

Jennifer Tess Marshall

University of South Florida College of Public Health, Interdisciplinary Science and Practice
13201 Bruce B Downs Blvd., Tampa, FL 33612 Tel: (813) 396-2672 Office: NEC255 jm@usf.edu
ORCID ID 0000-0003-3907-7729 eRA Commons J_MARSHALL

University of Miami, Coral Gables, FL

- Postdoctoral Research Associate (2013-2014)
Design, implement statewide and local community-based, mixed methods studies related to Florida Early Steps, pre-k and special education services, early intervention outcomes, parents' developmental monitoring and services decision-making for their children, and the comparative effectiveness of early intervention service delivery models. Supervisor: Batya Elbaum, PhD, College of Education, Department of Teaching and Learning

University of South Florida, Tampa, FL

- PhD, Public Health, Community & Family Health. Specialization: Early Childhood/Special Education. (2013)
Dissertation: "*Parent Pathways: Recognition and Responses to Developmental Delays in Young Children*"
Major Professor: Russell S. Kirby, PhD, MS, FACE, Professor and Marrell Endowed Chair, Department of Community and Family Health, College of Public Health.
- MPH, Master of Public Health. Minor: Maternal & Child Health. (2008)
Thesis/Special Project: "*Developmental Screening Resource Mapping*"
Major Professors: Peter A. Gorski, MD, MPA, Professor of Public Health, Pediatrics and Psychiatry, University of South Florida and Director of the Lawton and Rhea Chiles Center for Healthy Mothers and Babies. Martha L Coulter, DrPH Professor and Director, Harrell Center for the Study of Family Violence Department of Community and Family Health, College of Public Health.

University of Washington, Seattle, WA

- BA, Psychology. Minor: Child Development (1995)

CERTIFICATIONS

Appreciative Inquiry Facilitator Training, Center for Appreciative Inquiry, 2023
Capra Course on Systems Science, Fritjof Capra Institute, 2023
Opioids and the Workplace: Prevention and Response. Rutgers Ctr for Public Health Workforce Development, 2022
Foundations of Participatory Evaluation. Tamarack Institute, 2022
Center for Innovative Teaching and Learning (CITL), FLC Member - Taking the Stress Out of Teaching Classes with International Students, 2022
NIH Grant Writing Seminar: Write Winning NIH Grant Proposals. Grant Writers' Seminars & Workshops, LLC., 2022
Workshop on Flexible Hybrid and F2F Teaching, 2020
Quality Matters Certification – Applying the QM Rubric, 2018
Ages and Stages Questionnaire (ASQ-3), Ages and Stages Social-Emotional Questionnaire (ASQ-SE-2) Healthy Families Assessor Certification. Shultz Institute, 2017
Certified Public Health Credential, National Board of Public Health Examiners, 2015, 2017
Infant Toddler Developmental Specialist (ITDS), Florida Department of Health, 2005, 2008
Child Development Screener/Assessor: Brigance, Battelle, Environmental Rating Scales. 2008
Ages & Stages and ASQ-SE Questionnaire Trainer, Brookes Publishing, 2008
Family Development Credential Trainer, Cornell University, 2007
Mid-Manager Credential, Florida Head Start Association, 2005

EMPLOYMENT

Associate Professor

05/2019 - present

College of Public Health, University of South Florida

- Interdisciplinary Science and Practice Faculty Strategic Area Lead, College Executive Committee
- Director, USF Sunshine Education and Research Center, Director of Planning and Evaluation (2018-present), Director of Outreach (2019-2023). University of South Florida. The [Sunshine ERC](#) is a regional resource for industry, labor, government and the public in the areas of occupational health, safety and wellness. Its academic programs include occupational health nursing ([MSN](#), [MSN/MPH](#), [DNP](#)), [occupational health psychology](#) (PhD), and [health, safety and environment](#) (online MPH) at [USF](#); [occupational safety management](#) (MSOSM) at ERAU; and [targeted research training](#) directed at the hospitality industry at UCF.

Jennifer Tess Marshall

- Executive Committee & Senior Fellow – [Lawton & Rhea Chiles Center for Healthy Women, Children and Families](#)
- Senior Faculty – [Harrell Center for the Study of Family Violence](#)
- Co-Principal Investigator of [PHEARLESS](#) and [CADENCE](#)
- Investigator and faculty lead for Access to Care aim USF [Birth Defects Surveillance Program](#)
- Chair - USF Sustainable Food Research Collaborative 2011-2017

Assistant Professor 08/2014-07/2019
Department of Community and Family Health, College of Public Health, University of South Florida

Adjunct Professor 2013
Department of Community and Family Health,
Supervisor: William Sappenfield, MD, MPH.

Research Associate 2009-2014
Department of Community and Family Health, College of Public Health, University of South Florida
Supervisor: Russell S. Kirby, PhD

Research Associate. College of Behavioral & Community Sciences, Department of Child & Family Studies. 2011
University of South Florida, Parent Connector Project.
Supervisors: Krista Kutash, PhD & Al Duchnowski, PhD

Research Assistant
Field Placement, Community & Sustainability Initiative: Commuiplexity Team. University of South Florida, Florida Mental Health Institute & The Children's Board of Hillsborough County Supervisors: Allison Pinto, PhD and Peter Gorski, MD. (2007-2011)

- Engaged in action research to apply complexity theory and methods to community sustainability, with emphasis on the early childhood community.
- Conducted a review of local community analysis reports and data sets.
- Presented and participated in community meetings, events and councils.
- 2009 Coordination of Community and Complexity Summit/Conference
- 2010 Participated in State of the Child community assessment team
- 2011 Completed GIS mapping project for Hillsborough & Sarasota Counties

Workshop Facilitator 9/2013-11/2013
University of South Florida College of Public Health, Center for Leadership in Public Health Practice
Tobacco Free Florida Coalition project

- Facilitate workshops with local Tobacco Free coalition members in Tampa and Orlando to build knowledge and skills in coalition building and strategic planning.

Grants Consultant to Professional Services Division 11/2009-12/2011
Program Director of Family Child Care Projects 10/2008-11/2009

Tampa Metro YMCA 110 East Oak Ave. Tampa FL 33602

- Obtained \$933,880 contract to provide services for Early Head Start Program in Family Child Care Homes
- Obtained \$124,520 contract expanding family child care technical assistance program to low-income applicants.
- Obtained over \$20,000 in grant funding in 2009 to enhance staff and client training opportunities.
- Monitored outcomes, implement program improvements to ensure grant requirements were met or exceeded.
- Managed two budgets totaling \$368,731 per year.
- Supervised and mentored program staff, interns, volunteers, and workforce alliance placements to provide training and technical assistance to Family Child Care Home providers.
- Develop community partnership and participation on local councils to ensure coordination of services.

General Manager, Family and Disability Services Supervisor 01/2006-08/2008
Hillsborough County Head Start/Early Head Start 3639 West Waters Ave Ste 500 Tampa, FL 33614

- Conducted oversight of enrollment, recruitment, family services, and parent involvement activities in early care and education program for low-income children birth-5 years and their families.

Jennifer Tess Marshall

- Hired, trained, and supervised Education Managers, Teachers, Interns, and Social Workers.
- Monitored recruitment, identification, and services for children with special needs.
- Participated in strategic planning, outcomes evaluation, community assessment, budgeting.
- Created interagency agreements, community partnerships, and facilitated Advisory Committee.
- Ensured compliance with federal grants and National and local standards.

Early Intervention Service Coordinator, Volunteer Supervisor

08/2002-10/2005

University of South Florida Division of Child Development 13330 Bruce B Downs Blvd Tampa, FL 33612

- Provided case management, care coordination, and parent training as part of a multidisciplinary team for children Birth to 3 years with developmental, behavioral, and medical issues.
- Conducted developmental assessment and medical, psychosocial, developmental status.
- Provided training and orientation for enrolled and new Part C intervention providers and to service coordinators at statewide and regional meetings.
- Participated in community events, developmental screenings and parent support groups
- Initiated internal changes to increase communication, goal setting and teamwork among staff.
- Created, developed, and supervised volunteer program for psychology and social work students.

