

JOHN N. GREENE, M.D., F.A.C.P.

CURRICULUM VITAE

Professor of Medicine
Department of Internal
Medicine
Division of Infectious Disease and International
Medicine University of South Florida Morsani
College of Medicine 12901 Bruce B. Downs
Blvd.
Tampa, Florida 33612-9497

Mailing Address:
Chief, Division of Infectious Diseases and Tropical
Medicine Moffitt Cancer Center
12902 Magnolia Drive,
FOB-3 Tampa, Florida
33612-9497
Office: (813) 745-8565
Fax: (813) 745-8468
E-Mail: john.greene@moffitt.org

EDUCATION AND POST-GRADUATE TRAINING:

Certified in Hospital Epidemiology, Society for Hospital Epidemiology of America, Centers
for Disease Control, and American Hospital Association, 1992

Fellow, Infectious Diseases and Tropical Medicine - University of South Florida College of
Medicine, Tampa, Florida, 1989-1991

Resident, Internal Medicine - University of South Florida College of Medicine, Tampa,
Florida, 1986-1989

M.D. - University of South Florida College of Medicine, Tampa, Florida, 1986

B.S. - College of William and Mary, Williamsburg, Virginia, Biology and Psychology, 1982

HOSPITAL POSITIONS:

Director, Epidemiology, University of South Florida College of Medicine, Tampa, Florida,
1997-present (Co-Director 2006-present)

Director, Employee Health, H. Lee Moffitt Cancer Center & Research Institute, Tampa, Florida, July 1991- present

Chief Epidemiologist, H. Lee Moffitt Cancer Center & Research Institute, Tampa, FL, July 1991-present

Chief, Infectious Diseases and Tropical Medicine, H. Lee Moffitt Cancer Center & Research Institute, Tampa, Florida, July 1991-present

ACADEMIC POSITIONS:

Joint Appointment, Department of Internal Medicine, University of South Florida Morsani College of Medicine, Tampa, Florida, and September 2000 – present

Member, Blood and Marrow Transplant Program Multidisciplinary Team, H. Lee Moffitt Cancer Center & Research Institute, Tampa, Florida, September 2000 – present

Member, Interdisciplinary Oncology Program (IOP), H. Lee Moffitt Cancer Center & Research Institute, Tampa, Florida, May 2000 – present

Professor of Medicine, Department of Internal Medicine, Division of Infectious Disease and International Medicine, University of South Florida Morsani College of Medicine, Tampa, Florida, January 2001 – present

Associate Professor of Medicine, Department of Internal Medicine, Division of Infectious and Tropical Diseases, University of South Florida College of Medicine, Tampa, Florida, July 1996–December 2000

Assistant Professor of Medicine, Department of Internal Medicine, Division of Infectious and Tropical Diseases, University of South Florida College of Medicine, Tampa, Florida, July 1991-June 1996

HOSPITAL AFFILIATIONS:

Kindred Hospital - Central Tampa, Florida, 1992-2014

Tampa General Hospital, Tampa, Florida, 1991-present

St. Joseph's Hospital, Tampa, Florida, 1991-1996

Shriners Hospital for Children, Tampa, Florida, 1991-present

James A. Haley Veterans Administration Hospital, Tampa, Florida, 1991-present

H. Lee Moffitt Cancer Center & Research Institute, Tampa, Florida, 1991-present (Hospital name change 2008 – Moffitt Cancer Center)

BOARD CERTIFICATION:

Diplomate, American Board of Internal Medicine, Sub-Specialty of Infectious Diseases, 1992, 2002 and recertification 2012

Diplomate, American Board of Internal Medicine, 1989

Diplomate, National Board of Medical Examiners, 1986

MEMBERSHIPS IN PROFESSIONAL AND SCIENTIFIC ORGANIZATIONS:

Member, National Comprehensive Cancer Network, 1999-present

American Society of Microbiology, 1998–present

Alpha Omega Alpha Gamma Chapter at The University of South Florida College of Medicine, Tampa, Florida, 1998-present

Emerging Infections Network of the Infectious Diseases Society of America, 1998–present

Member, Board of Directors, University of South Florida Dialysis Center, Tampa, Florida, 1997-1999

American Association for the Advancement of Science, 1996-present

Fellow, American College of Physicians, 1995-present

American International Health Alliance Epidemiology Task Force, 1994 (Traveled to Russia on request to assist the Russian Ministry of Health)

Physician Advisory Panel for the National Center for Advanced Medical Education, 1993-1997

H. Lee Moffitt Cancer Center & Research Institute Member-In-Residence, 1993-present

Society for Healthcare Epidemiology of America, 1992-present

Immunocompromised Host Society, 1992-1997

Southern Medical Association, 1990-1997

Infectious Disease Society of America, 1989-present

American Medical Association, 1986-1997

Hillsborough County Medical Association, 1986-1992

Florida Medical Association, 1986-1992
American Academy of Family Physicians, 1986-1988

American Medical Student Association, 1982-1986

TEACHING EXPERIENCE

COURSES TAUGHT AT UNIVERSITY OF SOUTH FLORIDA MORSANI COLLEGE OF MEDICINE:

- GMS 7930 Medical Parasitology & Mycology - Clinical Management of Fungal Infections – November 12, 2009
- GMS 6100 Medical Microbiology – G (-) cocci - Infectious Disease Correlation: The CSF specimen in the differential diagnosis of meningitis, October 20, 2009
- GMS 7930 Fall course for Medical Parasitology & Mycology – November 13, 2008
- BMS 6300 Fall course for Med II students - December 1, 2006-present
- BCC 8117 Interdisciplinary Oncology – (new clerkship)-April 2006-present
- MEL 7815 Honors Course in Surgery for Fourth Year Medical Students: Proper Use of Antibiotics and Surgical Infections/Disease-June 2003-present
- MEL 7815 Honors Course in Surgery for Fourth Year Medical Students: Infections in the Surgical Patient-June 2003 - present
- PCC 6110 Internal Medicine Clerkship, Attending 1995-present
- PCB 5235 Principles of Immunology - November 1994
- NGR 6096 Management of Infections in Immunosuppressed Patients 1997-present
- 6931 Cancer Symptom Management in Primary Care 1997-present
- MCB 3030 General Microbiology (Undergraduate class) 1994-1995 NGR
- MEL 8338 Honors Acting Intern in Medicine 1996-1997
- MEL 9910 Independent Study in Infectious Diseases 1991-present
- MEL 8362 Infections in Cancer and Bone Marrow Transplant Patients (Course Director) 1991-present

MEL 7310 Infectious Diseases and Tropical Medicine, 1991-present
MEL 7117 Clinical Microbiology and Infectious Diseases 1995
BSC 4910 Undergraduate Research 1996-present
BMS 6830 Physical Diagnosis 1990-1993
BMS 6810 Introduction to Clinical Medicine 1990-1993
BMS 6300/ Interdisciplinary Clinical/Pathologic Correlation session
6600 Medical Microbiology and Immunology (BMS 6300) and Pathology and
Laboratory Medicine (BMS 6600) 1996-present
BMS 6300 Medical Microbiology and Immunology, 1994-present

OTHER COURSES TAUGHT:

BMT orientation for new hires at Moffitt Cancer Center “Infections in the BMT patient” – every other month

Workshop: Case studies of Infections in Cancer Patients Diagnosis and Management co-presenter at American Society of Microbiology in Los Angeles, California, May 2000

Multidisciplinary Sepsis Conference for Third Year Medical Students, 1999-2003
Bone Marrow Transplant Workshops, H. Lee Moffitt Cancer Center & Research Institute 1997-present

Division of Medical Oncology/Hematology Noon Conference program, H. Lee Moffitt Cancer Center & Research Institute, 1996-present

Publication Club for Senior Honor Medical Students, 1995-1997
Infectious Disease Summer Research and Mentoring of Medical Students Year 1, 1994-present

Co-director of a national course on Colonization versus Infection sponsored by National Foundation of Infectious Diseases, Clearwater, Florida, 1995

Course director of a national conference on Infections in Cancer and BMT patients, St. Petersburg, Florida, 1995

Introduction to Infectious Diseases (Fellows) 1992-present

Sexually Transmitted Diseases Training Course, Hillsborough County Health Department 1989-1992 (once monthly), 1998

HONORS AND AWARDS:

Outstanding Pre-Clerkship Level Oral Presentation for Room B – USF Health Morsani College of Medicine – Office of Research, Innovation & Scholarly Endeavors for presentation, “*Outcomes of Vancomycin-Resistant vs Vancomycin-Sensitive Enterococcal Infections in Acute Myeloid Leukemia Patients, A Retrospective Cohort Study*” – November 7, 2016.

Internal Medicine Outstanding Resident Teaching Award – University of South Florida – Presented at H. Lee Moffitt Cancer Center and Research Institute – June 2, 2016.

American Heart Association 2016 Summer Medical Student Research Fellowship Award – For Proposal submitted to the 2016 SCP Summer Scholarly Award Experience.

2013 “Outstanding Teacher of the Year Award” – Presented by the American College of Physicians (ACP) Florida Annual Science Meeting October 4-6, 2013 – Sirata Beach Resort & Conference Center – St. Petersburg, FL

Nick Porter Award for “Spirit of Moffitt” as a member of SMART (antibiotic stewardship at Moffitt), Feb 2013

Selected by peers “*Best Doctors in America*® 2011-2012”

Nomination for University of South Florida College of Medicine Distinguished Physician Alumnus Award – 2011

Nomination for the USF College of Medicine Alumni Award – 2011

Who’s Who of Executives Professionals and Entrepreneurs 2010-2011

Selected by peers “*Best Doctors in America*® 2009-2010”

Biographical candidate representing industry in the *Who’s Who* Among Executives and Professionals “Honors Edition” – 2008-2009

Selected by peers “*Best Doctors in America*® 2007-2008”

USF Department of Internal Medicine Faculty Award for H. Lee Moffitt Resident Teaching Award, May 2006

Appointment to Adjunct Clinical Faculty as Preceptor in the Barry University Physician Assistant Program at Barry University, Miami Shores, Florida June 2005 – present

Department of Internal Medicine, Outstanding Teaching Award to Residents, University of South Florida College of Medicine, June 2005

Election to The Gold Humanism Honor Society in Recognition of Exemplary Service to Others February, 2005

The Leonard Tow 2003 Humanism in Medicine Award, In Recognition of Exemplary Compassion, Competence and Respect in the Delivery of Care, the Arnold P. Gold Foundation, April, 2003.

