Presentations

Artificial Intelligence and Medicine 2025-present

Sinnott JT, Casanova J., Armstrong C, *AI-Enhanced Maritime Biosurveillance at the Panama Canal.* Presented to Government of Panama and United States Southern Command, Regional health and security leadership, Panama; May 2026.

Sinnott JT, AI and Regenerative Medicine, Dr. Felix Porras, Longevity Inc., Cabo San Lucas Mexico. March 2026.

Sinnott JT, Moderator, Contagious Diseases, Global Virus Network 2026 Annual International Scientific Meeting, Tampa Florida, March 2026.

Sinnott JT, Casanova J., Tools, Trends, and Personal Artificial Intelligence. Presented to Dr. Emre Karasahin, University of Health Sciences, Gulhane School of Medicine, Ankara Turkey. February 2026.

Sinnott JT, Casanova J., Grand Rounds, Medicine and AI, Chulalongkorn University Faculty of Medicine. Bangkok, Thailand. November 2025.

Sinnott JT. Artificial Intelligence and Orthopedics. Keynote Speaker, American Osteopathic Academy of Orthopedics (AOAO) Annual Meeting. Washington, DC. October 2025.

Sinnott JT. Tools, Trends, and Personal Artificial Intelligence. Presented to Florida Orthopaedic Institute, September 2025.

Sinnott JT. Artificial Intelligence Update. Noon Conference, Microbiology Laboratory, LifeLink Tissue Bank; Tampa, Florida; July 2025.

Sinnott JT. AI and Veterinary Medicine, Natalia Majo, IRT, Catalunya Spain, December 2024

Professional Guidelines and Operational Protocols

These documents were formally requested, distributed operationally presented institutionally, and are used in policy or planning context.

Aviation Protocol from USF/ TGH Global Medicine

Sinnott JT, Armstrong C, Casanova J. *Aeromedical Clinical Protocol: Management of Suspected Respiratory Communicable Disease on Commercial Aircraft—A Protocol for Airline Medical Directors.* Prepared for the International Association of Air Transport Medical Directors; May 2026.

Maritime / Cruise Medicine Advisory from USF / TGH Global Medicine

Sinnott JT, Armstrong C, Casanova J. *Hantavirus Pulmonary Syndrome (HPS): Passenger and Crew Health Advisory for Southern Hemisphere Voyages.* Global Medicine Advisory Document, USF/Tampa General Hospital Global Medicine; May 2026.

Panama Canal / Biosurveillance Framework from USF / TGH Global Medicine

Sinnott JT, Casanova J. Armstrong C, *AI-Enhanced Maritime Biosurveillance at the Panama Canal: A Framework for Early Detection of Biological Threats.* Strategic briefing document prepared for regional health and security stakeholders; May 2026.

Florida Department of Law Enforcement from USF / TGH Global Medicine

Sinnott JT. Contagious Diseases and Law Enforcement. Review and update of FDLE guidelines for contagious diseases, Florida Department of Law Enforcement, State Meeting; July 2025.

Recent Executive Summary of Institutional Service as Internal Medicine Chair

In 2012, I was selected Chairman of the Department of Internal Medicine. In any medical school, this is the largest department in terms of patient care, research and teaching. Here are the metrics for 2016-2022.

PATIENT-CENTERED TEACHING

- Association of American Medical Colleges: Top 4% for Educational Quality in Internal Medicine
- Doximity Ranking: Top 13% of GIM program
- Doximity Ranking: Top 34% Emergency Department
- Board of Internal Medicine pass rate by trainees: 100%
- Nephrology
- ID podcasts.net
- John Sinnott YouTube Channel https://www.youtube.com/channel/UCF9wvOlPSIXXNIUW90lxMmQ (>93k views)

PATIENT-CENTERED RESEARCH

- Sponsored Research: $1.9m
- Clinical Research: $7.6m
- NIH Grants: $116m (2016-2022)

PATIENT-CENTERED CARE (with Tampa General Hospital as training site)

- Pulmonary Critical Care unified

- Lung transplantation
- Diabetes/Endocrinology: 27/5500 in US
- Gastroenterology: 34/5500 in US
- Geriatrics: Top 10%
- Pulmonary: 49/5500 in US
- Cardiology: Top 10%
- Cancer: Top 10%
- Under my term the operating budget reached $129.5M, 46 MD's listed Best Doctors in US, developed hospitalist program in Onco-Nephrology, Lung Transplantation and Global Research in Infectious Disease.

EDUCATION

University of South Florida College of Medicine, Tampa, FL 1981-1983

Infectious Diseases & Tropical Medicine Fellowship

University of South Florida College of Medicine, Tampa, FL 1978-1980

Internal Medicine Residency

University of South Alabama College of Medicine, Mobile, AL 1978

Doctor of Medicine

University of South Florida College of Medicine, Tampa, FL 1973

MA, Microbiology

Columbus College, Columbus, GA 1971

BS, Biology/Psychology

ACADEMIC POSITIONS

Chairman 2012-2023

Department of Internal Medicine, Morsani College of Medicine, USF

Co-Director 2005-2010

Interdisciplinary Program in Allergy, Immunology and Infectious Disease

Associate Dean 2005-2012

USF Medicine International

Director 2004-present

Florida Infectious Disease Institute

James Cullison Professor of Medicine, USF 2002-present

Professor 1994-present

Internal Medicine, USF

Director 1991-2012

Division of Infectious Disease & International Medicine, USF

Teaching Faculty 1991-2012

USF Center for HIV Education and Research

Associate Professor 1989-1994

Internal Medicine, USF

Infectious Disease Coordinator 1985-1991

TGH and USF College of Medicine

ACADEMIC POSITIONS Cont.