Teaching Supervisor

08/2000-07/2002

United Cerebral Palsy of Colorado, Creative Options Early Head Start 2200 South Jasmine Denver, CO 80222

- Assisted in startup of program serving 48 primarily Spanish speaking families in therapeutic inclusive setting, to include: program planning, classroom design and materials, curriculum development, hiring of new staff.
- Responsible for oversight of USDA food program; developmental observation and assessment, compliance with child care licensing and grant requirements.
- Supervised and trained classroom teachers, parent-child interaction group facilitators, teen parent class facilitators, and home visitors.
- Conducted training: Health & Safety, Guiding Behavior, Attachment and the Primary Teacher Relationship, The IFSP Process, Orientation, Developmentally Appropriate and Child-Centered Curriculum, Observation, Documentation, Home Visiting and the Ages & Stages Questionnaire.
- Planned and conducted field trips, home visits, and family socialization events. Created bilingual forms, flyers, and newsletters.

Research Assistant

Jefferson County Court System Denver, CO (2001-2002). PI: Marc Karver, PhD. University of Denver, Department of Psychology.

- Conducted a literature review on the impact of divorce on children and the effectiveness of psycho educational and mental health interventions. Established recommendations to refine a program being conducted with divorced families by the Jefferson County Court System.
- Presented preliminary findings at Colorado Judicial Conference, 2001 Breckenridge, CO

Pediatric Mental Health Specialist in Education

5/1999 -7/2000

Seattle Children's Hospital 4800 Sand Point Way NE Seattle, WA 98105

- Taught children ages 3-17 enrolled in outpatient and inpatient pediatric inpatient psychiatric diagnostic classroom.
- Provided behavior management, milieu therapy and group therapy, implementation of treatment plans, psychobehavioral assessment and scholastic testing.
- Participated in rounds, discharge planning meetings, and intervention planning

HONORS & AWARDS

Jennifer Tess Marshall

USF Faculty Outstanding Research Achievement Award (2023)
American Public Health Association Maternal and Child Health Effective Practice Award (2023)
Faculty Research Travel Award, COPH, University of South Florida (2022)
Senior Fellow, Faculty Fellow, Lawton & Rhea Chiles Center for Healthy Women, Children and Families (2020)
Tau Chapter of Delta Omega Honorary Society in Public Health (2020)
Faculty International Travel Grant, Office of Research and Innovation, University of South Florida (2016)
Maternal and Child Health Epidemiology Trainee, University of South Florida (2012-2013)
Research Travel , COPH Community & Family Health, University of South Florida (2012)
Student Research Award, COPH Community & Family Health, University of South Florida (2012)
Student Research Scholarship, College of Public Health, University of South Florida (2012)
Maternal & Child Health Senior Fellow, American Public Health Association (2012-2013)
Sam Bell Endowed Scholarship, University of South Florida (2012)
Student Honorary Award for Research and Practice, (SHARP), University of South Florida (2012)
Maternal & Child Health Leadership Trainee, University of South Florida (2011-2012)
Maternal & Child Health Student Fellow, American Public Health Association (2011-2012)
Student Honorary Award for Research and Practice (SHARP), University of South Florida (2011)

GRANTS AND CONTRACTS

Currently Funded

<i>Comprehensive Surveillance of Exposures and Outcomes in Pregnant People, Infants, and Children</i> (PI Jason Salemi). Total Budget: \$400,000. CDC-RFA-DD-23-0003	Investigator
<i>Fatal Overdose Fatality Reviews Social Network Analysis Rapid DIMS Subcontract</i> . Total Budget: \$23,357. NIH NIDA Subcontract to Indiana University FORTRESS Rapid DIMS Award (Rapid Data Infrastructure Modernization Projects, Wake Forest University)	Co-Principal Investigator
<i>Rapid DIMS Application: Testing a Case-finding Methodology to Create a Real-time Data Dashboard of Patients with Opioid Use Disorder. (2023-2024)</i> . (Co-PI: Kimberly Fryer). Total budget: \$48,000. NIH NIDA Subcontract Rapid DIMS. (Rapid Data Infrastructure Modernization Projects, Wake Forest University)	Co-Principal Investigator
<i>Enhancing PHEARLESS to develop the community collective leadership needed for the intentional emergent design of equitable health-promoting systems. (5/1/23-4/30/2026)</i> . (Co-PIs: Marissa Levine, Triparna DeVreede MUMA College of Business). Total budget: \$899,931. Robert Wood Johnson Foundation.	Co-Principal Investigator
<i>Florida Maternal, Infant, and Early Childhood Home Visiting (MIECHV) Program Support (2023-2024)</i> . (PI). Total Budget: \$10,000. Funder: Health Resources and Services Administration, Florida Association for Healthy Start Coalitions Subcontract.	Principal Investigator
<i>CADENCE- Comprehensive Integrated Care Program Families Affected by Opioid Use Disorder (2022-2024)</i> . (Co-PI: Kimberly Fryer). Total budget: \$678,481. RFA-WH-AST-22-003 R61 Office of the Assistant Secretary for Health, National Institute on Drug Abuse (NIDA), NIH. * <i>CADENCE R33</i> (Co-PI: Kimberly Fryer). Funded providing objectives met on R61. Total budget: \$2,875,221. #1R61DA057667-01 HEAL Initiative Clinical Trial Data2Action Innovation Projects, NIH.	Co-Principal Investigator
<i>Public Health Regenerative Leadership Symmathesy (PHEARLESS) Training Program</i> . (Co-PI: Marissa Levine, Triparna De Vreede). (2022-2027). Total Budget: \$7,500,000, Kresge National Program Office for the Re-designed Emerging Leaders in Public Health Initiative.	Co-Principal Investigator
<i>Florida Early Childhood Comprehensive Systems (ECCS) Initiative Evaluation (2021-2026)</i> . (PI). Total budget \$135,000. Funder: Health Resources and Services Administration, Florida Association for Healthy Start Coalitions Subcontract.	Principal Investigator
<i>Sunshine Education & Research Center: (2019-2024)</i> . (PI: Thomas Bernard) Total Budget: \$8,144,245 Funder: CDC National Institutes for Occupational Safety and Health (NIOSH)	Principal Investigator (2023)

Jennifer Tess Marshall

Occupational Safety and Health Education and Research Centers (T42). Role: Director (2023), Director of Planning and Evaluation, Director of Outreach (2019-2024)

PDG Family Needs Assessment. (2022-2023). (PI). Total budget: \$303, 089. Funder: Florida Division of Early Learning, Preschool Development Grant.

Principal Investigator

The Florida Birth Defects Registry: Enhancing Birth Defects Surveillance, Education, and Prevention Programs by Integrating Surveillance Data with Public Health Programs. (2021-2025). Total Budget \$1,050,000. Centers for Disease Control & Prevention (PI: Melissa Jordan, FDOH, Cooperative agreement Jason Salemi and Russel Kirby). Role: Prevention Lead, Investigator

Investigator

Under Review

Sunshine Education & Research Center: (2024-2029, in preparation). (PI) Total Budget: \$8,144,245 Funder: CDC National Institutes for Occupational Safety and Health (NIOSH) Occupational Safety and Health Education and Research Centers (T42). Role: Director of Planning and Evaluation, Director of Outreach

Principal Investigator

Completed, funded

A Needs Assessment of Workplace Policy and Practice: Intentions, Barriers, and Supports for Women at All Stages of Childbearing in High Demand Professions. (2021-2022). (PI: Christine McGuire Wolfe & Amber Mehmood). Total budget: \$14,256. Funder: Sunshine ERC Pilot Project Research Training Grant, NIOSH.

Investigator

Intentions, Barriers, and Supports for Women at All Stages of Childbearing in High-Demand Professions. (2021-2022, PI: Christine McGuire Wolfe & Amber Mehmood). Total budget: \$10,000. Funder: Women's Health Collaborative Seed Grant, USF.

Investigator

PDG Infant and Early Childhood Mental Health Sub-Grant Implementation Study. (2021-2023). (Co-PI: Allison Pinto). Total budget: \$350,000. Funder: Florida Office of Early Learning, Preschool Development Grant.