Osler Award (outstanding role model) presented by the graduating class, University of South Florida College of Medicine, Tampa, Florida, April, 1998

“Doctor of the Day”, Florida Senate, Tallahassee, Florida, April, 1998

Outstanding Alumni, Alpha Omega Alpha Gamma Chapter at The University of South Florida College of Medicine, Tampa, Florida, March, 1998

Physician of the Year, H. Lee Moffitt Cancer Center and Research Institute, Tampa, Florida, 1997

Citation, “The Best Doctors in America: Southeast Region”, 1996-present

Distinguished Teacher Award for continued support, friendship, and dedication to teaching, presented by the Class of 1996, University of South Florida College of Medicine, Tampa, Florida, April, 1996

Faculty Award for Extraordinary Devotion and Skill in Teaching Internal Medicine residents, Department of Internal Medicine, University of South Florida College of Medicine, Tampa, Florida, June, 1995

Moffitt Angel (patient's family request), 1994-present

Omicron Delta Kappa Honor Society, 1988

Outstanding Resident on Rotation, Department of Medicine, University of South Florida College of Medicine, Tampa, Florida, 1988

Neurology Award, University of South Florida College of Medicine, Tampa, Florida, 1986
Joe Turillo Memorial Scholarship for Athletic/Academic Excellence, University of South Florida College of Medicine, Tampa, Florida, 1983-1986

Team Captain, Game Four, College of William and Mary Football Team, Williamsburg, Virginia, 1981

Phi Sigma Biology Honor Society, 1979

Athletic Scholarship (football), College of William and Mary, Williamsburg, Virginia, 1978-1982

Research Support

GRANTS:

Principle Investigator

1. **Greene JN**, Devang, J, Mayer S.: The Changing Epidemiology of Candidemia in our Tertiary Care Facility - SRC Submission #20521 – June 2012
2. **Greene JN**, Jiang AZ.: Determining Characteristics of Leukemic Patients Colonized versus Infected with Vancomycin Resistant Enterococci in a Hospital Outbreak – MCC #17103 – June 2012
3. **Greene JN**, Jiang AZ.: VRE Infection Control – MCC # 17103 IRB Approval May 2012
4. **Greene JN**, Knab A.: Streptococcus Viridans Bacteremia Causing Complications, Including Adult Respiratory Distress Syndrome in Neutropenic Patients – MCC #16719 – IRB #MS1- 05053 – May, 2012
5. **Greene JN**, Nguyen D.: Comparing Human Rhinovirus Severity with Other Respiratory Pneumonia Viruses in Immunocompromised Bone Marrow Transplant Patients – MCC #17059 – IRB #09713 – April 2012
6. **Greene JN**, Olson D, Domingo, G.: E. Coli Bacteremia in Neutropenic Patients With Hematologic Malignancies With Bone Marrow Transplantation Versus Without Bone Marrow Transplantation,– MCC #17056 – IRB#07869, April 2012
7. **Greene JN**, Katzman A.: Necrotizing Pneumonia in Cancer Patients – MCC #17052 – SRC #20222 – March 2012
8. **Greene JN**, Fahmi Kerolos: A Chronic Cough with Lady Windermere Syndrome: Mycobacterium Avium Intracellulare Infections in women with chronic cough – August 2011
9. **Greene JN**, Mendoza D.: Baseline and bimonthly CT scan of the chest in neutropenic leukemia patients for early detection of mold pneumonia - April 2010
10. **Greene JN**, Farooq A.: Computed tomography chest patterns of 3 major fungal infections in neutropenic leukemia patients – April 2010

11. **Greene JN**, Jani N.: Daptomycin resistant Vancomycin-Resistant Enterococcus (VRE) infections in leukemia patients with prolonged neutropenia – April 2010
12. **Greene JN**: A Randomized Controlled Trial of Posaconazole (SCH 56592) vs. Standard Azole Therapy for the Prevention of Invasive Fungal Infections Among High Risks Neutropenic Patients, May 16, 2002-May 15, 2007, \$77,647
13. **Greene JN**, Gompf SG: PO1899 A randomized controlled trial of posaconazole (SCH 56592) vs. standard azole therapy for the prevention of invasive fungal infections among high-risk neutropenic patients, Schering Plough, 2005, \$73,800 (5%)
14. **Greene JN**, Gompf SG: 045-00 A Multicenter, open, Non-Comparative Study to Estimate the Safety, Tolerability, and Efficacy of Caspofungin acetate in the treatment of adults with invasive Candida Infections, Merck, 2005, \$14,400 (5%)
15. **Greene JN**: An Open Randomized Comparative Multicenter Study of the Efficacy, Safety, and Toleration of Voriconazole Versus Amphotericin B Followed by Other Licensed Antifungal Therapy in the Treatment of Acute Invasive Aspergillosis in Immunocompromised Patients, 2000 – present, \$81,763
16. **Greene JN**: A Multicenter, Double-Blind, Randomized, Comparative Study to evaluate the Safety, Tolerability, and Efficacy of MK-0991 vs. Amphotericin B in the Treatment of Invasive Candidiasis in Adults, Merck & Co., 2000, \$76,980
17. **Greene JN**: A Multicenter, Double-Blind, Randomized Comparative Study to Evaluate the Safety, Tolerability, and Efficacy of MK-0991 Versus (Amphotericin B) Liposome for Injection as Empirical Therapy in Patients with Persistent Fever and Neutropenia, 2000 – present, \$206,234
18. **Greene JN**: An Open Label, Non-Comparative Protocol for the Emergency Use of Voriconazole (UK 109,496) in Patients with Life-threatening, Invasive Mycosis who are Failing on Currently Available Antifungal Agents, 1999 – 2003 (no \$)
19. **Greene JN**: Use of Ambisome for Treatment of Invasive Fungal Infections in Patients Unresponsive or Intolerant to Conventional Amphotericin B, Fujisawa, 1998, \$ pending
20. **Greene JN**: A Multicenter, Open, Non comparative Study to Estimate the Safety, Tolerability, and Efficacy of MK-0991 in the Treatment of Invasive Aspergillus Infections in Adults who are Refractory to or Intolerant of Amphotericin B, Lipid Formulations of Amphotericin B, or Azoles, Merck & Co., 1998, \$ pending

21. **Greene JN:** An Open Randomized Comparative Multicenter Study of the Efficacy, Safety and Toleration of Voriconazole Versus Amphotericin B Followed by Other Licensed Antifungal Therapy in the Treatment of Acute Invasive Aspergillosis in Immunocompromised Patients, Pfizer, 1998, \$101,763
22. **Greene JN:** A Randomized, Open Label, Comparative, Multicenter Trial of Voriconazole vs. AmBisome for Empirical Antifungal Therapy in Immunocompromised Patients with Persistent Fever and Neutropenia, Pfizer, 1998, \$111,290
23. **Greene JN, Hiemenz JW:** ITR-INT-61: Multicenter Study of Itraconazole in the Treatment of Candidemia, Janssen Research Foundation, 1996, \$71,965
24. **Greene JN, Hiemenz JW:** Comparison of Amphocil™ with Amphotericin B for Systemic Fungal Infections, Liposome Technology, 1994-1997, \$150,000
25. **Greene JN, Hiemenz JW:** Itraconazole vs. Amphotericin B for Invasive Aspergillosis, Mycosis Study Group, 1994-1997, \$ pending
26. **Greene JN, Hiemenz JW:** Randomized, Placebo-Controlled Trial of E5 Antiendotoxin Monoclonal Antibody, PACT Inc., 1993-1997, \$27,500
27. **Greene JN, Hiemenz JW:** Amphocil in Patients with Renal Impairment Who Have a Systemic Fungal Infection, Liposome, 1992-1996, \$150,000
28. **Greene JN, Hiemenz JW:** Fluconazole in the Early Empirical Treatment of Suspected Fungal Infections, Pfizer, 1992-1996, \$143,520

Co-Investigator

1. Dzierzeski N, **Greene JN**, Martin S, - Determining Characteristics of Leukemic Patients Colonized versus Infected with Vancomycin Resistant Enterococci in a Hospital Outbreak – SRC #20413 – June 2012
2. Andrews A, Thomas D, **Greene JN**, Walsh F, Downes K, - Diagnostic Value of Bronchoalveolar Lavage in Leukemic and Bone Marrow Transplant Patients MCC #16792 – October 2011.
3. Perkins Janelle, Tate, Cheryl, Quilitz, Rod, Price, Samanth, **Greene JN** – Study – Incidence, Risk Factors, and Clinical Outcome of BK Viral Hemorrhagic Cystitis in Adult Patients Undergoing Allogenic Hematopoietic Stem Cell Transplant – Proposal 1-3-2011

4. Velez, Ana, **Greene, JN**: Study – Impact and Etiology of Onychomycosis and Periungueal Toe Infections in Neutropenic Patients – January 2011
5. Franck, Rachel, **Greene, JN**: Study – Evaluating the medical relevance of the yeast species *Yarrowia lipolytica*: a retrospective case series – January 2011
6. Arthur, A, Thomas, D, Downes, K, **Greene, JN**: Study – Antimicrobials and BAL yield in leukemic and HSCT patients – November 2010
7. Wollery, J, **Greene, JN**, Wetzstein, G.: Study – Review of vancomycin guidelines in oncology patients at H. Lee Moffitt Cancer Center and RI – June 2010
8. Anasetti C, Ayala E, Baz R, **Greene JN**, et.al: Study – Daptomycin Plus Cefepime for Intermediate-and High Risk Febrile Neutropenic Patients with Increased Risk of Gram-Positive Infections – April 2010
9. Anasetti C, Fernandez H, **Greene JN**, et. al : Study – Clinical impact of low versus standard intravenous acyclovir dosing for viral prophylaxis in stem cell transplantation recipients – April 2010
10. N, **Greene JN**, Trotti A.: Candida infection and treatment in patients receiving RT +/- chemotherapy – April 2010
11. Lomatire M, **Greene JN.**: Clinical impact of low versus standard intravenous acyclovir dosing – 2010
12. Riordan J, **Greene JN**: Genotypic diversity of ExPEC associated with febrile neutropenia – January 2010
13. Guerra L, **Greene JN**, Khan A.: Impact of Ethics Consultation on Overall Cost and Patient Outcomes in Stage IV Cancer Patients in an Academic Cancer Center – January 2010
14. Aya-ay M, Price M, Suber J, Motes G, Trifiro S, **Greene JN**, Smith P., Study: Outcomes of Implant Salvage in Periprosthetic Infection or Extrusion – January 2010
15. Wetzstein, G., **Greene, J.N.**, Fernandez, H., Perkins, J., Daptomycin versus Vancomycin and Cefepime Empiric Therapy for Febrile Neutropenia in Patients with acute hematologic malignancy or following allogeneic HSCT, August 2008

16. **Greene, JN**, Wetzstein, G. et.al: A Retrospective Analysis of Voriconazole versus Posaconazole as Prophylactic Therapy in MDS/AML Patients Receiving Induction Chemotherapy 2007 – ongoing
17. McFarland, L, Wetzstein, G, Chervenick, P, Djulbegovic, B, **Greene, JN**, Hussein, M, Lancet, JE, List, A, McDonald, Kathie, Pinilla, J, Quilitz, R, Ruge, D, Saba, H, Sandin, R, Sokol, L, Sotomayor, E, Velez, AP, Zuckerman, K: Epidemiologic Study of the Spectrum of Bloodstream Infections (BSI's) Over Eight-year Period in Acute Myelogenous Leukemia (AML) Patients Receiving Induction Chemotherapy, Moffitt Cancer Center, December 2007 – ongoing MCC 15396
18. Wetzstein, G, **Greene JN**: Retrospective review of Voriconazole vs Fluconazole for prophylaxes of mold infections with acute GVHD in allogenic HSCT, Pfizer, 2007, \$50,000
19. **Greene JN**, A Randomized Double-blind Trial of Fluconazole Versus Voriconazole for the Prevention of Invasive Fungal Infections in Allogeneic Blood and Marrow Transplant Patients, Clinical Trials Network 2005
20. Hiemenz JW, **Greene JN**: Historical Control Comparison of ABCD (Amphocil™) and Amphotericin B In Patients with Systemic Aspergillus Infection, Liposome, \$13,248, 1996
21. Hiemenz JW, **Greene JN**: Historical Control Study for Aspergillosis Patients, Liposome, \$18,000, 1996
22. Hiemenz JW, **Greene JN**: ABLC vs. Amphotericin B in the Treatment of Candidemia, Liposome, 1996
23. Hiemenz JW, **Greene JN**: Safety, Tolerance, and Pharmacokinetics of UK 109,496, Pfizer, 1996
24. Saba HI, Zuckerman KS, Chervenick PA, Balducci L, **Greene JN**: Antiretroviral Treatment in Patients with AIDS, 1995, University of Tennessee Foundation, \$3,360
25. Hiemenz JW, **Greene JN**: ABLC in Patients with Systemic Aspergillus Infection, Liposome, 1995, \$2,484

