**EDUCATION:**

**Doctor of Philosophy in Public Health**, University of South Florida, Tampa, Florida,  
December 2007.

**Master of Public Health**, The Johns Hopkins University, School of Hygiene and Public  
Health, Baltimore, Maryland, May 1995.

**Bachelor of Sciences**, Saint Louis University, St. Louis, Missouri.  
Major: Medical Technology, May 1991.

**EXPERIENCE:**

**University of South Florida**

May 2022 – Present.

Global and Planetary Health Strategic Area, College of Public Health,  
**Co-PI and Academic Director, Disease Intervention Specialist Training Academy.**

May 2023 – Present. Associate Professor

Department of Global, Environmental, and Genomic Health Sciences,  
Global and Planetary Health Strategic Area,  
**College of Public Health, USF.**

May 2012 – 2023. Assistant Professor

Global and Planetary Health Strategic Area, Global Health Department,  
**College of Public Health, USF.**

October 2018 – Present.

Lead Global Health Practice & Epidemiology/Global Health Practice Concentrations,  
**Global and Planetary Health Strategic Area, College of Public Health, USF.**

May 2019 – May 2025

**Faculty Leader**

**Public Health Scholarly concentration**

Joint College of Medicine/Public Health program

November 2015 – May 2017; and January 2020 - February 2021.

Department of Global Health, College of Public Health,

**Interim Director of Global Disaster Management & Humanitarian Relief  
Certificates, Global Health Department, College of Public Health, USF.**

Ismael Hoare  
**ihoare@usf.edu**

June 2010 – May 2012.  
Department of Global Health, College of Public Health,  
**Affiliate Associate Professor, Global Health Department, College of Public Health,  
USF.**

Fall 2006 – Summer 2012  
Department of Global Health, College of Public Health,  
**Belize Field School Supervisor**

**University of Belize**

March 2010 – April 2012.  
**Provost, University of Belize**

August 2008 – February 2010.  
**Dean of the Faculty of Nursing, Allied Health and Social Work, Belmopan Campus**

August 2000 – July 2002.  
**Inaugural Dean of the Faculty of Nursing, Allied Health and Social Work,  
Belmopan Campus**

**TEACHING:**

**COURSES TAUGHT AT USF 2012 to Present**

**Bachelor's Degree Courses**

- HSC 4624 Foundations of Global Health  
(Fall, Spring & Summer Semesters, 2013-2016, Summer 2026)
- HSC 4031 Emerging Infectious Diseases  
(Fall, Spring & Summer Semesters, 2017-2020)
- HSC 4504 Foundations of PH Immunology  
(Fall, Spring & Summer Semesters, 2017-2018)
- HSC 4631 Critical Issues in Public Health  
(Spring & Summer, 2018)

**Master's Degree Courses**

- PHC 6106 Global Health Program Development and Administration (Fall Semesters  
2013-current)
- PHC 6442 Global Health Applications in the Field (Spring Semesters, 2013-  
current)
- PHC 6186 Public Health Emergencies in Large Populations (Spring & Summer  
Semesters 2015-2022)
- PHC 6907 Independent Study: Public Health (Spring 2016 & Fall 2017)
- PHC 6934 Disaster Forensics (Summer Semesters, 2021)
- PHC 6230 Foundations of Humanitarian Assistance (Fall Semesters, 2015-2022)
- PHC 6934 Belize Field School (Summer Semesters, 2012-2016)
- PHC 6943 Integrated Learning Experience (Fall, Spring & Summer Semesters)
- PHC 6945 Supervised Field Experience (Fall, Spring & Summer Semesters 2012-  
2024)
- PHC 6949 Applied Practice Experiences (Fall, Spring & Summer Semesters)
- PHC 6977 Special Projects: *Humanitarian Assistance, Disaster Management,  
Homeland Security, Global Health Practice MPH concentrations* (Fall,  
Spring, & Summer Semesters, 2015-2022)

