Student (Undergraduate)

January – July 2017	Undergraduate pre-med shadowing weekly to biweekly (4 students)
July – Sept 2014	USF Honors college pre-med student shadowing, weekly to biweekly

July – August 2005, 2006, 2007, 2010 Pre-Medical Summer Enrichment Program (PSEP):
Precepted pre-medical students weekly in clinic.

February 2019 Presentation to health professions learning
community on medical school and medicine as a
career (1 hour, approximately 15 students).

Student (Undergraduate Medical Education)

Leadership

October 2020 – December 2021 Course Director Doctoring 1 (BMS6825)

July 2014 – June 2016 Associate Course Director Doctoring 1 (BMS6825)

July 2011 – June 2014 Course Director Doctoring 1 (BMS6825)

May 2010 – June 2011 Associate Course Director Doctoring 1 (BMS6825)

July 2006 – June 2012 Course Director Longitudinal Clinical Experience (LCE) I
(BMS 6941) and II (BMS 6942)

Teaching

August 2023 Professions of Health (BMS 5005)
Precepted first-year medical and doctoring of physical
therapy students in small group session
(two hour session)

August 2017 Professions of Health (BMS 5005)
Precepted first-year medical and doctoring of physical
therapy students in small group session
(two hour session)

November 2015 Doctoring 3 (BCC 7000)
Delivered didactic on Geriatrics to approximately 12 third-
year medical students for one hour

August 2015 Professions of Health (BMS 5005)
Precepted first-year medical and doctoring of physical
therapy students in small group sessions
(four one-hour long sessions)

March and July 2015 Primary Care Clerkship (BCC 7184)
Delivered didactic on Introduction to Geriatric Assessment
to approximately 20 third year medical students (one hour)

August 2014	Professions of Health (BMS 5005) Precepted first-year medical and doctoring of physical therapy students in small group sessions (two hour session)
February 2011 – April 2018	Evidence Based Clinical Reasoning (BMS 6836) Clinical problem Solving (CPS) Small group preceptor Precept 8-9 first-year medical students for six sessions of three hours every spring.
August 2010 – May 2018 August 2019 – May 2022	Small group preceptor Doctoring 1 (BMS6825) Precept 8-9 first-year medical and doctoring of physical therapy students approximately one-half day weekly August-May.
August 2010	Panelist: Interprofessional panel Doctoring 1 (BMS6825) Participated in one hour panel discussion.
January 2010	Evidence Based Clinical Practice (BMS 6835) Precepted large group (20 second-year medical students) discussion on Pulmonary Embolism (2 hours)
September 2009	Evidence Based Clinical Practice (BMS 6835) Precepted large group (22 second-year medical students) discussion on Neutropenic fever (2 hours)
August 2008	Professions of Medicine (BMS 5005) Precepted small groups (10 first-year medical students) for introductory course for first year medical students on health care quality and physician-patient communication (2 hours)
October 2007 – 2011	LCE 1 (BMS 6941) and LCE 2 (BMS 6942) Precepted weekly small group presentations for one hour per session (8-10 first and second-year medical students)
November 2008 – 2016, 2021	LCE 1 (BMS 6941); Doctoring 1 (BMS6825) Annual one hour didactic on professionalism in the clinical setting (120 first-year medical students)
November 2007	Physical Diagnosis I (BMS 6830A) Preceptor for physical exam skills (two hours precepting 4-6 first-year medical students).
July 2005 – July 2012	Primary Care and Special Populations Third-Year Clerkship (BCC7184).

	Delivered one hour didactics on acne, coagulation disorders, and men's health issues every 3 months. Participated in quarterly heart murmur workshop (Approximately 20 third-year medical students per session)
July 2005 – June 2009	Integrated Internal Medicine-Pediatrics Inpatient Clerkship (BCC7144) Led bi-monthly discussions on pediatric cases in Nephrology, Hematology/Oncology, Cardiology, Endocrinology, Rheumatology, and Pulmonology (Approximately 10 third-year medical students per session)
August 2005 and August 2006	Professions of Medicine (BMS 5005) introductory course for first year medical students Preceptor for physical exam skills.
May 2006	Introduction to Clerkships (BCC6173) Delivered one hour didactic for rising third year medical students on documentation in the outpatient setting (120 students).
October 2005	Participated in one hour primary care discussion panel for second year medical students.
Clinical Precepting August 2010 – June 2022	Intro to Med-Peds (MEL8134) Internal Medicine/Pediatrics fourth year elective. Clinical Preceptor
2013 – 2022	Adult Medicine Clerkship (BCC7110) Precept third-year medical students as attending physician at Tampa General Hospital (approximately one month per year).
November 2010 – present	Doctoring 1 (BMS6825) and Doctoring 2 (BMS 6826) Precept one first or second year medical student approximately 1/2 day per week as part of the Doctoring Clinical Experience (DCE) portion of the course.
November 2006 – 2010	LCE I (BMS 6941) and LCE II (BMS 6942) Precept one first or second year medical student approximately 1/2 day per week

May 2006 – 2013
Integrated Internal Medicine-Pediatrics Inpatient Clerkship (BCC7144)
Precept third-year medical students as attending physician at Tampa General Hospital (approximately two months per year).

July 2005 – present
Primary Care and Special Populations Clerkship (BCC7184)
Precept third-year medical students daily in Internal Medicine, Pediatrics, and acute care clinics.

Resident (Graduate Medical Education)

Leadership

July 2023 – present
Associate Program Director, Internal Medicine residency program

Teaching

May 2010
JAHVAH Noon conference resident didactic on Acne Vulgaris (approx. 1 hour)

Spring 2018
Resident didactic on Advanced Directives/Advanced Care Planning (approx. 1 hour)- delivered 4 times

Spring 2018
Resident didactic on Chronic Kidney Disease (approx. 1 hour)- delivered 4 times

Spring 2020
Resident didactic on Clinical Reasoning (approx. 1 hour)- delivered 2 times

July 2023 – present
Weekly ambulatory internal medicine board review and quality improvement didactics (approx. 3 hours per session)

Clinical Precepting

July 2006 – present
Precept Internal Medicine and Internal Medicine/Pediatrics housestaff in weekly continuity clinics.

May 2006 – May 2022
Precept housestaff as attending physician at Tampa General Hospital (approximately 1-2 months per year).

Curriculum Design and Innovation

October 2012
Supervised development of didactic series for first and second year medical students to prepare for international medical relief trip.

May 2010 – June 2016 Doctoring 1 (BMS6825)
Participated in design and implementation of course
including designing course structure and authoring didactic
materials.

August 2010 Intro to Med-Peds (MEL8134) Internal Medicine/Pediatrics
fourth year elective.
Conceived and designed elective.

May 2005 Integrated Internal Medicine-Pediatrics Inpatient Clerkship
(BCC7144)
Developed Pediatric cases in Nephrology,
Hematology/Oncology, Cardiology, Endocrinology,
Rheumatology, and Pulmonology which formed part of
core curriculum of clerkship.