Principal Investigator

Florida Maternal, Infant, and Early Childhood Home Visiting (MIECHV) Evaluation (2014-2021). (PI). Total Budget (ytd): \$1,604,031. Funder: Health Resources and Services Administration, Florida Association for Healthy Start Coalitions Subcontract.

Principal Investigator

Respiratory mask use and perceptions in the pregnant healthcare workers during the COVID-19 pandemic. (2020-2021), Funded in-kind. (Co-PIs Arlin Delgado, Sarah Obican, USF College of Medicine).

Investigator

Florida Early Childhood Comprehensive Systems (ECCS) Impact Project Evaluation (8/1/16-7/31/21). (PI). Total budget: \$350,000. Funder: Health Resources and Services Administration, Florida Association for Healthy Start Coalitions Subcontract

Principal Investigator

Kids Thrive! Charlotte County Parent Navigator Project, Phase 2. (2021). (PI). Total budget: \$8,000. Funder: Drug Free Charlotte.

Principal Investigator

Assessment of Prenatal Health Care and Opioid Dependency Services Access in Florida – A Secret Shopper Study. (2021) Total budget: \$75,000. Funder: Florida Department of Health, Division of Community Health Promotion. (Co-PI: Dr. Kimberly Fryer, Morsani College of Medicine, Department of Obstetrics and Gynecology).

Principal Investigator

Co-Principal Investigator

Jennifer Tess Marshall

2020-2021 Early Childhood Court Evaluation of the Effectiveness of Therapeutic Modalities. (2020-2021). (PI). Total budget: \$65,000. Funder: Zero to Three, Subcontract with Florida Institute for Child Welfare.

Co-Principal Investigator

Analysis of employment impacts and sector shifts in the Florida panhandle post-Hurricane Michael. (2021). Total budget: \$4,300. Pilot Project Research Training Grant, Sunshine Education and Research Center. PI: Blake Scott, Doctoral Student)

Investigator, Faculty Mentor

Burnout and Psychological Adjustment: A Mixed-Method Analysis on the Hurricane Shelter Workforce. (2021). Total budget: \$5,180. Funder: Pilot Project Research Training Grant, Sunshine Education and Research Center. PI: Katrina Conen, Doctoral Student, CO-I: Kelsey Merlo, USF Psychology Department)

An Ecological Approach to Understanding Obesity Risk Among Children with ASD. (2020-2021). Total budget: \$99,590. Funder: HRSA MCHB R41, PI Abraham Salinas, Acadia Weber.

Investigator, Faculty Mentor

Planning for Hurricane Shelter Operations during a Pandemic. (2020-2021). Total budget: \$25,000. Funder: University of South Florida COVID-19 Rapid Response Research Grantor-PIs – Elizabeth Dunn, Kelsey Merlo, Blake Scott. <https://pandemic-response-research.net/resources/funded-projects/>

Investigator

Florida Infant and Early Childhood Mental Health Support Infrastructure Study. (2020-2021). Total budget: \$100,000. Funder: Florida Office of Early Learning, Preschool Development Grant.

Co-Principal Investigator

Safe Baby® Infant Mortality Prevention Program Evaluation. (2019-2021). Data analysis, Evaluation, Dissemination. Total budget: \$20,000. Funder: Hillsborough County Healthy Start Coalition and Children's Board of Hillsborough County.

Principal Investigator

Enhanced Birth Defects Surveillance Methods for Florida Birth Defects Registry (2008-2021) Total budget: \$249,000/year. (Funder: CDC, Florida Department of Health FBDR). Develop and evaluate methods for efficiency and effectiveness of the Florida Birth Defects Registry. (PI: Russell Kirby). Principal Investigator for Aim 3 studies: Use of Surveillance Data for Improving Access to Health Services and Early Intervention.

Investigator

Florida Statewide MIECHV Needs Assessment. (2019-2020). Total budget: \$150,000. Funder: Health Resources and Services Administration, Florida Association for Healthy Start Coalitions Subcontract.

Principal Investigator

Measure of the systems-level barriers and facilitators of access to prenatal care (2018-2020). Total budget: \$46,800. Funder: University of South Florida Interdisciplinary Seed Grant Program. (Co-PI: Dr. Kimberly Fryer, Morsani College of Medicine, Obstetrics and Gynecology).

Co-Principal Investigator

Inner Explorer: Evaluation of program-wide mindfulness practice in Head Start. (2018-2020). Total budget: \$13,000. Funder: Foundation for a Healthy St. Pete. (Co-PI: Dr. Lisa Lopez)

Co-Principal Investigator

Kids Thrive Charlotte County Parent Navigator Project. (2019-2020). Total budget: \$7,800. Funder: Drug Free Charlotte.

Principal Investigator

CONVERGE COVID-19 Hurricane Preparedness Working Group: Planning for Evacuation and Sheltering of Vulnerable and Medically Fragile Populations during a Compound Hurricane-Pandemic Threat. Total budget: \$1,000. (2020). Funder: COVID-19 Working Group for Public Health and Social Sciences Research. Supported by the National Science Foundation-funded Social Science Extreme Events Research (SSEER) network and the CONVERGE facility at the Natural Hazards Center at the University of Colorado Boulder. (Co-PI: Elizabeth Dunn).

Co-Principal Investigator

Florida PRAMS Participant Response Study. (7/1/19-6/30/20). Total budget: \$17,500. Funder: Florida Department of Health.

Principal Investigator

Jennifer Tess Marshall

<p><i>Hurricane-related Protection of Moms and Babies from Emerging Threats- Access to Care System Evaluation.</i> (7/15/19-5/31/20). Total budget: \$75,000. Funder: Centers for Disease Control & Prevention (CDC), National Center on Birth Defects and Developmental Disabilities (NCBDDD), Florida Birth Defects Registry subcontract.</p>	<p>Principal Investigator</p>
<p><i>Surveillance, Intervention, and Referral to Services Activities for Infants with Microcephaly or Other Adverse Outcomes Linked with the Zika Virus.</i> (Funder: CDC National Center on Birth Defects and Developmental Disabilities, Florida Department of Health FBDR). (2016-2020) Total budget: \$274,921/year. (PI: Russell Kirby) Principal Investigator: Aim 3 Access to Services.</p>	<p>Investigator</p>
<p><i>Evaluation of Florida's Early Childhood Court Programs.</i> (2018-2019). Total budget: \$48,299 Funder: Florida Office of Court Improvement, Florida Institute for Child Welfare.</p>	<p>Co-Principal Investigator</p>
<p><i>Florida Healthy Start Coalitions Coordinated Intake & Referral Evaluation.</i> (2018-2019). Total budget: \$100,000 Funder: Florida Department of Health.</p>	<p>Principal Investigator</p>
<p><i>Campus Food Waste Recovery Project.</i> (2018-2019). Total budget: \$25,000. Funder: University of South Florida Green Energy Fund. (PI Whitney Fung).</p>	<p>Investigator (Faculty advisor)</p>
<p><i>Florida MIECHV Safe Sleep Intervention Study: Baby's Best Sleep Evaluation</i> (2017-2019). Total budget: \$35,000. Funder: Health Resources and Services Administration, Florida Association for Healthy Start Coalitions Subcontract</p>	<p>Principal Investigator</p>
<p><i>Development and Pilot Testing of a Child Health and Safety Training Module for Parents with Mild to Moderate Intellectual Disabilities.</i> (2017-2018). Total budget: \$10,000. Funder: USF Research & Innovation Scholarship Grant (PI: Vatland)</p>	<p>Co-Principal Investigator</p>
<p><i>Training Resources for Accessible Communities.</i> (2018-2019). USF Department of Behavioral and Community Sciences. (PI: Dr. Chris Vatland)</p>	<p>Co-Principal Investigator</p>
<p><i>Video Training to Enhance the Implementation of Evidence Based Strategies among Mothers and their Toddlers within the Early Steps Program.</i> (2017-2018). Total budget: \$15,000. Funder: USF Women's Health Collaborative (PI: 2015-2016, Co-I: Agazzi, Kirby)</p>	<p>Investigator</p>
<p><i>Perspectives on Side-effects of Hormonal Contraceptives</i> (5/1/17-10/31/18). Total budget: \$100,000. Funder: Bill & Melinda Gates Foundation Grand Challenges Explorations, OPP1172033</p>	<p>Investigator</p>
<p><i>Hillsborough County Infant Mental Health Uniting Grant Evaluation</i> (2014-2018). Total budget: \$37,500. Funder: Early Childhood Council of Hillsborough County</p>	<p>Principal Investigator</p>
<p><i>Citrus County Baby Box Evaluation.</i> (2018). Total budget: \$10,000 Funder: Citrus County Department of Health.</p>	<p>Principal Investigator</p>
<p><i>Florida Maternal, Infant, and Early Childhood Home Visiting (MIECHV) Competitive Grant Evaluation</i> (2015-2018). Total budget: \$585,043 Funder: Health Resources and Services Administration, Florida Association for Healthy Start Coalitions Subcontract.</p>	<p>Principal Investigator</p>
<p><i>Florida Safe Sleep Evaluation</i> (2015-2016). Total budget: \$58,000. Funder: Florida Department of Health. Examine trends and disparities in sleep-related SUIDs by county. Review and inventory best practices for safe sleep interventions. Develop recommendations.</p>	<p>Principal Investigator</p>
<p><i>Hernando County Infant Mortality Review Consultation</i> (4/1/16-6/30/16). Total budget: \$4,800 Funder: Hernando County Department of Health Consultation for interpretation of infant mortality trends and disparities. Design and facilitate community stakeholder presentation to communicate results and workshop to develop recommendations. (Co-PI: Rema Ramakrishnan)</p>	<p>Co-Principal Investigator</p>