26. Hiemenz JW, **Greene JN**: A Randomized Trial of Fluconazole Versus Itraconazole for the Prevention of Fungal Infections in Allogenic Bone Marrow Transplant Patients Post Engraftment, A Five Center Protocol, Pfizer, 1995
27. Sandin RL, **Greene JN**: Comparison of Ofloxacin and Ciprofloxacin by KB and Vitek Methods, Ortho-McNeil, 1994, \$1,000
28. Hiemenz JW, **Greene JN**: Cefepime vs. Ceftazidime for Empiric Treatment of Febrile Episodes, Bristol-Myers Squibb, 1994, \$73,902
29. Hiemenz JW, **Greene JN**: Multicenter Study to Assess Penciclovir for the Treatment of Mucocutaneous Herpes Simples Infection in Immunocompromised Patients, Smith-Kline Beecham, 1994-1997, \$34,068
30. Hiemenz JW, **Greene JN**: ABLC in the Treatment of Definite or Probable Invasive Aspergillosis, Liposome, 1994-1997, \$50,943
31. Hiemenz JW, **Greene JN**: ABLCTM vs. Amphotericin B in the Empiric Treatment for Fungal Infection, Liposome, 1994-1997, \$226,415
32. Sandin RL, **Greene JN**: Comparison of Cefepime to Ceftazidime, Ceftriazone, Ciprofloxacin and Imipenem by E-Test Method, Bristol-Myers, 1993, \$1,250
33. Sandin RL, **Greene JN**: Drug Comparison Using Microscan MIC Method, Merck, Sharp and Dohme, 1993, \$1,000
34. Spiers ASD, **Greene JN**: Randomized Comparative Trial of Doxil vs. Adriamycin, Bleomycin, and Vincristine in the Treatment of Severe AIDS-Related Kaposi's Sarcoma, Adria, 1993
35. Spiers ASD, **Greene JN**: Open Trial of Doxil in the Treatment of AIDS-Related Kaposi's Sarcoma, Adria, 1993
36. Lyman G, **Greene JN**, Hiemenz JW: Safety and Efficacy of rhGM-CSF When Administered to Patients with Neutropenia and Fever, Leucomax, 1993-1994
37. Saba HI, Hvizdala E, Ledford DK, Nelson RP, **Greene JN**, Spiers ASD, Zuckerman K, Chervenick PA, Balducci L, Sanders LL, Griggs ST, Tannenbaum B: A Randomized, Double- Blind, Four-Arm Study Comparing Combination Nucleoside, Alternating Nucleoside, and Triple-Drug Therapy for the Treatment of Advanced HIV Disease in

Patients with a Prior History of Nucleoside Monotherapy, University of Tennessee Foundation, 1993-1996, \$14,400

38. Hiemenz JW, **Greene JN**: A Retrospective Review: The Role of IVIG in the Bone Marrow Transplant Patient, Bayer, 1993-1997
39. Hiemenz JW, **Greene JN**: Fever Study V: Randomized Placebo-Controlled Intravenous Ceftazidime vs. Oral Ciprofloxacin and Augmentin in Febrile Neutropenic Cancer Patients, Bayer, 1993-1997, \$41,000
40. Hiemenz JW, **Greene JN**: A Comparison of Amphocil and Ampho B in the Treatment of Invasive Aspergillosis, Liposome, 1993-1996, \$165,094
41. Sinnott JT, **Greene JN**: Centocor: HA-1A Efficacy in Septic Shock Trial (CHESSTrial), 1992-1995
42. Hiemenz JW, **Greene JN**: Open Label, Randomized Comparison of Two Dose Levels of Amphocil in Patients Who Have Failed Prior Therapy with Amphotericin B, Liposome, 1992-1997, \$141,500
43. Sandin RL, **Greene JN**: Comparison of Temafloxacin, Ciprofloxacin and Ofloxacin by KB Method, Abbott, 1992, \$1,000
44. Sandin RL, **Greene JN**: Comparison of Ceftazidime, Piperacillin, Timentin, Ceftazidime, Piperacillin, Timentin, Cefoperazone by MIC Method, Pfizer, 1992, \$1,000
45. Sandin RL, **Greene JN**, Hiemenz JW: Detection of Cytomegalovirus in Cancer Patients by the Polymerase Chain Reaction, 1992-1994
46. Hiemenz JW, **Greene JN**: ABLC in Patients with Progressive, Potentially Fatal Fungal Diseases, Liposome, 1992-1996
47. Toney J, **Greene JN**: Trental (Pentoxifylline) 1800 mg or 2400 mg Daily versus Placebo for the Prevention of the Nephrotoxicity Associated with Amphotericin B in Fungal Disease, Hoechst, 1992-1993
48. Sandin RL, **Greene JN**, Hiemenz JW: Detection of Cytomegalovirus in Cancer Patients by the Polymerase Chain Reaction, H. Lee Moffitt Cancer Center & Research Institute Grant, renewed 1992, 1993, 1994, total \$53,906

49. Sinnott JT, **Greene JN**: Anti-endotoxin Antibody in the Treatment of Patients with Suspected Gram-Negative Bacteremia and Endotoxemia, Pfizer, 1987-1991, \$20,000

Research Support

COMMITTEES:

H. Lee Moffitt Cancer Center & Research Institute, Tampa, Florida Hospital renamed in 2008 to “Moffitt Cancer Center”

Neutropenic Fever - Completion June 2013

Member of Moffitt Clinical Pathway Authors’ – Contributing to the completion of The Pathway

Chairman, Antimicrobial Stewardship Program, July 2012

Chairman, Infection Control and Epidemiology (ICE) Committee, August 2006-present

Chairman, Ethics Committee, 2001-present

Member, LCME Self Study Committee, USF COM, November 2005

Associate Chairman, Graduate Medical Education, October 2005-

Member, Medical Student Affairs Committee, USFCOM, 2005-2008

President, Medical Staff, 2002-2004

Member, Graduate Medical Education Committee, Moffitt Cancer Center, 2002-2005

Member, Clinical Leadership Council, Moffitt Cancer Center, 2002-present

Member, Campaign Cabinet Meeting, Moffitt Cancer Center, 2001-2004

Member, Medicine/BMT Quarterly Meeting, 2001-present

Chairman, IOP Education Committee, 2001-2004

Co-Chairman, Ethics Committee 2000-2001

Member, Environment of Care Committee, 2000-present

Infusion Partners, LLC, Clinical Advisory Committee, 2000

Vice President MCC Medical Staff, 2000-2002

Secretary/Treasurer, MCC Medical Staff, 1999

Chairman, Clinical Systems Implementation Steering Committee, 1997–1999

Chairman, Medical Staff Nominating Committee, 1996

Member, CQI Task Force, 1995-1996

Member, Nutritional Services Advisory Committee, 1993-1996

Member, Patient Education Committee, 1993-1996

Member, Leukemia and Lymphoma Center, 1992-1998

Member, Executive Committee of the Medical Staff, 1992-present

Member, Hospital Performance & Improvement Committee, 1992-present

Member, Special Care Committee, 1992-present

Chairman, HIV Task Force, 1991- 1999

Chairman, Infection Control Committee, 1991-present

Member, Pharmacy and Therapeutics Committee, 1991-present

James A. Haley Veterans Administration Hospital, Tampa, Florida

Member, Infectious Diseases Department – 1991-present

Member, Medical Staff Committee, 1991-present

Member, AIDS Review Committee, 1991

Member, Peer Review Committee, 1988-1989

University of South Florida College of Medicine, Tampa, Florida

Member, USFCOM Professional Student Affairs Committee, 2005-2007

Member, USFCOM Medical Student Scholarship Committee, 2003

Member, USF Steering Committee, 2001

Member, Clinical Affairs Group, 2001 Member, Vision/Values Work Group, 2001

Chairman, USFCOM Committee on Committees, 2000

Member, USF Physicians Group Nominating Committee for new at-large members, 2000

Chairman, USFCOM Curriculum Committee Group C (Medical School Year 2), 2000-2001

Member, USFCOM Bloodborne Pathogen Task Force, 2000-present

Member, USFCOM Strategic Planning Committee, 2000–2002

President, USFCOM Faculty Council, 2000-2001

Member, USFCOM Executive Council, 2000–2001

Vice President, USFCOM Faculty Council, 1999

Member, USF Physicians Group Performance and Improvement Committee, 1999-2008

Member, USF Medical Services Support Corporation Board of Directors, 1998-2001

Member, USF Physicians Group Board of Directors, 1998-2001

Member, USFCOM LCME Self-Study Committee on Medical Students, 1997-2008

Member, Scientific Review Committee, Department of Internal Medicine, 1994-1996

Member, Committee on Academic Status, 1994-1996

Alternate Member of Division Directors Monthly Meeting for Internal Medicine, 1992-2001

Director, USF City-Wide Infection Control and Hospital Epidemiology Committee, 1992-1999

Member, Center for HIV Education and Research, 1992-1996

Member, USFCOM Infectious Diseases Division, Department of Internal Medicine – 1991-present

Other

Member, Mycosis Study Group, University of Alabama at Birmingham, 2008

Member, National Comprehensive Cancer Network, Neutropenic Guidelines, 1999-

Member, Hillsborough County Medical Association Resident Development Committee, Tampa, Florida, 1989

INTERNATIONAL LECTURES, COMMITTEES AND ACTIVITIES:

Bolivia, March 2-9, 2019

Bolivia, March 3-10, 2018

Infectious Disease and Tropical Medicine Outreach to Underprivileged Bolivia (mentor ID fellows), March 6 – March 10, 2017

Infectious Disease and Tropical Medicine Outreach to Underprivileged Dominican Republic (mentor ID Fellows), February 27 – March 5, 2016

Infectious Disease and Tropical Medicine Outreach to Underprivileged Bolivia (mentor ID fellows), February 28 – March 7, 2015

Infectious Diseases and Tropical Medicine Outreach to Underprivileged Bolivia (mentor ID Fellows), March 1-8, 2014

Infectious Disease and Tropical Medicine Outreach to Underprivileged Bolivia (mentor ID fellows), March 3-12, 2013

Infectious Disease and Tropical Medicine Outreach to Underprivileged Dominican Republic (mentor ID fellows), March 4 – March 10, 2012

Infectious Disease and Tropical Medicine Outreach to Underprivileged Bolivia (mentor ID fellows), March 6 – March 12, 2011

Infectious Disease and Tropical Medicine Outreach to Underprivileged Bolivia (mentor ID fellows), March 27- April 3, 2010

Infectious Disease and Tropical Medicine Outreach to Underprivileged Bolivia (mentor ID fellows), April 11-17, 2009

Infectious Disease and Tropical Medicine Outreach to Underprivileged Bolivia (mentor ID fellows), April 7-13, 2008

Infectious Disease and Tropical Medicine Outreach to Underprivileged Dominican Republic (mentor ID fellows), April 2-9, 2007

Infectious Disease and Tropical Medicine Outreach to Underprivileged Ghana (mentor ID fellows), October 2-8, 2006

Infectious Tropical Disease Encountered in Medical Outreach Countries, Missionary Ventures International's Medical Missions Department, Orlando, Florida, January, 2003

AIDS and Cautions Concerning AIDS, Missionary Ventures International's Medical Missions

Department, Orlando, Florida, January, 2002

Infectious Tropical Disease Encountered in Medical Outreach Countries, Missionary Ventures International's Medical Missions Department, Orlando, Florida, January, 2002

HIV/AIDS Update (college, high school, junior high students), Ukraine, June 2001

HIV/AIDS Update (college, high school, junior high students), Guatemala, April, 2001

Tropical Medicine Outreach to Underprivileged in Benin, Africa (mentor ID fellow), June 2000.

