

1998

Internal Medicine Maintenance of Certification  
American Board of Internal Medicine

2008

Internal Medicine Maintenance of Certification  
American Board of Internal Medicine

2018

Specialist in Clinical Hypertension  
The American Society of Hypertension

2013

#### **Professional Licenses**

State of Florida

2007-present

State of Alabama

1999-present

#### **Clinical Activities**

Nephrology and Hypertension  
USF STC Nephrology and Hypertension Clinic  
University of South Florida

2007-present

Nephrology and Hypertension  
USF Morsani Nephrology and Hypertension Clinic  
University of South Florida

2007-2014

Nephrology and Hypertension  
Tampa General Hospital

2007-present

Onco-Nephrology H. Lee Moffitt Cancer Center	2007-present
Adult Plasmapheresis Tampa General Hospital	2013-present
USF Dialysis Service Multiple Dialysis Units, Tampa Area	2007-present

### **Clinical Innovations**

In process of establishing a specialized Glomerulonephritis Clinic USF STC Nephrology and Hypertension Clinic University of South Florida, projected to start	2019-2020
Expansion of Post-Transplant clinical care USF STC Nephrology and Hypertension Clinic University of South Florida	2007-present
Expansion of General Nephrology and Hypertension USF STC Nephrology and Hypertension clinic, Addition of two extra fellows University of South Florida	2007
Establishment of Nephrolithiasis Clinic USF STC Nephrology and Hypertension clinic University of South Florida	2007
Expansion of Onco-Nephrology Service H. Lee Moffitt Cancer Center	2007-present
Establishment and expansion of Adult Plasmapheresis service Tampa General Hospital	2013-present
Expansion of Home Hemodialysis and Peritoneal Dialysis program Division of Nephrology and Hypertension University of South Florida	2007-present
Expansion of Hemodialysis program Division of Nephrology and Hypertension University of South Florida	2007-present

**Scholarly Activity**  
**Current Grants**

Funding source: Vascular Therapies, Inc.  
Role: Primary Investigator  
Grant number: 6123-8131  
Title: Randomized, multicenter, single-blind controlled study evaluating arteriovenous fistula outcomes with and without a perivascular sirolimus eluting collagen implant in subjects on hemodialysis (The Access Trial).  
Direct costs per year: \$45,014  
Total costs for project period: \$135,044  
Project period: 2016-present

**Past Grants:**

Funding source: Boehringer Ingelheim Pharmaceuticals, Inc.  
Role: Primary Investigator  
Grant number: 6123-8127  
Title: A double-blind, randomized, placebo-controlled trial evaluating the effect of BI 655064 administered as sub-cutaneous injections, on renal response after one year of treatment, in patients with active lupus nephritis (BI 1293.10)  
Direct costs per year: \$6,475  
Total costs for project period: \$12,950  
Project period: 2016-2018

Funding source: the American Burn Association/ Department of Defense  
Role: Co-Investigator,  
Principal Investigator: David Smith, MD  
Grant number: 6120-1033  
Title: The American Burn Association's randomized controlled evaluation of hemofiltration in adult burn patients with septic shock and acute renal failure (ABA RESCUE study)  
Direct costs per year: \$26,766  
Total costs for project period: \$160,597  
Project period: 2011-2017

Funding source: NIH  
Role: Co-Investigator  
Primary Investigator: Ramon Lopez, MD  
Grant number: 6123-1091  
Title: The systolic blood pressure intervention trial (SPRINT)  
Direct costs per year: \$13,125  
Total costs for project period: \$104,987  
Project period: 2010-2018

## Published Bibliography

### Peer-Reviewed

Pulmonary Artery Systolic Pressure Measured Intraoperatively by Right Heart Catheterization Is a Predictor of Kidney Transplant Recipient Survival

Jarmi T, **Doumit E**, Makdisi G, Mhaskar R, Miladinovic B, Wadei H, Rumba M, Aslam S.

Ann Transplant. 2018, Dec 18;23:867-873.

Outcomes of Induction Therapy with Rabbit Anti-Thymocyte Globulin in Heart Transplant Recipients: A Single Center Retrospective Cohort Study

Tambi Jarmi, Nirav Patel, Sadaf Aslam, George Makdisi, **Elias Doumit**, Rahul Mhaskar, Branko Miladinovic, Mark Weston.

Ann Transplant. 2018, Jun 19;23:422-426.

### Case Report

Cardiomyopathy and calciphylaxis in a patient with normal renal function a case report.

Kolli S, Douglas J, **Doumit E**, Guglin M

Congestive Heart Failure. 2010, Mar-Apr;16(2):71-2.

### Poster Presentations

A strong correlation between spot urine protein to creatinine ratio and 24-hour urine protein quantification for proteinuria assessment in patients with plasma cell dyscrasia.

Apuri S, Nishihori T, Lin K, Baz R, Yue B, Kim J, Shain K, **Doumit E**, et al.

The 55th American Society of Hematology annual meeting and exposition,  
New Orleans, Louisiana

2013

The Respective Contributions of Albumin (Alb) and Non-ALB Proteins (nAlbP) to the Serum Anion Gap (AG). **Doumit E**, Sitker E, Durr J.

American Society of Nephrology Renal Week,  
San Francisco, California

2007

### Abstracts Presented

Measuring adherence to national guidelines in a broad group of patients receiving erythropoiesis stimulating proteins. Brown J, Peguero A, Courville C, Mpwrey K, Coblio N, James L, Sitker E, **Doumit E.**  
American Society of Nephrology,  
Renal Week, San Diego, California

2006

### Abstracts: Published but not presented

Thymoglobulin Induction Improves Survival in Heart Transplant Recipients  
Jarmi T, Naif A, **Doumit E**, Mark Weston M.  
American Transplant Congress Annual Meeting

2013

Endocarditis and Kidney Mass in Wegener's Granulomatosis  
Varkala S, Yuan C, Beltran Garcia L, Shah N, Gunasekharan S, **Doumit E.**  
National Kidney foundation, Spring meetings,  
Orlando, Florida

2010

### Creative Activities

I created and implemented the citrate regional anticoagulation protocol, using commercially available citrate solution for NxStage continuous renal replacement therapy  
Tampa General Hospital

2015

I created and implemented the computerized templates for inpatient Nephrology consultation and progress note, in compliance with CMS  
H. Lee Moffitt Cancer Center

2014

I created and implemented the computerized Hemodialysis, Peritoneal Dialysis, and Continuous Renal Replacement electronic orders  
H. Lee Moffitt Cancer Center

2014

I created and implemented the computerized orders, and templates for Plasmapheresis consultation and aphaeresis procedure note  
Tampa General Hospital

2013

I created and implemented the computerized templates for in-patient Nephrology consultation and progress note, in compliance with CMS  
Tampa General Hospital 2013

I created and implemented the computerized templates for new and established Nephrology visit, in compliance with CMS  
USF Nephrology and Hypertension Clinics 2013

**Service**

Medical Director  
USF STC Nephrology and Hypertension Clinic  
University of South Florida 2016-present

Medical Director  
USF Davita Dialysis Unit 2015-2016

Vice Chief, Nephrology Section  
Tampa General Hospital 2014-present

Director, Continuous Renal Replacement Therapy Steering Committee  
Tampa General Hospital 2014-present

Adult Plasmapheresis Committee  
Tampa General Hospital 2013-present

Renal Replacement Therapy Quality Assurance Committee  
H. Lee Moffitt Cancer Center 2009-present

Medical Director, Inpatient Renal Replacement Therapy  
H. Lee Moffitt Cancer Center 2007-present