Jennifer Tess Marshall

<p><i>Evaluation of Safe Baby</i> (2016). Total budget: \$12,000. Developed Safe Baby® participant survey and initial evaluation plan. Funder: Hillsborough County Healthy Start Coalition.</p>	<p>Principal Investigator</p>
<p><i>Doctoral Student Feedback Consultation</i> (2016, 2017, 2018). Funder: University of Miami Department of Teaching & Learning. Conduct focus groups with doctoral students to obtain feedback on the program – advising, coursework, internships. Develop report for department chair and faculty.</p>	<p>Principal Investigator</p>
<p><i>Enhanced Birth Defects Surveillance Methods for Florida Birth Defects Registry</i> (02/01/10-1/31/16) Total budget: \$249,000/year. Funder: CDC, Florida Department of Health FBDR. Develop and evaluate methods for enhancing the efficiency and effectiveness of the Florida Birth Defects Registry. Principal Investigator for Aim 3 studies: Use of Surveillance Data for Improving Access to Health Services and Early Intervention (PI: Russell Kirby)</p>	<p>Investigator</p>
<p><i>Tampa Metropolitan YMCA: Early Head Start in Family Child Care</i> (2009-2011). Total budget: \$933,880. Funder: Hillsborough County Head Start, Federal Head Start/Early Head Start Expansion Grant. Developed, negotiated, and obtained contract to provide delegate services for Early Head Start Program in contracted Family Child Care Homes</p>	<p>Co-Author</p>
<p><i>Tampa Metropolitan YMCA Family Child Care Technical Assistance Expansion</i> (2009) Total budget: \$124,520. Funder: Hillsborough County Health & Human Services, Federal CDBG ARRA Funds. Developed proposal and contract to expand family child care licensing technical Assistance program to low-income applicants.</p>	<p>Co-Author</p>
<p><i>Tampa Metropolitan YMCA Family Child Care PLUS Training Award</i> (2009) Total budget: \$20,175. Funder: Early Learning Coalition of Hillsborough County Developed proposal for receipt, development, and implementation of training and professional development for program staff and clients (family child care providers).</p>	<p>Primary Author</p>
<p><i>Introducing Florida’s New Service Delivery Model, Information From the 0-3 National Training institute, and Practical Strategies for the Creation of Family-Centered Plans of Care.</i>” (2003). Total budget: \$8,605. Funder: Children’s Board of Hillsborough County</p>	<p>Primary Author</p>
<p><u>Submitted, not funded</u></p>	
<p><i>Florida Leadership Institute for Families Touched by Substance Use (Florida LIFTS).</i> (2023). (Co-PI Amanda Elmore). Total Budget \$47,992. Funder: USF COPH Internal Award Program. <i>Develop a statewide, community based participatory research (CBPR) initiative for families affected by substance use during pregnancy and postpartum in Florida.</i></p>	<p>Co-Principal Investigator</p>
<p><i>TextBP: Application of a Multi-Lingual Text-Based Blood Pressure Monitoring Program for Pregnancies.</i> (2022, not funded). (Co-PIs: Kimberly Fryer and Daniela Coursillate). Total budget: \$2,873,425 (5-years). PCORI Broad Pragmatic Study, Cycle 2, 2022.</p>	<p>Investigator</p>
<p><i>Trauma Informed Approach to Understanding Obesity among Children with Special Health Care Needs</i> (2022, not funded). (Abraham Salinas (PI), Russell Kirby (Co-PI). Total Budget \$100,000., Funder: HRSA.</p>	<p>Investigator</p>
<p><i>Evaluation of a Telehealth-Enhanced Prenatal Care Model for Low Income Women during the COVID-19 Pandemic.</i> (2021, PI Kimberly Fryer, Morsani College of Medicine, Department of Obstetrics and Gynecology). Funder: Foundation for Women’s Wellness.</p>	<p>Investigator</p>
<p><i>eVISIT Study: An Evaluation of Virtual Prenatal Care to In-Person Prenatal Care</i> (submitted 2021, not funded) (PI: Kimberly Fryer, Morsani College of Medicine, Department of Obstetrics and Gynecology). Total budget \$1,368,592 Funder: NIH Stephen I. Katz Early Stage Investigator R01</p>	<p>Investigator</p>