**Doctoral Degree Courses**

- PHC 7919 Public Health Doctoral Project (Fall, Spring, & Summer Semesters)
- PHC 7910 Directed Research (Fall, Spring, & Summer Semesters)
- PHC 7908 Special Study in Public Health (Fall, Spring, & Summer Semesters)
- PHC 7980 Dissertation (Fall, Spring, & Summer Semesters)

**Joint College of Medicine/Public Health Course**

- Public Health Scholarly concentration (Fall, Spring, & Summer Semesters)

**MINORS AND CERTIFICATES DEVELOPED AT USF**

- Global Communicable Disease Minor and Certificate, 2013  
Global Infectious Diseases DrPH Concentration, 2023-2024

## **USF ADVISING/MENTORSHIP**

### **Ph.D.**

Santiago Hernandez BoJorge, Major Professor/ Committee member (2021- current)  
Jeegan Parikh, Major Professor (2021- 2025)  
Daniel Chacreton, Major Professor (2018-2023)  
Samuel Matos, Major Professor (2015-2020)

### **DrPH**

Jared Hoffman, Committee member (2025- current)  
Shane Roberts, Co-Major Professor (2022-2023)  
Ibrahim Dadari, Co-Major Professor (2019-2023)  
Irué Namata Elangwe, Committee member (2019-2023)  
Lisa Ekpo, Major Professor (2018-2022)  
Daniel Baker, Major Professor (2017-2021)  
Joseph Roth Jr, Committee member (2018-2019)

### **MSPH**

Tatiana Gardellini Committee member (2017-2019)  
Trinadh Dontamsetti, Committee member (2015)

### **MPH**

#### **Mentor students in the following concentrations:**

Global Health Practice, 2013-current  
Epidemiology & Global Health, 2018-current  
Global Disaster Management, Humanitarian Assistance & Homeland Security, 2013-2023  
Public Health Practice, 2014-2019

## **GRANT APPLICATIONS:**

Co-Investigator: FY 2026-27 Interdisciplinary Team Award: DISCObot: Generative AI Avatar Training for Disease Intervention Professionals.

College of Nursing: \$25,000 (PI: DeAnne Turner) (**Funded**)

Principal Investigator (**0.12 FTE**): FY2024-25 DIScovering Competencies for Disease Intervention Professionals.

ASPPH Grant: \$149,902 (Co-PI: Charurut Somboonwit) (**Funded**)

Co-Principal Investigator (**0.12 FTE**): FY2024-25 DIScovering Competencies for Disease Intervention Professionals.

ASPPH Grant: \$150,000 (PI: Christine McGuire -Wolfe)

Co-Principal Investigator (**0.50 FTE**): FY2024-26 FDOH Disease Investigation Specialist Training Academy (DISTA).  
CDC Grant: \$6,000,000 (PI: Charurut Somboonwit) (**Funded**)

Investigator (**0.50 FTE**): FY2022-23 FDOH Disease Investigation Specialist Training Academy (DISTA).  
CDC Grant: \$6,000,000 (Co-PIs: Marissa Levine & Charurut Somboonwit) (**Funded**)

Co-Principal Investigator: FY 2021-22 Interdisciplinary Team Award Application: Pilot test of a curriculum to increase awareness and self-efficacy towards disaster preparedness.  
COPH: \$67,923 (PI: Amber Mehmood) (**Funded**)

Principal Investigator: FY 2018-19 Interdisciplinary Team Award Application: Disease conceptualization among Amerindian and African Diaspora populations: Interactions between non-communicable and infectious diseases on health outcomes in the Americas.  
COPH: \$95,358 (**Partially funded**)

Co-Investigator: Effects of climate variability, seasonality and soil characteristics on the development, dormancy, and inactivation of Soil Transmitted Helminths (STH).  
NSF: \$1,538,815. (PI: Ricardo Izurieta)

Co-Investigator: Spring 2018: "Ethics Training for Health Investigators in Central and Latin-America" (ETHICAL).  
NIH: R25 PAR-16-081 \$1,187,975. (PI: Ricardo Izurieta)

Principal Investigator: Spring 2018: Disease conceptualization among Amerindian and African Diaspora populations: Interactions between non-communicable and infectious diseases on health outcomes in the Americas.  
NIH: R21 PAR-16-052 \$250,000