“STD, AIDS and Sexual Purity” lectured teachers and students (college, high school, junior high) in Santo Domingo and other cities in Dominican Republic, March 2000

Tropical Medicine Outreach to Underprivileged Along Amazon River, Brazil, (mentor ID fellow), March, 1998

Therapeutic Choices in the Treatment of Invasive Fungal Infections. Joint Conference, Toronto, Canada, 1997

Hepatitis B and C, Tuberculosis Update, Tibetan Autonomous Region, Lhasa City, Tibet, April 1997

The history of Infectious Diseases, Holland America Cruise, Vancouver, B.C. to Alaska, August 1995

AIDS Update, Infections of the Skin and Soft Tissues and Surgical Infections, Medical and Surgical Update, CME, San Jose, Costa Rica, 1995

COMMUNITY SERVICE:

Radio Interview for article in the LA Times – American Family Radio and OneNewsNow with Bill Bumpas – “Reducing Infection Rates in Hospitals” August 24, 2011

Radio Interview - American Family Radio, New York with Ed Thomas – “HIV/AIDS exposure in U.S.” December 3, 2009

Live Radio Interview - Producer Bernie Bennett for Janet Parshall's America – Swine Flu – preparing parents for sending children back to school – what to look for – August 5, 2009

ABWE Medical Missions Interface, Harrisburg, PA, “Common Infections in Third World Countries and Tropical Medicine updates in Infectious Diseases” June 11-19, 2009

Newspaper Interview – St. Petersburg Times working with World Vision – Malaria – “Arresting a leading killer of young Children” – November 6, 2008

Endocrinology Noon Conference Presentation – James A. Haley, VA Medical Center, Tampa, FL and West Palm Beach VA Medical Center, November 4, 2008 – “Endocrine Infections”

Radio Interview - American Family Radio with Ed Thomas regarding CDC published article:

“More than 56,000 in U.S. infected with AIDS each year” August 5, 2008

Surgical Infections/Disease Lecture – 4th year Honors in Surgery Students, USF – Department of Surgery, Tampa FL, June 16, 2008

Second Annual Symposium on Cutaneous Lymphoma - Infectious Diseases in Patients with Lymphomas, With Focus on Cutaneous T Cell Lymphomas Presentation – Lake Buena Vista, FL, April 19, 2008

Endocrinology Noon Conference Presentation – James A. Haley, VA Medical Center, Tampa, FL and West Palm Beach VA Medical Center, February 5, 2008

Radio Broadcast for North Western Radio Station – May 31, 2007, “Investigation of U.S. Traveler with Extensively Drug Resistant Tuberculosis (XDR TB)”, general information about stronger strains of infections, and the status of the bird flu

Live Radio Broadcast for Moody Radio station in Chicago - May 30, 2007, “Investigation of U.S. Traveler with Extensively Drug Resistant Tuberculosis (XDR TB)”

Infectious Disease Interest Group (IDIG), Tampa General Hospital, FL, “Head and Neck Infections” (2) lectures, February 12 and 28, 2007

Geriatric Conference James A. Haley Veterans’ Hospital, Tampa, FL, “Multi-Drug Resistant Infections Including Clostridium Difficile”, January 5, 2007

ABWE Medical Missions Interface, Harrisburg, PA, “Common Infections and Their Prevention in Travelers and Missionaries”, June 17, 2006

Deacon, Idlewild Baptist Church, 2005-present

James A. Haley VA Hospital Geriatric Conference, Tampa, Florida, Topic: Resistant Organisms, October, 21, 2005

Blood and Marrow Transplant Workshop, Moffitt Cancer Center, Tampa Florida, Topic: Management of Infections in SCT, September 27, 2005

USF/Moffitt Grand Rounds, “Communicable Disease After World Wide Tropical Disasters”, February 1, 2005

Journalist Symposium “Aging in the 21st Century”, Moffitt Cancer Center and Research Institute: “Infections in the Elderly: Special Challenges”, March 29, 2005

Blood and Marrow Transplant Workshop, Moffitt Cancer Center, Tampa, Florida, Topic: Common Infections, November 2004

Board Review Course Lectures: University of South Florida, Department of Internal Medicine: “Fungal Disease in Normal and Immunosuppressed Hosts” and “Antifungal Therapy: Board Review and State of the Art”, October 29, 2004

Board Review Course Lecture: University of South Florida, Department of Internal Medicine: “Infection in Cancer Patients and Febrile Neutropenia Management”, September 24, 2004

USF/Moffitt Grand Rounds, “Global AIDS Crisis and Our Response”, September 24, 2004

ABWE Medical Missions Interface, Harrisburg, PA, “Common Infections and Their Prevention in Travelers and Missionaries”, July 17, 2004

ABWE Medical Missions Interface, Harrisburg, PA, “HIV/AIDS in Mission Hospitals: Treatment, Prevention, Treatment of Accidental Exposure”, July 17, 2004

Guest speaker, Clair-Mel Elementary Great American Teach-In, November 2003

ABWE Medical Missions Interface, Harrisburg, PA, “HIV/AIDS Overview”, July 17, 2004

Guest speaker, Clair-Mel Elementary Great American Teach-In, November 2003

Medical Careers, Sligh Middle School Health Magnet, Sixth Grade class, Tampa, Florida, August 20, 2003

Severe Acute Respiratory Syndrome (SARS). New Tampa Rotary Club, Tampa, Florida, May 16, 2003

Management of Infections in Immunosuppressed Patients. Nursing Concepts Course at the College of Nursing, Tampa, Florida, March 17, 2003

Surgical Infection and Antibiotic Resistance. USF Surgical Residents/Fellows, Tampa, Florida, February 20, 2003

Medical Mission trip to Haiti, Dominican Republic, Ghana, Africa, Bolivia, 2003-present

Guest speaker, Clair-Mel Elementary Great American Teach-In, November 2003

Bioterrorism, Museum of Science and Industry, high school students, Tampa, Florida, June 6, 2002

Member, Idlewild Baptist Church Missions Committee, Tampa, Florida, 1999-2002

Participant “Irene Maher’s Medical Team.” Bay Area health experts who appear in news segments periodically, Channel 8 - WFLA-TV, Tampa, Florida, 1998 – 2002

Tropical Medicine Outreach, Santo Antonia Do Ico, Amazons, Brazil, March, 1998

Guest speaker, Leto Comprehensive High School, Tampa, Florida, 1997

Guest speaker, "Syphilis, Syphilis Serology, and Syphilis Case Presentations." STD Part-Time Intensive Workshop for Florida HIV/ STD/ TB Prevention Training Center, 1997

Guest speaker, "Caring for People with Cancer." Great American Teach-In Tampa Bay, Hillsborough County School District, Tampa, Florida, 1996

Faculty Advisor, Christian Medical Student Society Members, University of South Florida Morsani College of Medicine, 1995 – present

Co-founder and Faculty Mentor, Christian Medical and Dental Society, University of South Florida Morsani College of Medicine, 1995 – present

Guest speaker, "Caring for People with Cancer." Great American Teach-In, Hillsborough County School District, Tampa, Florida, 1995

Medical Consultant, provided physical examinations and laboratory studies at H. Lee Moffitt Cancer Center & Research Institute for 11 athletes from Kiev, Ukraine, 1995

USF Representative, Sun Coast AIDS Network, State of Florida, Tampa, Florida, 1994-1995

Member, Temple Heights Baptist Church Finance Committee, Tampa, Florida, 1994 - 1996

Guest speaker, "Vancomycin Resistant Enterococcus." APIC Bay Area Chapter Annual Education Seminar, Tampa, Florida, 1994

Trustee, Temple Heights Baptist Church Corporate Council, Tampa, Florida, 1993 – 1996

Volunteer, Hillsborough County Public Schools, The Great American Teach-In, Tampa, Florida, 1993 - 2000

Guest speaker, "AIDS/HIV Update." West Central Florida Health Care Human Resources Association, H. Lee Moffitt Cancer Center & Research Institute's Board of Directors, Public Affairs Group of University of South Florida Health Sciences Center, Hillsborough County science teachers and Hillsborough High School science class, Tampa, Florida, 1993

Advisor and Volunteer, Construction for World-Wide Evangelism (CWE), Tampa, Florida, 1992 – present

HIV/AIDS Update to High School Students, Tampa, Florida, 1992-1997

Construction for Worldwide Evangelism - Church building construction in underdeveloped areas: St. Thomas, St. Lucia, Haiti, Antigua, Dominica, 1992-1996

Volunteer, University of South Florida/HRS HIV Clinic, Tampa, Florida, 1992 –1995

Guest speaker,"AIDS Research." Hillsborough County science teachers, Tampa, Florida, 1992

Hillsborough County Public Schools AIDS Education Committee, Tampa, Florida, 1991-1994

Volunteer, Judeo Christian Clinic, Tampa, Florida, 1986-2004

Volunteer, Physical Examinations for underprivileged school Athletes, University of South Florida College of Medicine, Tampa, Florida, 1986

MEMBERSHIPS IN PROFESSIONAL AND SCIENTIFIC ORGANIZATIONS:

Member, National Comprehensive Cancer Network, 1999-present

American Society of Microbiology, 1998–present

Alpha Omega Alpha Gamma Chapter at The University of South Florida College of Medicine, Tampa, Florida, 1998-present

Emerging Infections Network of the Infectious Diseases Society of America, 1998–present

Member, Board of Directors, University of South Florida Dialysis Center, Tampa, Florida, 1997-1999

American Association for the Advancement of Science, 1996-present

Fellow, American College of Physicians, 1995-present

American International Health Alliance Epidemiology Task Force, 1994 (Traveled to Russia on request to assist the Russian Ministry of Health)

Physician Advisory Panel for the National Center for Advanced Medical Education, 1993-1997

H. Lee Moffitt Cancer Center & Research Institute Member-In-Residence, 1993-present

Society for Healthcare Epidemiology of America, 1992-present

Immunocompromised Host Society, 1992-1997

Southern Medical Association, 1990-1997

Infectious Disease Society of America, 1989-present

American Medical Association, 1986-1997

Hillsborough County Medical Association, 1986-1992

Florida Medical Association, 1986-1992

American Academy of Family Physicians, 1986-1988

American Medical Student Association, 1982-1986

EDITORIAL POSITIONS:

