5. **Concepts and Methods of Epidemiology** (Graduate Teaching Assistant). Department of Epidemiology and Biostatistics, University of South Carolina. *Fall 2019*

Curriculum development work:

Epidemiology Curriculum for the Master of Public Health (MPH), Master of Science in Public Health (MSPH), and Doctor of Philosophy (PhD) Degree Programs

Department of Epidemiology and Biostatistics, University of South Carolina, Arnold School of Public Health. Served as a doctoral student representative for the Epidemiology Curriculum Committee. Worked with Director of the Doctoral Program in Epidemiology (Linda Hazlett) and the committee to provide feedback, collect student survey data, and track committee progress on new online MPH program, new MPH and MSPH courses, and PhD of epidemiology coursework and evaluations.