Jennifer Tess Marshall

<p><i>SEEDFOLKids After-School Garden Experience.</i> (2021-2023, not funded). Subcontract budget: \$20,000. Total budget: \$225,000 (PI Project Link, Diana Kyle, Monica Petrella). Funder: USDA Food and Agriculture Service Learning Program.</p>	Investigator
<p><i>Reducing Disparities in Health Equity through Climate Science and Disaster Literacy.</i> (2021, not funded) (Co-PI: Chris Simoniello, Gulf of Mexico Coastal Ocean Observing System Regional Association). USF subcontract \$125,000. Total budget: \$250,000. Funder: Fund for Health Equity/Direct Relief</p>	Co-Principal Investigator
<p><i>Optimizing prenatal care for low-income women of color.</i> Total budget: \$100,000 (2021, PI: Kimberly Fryer, Morsani College of Medicine, Department of Obstetrics and Gynecology). Funder: NIH R03: PAR-19-276: Dissemination and Implementation Research in Health. Invited to resubmit.</p>	Co-Investigator
<p><i>Supporting Providers and Families to Access Telehealth and Distant Care Services for Maternal Health Services.</i> (2020, not funded) Total budget: \$100,000 (PI: Kimberly Fryer). Funder: Health Resources & Services Administration (HRSA): Maternal Health Learning and Innovation Center</p>	Co-Investigator
<p><i>Community Resilience and Flourishing after a Disaster.</i> (2020-2021, not funded). (PI: Kelsey Merlo, USF Psychology Department). Funder: Templeton World Charity Foundation Grand Challenges for Human Flourishing.</p>	Co-Investigator
<p><i>Disaster events and psychological health: Compounding threats during the COVID-19 pandemic and 2020 hurricane season.</i> (2020, not funded) Funder: National Science Foundation-funded Social Science Extreme Events Research (SSEER) network and the CONVERGE facility at the Natural Hazards Center at the University of Colorado Boulder. (PI: Kelsey Merlo, USF Psychology Department)</p>	Co-Investigator
<p><i>Utility and Social Benefits of Transparent Masks for Pediatric Care Providers.</i> (2020, not funded). Total budget: \$22,191. PI: Emily Shaffer-Hudkins, Morsani College of Medicine, Pediatrics, Co-I: Rogers, Communication Sciences and Disorders. Funder: University of South Florida COVID-19 Rapid Response Research Grant.</p>	Co-Investigator
<p><i>Mic-Mask – a new mask for better speech understanding, a pilot study.</i> (2020) Total budget: \$50,000. (submitted 2020, not funded). PI: Rogers, PhD, USF-Tampa, Dept. of Communication Sciences and Disorders. Co-Is: Conover, (CSD). Shaffer-Hudkins (Morsani College of Medicine). Dowdy, MD (community partner). Funder: University of South Florida COVID-19 Rapid Response Research Grant.</p>	Investigator
<p><i>Implementation and Evaluation of Obstetric Virtual Visit Protocol.</i> (submitted 2020, not funded). Total budget: \$54,058. Funder: Emergent Ventures, Mercatus Center, George Mason University, Fast-Grants Program: Fast funding for COVID-19 Science. (Co-PI, Kimberly Fryer)</p>	Investigator
<p><i>Implementation of Virtual Prenatal Care in the Era of COVID-19.</i> (submitted 2020, not funded). Total budget: \$25,000. Funder: University of South Florida COVID-19 Rapid Response Research Grant. (Co-PI, Kimberly Fryer)</p>	Co-Principal Investigator
<p><i>Understanding the Impact of Policies Enacted to Mitigate the COVID-19 Pandemic on Pregnant Women in Florida.</i> (submitted 2020, not funded). Total budget: \$24,831. Funder: University of South Florida COVID-19 Rapid Response Research Grant. (Co-PI – Dina Martinez-Tyson, Chinyere Reid)</p>	Co-Principal Investigator
<p><i>Gulf of Mexico Resilience Education Academy (Gulf-REAdy)</i> (submitted 2019, not funded). Funder: NOAA OED Fiscal Year 2020 ELP grants funding opportunity NOAA-SEC-OED-2020-2006190. (PI Chris Simoniello, Texas A&M University).</p>	Investigator

Jennifer Tess Marshall

<p><i>Network of Navigators: A Systems Approach to Reducing Fatal Overdoses in Pasco County, FL</i> (submitted 2019, not funded). (PI: Charles Anderson, United Way of Pasco County) RWJF Systems for Action: Systems and Services Research to Build a Culture of Health 2019 (ID 89200)</p>	Investigator
<p><i>Protecting the Most Vulnerable in the Face of Disaster: Investigating Evacuation Dynamics & Its Implications for Planning & Public Health.</i> (submitted 2019-2020, not funded). Total budget: \$119,475 Funder: US Department of Transportation Center for Transportation Equity, Decisions and Dollars. PI Drs. Nikhil Menon and Robert Bertini, USF Center for Urban Transportation Research.</p>	Investigator
<p><i>Early Childhood Connections; Liberty City.</i> (submitted 2019, not funded). Total budget: \$42,000. Funder: Batchelor Foundation. PI Tamara Price, Help Me Grow Florida.</p>	Investigator
<p><i>Perspectives on Side-effects of Hormonal Contraceptives, Phase II.</i> (submitted 2019, withdrawn) Total budget: \$984,219. Funder: Bill & Melinda Gates Foundation Grand Challenges Explorations, OPP1172033 PI Takudzwa Sayi</p>	Co-Investigator (PI changed institutions)
<p><i>Sarasota Patient Navigator Pilot Evaluation.</i> (submitted 2019, not funded). Total budget: \$220,000. Funder: Charles & Margery Barancik Foundation. PI Svetlana Yampolskaya, USF Department of Child & Family Studies.</p>	Investigator
<p><i>Connections 4 Success.</i> (submitted 2018, not funded, priority score 93/100). Department of Health and Human Services Substance Abuse and Mental Health Services Administration Infant and Early Childhood Mental Health Grant Program SM-18-018. PI Pam Jeffre, Success 4 Kids and Families.</p>	Investigator
<p><i>Using Population-Based Sibling Registries to Develop Contemporary Resources for Birth Defect Recurrence Prevention.</i> (submitted 2018, not funded). Funder: National Institutes of Health. R01 PI Aaron Agopian, Baylor College of Medicine.</p>	Investigator
<p><i>Effects of Mindfulness Meditation on Mothers' Positive Parenting Behaviors and Anxiety in Parent-Child Interaction Therapy.</i> (submitted 2018, not funded). Total budget: \$12,777. Funder: University of South Florida Women's Health Collaborative. PI Heather Agazzi.</p>	Investigator
<p><i>Pilot intervention to increase timeliness of birth dose vaccines in Nigeria.</i> (submitted 2017, not funded). Total budget: \$99,958. Funder: Bill & Melinda Gates Foundation. PI: Oluyemisi Falope</p>	Investigator
<p><i>Demystifying and transforming Florida's complex and fragmented system of children's health care coverage: Improving efficiency, quality, continuity, and access to care.</i> (submitted 2018-2020, not funded). Total budget: \$300,000 Funder: Florida Blue Foundation - 2018 Advance Innovation and Promote Solutions in the Health Care System</p>	Investigator (Faculty advisor)
<p><i>Culture and Tradition: Parents Beliefs, Knowledge, and Adherence to Recommended Infant Safe Sleep Practices.</i> (submitted 2017-2019, not funded). Total budget: \$150,000 Funder: American SIDS Institute</p>	Co-Principal Investigator
<p><i>Families Matter: using data analysis and reflective practice to understand and respond to patterns in home visiting engagement & retention.</i> (submitted 2015-2017, not funded). Total budget: \$53,969 Funder: Georgia State University</p>	Principal Investigator
<p><i>Positive Development Plus: Software Applications for Universal Access to Developmental and Behavioral Supports for Parents of Young Children.</i> (2015-2018, not funded). Total budget: \$1,061,479 Funder: NIH/NICHHD R41</p>	Co-Principal Investigator
	Principal Investigator

Jennifer Tess Marshall

Positive Development, a Healthy Steps model for pediatric primary care: outcomes and sustainability. (submitted 2015, Not funded, eligible to resubmit). Total budget: \$900,000 Funder: HRSA, Maternal & Child Health Research Program R40

Co-Principal Investigator

The comparative effectiveness of provider-directed and parent-coaching intervention: Co-approaches for children ages 0-3 with mild to moderate developmental delays. (submitted 2014, Not funded; eligible to resubmit). Total budget: \$1,500,000 Funder: Patient Centered Outcomes Research Institute

TEACHING

University of South Florida, College of Public Health, Department of Community & Family Health

Associate Professor (2019-Present)

Assistant Professor (2014-2018)

Undergraduate Instructor/Faculty Supervisor (2010-2013)

Training/Certification

Virtual Appreciative Inquiry Facilitator Training, Center for Appreciative Inquiry (2023)

Early Adopters of Project WAKE UP – Problem-based Case-based Learning Collaborative (2023)

Center for Innovative Teaching and Learning (CITL), FLC Member - Taking the Stress Out of Teaching Classes with International Students, 2022

Workshop on Flexible Hybrid and F2F Teaching, 2020

Quality Matters Certification – Applying the QM Rubric, 2018 University of South Florida TES2012.001F12 Teaching Essentials (2019)

Quality Matters: Applying the QM Rubric (APPQMR) (2018) <https://www.qualitymatters.org/>

Supervisor of Instructors/Teaching Assistants: HSC4579 Foundations of Maternal and Child Health, Online Courses (Fall/Spring/Summer semesters 2015-2019)

Teaching/Lectures

Instructor of Record: PHC6550 Child Health & Development (Fall 2021, Summer 2022); PHC6708 Evaluation and Research Methods (Spring 2019, 2020, 2022, 2024); PHC6937 Community Applications of Public Health Science (Spring 2019, 2021, 2022, 2024); PHC7583 Community Health Promotion (Spring 2018, Spring 2021); PHC6120 Community Partnerships and Advocacy (Fall 2014, Summer 2016, 2017, 2018); PHC 6505 Program Planning Methods in Community Health (Fall 2014); PHC6410 Social and Behavioral Sciences Applied to Health (Summer 2014, Spring 2015, 2016, 2017); HSC4579 Foundations of Maternal and Child Health (Summer, Fall 2010, Spring 2011).