Co-Principal Investigator: Internal Pre-proposal Moore Inventor Fellows Spring 2018: Evaluating the sensitivity and specificity of a novel low-cost parasite diagnostic device in human, animal and environmental samples from North America, Latin America and the Caribbean, and South Asia. \$598,073. (PI: Ricardo Izurieta)

Co- Investigator: Grants Challenges India Spring 2018: Antimicrobial resistance in community settings: utilizing the 'One Health' perspective to break the resistance chain. \$88,000. (PI: Chiranjay Mukhopadhyay)

Co-Principal Investigator: COPH Spring Internal Grant Awards 2018: Evaluating the impact of Hurricane Irma on the detection rates of vector-borne infectious agents in the State of Florida. \$49,834. (PI: Miguel Reina Ortiz) (**Funded**)

Principal Investigator: USF New Researcher Grant Award-Spring 2016: Understanding the true impact: Health-related issues in an Indigenous Community in Southern Belize. \$10,000 (**Funded**)

Co-Principal Investigator: CPH Spring Internal Grant Awards 2015: Using Syndemic Theory and CBPR Approaches to study HIV/AIDS Among Indigenous Populations in Latin America: Risk and Resilience. \$100,000. (PI: Julie Baldwin, PhD) (**Funded**)

Principal Investigator: CPH Faculty International Program Development Award Program: Investigating domestic violence interventions in Belize. \$3,500. (**Funded**)

Principal Investigator: CPH Dean's Award: Health Needs Assessment of Piccini Area, Belize. \$3,000. (**Funded**)

Principal Investigator: CPH Faculty International Program Development Award Program: Belize Field School: Establishing an Experiential Learning Site for Global Health Students. \$3,500. (**Funded**)

Co- Principal Investigator Spring 2016: Infectious disease following a 7.8 earthquake in Ecuador: Prevalence, prevention and control measures in the town of Pedernales. NIEHS: RFA-ES-16-005

Co- Principal Investigator Spring 2016: Community/System Resilience and cross-cutting Issues  
CDC Announcement 2016 – N – 17770 Public Health Emergency Preparedness and Response Applied Research (PHEPRAR)

Co- Principal Investigator Spring 2016: Effectiveness methods to identify vulnerable and at-risk populations to increase ability to prepare for, withstand and recover from Public Health Emergencies.  
CDC Announcement 2016 – N – 17770 Public Health Emergency Preparedness and Response Applied Research (PHEPRAR)

Principal Investigator: CPH Individual Investigator Awards-Spring 2015: Motor Vehicle Crashes in Belize: Developing a profile for MVC injury and deaths.

Principal Investigator: USF Research & Innovation Internal Awards Program: Spatial distribution of Motor Vehicle Crashes in Belize: Developing a predictability model and GIS map for future high crash activity. \$10,000.

Principal Investigator: CPH Spring Internal Grant Awards 2013 Program: Quantitating Spatiotemporal distribution of Motor Vehicle Crashes in Belize: Constructing a Real-time Geopredictable Autoregressive Model for Identifying High Frequency Crash Sites. \$24,800. (Co-PI: Benjamin Jacobs, PhD)

Ismael Hoare  
ihoare@usf.edu

Co-PI: Ralph E. Powe Junior Faculty Enhancement Award Research Pre-Proposal:  
Community Assessment of Belizean Nutritional Needs and Barriers to Health Care  
Access. \$10, 000 (Hoare I., P.I. & Wright, L., Co-P.I.)

