

Etienne E. Pracht, Ph.D.

ADDRESS:

Department of Health Policy and Management
University of South Florida
13201 Bruce B. Downs Blvd., MDC 56
Tampa, Florida 33612-3805

14839 Heronglen Drive (home)
Lithia, Florida 33547

Phone: (813) 974-7609
Fax: (813) 974-6741
e-mail: epracht@hsc.usf.edu

EDUCATION:

Ph.D. (Economics), Louisiana State University, May 1998
Minor (Computer Science), Louisiana State University, May 1998
M.S. (Economics), Louisiana State University, May 1995
B.A. (Economics), New College of The University of South Florida, May 1989

RESEARCH INTERESTS:

Health Care Economics and Applied Econometrics.

TEACHING INTERESTS:

Health Care Economics, Economics of Health Insurance, Applied Econometrics,
Microeconomics.

DISSERTATION:

- An analysis of the variation in reimbursement rates of pharmaceutical drugs under State Medicaid programs.
- Alternative reimbursement methods and Medicaid hospital expenditures.
- Controlling Medicaid inpatient hospital expenditures.

ACADEMIC APPOINTMENTS:

2007 - Present	Associate Professor of Health Policy & Management Department of Health policy and Management College of Public Health, University of South Florida 13201 Bruce D. Downs Blvd. MDC 56, Tampa Florida 33612
2007 – Present	Faculty Director, Educational Technology and Assessment College of Public Health, University of South Florida 13201 Bruce D. Downs Blvd. MDC 56, Tampa Florida 33612
2008 – Present	Courtesy Associate Professor of Economics Department of Economics College of Business, University of South Florida
1999 – 2007	Assistant Professor of Health Policy & Management Department of Health policy and Management College of Public Health, University of South Florida 13201 Bruce D. Downs Blvd. MDC 56, Tampa Florida 33612
2000 – 2004	Adjunct Professor Department of Economics Division of Social Sciences, New College of Florida 5800 Bay Shore Road, Sarasota Florida 34243
1996 – 1999	Instructor Department of Economics Louisiana State University 2107 CEBA Building, Baton Rouge, Louisiana 70803

TEACHING ACTIVITIES

Course	Semesters
Department of Health Policy and Management, COPH	
• PHC7437: Applications in Health Economics	2010 – Present (on campus)
• PHC6430: Health Economics I	2000 – Present (on campus)
• PHC6433: Health Economics II	2003 – 2009
• PHC6435: Comparative Health Insurance Systems	2000 – Present (campus/online)
• PHC6063: Public health data, information, and decision making	2006 – Present (online / executive);
• HSA6197: Advanced Information Management	Spring 2001; Summer 2005;

and Retrieval	Spring 2006
• PHC6102: Principles of health policy and management	Fall 2000
The Anton de Kom University of Suriname	
• Health Economics	2008
New College of Florida	
• Introduction to statistics	2000, 2001, 2002, 2004
• Introduction to Econometrics	2004
Department of Economics, LSU	
• Principles of Microeconomics	1996 - 1999
• Principles of Macroeconomics	1997 - 1999
Guest Lectures and other Student Related Activities	
“New Doctoral Student Orientation” (2003 - Present)	
“Practice Variations and Utilization review” in Managed Care for the Healthcare Professional (Instructor is Steven A. Field, MD, MSPH; Fall 2001)	
“The Health Insurance Market Place” in PHC6104: Management of Public Health Programs (Fall 2004)	
“The Health Care Market Place” GMS6847: Translational Biotechnology	

PEER REVIEWED PUBLICATIONS AND SUBMITTED PAPERS

OTHER CREATIVE WORKS

- ICISS Compiler – A standalone Windows based program that assigns ICD9 Injury Severity Scores to delimited or fixed length text data sets for subsequent analysis using standard statistical packages such as SAS, SPSS, Stata, etc... This program was developed to assist research related to trauma care.
- Nearest Neighbor Matching – A standalone Windows based program that uses Microsoft Access or SQL Server databases and tables to help researchers create datasets with matched cases and controls using user specified criteria.