Teaching Assistant: PHC6537 Case Studies in Maternal and Child Health II (2013); PHC6197 Secondary Data Analysis for Maternal and Child Health (2013).

Guest Lectures: *Evaluation Showcase: Early Childhood Court.* PHC6708 Evaluation and Research Methods (Spring 2023). *Community Level Theories, Community Theories, Models and Principles.* PHC6500: Theoretical and Behavioral Basis of Health Education (Spring 2017, 2021). *Cultural Competency & Family Centered Care; Child Development & Home Visiting,* PHC6530 Maternal and Child Health I (Fall/Spring Semesters 2014-2021); *Theoretical Frameworks in Child Health Research,* PHC6197 Secondary Data Analysis for Maternal and Child Health (2012, 2014, 2020, 2021); *Community-based Research in Maternal & Child Health,* Maternal Child Health Pipeline Scholars Seminar (2017, 2018); *Interventions and Practice in Addressing Family Violence* PHC6413 Family & Community Violence in Public Health (2017, 2018); *Community-Engaged Program Evaluation: Strategies, Methods, & Lessons Learned,* PHC7584 Research Methods in Community Health Promotion (2015, 2018); *Developmental Screening & Surveillance,* PHC6934 Child Health & Development (2013); *School Readiness,* PHC6530 Maternal and Child Health I (2013); *Community-Based Research,* PHC6530 Maternal and Child Health I (2012).

New Faculty Lunch & Learn. USF College of Public Health *Community Research and Practice.* (April, 2023).

Systems Sciences Education for Public Health Students: A workshop for faculty. *Child, Family, & Community Systems Research.* (2022).

Jennifer Tess Marshall

New Faculty Lunch & Learn (USF Health Faculty Development REACH Seminar (October, 2020). *Building, developing, and supporting your Student Research Team* Available at <https://web.microsoftstream.com/video/3e8ce1dd-ae55-451d-9c48-a0f5cb47b6d3>

University of South Florida, Department of Psychiatry.

Guest Lecture: *School Readiness: A Public Health Perspective*. (2013, 2015, 2017, 2019)

University of South Florida School of Aging Studies

Guest Lecture: *Community-Engaged Program Evaluation: Strategies, Methods, & Lessons Learned* GEY 4475 Program Evaluation Course (2017)

University of South Florida Department of Communication Sciences and Disorders

Guest Lecture: *Community-based Research in Early Childhood Systems of Care*. Research in Community Settings Course (2016, 2017)

University of South Florida, Honors College.

Guest Lecture: *Food Systems: Public Health Issues & Perspectives* IDH3350 The Global Challenge of Sustainable Urban Development, USF Honors College (2015, 2017).

MENTORSHIP & ADVISING

Current Student and Faculty Mentees

Stefani Nixon, DrPH Student, Advanced Practice Leadership in Public Health (Committee Member, 2023-).
Evaluating an Online Tuberculosis Continuing Medical Education Program for TB Providers.

Amandeep Ratta, PhD Student, Public Health, Community Family Health. (Major Professor, 2023-)

Melissa Newsome, PhD Student, Public Health, Community Family Health. (Major Professor, 2023-)

Kristin Sznajder, PhD, MPH, Assistant Professor of Public Health Sciences, Associate Director of International Initiatives, Penn State College of Medicine (APHA Professional Development Mentor, 2022-2023)

Bi Zhao, PhD, MS. Assistant Professor and Director of the Computational Core, USF College of Public Health. (Faculty Mentor, 2023-)

Mehrnoush Bonakdar Tehrani. Mehrnoush, PhD Student, Western Sydney University School of Nursing and Midwifery. Thesis: *Co-design of a Model of Child and Family Health Nursing Support for Culturally and Linguistically Diverse Families*. (PhD Thesis Examiner, 2023)

Jessica Gillette, MPH Student, Maternal Child Health. (Integrated Learning Experience, 2023). *Policy Analysis of Postpartum Depression Screening*

Bria Larson, MPH Student, UC Berkeley. (APHA Professional Development Mentor, 2022-2023)

Marissa Rappa, DrPH Student, Advanced Practice Leadership in Public Health. (Major Professor, 2022-)

Kayla Nembhard, PhD Student, Public Health, Community Family Health. (Major Professor, 2022-)

Ryan Mims, DrPH Student, Public Health, Advanced Practice Leadership in Public Health (Major Professor, 2020-)

Elizabeth Dunn, MPH, DrPH Student, Advanced Practice Leadership in Public Health. (Co-Major Professor, 2020-)

Amy Gatto, MPH, PhD Student, Public Health. (Dissertation Committee Member, 2018-).

Completed

Patty Lewandowski, DrPH, Advanced Practice Leadership in Public Health. (Major Professor, 2020-2023). *Self-efficacy and Experiences in the Identification and Recommendation of Referral for Signs of Autism Spectrum Disorder by Early Childhood Educators*.

Lauren Hintenlang, PhD Student, UF Department of Environmental and Global Health, College of Public Health and Health Professions. Thesis: *Oyster Habitat and Management Needs Assessment*. (Thesis Mentor, 2023)

Chinwendu Ilonzo, MPH Student, Epidemiology & Maternal Child Health, AEA Graduate Education Diversity (GED) Program, American Evaluation Association (Internship Advisor, 2022-2023)

Lina Saintus, MPH, PMP. DrPH, Advanced Practice Leadership in Public Health. (Major Professor, 2019-2023).
Currently Project Team Lead in the Practice Support Unit at the Public Health Informatics Institute.

Jessica Gillette, MPH, Maternal Child Health. (Integrated Learning Experience, 2022).

Mariam Badru, MPH, Maternal Child Health. (Research Mentor) Currently a PhD Student (Public Health, Social and Behavioral Sciences), College of Public Health and Health Professions, University of Florida

Rhosemalindha Louis, MPH, Maternal Child Health. (Research Mentor, 2021-2022, Integrated Learning Experience, 2022). Currently Program Coordinator, Precision Vaccines Program, Pediatrics at Boston Children's Hospital.

Karah Waters, MPH, Maternal Child Health. (Integrated Learning Experience, 2022).