Editorial Advisory Board, Medscape Infectious Disease, 1999 – 2002

Editorial Board, Abstracts in Hematology & Oncology, 1998 – 2009

Invited Editor, Infection Control and Hospital Epidemiology, 1998

Invited Editor, Infectious Diseases in Clinical Practice, 1997 – present

Associate Editor, Infections in Urology, 1996 – 2002

Invited Editor, Clinical Infectious Diseases, 1996 – 2002

Section Editor for Infectious Diseases, Hospital Practice, 1995 – 2002

Editorial Board, Infections in Medicine, 1995-2009

Associate Editor, Antimicrobials and Infectious Diseases Newsletter, 1994-2000

Reviewer, Southern Medical Journal, 1994-2002

Editorial Board, Cancer Control, 1994-present

Washington Convention Center – Washington, DC
3. Shylah M. Moore-Pardo, Johonna Asquith, Sadaf Aslam, Sally Alrabaa, **John N Greene** and Cynthia Mayer – Nocardia beijingensis: a novel isolate affecting immunocompromised patients in the United States – Abstract selected for Poster Presentation Presented ID Week 2019 – October 2-6, 2019 at the Walter E. Washington Convention Center – Washington, DC
4. Vidhya Sabapathy, Olga Klinkova, Joseph Balbona, **John N. Greene** – Infectious Complications in Adult Leukemic Patients with Prolonged Neutropenia Undergoing Induction Chemotherapy – Abstract #682354 – Selected for Poster Presentation Presented ID Week 2019 – October 2-6, 2019 at the Walter E. Washington Convention Center – Washington DC

5. Sanjay Chandrasekhar, **John N. Greene** – A Case Series of Elizabethkingia meningosepticum Bacteremia in the Cancer Population – Abstract selected for Poster Presentation Presented ID Week 2019 – October 2-6, 2019 at the Walter E. Washington Convention Center – Washington DC
6. Sadaf Aslam, James Denham, **John N. Greene** – Outcomes of Extended-Spectrum Beta-Lactamase-Producing Escherichia Coli Bloodstream Infection in Neutropenic Patients with hematological Malignancies – Abstract #679869 – Selected for Poster Presentation Presented ID Week 2019 – October 2-6, 2019 at the Walter E. Washington Convention Center – Washington DC
7. Ju Hee Katzman, Sadaf Aslam, **John Greene** – A Brain Lesion in a Cancer Patient – Abstract #678324 – Selected for Poster Presentation Presented ID Week 2019 – October 2-6, 2019 at the Walter E. Washington Convention Center – Washington DC
8. Ju Hee Katzman, Olga Klinkova, Winston Crowell, Christina Ombres, **John Greene** – A Rare Cause of Chronic Pneumonia – Abstract #676368 – Selected for Poster Presentation Presented ID Week 2019 – October 2-6, 2019 at the Walter E. Washington Convention Center – Washington DC
9. Nate Kraitman, **John Greene** – “A Red Face” final diagnosis Rosacea Granulomatous in an AML pt. – Abstract selected for Poster Presentation Presented ID Week 2019 – October 2-6, 2019 at the Walter E. Washington Convention Center – Washington DC
10. Vidhya Sabapathy, **John Greene** – Cerebral Aspergillosis: Where Prospective Diagnosis is Key – Abstract #682420 – Selected for Poster Presentation Presented ID Week 2019 – October 2-6, 2019 at the Walter E. Washington Convention Center – Washington DC
11. Vidhya Sabapathy, John Greene – Cerebral Aspergillosis: Aspergillus versicolor: A Case of Fatal Massive Hemoptysis – Abstract #680981 – Selected for Poster Presentation Presented ID Week 2019 – October 2-6, 2019 at the Walter E. Washington Convention Center – Washington DC
12. Rod Quilitz, Wonhee So, Yanina Pasikhova, Rebecca nelson, Kerry Kelly, Ana Velez, **John Greene**, Howard McLeod, and J. Kevin Hicks – Pharmacist-Driven Implantation of CYP2C19 Genotyping to Guide Voriconazole Prophylaxis in Neutropenic Cancer Patients – Poster Presentation Presented American College of Clinical Pharmacy (ACCP) meeting – October, 2018.

13. Wonhee So, James Shurko, Ralph Galega, Rod Quilitz, **John Greene**, and Grace Lee – Mechanisms of a High-Level Ceftolozane/Tazobactam (CT) Resistance Against *Pseudomonas Aeruginosa* (PSA) and Synergy Between CT and Tobramycin (TOB) – Presented ID Week 2018.
14. Shylah Moore-Pardo, Johonna Asquith, Louise Gutierrez, **John Greene**, Sally Alrabaa, Cynthia Mayer, and Sadaf Aslam – *Nocardia Beijingensis* Infections in Immunocompromised Patients: A Case Series – Presented ID Week 2018.
15. Yanina Pasikhova, Rod Quilitz, **John Greene**, and Aliyah Baluch – 5 Year Outcomes of Antimicrobial Stewardship at a NCI-Designated Cancer Hospital, Poster at ASM Microbe, Atlanta, GA, June 2018.
16. J. Kevin Hicks, Kevin Shahbazian, Rod E. Quilitz, Rami S. Komrokji, Timothy E. Kubal, Jeffrey E. Lancet, Yanina Pasikhova, Dahui Qin, Wonhee So, Ana P. Velez, Howard L. McLeod, **John N. Greene** – CYP2C19-Guided Voriconazole Prophylaxis in Neutropenic AML Patients – Abstract 6594 Presented ID Week 2017.
17. Anteneh Addisu, Noah Hackney, Somya Nanjappa, Asima Cheema, **John Greene** – Risk Factors and Outcomes of Vancomycin-Resistant vs. Vancomycin-Sensitive Enterococcal Blood Stream Infections in Patients with Acute Myeloid Leukemia – Abstract #62927 Presented ID Week 2017.
18. Kristy Shaeer, Anteneh Addisu, Sowmya Nanjappa, **John Greene** – Epidemiologic Evaluation of *Rothia* Bacteremia – A Single Cancer Center Three Year Experience – Abstract #64715 Presented ID Week 2017.
19. Wonhee So, Shuchi Pandya, Rod Quilitz, **John Greene** – Infectious Risks and Complications in Adult Acute Lymphoblastic Leukemia (ALL) Patients Receiving Blinatumomab – Abstract 65385 Presented ID Week 2017.
20. Anteneh Addisu, Muhammad Chughtai, Louise Gutierrez, **John Greene** – Nontuberculous Mycobacteria Isolates at a Cancer Center: A 5 Year Experience at H. Lee Moffitt Cancer Center in Tampa, FL – Abstract 65919 Presented ID Week 2017.
21. Louise Gutierrez, Shuchi Pandya, Reicelle Garcia, Beata Casanas, **John Greene** – Reactivation and Dissemination of Tuberculosis to Extra Pulmonary Sites in Hematologic Malignancy and Transplant Patients – Abstract #66537 Presented ID Week 2017.

22. Vinodh Chandra, Sowmya Nanjappa, Manuel Castro, **John Greene** – Non-Pathogenic Neisseria Infections in Patients with Cancer and Review of the Literature – Abstract #63231 Presented ID Week 2017.
23. Pandya Shuchi, Muhammad Chughtai, Garabet Akoghlanian, Michael Grabau, Brian Atkinson, Sadaf Asiam, Sowmya Nanjappa, **John Greene** – Medical Versus Surgical Management of Appendicitis in Patients with Prolonged Neutropenia – Abstract 66698 Presented ID Week 2017.
24. Pandya Shuchi, Muhammad Chughtai, Raj Patel, Garabet Akoghlanian, Sadaf Asiam, Sowmya Nanjappa, **John Greene** – A Case of Refractory Pulmonary Coccidioidomycosis Successfully Treated with Posaconazole – Abstract #66784 Presented ID Week 2017.
25. Sajiv Sethi, Fabiola Dechoudens, Sowmya Nanjappa, **John Greene** – An Atypical Manifestation of Herpes Esophagitis in an Immunocompetent Patient: Case Report and Literature Review – Abstract #12085 Presented at The Society of Hospital Medicine (SHM) Scientific Abstracts, 2017.
26. Mauricio Valenzuela, David Bromberg, Sowmya Nanjappa, **John Greene** – Urogenital Schistosomiasis Causing Brain Lesion – Abstract #11660 Presented at The Society of Hospital Medicine (SHM) Scientific Abstracts, 2017.
27. Ju Hee Kim, Luke Yrastorza, Maryam Tahmasbi, Masoumeh Tahmasbi, Sowmya Nanjappa, **John Greene** – Cutaneous Metastatic Crohns Disease: A Rare Diagnosis and Treatment Challenge – Abstract #11461 Presented at The Society of Hospital Medicine (SHM) Scientific Abstracts, 2017.
28. Sowmya Nanjappa, Nikhil Bhatia, Manuel Castro-Borobio, **John Greene** – Necrotizing Fascitis Presenting with Septic Shock – Abstract #10867 Presented at The Society of Hospital Medicine (SHM) Scientific Abstracts, 2017.
29. S. Pandya, S. Sethi, **John Greene**, Sowmya Nanjappa – An Immunocompetent Male Patient with Dysphagia and Odynophagia – Presented ID Week 2016. *Was chosen one of the top 14 cases for presentation*.
30. M. Castro-Borobino, Sowmya Nanjappa, **John Greene** – Infections Caused by Live Vaccines in Cancer Resarch – Presented ID Week 2016.

31. Sowmya Nanjappa, **John Greene** – A Dangerous Engima Rarely Seen Purpura Fulminans with Acral Gangrene from Paraneoplastic Syndrome Versus Post Chemotherapy for Sarcomatoid Mesothelioma – Abstract 8859 Presented at Society of Hospital Medicine Annual Meeting, March 6-9, 2016 at San Diego, CA.
32. Sowmya Nanjappa, **John Greene** – Vancomycin Extravasation Mimicking Bullous Cillulitis – Abstract #8059 Presented at Society of Hospital Medicine Annual Meeting, March 6-9, 2016 at San Diego, CA.
33. Minh Ho, Sowmya Nanjappa, Chandrashekar Bohra, Ganesh Gajanan, **John Greene** – Histoplasmosis – A Review in a Teaching Hospital Over Four Years – Abstract #50613 Presented May 13, 2015 for ID Week 2015.
34. Flor Sanchez-Vargas, Andres Gavina-Lopez, Joseph Paruolo, Minh Ho, Kelly Kynaston, **John Greene**, Ana Velez – Breast Wound Infections with Rapidly Growing Mycobacteria Following Cancer Surgery – Abstract #51466 Presented October 8, 2015 for ID Week 2015.
35. Flor Sanchez-Vargas, **John Greene** – Achromobacter Xylosoxidans Bacteremia in Patients with Cancer – Abstract #50937 Presented October 9, 2015 for ID Week 2015.
36. Kelly Kynaston, Spencer Moreland, Devang Jani, Rod Quilitz, Stephanie Carraway, Ramon Sandin, **John Greene** – Candidemia in Cancer Patients: A Retrospective Analysis: 2001-2014 – Abstract #51627 Presented October 8, 2015 for ID Week 2015.
37. Mindy Sampson, Ganesh Gajanan, Chandrashekar Bohra, **John Greene** – Gum Infections From Resistant Gram Negative Rods in Prolonged Neutropenia – Abstract #53647 Presented May 27, 2015 for ID Week 2015.
38. Kaley Tash, Vivek Singh, Ganesh Gajanan, Chandrashekar Bohra, **John Greene** – Spontaneous Non-Clostridial Gas Forming Soft Tissue Infections in Cancer Patients: A Case Series – Abstract #53361 Presented May 27, 2015 for ID Week 2015.
39. Joseph Paruolo, Abraham Yacoub, Flor Sanchez-Vargas, Sara Khwaja, Kelly Kynaston, Taiwo Talabi, Minh Ho, **John Greene** – Polymerase Chain Reaction Testing Improves Mycoplasma Pneumoniae Diagnosis in Adult Cancer Patients: A Case Series – Abstract #51409 Presented May 22, 2015 for ID Week 2015.
40. Ileana Acevedo, Abraham Yacoub, **John Greene** – Pneumococcal Bacteremia in Cancer Patients: A Case Series – Abstract #47917 submitted as a Poster Presentation for Florida Infectious Diseases Society Conference – June 6-7, 2015 – Sarasota, FL