## **SERVICE ACTIVITIES:**

### **SCHOLARLY REVIEW SERVICE**

#### **Journals**

PLOS ONE Journal

PLOS Global Public Health Journal

Preventing Chronic Disease Journal

Frontiers in Medicine Journal

The Journal Tropical Medicine and Infectious Disease

Journal of Family Violence

Sage Book, *Planning, Implementation, and Evaluation in Public Health*, Reviewer, 2017

#### **Grant Review**

Centers for Disease Control and Prevention (CDC), Center for Global Health Special  
Emphasis Peer Review Panel, 2022, 2023, 2024

#### **Meeting Abstract Review**

APHA, 2015 – Current

RISE Summer Scholarly Award Review, 2021

USF Research Day, 2017-2019, 2024 & 2025

## **SERVICE TO THE COLLEGE OF PUBLIC HEALTH, USF:**

### **University of South Florida - Faculty Senate Member**

Elected Representative, College of Public Health

Term: Fall 2024 – Spring 2027

### **University of South Florida - Faculty Senate**

Sub-committee: Committee on Committees

Member

Term: Fall 2024 – Spring 2027

### **USF-Health High Risk Committee**

Member, October, 2014 to Present

USF-Health Committee utilizes USF Health faculty expertise to develop procedures for  
maintaining the safety and security of USF Health faculty and students while abroad and  
conduct assessments for students interested in traveling to high-risk countries.

### **COPH Peace Corps Coverdell Committee**

Member, 2024 to Present.

**COPH Education Committee**

Member, 2017 to Present.

**COPH Diversity Committee**

Member, 2015 to Present.

**MCH Student Paper Award Committee**

Member, June, 2014 to 2025

Committee established the criteria of the first award and reviewed submissions for the inaugural award.

**National Board of Public Health Examiners (NBPHE)**

Certified in Disease Intervention (CDI) Exam Development Committee

Member

May 2025-August 2025

**Department of Global, Environmental, and Genomic Health Sciences Committees**

Curriculum committee - Member

Global Health Planning/Practice - Area Committee - Member

Ad Hoc Committee to Review Professor Emeritus Application - Chair

GEnGHS Research Committee - Member

**COPH Research Committee**

Member, 2018 to 2020.

**COPH Masters of Public Health Workgroup**

Member, November, 2015 - 2018.

**COPH Graduate Academic Programs and Curriculum Committee**

Member, December, 2014 to 2018

Committee oversees and provides leadership for the development of graduate programs at the College of Public Health, USF.

**Public Health Practice Advisory Committee**

Member, April, 2014 to October, 2015.

Committee oversees and provides leadership for the development of Public Health Practice and Executive programs at the College of Public Health, USF.

**Undergraduate Academic Programs and Curriculum Committee**

Member, January, 2013 to June, 2016

COPH Committee oversees and provides leadership for the development of undergraduate programs at the College of Public Health, USF.

**Historian COPH Faculty Assembly**

August, 2013 to October 2014

Coordinates meeting of Faculty Assembly at the College of Public Health, USF.

**Global Health Undergraduate Committee**

Member, February to May, 2013.

GLO Committee oversaw and provided leadership for the development of four undergraduate minor and certificate programs for the Department of Global Health.

**Streamlining Global Health MPH Programs Committee**

Member, April, 2013 to 2023

GLO Committee oversees the re-structuring of Global Health Practice and Global Communicable Disease MPH programs in the Department of Global Health.

**Nutrition Program Committee**

Member, October, 2012 to 2020

CFH-GLO Committee is coordinating the development of an inter-departmental Nutrition academic program in the College of Public Health.

**SERVICE TO BELIZE AND CARIBBEAN COMMUNITY:**

**University of Belize Institutional Review Board,**

Member 2022 to Present

**Advisory Committee for the Human Resources in Health Planning and Management Courses for the Caribbean, PAHO/WHO**

Member, September, 2010 to 2017.

Advisory group drafted document outlining components in planning and management for HRH training program.

**PROFESSIONAL AFFILIATIONS:**

American Public Health Association, Member 2007 - Current

Florida Public Health Association, Member 2012 – Current

**PROFESSIONAL AWARDS:**

USF SoL Faculty Award, 2022

Delta Omega Honorary Society, Tau Chapter, 2021

Fulbright Scholar, 1994-1995

**SKILLS:**

Fluent in English, Spanish, and English Creole languages.

Cultural competency in Latino and Indigenous populations (*Ketchi, Yucatec, & Mopan Maya, Garifuna, and English Creole*).

Competency-based curriculum development in health programs.  
Pedagogy based computer skills: Canvas, Moodle, Captivate, Blackboard