Jennifer Tess Marshall

- Megan Roorda, MPH, Maternal Child Health. (Integrated Learning Experience, 2022).
- Blake Scott, MPH, PhD, Public Health, Epidemiology. (Co-Major Professor, 2019-2023)
- Cathleen Cunningham, MPH, Global Health. (Integrated Learning Experience, 2022). *Engagement of Culture and Community to Create Lifestyle Change: Literature Review and Examination of the Pasifika Preventing Diabetes Program.*
- Saloni Mehra, MPH. (Research Mentor/Supervisor, 2018-2022). Currently medical student at NOVA Southeastern University.
- Krista DiToro, MPH, Global Health. (Integrated Learning Experience, 2022). *Improving Special Needs Shelter Conditions in Pasco County.* Currently Training & Exercise Coordinator for Pasco County Emergency management.
- Patricia Useche Santana, MPH, Global Health. (Integrated Learning Experience, 2022). *Facilitating the Integration of Venezuelan Refugee Women in Colombia.*
- Jasmine Kinsler, MPH, Maternal Child Health. (Integrated Learning Experience, 2022). *Florida Maternal, Infant, and Early Childhood Home Visiting Program: A Review of Client Satisfaction and Survey Tool Development.* Currently working as Assistant Director of Medical Education USF Department of Surgery.
- Nashari Carter, MPH Student, Maternal Child Health. (Academic Mentor, 2020-2022). Currently working at Brown Fertility Clinic.
- MiAsia Graham, MPH Student, Maternal Child Health. (Academic Mentor, 2020-2022). Health Services Advisory Group, Inc.
- Vivian Bell Mills, PhD Student, College of Behavioral and Community Sciences. (Dissertation Committee Member, 2020-2023). Currently postdoctoral fellow at the Florida Institute for Child Welfare, Florida State University.
- Tracy Gates, MPH student, MCH Leadership Training Program (Mentor, 2021-2022). Currently Public Health Analyst at the Health Resources and Services Administration (HRSA).
- Medinah Nabadukka, MPH. (Research Mentor/Supervisor). Currently Project Coordinator for Drug Free America Foundation.
- Emily Ferrell, MPH, DrPH Student, Public Health, Advanced Practice Leadership in Public Health. (Co-Major Professor, 2020-2022). Currently Epidemiologist at Commonwealth of Kentucky Cabinet for Health and Family Services.
- Paige Alitz, MPH, PhD, MPH Epidemiology: *Return on investment analysis of the Florida MIECHV Program.* (Site Supervisor, Field Placement PHC 6945 Fall 2015). *Attendance trends in Baby Bungalow [Parent Education Program].* (Special Project Advisor, PHC 6977 Spring 2016). PhD, Behavioral and Community Sciences. *Mobile Response Teams and the Youth Emergency Behavioral Health System* (Dissertation Committee Member, 2019-2022). Currently working at the Substance Abuse and Mental Health Services Administration (SAMHSA).
- Tatiana Wing. Genetic Counseling Program Student. (Master's Thesis Committee Member, 2019-2021). *Journey Mapping Minority Students' Paths Toward Genetic Counseling.* Currently Licensed & Certified Genetic Counselor.
- Maria-Angelina Sans, MPH, CPH. *Hope for Tomorrow: A Grant Proposal for a Community-Based Program to Assist Individuals with Sickle Cell Disease.* (Academic Mentor, Integrated Learning Experience, 2021).
- Mitchell Jaskela, MPH, CPH. Health Education (Academic Mentor, Integrated Learning Experience, 2020-2021.) *Pretesting Hurricane Preparedness Flyers Designed for Special Maternal and Child Health Populations.* Now working as Emergency Response Specialist for the Overdose Response Strategy, CDC Foundation.
- Natalie Simpson, MPH, CPH Maternal & Child Health. (Academic Mentor, 2019-2021). Women & Infant Resource Specialist at WIC. Healthy Start Coalition of Hillsborough
- Rafaella Stein-Elger, MPH, CPH, Maternal & Child Health. (Academic Mentor, 2019-2021). Currently doctoral student at University of South Florida.
- Joanna Mackie, MS, MPH, PhD, Public Health. (Dissertation Committee Member, 2018-2021). Currently Program Manager at First5 Ventura County.
- Megan Bell, MPH Student, Maternal & Child Health. (Academic Mentor, 2019-2021). Implementation Specialist at InSync Healthcare Solutions.
- Acadia Buro, MPH, PhD, Public Health. (Dissertation Committee, 2019-2021) *BALANCE: A Theory-Driven Community-Based Nutrition Intervention for Adolescents with Autism Spectrum Disorder.* Currently Postdoctoral Fellow at Moffitt Cancer Center.
- Destiny Singleton, MA, PhD, School Psychology Program. (Masters/Dissertation Committee Member, 2018-2021). Master's thesis: *Supporting Students with Chronic Health Conditions: An Evaluation of School Nurses' Collaborative Practices with School Psychologists.* Counselor at Nationwide Children's Hospital.
- Kristina Svatos, MCH Leadership Training Program (Mentor, 2019-2020). Data Analyst · Florida Perinatal Quality Collaborative, University of South Florida.

Jennifer Tess Marshall

- Barbara Dorjulus, MPH. (Research Mentor/Supervisor, 2018-2020). Currently Data Analyst, Rhode Island Department of Health.
- Rochelle Logan, MPH, CHES, DrPH Student, Public Health, Community & Family Health. (Major Professor, 2017-2020). *Factors within the Physical and Sociocultural Environment that influence the Health and Development of low-income children ages 0-5 in Washington, D.C.* Currently Public Health Analyst in Health Resources and Services Administration (HRSA).
- Patricia Useche Santana, MPH Student, Global Health. (Academic Mentor, 2020-). *Facilitating the Integration of Venezuelan Refugee Women in Colombia.*
- Kristopher Pickens, MPH Student, Global Health.(Academic Mentor, 2020-). *Assessment of Tampa Bay's Hurricane Preparedness and Response Capabilities to Vulnerable Populations.*
- Kathleen Cunningham, MPH Student, Global Health. (Academic Mentor, 2020-).
- Cynthia Donoghue, MPH Student, Global Health. (Academic Mentor, 2020-). *A Travel Destination Wellness Center in Visayas Region, Philippines.*
- Davies Toluhi MBChB, MPH, CPH. (Research Mentor/Supervisor). Clinical Research Patient Specialist at Indiana University Melvin and Bren Simon Comprehensive Cancer Center.
- Vidya Chandran (Research Mentor/Supervisor). Biostatistician at Johns Hopkins University School of Medicine.
- Concha Prieto, MPH, PhD student. (Research Mentor/Supervisor). Systems Project Analyst at Florida Department of Education.
- Lauren Mangianello, USF Honors College. (Academic Mentor, 2019-) *Identifying Provider Barriers to Providing Prenatal Care to Pregnant Women with Substance Abuse Disorders in Hillsborough County.*
- Beatrice Smith, MPH, Global Health. *Emergency Planning For Mothers and Children.* (Integrated Learning Experience, Co-Advisor, 2019). Currently Public Health Research Assistant at North Carolina State University
- Laura Kihlström, PhD, MPH. (Research Mentor/Supervisor, 2019-2022). Currently Senior Researcher, Anthropologist at Finnish Institute for Health and Welfare.
- Vanessa Sharon, MPH, Maternal & Child Health/Epidemiology (dual degree). (Special Project Co-Advisor, Fall, 2017). Currently Data Abstractor, Birth Defects Surveillance Program, University of South Florida.
- Oluwatosin Ajisope, MPH. (Research Mentor/Supervisor). Currently Research and Evaluation Program Manager, MICHV Initiative, Georgetown University Center for Child and Human Development.
- Shruti Kaushik, MPH, CPH, BDS> (Research Mentor/Supervisor). Shruti Kaushik, MPH, CPH, BDS. Currently a Consultant for Decision Support at Island Health, Vancouver Island Health Authority.
- Tochukwu Obioha, MPH. (Special Project Advisor, Spring, 2018, Research Mentor/Advisor 2018-2020). *Improving early childhood development through adoption of Comprehensive systems in Nigeria: lessons from the Florida Early childhood Comprehensive Systems Impact Project.* Currently Program Director at the National Committee for Quality Assurance.
- Keryden Koeut-Futch, MPH. (Research Mentor/Supervisor). Data Quality and Improvement Specialist at MA MIECHV.
- Olujemisi Falope, PhD, MPH, MD. (Research Mentor/Supervisor, 2015-2019). Currently at Janssen Pharmaceutical Companies of Johnson & Johnson.
- Grace Butler, MPH. *Understanding Risk Factors Associated with Zika Virus and Microcephaly.* (Special Project Co-Advisor, Fall, 2017)
- Catherine Blackburn, MPH: *Retailers' Adherence to the American Academy of Pediatrics' Recommendations for Safe Infant Sleep.* (Special Project Advisor, Fall, 2017). Currently MD candidate at USF Morsani College of Medicine.
- Shivani Patel, MPH Epidemiology Student: Early Childhood Comprehensive Systems Initiative Evaluation. (Field Experience Advisor, PHC 6945 Spring, 2017)
- Amanda Fitzgerald, USF Honor's College, *Biomedical Sciences: An exploration of the processes of sustainable change in Kairo* (Fall 2016, Spring 2017). Currently Physician's Assistant, North Port Florida.
- Melissa Falzon, USF Honor's College: *Does Involvement in a Community gardens change the perspective of food for different socioeconomic classes?* (Fall 2016)
- Ruth Sanon, MPH Global Health: *MIECHV mental health assessment of program participants, including Haitian women: psychological stressors, services offered, and barriers to services utilization in Florida.* (Special Project Advisor, PHC 6977 Spring 2016). Currently Public Health Analyst at Centers for Disease Control and Prevention.
- Shana Geary, MPH Dual Concentration Community & Family Health and Epidemiology: *Family violence and birth outcomes.* (Special Project Advisor, PHC 6977 Spring 2016, MCH Leadership Scholar Mentor, 2015). Currently Chronic Disease and Injury Section, Injury and Violence Prevention Branch, Division of Public Health, North Carolina Department of Health and Human Services.
- Jerchelle Jean-Poix, MPH Epidemiology: *Infant Mental Health Uniting Grant Evaluation analysis of pre-post individual and organizational readiness surveys.* (Project Advisor, Independent Study, PHC 6945 Fall 2015).Currently Senior Clinical research Associate at AstraZeneca.