41. Flor Sanchez-Vargas, Andres Gaviria-Lopez, Joseph Paruolo, Minh Ho, Kelly Kynaston, **John Greene** – Breast Wound Infections with Rapidly Growing Mycobacteria Following Cancer Surgery – Abstract #51466 Presented May 23, 2015 for ID Week 2015.
42. Kelly Kynaston, Spencer Moreland, Devang Jani, Rod Quilitz, Stephanie Carraway, Ramon Sandin, **John Greene** – Candidemia in Cancer Patients: A Retrospective Analysis; 2001-2014 – Abstract #51627 Presented May 25, 2015 for ID Week 2015.
43. Joseph Paruolo, Vivek Singh, Sowmya Nanjappa, Smitha Pabbathi, Minh Ho, Kelly Kynaston, Flor Sanchez-Vargas, **John Greene** – Haemophilus Bacteremia in Cancer Patients: A Case Series with Review of Literature, 1990-2015 – Abstract #52560 Presented May 26, 2015 for ID Week 2015.
44. Flor Sanchez-Vargas, Minh Ho, Joseph Paruolo, Kelly Kynaston, Ana Velez, **John Greene** – Achromobacter Xylosoxidans Bacteremia in Patients with Cancer – Abstract #50937 Presented May 19, 2015 for ID Week 2015.
45. Minh Ho, Sowmya Nanjappa, Ganesh Gajanan, Chandrashekar Bohra, **John Greene** – Candidemia: Epidemiology, Risk Factors and Outcomes at a Tertiary Care Academic Hospital – Abstract #50654 Presented May 14, 2015 for ID Week 2015.
46. Minh Ho, Sowmya Nanjappa, Chandrashekar Bohra, Ganesh Gajanan, **John Greene** – Histoplasmosis: A Review in a Teaching Hospital Over Four Years – Abstract #50613 Presented May 13, 2015 for ID Week 2015.
47. Neil Mason, Gillian Bell, Rod Quilitz, **John Greene**, Howard McLeod – Budget Impact Analysis of CYP2C19 Genotyping to Guide Voriconazole Prophylaxis in Acute Myeloid Leukemia (AML) – Abstract #17777 presented and published to ASCO March 2015. Published online 2015 Aug 1. doi: 10.1093/jac/dkv224. PMID: 26233624
48. Kiran Soni, **John Greene** – Primary Cutaneous Fungal Infections in Oncology Patients – Abstract presented to USF Research Day 2014
49. Andrew Kuykendall, Frank Kaszuba, Jennifer Cultrera, **John Greene**, Carla Moodie, Joseph Garrett, Eric Toloza – Need for Close Follow-Up and Re-Biopsy when Lymphadenopathy is Not Behaving as Predicted by Infectious Diagnosis: A Case Report – Abstract presented to the Chest October 1014 meeting

50. Ana Velez, **John Greene**, Narach Tienchai, Cara Sullivan – Malignancy Trends in HIV-Infected Patients Over the Last Decade – Abstract 44407 submitted for ID Week 2014 – October 8-12, 2014
51. Colleen Maguire, **John Greene**, Amy Alman – Analysis of VRE Outbreak at H. Lee Moffitt Cancer Center – Abstract presented at USFCOM Annual Research Symposium 2014
52. Lily Jones, Jane Mai, Tajul Prodhon, **John Greene** – When Fungemia is Not Candidemia: A Fifteen Year Experience at a Referral Cancer Center – Abstract 45204 submitted for ID Week 2014 – October 8-12, 2014
53. Lysenia Mojica, Lily Jones, Abraham Yacoub, Tyler Janz, **John Greene** – A Fishmonger’s Tale Abstract #45320 submitted for ID Week 2014 - October 8-12, 2014
54. Jane Mai, Abraham Yacoub, Kiran Soni, Lysenia Mojica, Ramon Sandin, Jamie Morano, Aliyah Baluch, **John Greene** – Primary Cutaneous Mold Infections in Hematologic Malignancy with a Review of the Literature – Abstract #47045 submitted for ID Week 2014 - October 8-12, 2014
55. Ileana Acevedo, Joseph Halliday, Jayasree Krishanan, **John Greene** – Nutritionally Variant Streptococci Bacteremia in Cancer Patients: A Relatively Benign Occurrence – Abstract submitted for the Annual IDSA 2014
56. Nancy Rihana, Suganya Manivannan, Sara Khwaja, Asima Cheema, Robin Russo, **John Greene**, Ana Velez, Ramon Sandin – Marijuana Threat in Leukemia Patients – Abstract #47180 submitted for ID Week - October 8-12, 2014
57. Ileana Acevedo, Abraham Yacoub, **John Greene** – Pneumococcal Bacteremia in Cancer Patients: A Case Series – Abstract #47917 submitted for ID Week 2014 - October 8-12, 2014
58. Yanina Pasikhova, Daniel Olson, Mitsuya Katayama, Gelenis Domino, Marcie Tomblyn, **John Greene** – Escherichia Coli Bacteremia in Neutropenic Patients with Hematological Malignancies Abstract submitted to ICAAC 2013.
59. Andrea Knab, **John Greene** – Viridans Group Streptococci (VGS) Bacteremia in Neutropenic Patients Causing Adult Respiratory Distress Syndrome (ARDS) – Abstract submitted for USF Research Day 2013

60. Allison DeRespino, Chike Chizea, Dhanashree Kelkar, **John Greene** – Extra-Colonic Clostridium Difficile Infection Associated with Methotrexate Use: A Case Report – Abstract submitted for USF Research Day 2013 and Moffitt Scientific Symposium May, 2013
61. **John Greene**, Amy Ziqing Jiang – VRE Infection in Heme Malignancy Patients – Abstract submitted for USF Research Day 2013
62. Asima Cheema, Anna Beltrame, Yanina Pasikhoma, Kerolos Fahmi, Maria Isabel, Rod Quilitz, **John Greene** – Pulmonary Infections with Mycobacterium Avium Intracellulare in Women with Confirmed or Suspected Malignancy – Abstract presented at ACP FL Chapter meeting – March 2, 2013 in Orlando, FL
63. Dat Nguyen, **John Greene** – Rhinovirus in Bone Marrow Transplant Patients – Abstract presented for USF Research Day 2013
64. J. Halliday, Y. Pasikhova, A.M. Katayama, Abraham Yacoub, A. Katzman, **John Greene** – Necrotizing Pneumonia in Cancer Patients – Abstract #40207 presented to ICAAC 2013, Moffitt Scientific Symposium May, 2013, and ID Week 2013 Advancing Science, Improving Care
65. Lily Jones, Abraham Yacoub, Domenico Coppola, Kevin Smith, Ramon Sandin and **John Greene** – Nitazoxanide Treatment of Intestinal Cryptosporidiosis Following Hematopoietic Stem Cell Transplantation – Abstract #40084 submitted for ID Week 2013 Advancing Science, Improving Care
66. Mitsuya Katayama, Joseph Halliday, Dat Nguyen and **John Greene** – Rhinovirus Infection among Patients with Hematologic Malignancy – Abstract #40777 submitted for ID Week 2013 Advancing Science, Improving Care
67. Mitsuya Katayama, Joseph Halliday, Daniel Olson, Gelenis Domingo, Marcie Tomblyn and **John Greene** – Escherichia Coli Bacteremia in Neutropenic Patients with Underlying Hematologic Malignancy – Abstract #40685 submitted for ID Week 2013 Advancing Science, Improving Care
68. Ryan Jacson, Viengsouk Phommachanh, Jarrod Keeler, William Pechter, **Greene JN**, Tapan Padhya, Mark Tabor – Rhinosinusitis in the Immunocompromised Cancer Population – Abstract submitted to Otolaryngology Head and Neck Surgery – August 2012, Vol. 147, No. 2 Suppl

69. Rosas L, **Greene JN** – Non-gastrointestinal aeromonas Hydrophilia Infections in Cancer Patients Abstract #31028 submitted for the 49th Annual IDSA meeting – October 20-23, 2011, Boston Exhibition and Convention Center – Boston, Massachusetts – May 2011
70. Rosas L, **Greene JN** – Baseline and Bimonthly HRCT Imaging in the Early Detection and Treatment of Nodular Pneumonia in Leukemic Patients with Prolonged Neutropenia – Abstract#30295 submitted for the 49th Annual IDSA meeting – October 20-23, 2011, Boston Exhibition and Convention Center – Boston, Massachusetts – May 2011
71. Anand Parekh, Ileana Acevedo, **John Greene** – Rapidly Growing Mycobacterium Infections in Cancer Patients: A Case Series – Abstract #37322 – ID Week 2012 San Diego, CA – October 17-21-2012
72. Walsh N, **Greene JN**, Lee MC – Tuberculosis Adenopathy Masquerading as Locally-Advanced Breast Cancer: a case report – Abstract submitted to the 16th Annual Multidisciplinary Symposium on Breast Cancer- Ritz Carlton, Amelia Island – February 10-13-2011
73. Rao, **Greene**, Kish, Deconti, Tan, Stats, Trotti – Abstract for MASCC – “Candidiasis Prevention with Fluconazole (FCZ) in H&N Radiotherapy: A comparison of twice a week suppression versus an observation-intervention policy – 2/15/2010
74. Quilitz R., **Greene JN**, Velez A, Wetzstein G, - ACCP Abstract- “Acute Renal Failure Associated with Combination of Piperacillin and Vancomycin” – Abstract #19996 – 2010 Spring Practice and Research Forum (April 23-27) 11/20/2009
75. Andrews, A, Thomas D, Yuan C, **Greene JN**, Solomon D, Walsh F, Schwartz S, - Diagnostic Value of BAL in Leukemic and Bone Marrow Transplant Patients: The Impact of Antimicrobial Therapy – CHEST 2011 National Meeting – October 2011
76. Rosas L, **Greene JN**, Non-gastrointestinal Aeromonas Hydrophilia Infections in Cancer Patients - abstract # 31028 - Infectious Diseases Society of America (IDSA) 49th Annual Meeting - Presented October 20-23, 2011, Boston Exhibition and Convention Center – Boston Massachusetts
77. Rosas L, **Greene JN**, Baseline and Bimonthly HRCT Imaging In The Early Detection And Treatment Of Nodular Pneumonia In Leukemic Patients With Prolonged Neutropenia – Abstract #30295 - Infectious Diseases Society of America (IDSA) 49th Annual Meeting – Presented October 20-23, 2011, Boston Exhibition and Convention Center – Boston Massachusetts