Jennifer Tess Marshall

- Rema Ramakrishnan, PhD, MPH. (Research Mentor/Supervisor, 2014-2018). Currently Perinatal epidemiologist and Statistician, National Perinatal Epidemiology Unit, University of Oxford.
- Mindy Spyker Price, MPH, PhD. MPH Global Health: *Elucidating the linkages between women's empowerment in agriculture and child health and nutrition: A case study of smallholder livestock raisers in Tanzania*. Borlaug Graduate Research Fellows Program (Awarded Summer 2015), PhD Program Berkeley, Fulbright Scholar, 2020 Canada, *Examining entry and experience of small-scale farmers in Canada's Northwest Territories*. Currently a doctoral candidate at UC Berkeley.
- Peggy Defay, MPH Global Health: *Assessing women's healthcare access needs through Florida's Maternal, Infant, and Early Childhood Home Visiting (MIECHV) Program Evaluation*. (Directed Research, Spring 2015 PHC 6907). Currently Project Manager at the Training Programs in Epidemiology and Public Health Interventions Network (TEPHINET).
- Pamela Birriel, PhD, MPH, CHES. (Research Mentor/Supervisor, 2014-2016) Currently Scientific Program Manager at National Cancer Institute (NCI).
- Leandra Olson, MPH Epidemiology: *Characteristics of adolescent mothers participating in the Florida MIECHV Program*. (Special Project Advisor, PHC 6977 Summer 2015). Currently Policy Team Lead at U.S. Department of Health and Human Services.
- Rebecca Frieders, Executive MPH: *Community benefit and health surveys*. (Academic Advisor, Field Placement PHC 6945, Special Project PHC 6977 Spring 2015). Currently Health Promotion Specialist at Valley West Community Hospital.
- Joseph England, MS, PhD. – Geography: *Community gardening in Tampa Bay*. USF Office of Community Engagement & Partnerships Graduate Community Scholars Fellowship Program, and Directed Research Fall 2014, Spring 2015 PHC 7910). Currently Solid Waste Assistant Division Manager at City of Orlando.
- Natalia S. Vega, MPH. (Special Project Research Mentor, 2014). *Knowledge, Attitudes and Traditions Regarding Water Consumption and Sanitary Practices of the Ngäbe-Buglé Indigenous Women in the Chiriquí Province in Panama*.

USF College of Public Health ALLY Student Mentor. 2011-2013

USF Maternal & Child Health Student Organization, Treasurer, 2012-2013

USF Health Service Corps, Volunteer. 2009-2013

Community/State/National Service

Florida Early Childhood Comprehensive Systems Prenatal to 3 (ECCS P-3) Impact Project State Advisory Committee. 2016-

National Network of Public Health Institutes Open Forum: Next Generation (NxGen) Advisory Committee. 2023-

Florida Home Visiting Alliance State Committee. 2015-

Jennifer Tess Marshall

American Public Health Association (APHA), Member of MCH, Disability and OSH Sections. MCH Section Councilor, 2015-2017, Co-Chair: Child Care Committee, 2012-2020, Co-Chair CYSHCN Committees. 2012-, Leadership Committee, 2012- , Student Mentor, 2022-

National Nurse Family Partnership Expansion Advisory Committee. 2020-

National Institute for Children's Health Quality (NICHQ) Early Childhood Comprehensive Systems Evaluation Working Group. 2020-2021

Social Science Extreme Events Research (SSEER) Network. 2020-

Florida Public Health Association (FPHA), Member 2012- , Student Mentor, 2022-

USF Urban Food Sovereignty Group Research Advisory Committee. 2022-

Temple Terrace Garden Club. 2019-

Florida PRAMS Steering Committee. Florida Department of Health. 2018-

Florida Institute for Child Welfare Research Affiliate. 2018-

Florida State Health Improvement Plan (SHIP). 2017-2021 Maternal & Child Health workgroup - CSHCN. 2016-18, 2022-2023

Division of Children's Medical Services, Early Steps Child & Family Outcomes Workgroup. 2020-2022

FDOH Disability and COVID-19 Community Working Group. 2020-2021

Florida Screening, Referral, and Tracking Workgroup. 2020-2021

Florida 2022 Title X Grant Application Needs Assessment Advisory Committee, 2020-2021

Florida Emergency Preparedness Association, Member. 2020-

MIECHV Expert Workgroup on Staff Recruitment and Retention, Education Development Center, HRSA, 2019-2020.

Florida Title V Needs Assessment, CYSHCN Advisory Committee, Florida Department of Health, 2019-2020

National Action Partnership to Promote Safe Sleep Improvement & Innovation Network (NAPPSS-IIN) Collaborative Member. 2017-2019

Project LAUNCH Screening and Intervention Workgroup, Member. 2016-2018

Safe and Sound Hillsborough, Data Committee, 2018-2019

Florida Children and Youth Cabinet: Technology Workgroup. 2018-2019

Supporting Child Development MIECHV Multisite Learning Collaborative, Faculty Advisor. 2017-2018

Home Visiting Applied Research Collaborative, Expert Delphi Panel. Johns Hopkins Bloomberg School of Public Health. 2016

Hillsborough Healthy Start Coalition Engagement, Intensity and Retention Workgroup. 2016

American Evaluation Association, Member. 2015-

Association of Teachers of Maternal and Child Health (ATMCH) Member. 2015-

Home Visiting Applied Research Collaborative (HARC), Member. 2014-

Children's Environmental Health Network, Eco-Healthy Child Care® National Advisory Committee. 2013-

Hillsborough County Parenting Resources Coalition, Co-Chair. 2010-

Temple Terrace Community Garden Planning Committee, Vice-President. 2012-2016, Board member 2012-

Florida Network of MCHB-funded Training Programs, Trainee/Member. 2013-

Chiles Elementary Parent Teacher Association, Vice-President. 2013-2014

USF MCH Leadership Training Program Community Engagement Committee. 2012- 2013

Florida Birth Defects Surveillance Stakeholder Group. 2012-2013

Hillsborough County Head Start/Early Head Start Disability Services Advisory Council 2012-2014, Family Services Advisory Council 2016-2018

Florida Perinatal Quality Collaborative, Member. 2012-2013

Eta Sigma Gamma, Health Education Honorary, Member. 2010-, President 2010-2011

Temple Terrace Elementary School Advisory Committee. 2010-2012

Temple Terrace Elementary Parent Teacher Association. 2010-2013

National Birth Defects Prevention Network, Member. 2009-

Hillsborough County Community Screening Initiative, Co-Chair. 2008-2012

Hillsborough Early Childhood System of Care Search Committee. 2009

Early Childhood Professional Development Leadership Team. 2009

Hillsborough County Technical Assistance Network, Member. 2008-2009

Florida Public Health Association, Member. 2005-

Hillsborough County Early Childhood Council, Member. 2002-

National Association for the Education of Young Children, Member. 2001-2010

Early Childhood Council Community Developmental Screening Program, Assessor/Screeener. 2002-2013

Denver Dumb Friends League, Volunteer - animal shelter, foster care/surgery ward. 2001-2002

University District Youth Center for homeless youth - Advisory Board. 1999

Jennifer Tess Marshall

Children's Hospital inpatient psychiatric unit. Tutor. 1998

B.F. Day Elementary. Tutor. 1998

Casa Guatemala Orphanage, Volunteer. Rio Dulce, Guatemala. 1991