78. Maroun E, **Greene JN**, Computed Tomography Comparison of 3 Invasive Pulmonary Mold Infections In Neutropenic Patients: Aspergillus, Fusarium and Mucor - Abstract #30296 - Infectious Diseases Society of America (IDSA) 49th Annual Meeting - Presented October 20-23, 2011, Boston Exhibition and Convention Center – Boston Massachusetts
79. Nasr G, **Greene JN**, Bordetella bronchiseptica Pneumonia in Three Cancer Patients – Abstract #30571 - Infectious Diseases Society of America (IDSA) 49th Annual Meeting - Presented October 20-23, 2011, Boston Exhibition and Convention Center – Boston Massachusetts
80. Nasr G, **Greene JN**, Fusarium Endophthalmitis in Three Patients with Hematological Malignancies, and a Brief Review - Abstract #31760 - Infectious Diseases Society of America (IDSA) 49th Annual Meeting - Presented October 20-23, 2011, Boston Exhibition and Convention Center – Boston Massachusetts
81. Nasr G, Canchi D, Large J, **Greene JN**, Martin S, - Hospital based VRE Screening for Patients with Hematological Malignancies: A Cost-Benefit Analysis - Abstract #32362 - Infectious Diseases Society of America (IDSA) 49th Annual Meeting - Presented October 20-23, 2011, Boston Exhibition and Convention Center – Boston Massachusetts
82. Rebecca L. Tombleson, Deepti Canchi, **John N. Greene**, - Abstract Single Agent versus Multiple Agent Antifungal Therapy in Fusarium Infection: Ten Year Experience in a Neutropenic Patient Population – University of South Florida Health Research Day 2011
83. INVITED PRESENTATIONS:

1. Guest Speaker – Moffitt Cancer Center Grand Rounds – August 14, 2020 – COVID19 Infection in Cancer Patients and Health Care Workers
2. Guest Speaker – University of South Florida Northside Combined ID Conference – June 17, 2020 – Tropical Infections
3. Guest Speaker – BMT Grand Rounds – March 31, 2020 – "Update on COVID-19"

4. Guest Speaker – University of South Florida Northside Combined ID Conference – March 13, 2020 – COVID19 in Cancer Patients
5. Guest Speaker – University of South Florida Northside Combined ID Conference – February 5, 2020 – ID Skin Rashes
6. Guest Speaker – BMT Grand Rounds – December 3, 2019 – “Pathology and laboratory Findings of Infections in BMT Patients”
7. Guest Speaker – Department of Neurology, USF College of Medicine– August 29, 2019 –
8. Guest Speaker – University of South Florida Northside Combined ID Conference – August 7, 2019 – GI Infections
9. Guest Speaker – University of South Florida Northside Combined ID Conference – July 17, 2019 – CNS Infections
10. Guest Speaker – University of South Florida Northside Combined ID Conference – May 1, 2019 – How to Use Antibiotics
11. Guest Speaker – University of South Florida Northside Combined ID Conference – April 29, 2019 – CNS Infections
12. Guest Speaker – University of South Florida Northside Combined ID Conference – February 12, 2019 – ID Skin Rash
13. Guest Speaker – USF PAMSA – January 28, 2019
14. BMT Grand Rounds - Moffitt Cancer Center “” – December 11, 2018
15. Guest Speaker – University of South Florida Northside Combined ID Conference – October 3, 2018 – Dermatologic Infections and ID Related Rashes
16. Guest Speaker – Moffitt Cancer Center – Anatomic Pathology Grand Rounds: Updates in Multidisciplinary Oncology – September 5, 2018.
17. Guest Speaker – University of South Florida Northside Combined ID Conference – July 18, 2018 Pneumonia Patterns
18. Guest Speaker – University of South Florida Northside Combined ID Conference – June 20, 2018 – Arthropod-borne Infections
19. Guest Speaker – BMT Grand Rounds – May 22, 2018 – Skin Rashes and Infections in BMT Patients

20. Guest Speaker – University of South Florida Northside Combined ID Conference – May 2, 2018
21. Infections in Cancer Patients
22. Guest Speaker – University of South Florida Northside Combined ID Conference – February 21, 2018 – Parasites
23. Guest Speaker – BMT Grand Rounds – January 9, 2018 –
24. Guest Speaker – University of South Florida Northside Combined ID Conference – December 20, 2017 – GI Infections
25. Guest Speaker – University of South Florida Northside Combined ID Conference – October 4, 2017 – How to Use Antibiotics
26. Guest Speaker – University of South Florida Northside Combined ID Conference – July 19, 2017 Pneumonia
27. Guest Speaker – University of South Florida Northside Combined ID Conference – March 30, 2016 – Dermatology and ID
28. Guest Speaker – University of South Florida Northside Combined ID Conference – January 6, 2016 – Pneumonia Patterns
29. Guest Speaker – University of South Florida Northside Combined ID Conference – November 11, 2015 – CNS Infections
30. Guest Speaker – University of South Florida Northside Combined ID Conference – October 7, 2015 – Pneumonia Patterns
31. Guest Speaker – University of South Florida Northside Combined ID Conference – July 15, 2015-Head and Neck Infections
32. Guest Speaker – University of South Florida Northside Combined ID Conference – April 8, 2015-GI Infections 181
33. Guest Speaker – University of South Florida Northside Combined ID Conference – January 21, 2015 – ENT Infections
34. Guest Speaker – University of South Florida Pre-Med American Medical Students - January 15, 2014
35. Guest Speaker – Moffitt Cancer Center “Lymphomas and Viruses” – December 5, 2013

36. NCCN Panel “Prevention and Treatment of Cancer-Related Infections” – Conference Call – October 16-2013
37. BMT Fellow Lecture –“ Infections in BMT Patients” – Moffitt Cancer Center – September 9, 2013
38. Occupational Medicine Class – James A. Haley Veterans Hospital – September 4, 2013
39. Intro Lecture Series – GI infections, Infections in Cancer patients and pneumonia – Tampa General Hospital, Tampa July 8, 2013
40. BMT Grand Rounds – Moffitt Cancer Center – “Pulmonary Complications of HSCT” – May 21, 2013
41. Junior High Elective Module – Land O’ Lakes, FL “Medical ID and Micro Ethical Issues” January 25, 2013
42. Geriatric Grand Rounds – James A. Haley Veterans’ Hospital, Tampa, FL – Jointly Sponsored by West Palm Beach VA Medical Center – January 7, 2013
43. Florida Infectious Diseases Symposium – “Emerging Infections in Cancer and Neutropenia” – Orlando, FL – June 9, 2012
44. Dermatology Resident lecture – “Rashes in Cancer Patients” – Moffitt Cancer Center – March 29, 2012
45. Presentation “Problems with Joint Infections at Hospitals” – St. Joseph’s Hospital, Tampa, FL, February 22, 2012
46. Signature Interdisciplinary Program in Allergy, Immunology, & Infectious Disease (SIPAID) – Seminar Series – “The Dynamics of a VREF Outbreak in a Population of Leukemia Patients.” – University of South Florida College of Medicine, MDA 1096, October 27, 2011

48. BMT Grand Rounds – Moffitt Cancer Center “Ethical Issues in the HSCT Patient” – October 4, 2011
49. BMT Grand Rounds – Moffitt Cancer Center “Emerging Infections Following HSCT” – August 30, 2011
50. Affiliate Grand Rounds for Tallahassee, FL – Web/Ex – “Infections in Cancer Patients” – May 16, 2011

51. Affiliate Grand Rounds for Parrish Medical Center, Titusville, FL – Web/Ex – “Infections in Cancer Patients” – April 8, 2011
52. The Florida House of Representatives Appropriation Committee – Higher Education Appropriations Subcommittee – Tallahassee, FL – February 16-2011
53. BMT Grand Rounds – Moffitt Cancer Center “Infections Related to Immunomodulation Therapy Following HSCT” – February 15, 2011
54. Rheumatology Conference – James A. Haley Veterans’ Hospital, Tampa, FL - Jointly Sponsored by West Palm Beach VA Medical Center – “Anti-TNF and Infections” – February 10, 2011
55. Geriatric Grand Rounds – James A. Haley Veterans’ Hospital, Tampa, FL – Jointly Sponsored by West Palm Beach VA Medical Center – “Infections in Geriatric Patients” – December 10, 2010
56. Internal Medicine Grand Rounds – “Infectious Complications of Novel Immunosuppressive Therapy” – USF College of Medicine – November 4, 2010
57. Endocrinology Noon Conference – “Endocrinology Infections” – James A. Haley VAMC and West Palm Beach VAMC – November 2, 2010
58. NCCN 5th Annual Congress: Hematologic Malignancies – “Supportive Care: Prevention of Infections in Patients with Hematologic Malignancies” – New York, NY, October 8-9, 2010
59. Ethics Educational Series – Moffitt Cancer Center “Ethical Systems and Ways of Moral Reasoning” – October 19, 2010
60. CMDA board review step I USMLE for 2nd year medical students – University of South Florida College of Medicine, Classroom 1096 - "Microbiology Review - April 20, 2010
61. Pulmonary Weekly Conference – James A. Haley Veterans Hospital - Tampa, FL - "Pulmonary Infections - April 20, 2010
62. USF Pulmonary Department – Florida Thoracic Society Winter Course – “H1N1 Mortality in Pregnancy and Beyond” – Orlando, FL – February 12, 2010
63. Florida Society of Plastic Surgeons Meeting and the Senior Residents Conference – “Outcomes of Implant Salvage in Periprosthetic Infection or Extrusion” – February 2010
64. BMT Grand Rounds – Moffitt Cancer Center “Emerging Infections Following HSCT” – January 19, 2010
65. Internal Medicine Grand Rounds “CNS Infections” - University of South Florida College of Medicine – January 13, 2010

66. BMT Grand Rounds – Moffitt Cancer Center “Hepatitis in HSCT Patients” – January 5, 2010
67. Endocrinology Noon Conference – James A. Haley VA Medical Center and West Palm Beach VA Medical Center “Infections in Endocrine Patients” – November 17, 2009
68. Pediatric Grand Rounds – All Children’s Hospital, St. Petersburg, FL “Infections in the Cancer Patient” – September 11, 2009
69. BMT Grand Rounds – Moffitt Cancer Center “CNS Infections Following HSCT” – September 8, 2009
70. “Swine Flu and You” – Moffitt Cancer Center – August 11, 2009
71. Division of Infectious Disease & International Medicine Introductory Lecture Series – Tampa General Hospital – “GI Infections, Infections in Cancer Patients, Fungal Infections and Pneumonia” – July 15, 2009
72. BMT Grand Rounds – Moffitt Cancer Center “Pneumonia and Sinusitis following HSCT” – July 14, 2009
73. BMT Grand Rounds - Moffitt Cancer Center “Novel Strategies for the Prevention of Infections Following HSCT” – April 21, 2009
74. Lecture/Presentation - Moffitt Cancer Center “TB” February 10, 2009
75. Lecture/Presentation – H. Lee Moffitt Cancer Center “Pneumonia in Cancer Patients” December 11, 2008
76. Lecture/Presentation - Moffitt Cancer Center “MRSA – Fact of Fiction?” – December 4, 2008
77. Lecture in Medical Parasitology & Mycology Class - Course Number (GMS 7930) - University of South Florida College of Medicine “Fungal Infections” – November 13, 2008
78. Grand Rounds at James A. Haley Veterans Medical Center, Tampa, Florida sponsored by JA Haley and West Palm Beach VA Medical Centers Topic: "Endocrine Infections" - November 4, 2008
79. BMT Grand Rounds – “Pneumonia in HSCT Patients” – H. Lee Moffitt Cancer Center, Tampa, FL, September 30, 2008
80. Florida West Coast Dermatology Grand Rounds “Infections in Dermatology” – University of South Florida, Tampa, FL, September 9, 2008

81. Grand Rounds - USF Orthopaedic Department, "Infections in Orthopaedic Patients" –Shriners Childrens Hospital, Tampa, FL, August 22, 2008
82. BMT Grand Rounds – "Infectious Diseases Management of Patients with AML and Following HSCT" – H. Lee Moffitt Cancer Center, Tampa, FL, July 8, 2008
83. 4th Annual Current Perspectives in Oncology Nursing Conference - Treatment Decisions and Ethical Issues – "Current Perspectives in Oncology Nursing" – Moffitt Cancer Center, Tampa, FL, February 29, 2008
84. Geriatric Grand Rounds – "Diarrhea" – JAH/V.A. Hospital, Tampa, FL January 11, 2008
85. Grand Rounds " MRSA – Facts and Fiction" - Moffitt Cancer Center, Tampa, FL, December 4, 2007
86. Guest Moderator "Management of bacterial and fungal infections in ICU" – Tampa Waterside Marriott, Tampa, Florida, October 18, 2007
87. Grand Rounds "Infectious Diseases in Cancer Patients" – St. Joseph's Hospital, Tampa, FL, September 14, 2007
88. Grand Rounds "Immune Modulation" – University of South Florida, Tampa FL, August 23, 2007
89. Grand Rounds for Bone Marrow Transplant Department (BMT), "Nodular/Ground Glass Pneumonia" – H. Lee Moffitt Cancer Center, Tampa, FL August 21, 2007
90. Grand Rounds for USF, Department of Orthopedic Surgery and Sports Medicine "Infectious Diseases and Treatment of Patients with Low-Risk Febrile Neutropenia" – H. Lee Moffitt Cancer Center, Tampa, FL, August 17, 2007
91. CORE Orientation Lecture, Moffitt Cancer Center: Topic: "Infections in Cancer Patients", August 13, 2007
92. Grand Rounds "Orthopedic Infections" – Shriners Children's Hospital, Tampa, FL, July 20, 2007
93. Association of Physician Assistants in oncology, 9th Annual Conference, Sarasota, Florida, Topic: "Treating Infectious Diseases in the Oncology Patient", September 10, 2006
94. Florida Thoracic Society's 26th Pulmonary Wintercourse, February 10-13, 2005, Walt Disney World, Lake Buena Vista, Florida: "Emerging Pulmonary Infections"
95. Association of Physician Assistants in Oncology, Kissimmee, Florida, "Pneumonia in the Cancer Patient", October 22, 2004

96. 22nd FSCCM Annual Symposium, Marco Island, Florida, “SARS Update: Implications for the ICU”, October 16, 2004
97. Leesburg Regional Medical Center Grand Rounds, “Infections in the Cancer Patient”, May 19, 2004
98. “Medical Careers”, Sligh Middle School Health Magnet, Sixth Grade class, Tampa, Florida, August 20, 2003
99. “Fungal Infections”, 25th Annual Infectious Disease & Antibiotic Therapy Conference, Lake Buena Vista, Florida, August 2, 2003
100. “Infections in Cancer Patients”, 25th Annual Infectious Disease & Antibiotic Therapy Conference, Lake Buena Vista, Florida, August 2, 2003
101. “Emerging Resistant Infections in the Surgical Patient. Florida Chapter-American College of Surgeons, Key Biscayne, Florida, June 20, 2003
102. “Severe Acute Respiratory Syndrome (SARS)”. New Tampa Rotary Club, Tampa, Florida , May 16, 2003
103. “Management of Infections in Immunosuppressed Patients”. Nursing Concepts Course at the College of Nursing, Tampa, Florida, March 17, 2003
104. 5th Annual Evolving Science of Blood/Marrow Transplantation Conference. New Orleans, Louisiana, March 13, 2003
105. “Surgical Infection and Antibiotic Resistance”. USF Surgical Residents/Fellows, Tampa, Florida. February 20, 2003
106. “Clinical Aspects of Malaria”, USF Honors students, University of South Florida, Tampa, Florida, November 26, 2002
107. “Update in the Treatment of Severe Fungal Infections”, Florida Society of Critical Care Medicine, Marco Island, Florida, August 31, 2002
108. “Concepts of Antifungal Infections in Cancer Patients” presented telenet to physicians nationally, August 7-9, 2002
109. “AIDS/Infectious Disease on the Mission Field”, Association of Baptists for World Evangelism, Harrisburg, PA., July 19-21, 2002
110. Annual Meeting of the Peruvian American Medical Society. Topic “Bioterrorism”. Wyndham Palace and Resort, Orlando, Florida. July 3-7, 2002

111. "Concepts of Antifungal Infections". Ortho-biotec teleconference. June 6, 2002
112. Bone Marrow Transplant Nursing Conference, Moffitt Cancer Center, Tampa, Florida, Topic "Common Infections", May 20, 2002
113. Bay Pine VA Hospital, Grand Rounds, St. Petersburg, Florida, March 20, 2002, "Fungal Infections"
114. "Understanding Pharmacologic First-Line Resources of Nosocomial Therapies". Elan Pharmaceuticals, February-March, 2002
115. "Bioterrorism", James A. Haley Veterans Administration Hospital, Tampa, Florida, January 7, 2002
116. IOP Grand Rounds, "Bioterrorism", Moffitt Cancer Center, November 9, 2001
117. Presentation on "Anthrax and Other Biological Agent Threats", Moffitt Cancer Center, October 26, 2001
118. Cancer Conference Presentation on "Choosing Appropriate Anti-Fungal Therapy in the Oncology Patient", Lakeland Regional Medical Center, September 28, 2001
119. Voriconazole Preceptorship, Pfizer Corporation, September 5, 2001
120. Bone Marrow Transplant Nursing Conference, Moffitt Cancer Center, Tampa, Florida, Topic Common Infections, August 15, 2001
121. Bone Marrow Transplant Conference, Moffitt Cancer Center, Tampa, Florida, Topic: "Aspergillus Infections", August 13, 2001
122. "Infections in Cancer Patients" - Georgia Foundation Program, Atlanta, Georgia, September 6, 2000
123. "Infections in Intensive Care Unit" – for Critical Care Nursing Society of Hillsborough County, Tampa, Florida, July 27, 2000
124. "Infections in Cancer Patients" to Nurse Practitioner Students, University of South Florida, College of Nursing, Tampa, Florida, July 13, 2000
125. "Resistant Infections in Surgical Patients" - 2000 Joint Annual Meeting, Florida Chapter and South Florida Chapter, American College of Surgeons, Turnberry Isle Resort & Club, Aventura, Florida, June 23, 2000

126. Fungal Infections in Cancer Patients”, - Physicians in Ocala, Florida, May 16, 2000
127. “Travel Medicine, Infectious Risk” - JAHVAH Occupational Health Conference, Tampa, Florida, April 19, 2000
128. “Management of Infections in Immunosuppressed Patients” - Nursing Concepts Course at the College of Nursing, Tampa, Florida, February 7, 2000
129. University of Miami, “Internal Medicine update” to Primary Medical Care Practitioners, Miami Beach, Florida, January 25, 2000
130. “HIV/STD update” to dermatology residents at University of South Florida, College of Medicine, Tampa, Florida, December 14, 1999
131. “Infections and Infection Control: Causes, effects, treatment, and general information”. Presented to students at Leto High School, Tampa, Florida, November 30, 1999
132. “Infection Concerns of Cancer Patients”. Presented to retirees at Sun City Center, Sun City, Florida, November 18, 1999
133. “Resistant Organisms and Infection Control” for nurses, pharmacist, and medical students at H. Lee Moffitt Cancer Center, Tampa, Florida, October 20, 1999
134. “Herpes Infections” - Lakeland Primary Care Physicians at Terrace Grill Restaurant in Lakeland, Florida, October 19, 1999
135. “Herpes Infections” - Winter Haven Primary Care Physicians at Christy’s Restaurant in Winter Haven, Florida, September 28, 1999
136. Tuberculosis, Medical Microbiology/Pathology/ID Symposia to USF College of Medicine Class of 2001, Tampa, Florida, September 17, 1999
137. “Infections in Cancer Patients”, H. Lee Moffitt Cancer Center Hem/Onc, Tampa, Florida, noon conference, September 15, 1999
138. “Head and Neck Infections”, James A. Haley VA Hospital, Tampa, Florida, noon conference, September 1, 1999
139. “Current Treatment Options for Respiratory Infections”, 1999 Summer Clinical Symposium (F.A.P.A.), Palm Beach, Florida, August 12, 1999
140. “Head and Neck Infections”, Ortho-McNeil preceptorship, Tampa General Hospital, Tampa, Florida, July 21, 1999

141. "Infections in Cancer Patients", Pfizer preceptorship, Tampa General Hospital, Tampa, Florida, June 23, 1999
142. "Fungal Infections", St. Joseph's Hospital Grand Rounds, Tampa, Florida, June 17, 1999
143. Infectious Diseases of Public Health Importance to College of Public Health MD/MPH Program", USF College of Public Health, Tampa, Florida, June 11, 1999 – 8:00–12:30
144. "Infections in Cancer Patients", Emory University Hem/Onc/BMT Grand Rounds, Atlanta, Georgia, June 1, 1999
145. "Review of ID and Hem/Onc/BMT recent articles", BMT Journal Club, Division of BMT and Hematology and Oncology, H. Lee Moffitt Cancer Center & Research Institute, Tampa, Florida, June 1, 1999
146. "HEENT Infections", Joint ENT/ID (USF), USF Eye Center, Tampa, Florida, May 20, 1999
147. "Skin and Soft Tissue Infections/Osteomyelitis", Geriatrics Division, James A. Haley Veterans Administration Hospital, Tampa, Florida, May 7, 1999
148. "Infections in the Cancer Patient", ID Division, Syracuse/SUNY, Syracuse, New York, May 5, 1999
149. "Infection Control of Viral Infections", Bay Area Practitioners of Infection Control (BAYPIC), H. Lee Moffitt Cancer Center & Research Institute, Tampa, Florida, April 23, 1999
150. "Sepsis", Monthly BMT RN education series, H. Lee Moffitt Cancer Center & Research Institute, Tampa, Florida, April 22, 1999
151. "Antibiotic Resistant Infections", Oak Hill Hospital Grand Rounds, Oak Hill Hospital, New Port Richey, Florida, April 20, 1999
152. "Skin and Soft Tissue Infections" and "CNS Infections", Primary Care Symposium, Don Caesar Hotel, St. Petersburg, Florida, April 8, 1999
153. "URI", Primary care physicians, Tampa, Florida, March 25, 1999
154. "URI", Primary care physicians, Sarasota, Florida, March 4, 1999
155. "Infections in Cancer Patients", RNs, USF College of Nursing, Tampa, Florida, March 1, 1999
156. "Infections in Cancer Patients", Hematology/Oncology/ID physicians, Tallahassee Memorial Hospital, Tallahassee, Florida, February 26, 1999

157. "Infections in Cancer Patients", Family practice residency conference, Tallahassee Memorial Hospital, Tallahassee, Florida, February 26, 1999
158. "URI", Primary care physicians, Albany, Georgia, February 25, 1999
159. "Infections in Cancer Patients", Medicine Grand Rounds, Jacksonville Baptist Hospital, Jacksonville, Florida, February 18, 1999
160. "Infections in Cancer Patients", ID physicians, Jacksonville, Florida, February 18, 1999
161. "Herpes Infections", Primary care physicians, Bradenton Hospital, Bradenton, Florida, February 5, 1999
162. "URI", Primary care physicians, Clearwater, Florida, February 5, 1999
163. "Pneumonia", Pinellas County Osteopathic Medical Society, Tradewinds Resort Hotel, St. Pete Beach, Florida, January 28, 1999
164. "Renal Transplant Infections", Nephrology Division, Tampa General Hospital, Tampa, Florida, December 16, 1998