Assistant and Associate Adjunct Professor 1984-1990

Orthopedics, USF

Assistant Professor 1983-1989

Internal Medicine, USF

Director of Clinical Research 1983-1985

Infectious Diseases and Tropical Medicine, USF

BOARD CERTIFICATION AND LICENSES

Diplomate 1984

American Board of Internal Medicine, Infectious Disease #94038

Diplomate 1983

American Board of Internal Medicine #95038

National Board of Medical Examiners 1978

Private Pilot ceased 2018

Instrument, Federal Aviation Administration (Single and multi-engine, high-performance, complex)

Ships Master (multi-ton offshore vessel) Certificate #1 current

United States Coast Guard, Department of Transportation

HOSPITAL APPOINTMENTS AND ELECTED POSITIONS

Chief of Staff, TGH 1994-1996

Vice–Chief of Staff, TGH 1992-1994

Secretary–Treasurer, Medical Staff, TGH 1990-1992

HOSPITAL APPOINTMENTS AND ELECTED POSITIONS Cont.

Chief, Department of Internal Medicine, TGH 1988-1992

Epidemiologist, Shriner's Children's Hospital 1987-present

Vice–Chief, Department of Internal Medicine, TGH	1986-1988
Director, Epidemiology and Employee Health, TGH	1985-present

GOVERNMENTAL APPOINTMENTS

Member, Formulary Committee, Dept. of Health, State of FL	2006-2007
Senior Advisor, Biodefense to the Secretary of Health, State of FL	2001-2005
Member, State Formulary Committee, State of FL	1999-2003

LABORATORY EXPERIENCE

Laboratory Director, Tissue Bank, Lifelink	2017-present
Microbiology Quality Advisor, TGH	1996-2004
Director, Microbiology Laboratory, South FL Regional Bone and	1996-2004,
Contract Consultant & Quality Director, Clinical Microbiology, TGH	1984-1996

BOARD APPOINTMENTS

Member, Advisory Board, Center for Strategic & Diplomatic Studies	2022-present
Trustee, FL Health Science Center Inc. TGH	2008-2019
Trustee, USF Foundation	2006-2020
International Academic Advisory Board	2005-2008
Vivekananda Institute for Leadership Development	
Chairman of the Board, Food Tech, VIFL (NASDAQ)	2003-2014

BOARD APPOINTMENTS Cont.

Trustee, Hillsborough County Community College Foundation	2003-2006
Trustee, Hillsborough County Community College Foundation	2003-2006

Trustee, TGH Foundation	1994-1996, 2000-2009
Member, International Biologic Resources Board	1995-1996
Member, Advisory Board, LifeLink of FL	1988-2006
Member, Board of Directors, Suncoast FL AIDS Network	1988-1991

HONORS & AWARDS

CONTRACTS (DIVISIONAL, NEGOTIATED)

1. **Sinnott JT.** Laboratory Management Contract. Lifelink Bone and Tissue Bank. 2003–2008 ($24,000 yearly)
2. **Sinnott JT**. Infection Control Contract. Shriner's Children's Hospital. 2003–present ($13,800 yearly)
3. Haight D, **Sinnott JT**. Polk County Health Department Management Contract. FL Department of Health, 1997–present ($162,391 yearly)
4. **Sinnott JT**, Holt D. Hillsborough County Health Department Management Contract. FL Department of Health, 1996–present ($604,500 yearly)
5. **Sinnott JT**. Infectious Disease Case Management. Tampa General Hospital, 1996–present ($30,000 yearly)
6. **Sinnott JT**. Employee Health Medical Director. Tampa General Hospital, 1985–present ($80,000 yearly)

MISCELLANEOUS SCHOLARLY ACTIVITIES

Co-Sponsor, Yale University Drinking Water Symposium, New Haven, CT 2009

Speaker, American College of Physicians, Bioterrorism Speakers Bureau 2007-2008

Keynote Speaker, *Conversations with Influence*, Tampa Bay Performing 2006

Arts Center, Leadership. Tampa, FL

Keynote Speaker, USF Mini-Med School, Tampa Bay Performing Arts 2005

Center, Tampa, FL

MISCELLANEOUS SCHOLARLY ACTIVITIES Cont.

Keynote Speaker, State of FL Epidemiologist Update, Sanford, FL	2004
Keynote Speaker, Annual *Infection: Maximizing the Probability of Positive Outcomes* Meeting, US Micron, San Fransisco, CA	2004
Faculty, FL/Caribbean AIDS Education and Training Center	2002-present
Keynote Speaker, Infectious Disease Society, Longboat Key, FL	2002
Invited Lecturer, FL Infectious Disease Society, Jacksonville, FL	1995
Invited Lecturer, American College of Physicians, FL Scientific Meeting, Orlando, FL	1993
Question Author, American Board of Internal Medicine, Re-certification examination, Philadelphia, PA	1993-1996
Consultant, Human Fetal Nigral Transplant Program, USF/TGH	1993-2001
Instructor, ACP, Medical Knowledge Program, Orlando, FL	1993
Invited Lecturer, Medical Association, Palm Beach, FL	1993-1994
Course Director, Chronic Fatigue Syndrome Update, Sarasota, FL	1992
Instructor, Internal Medicine Review Course, American College of Physicians, Lake Buena Vista, FL	1991
Judge, International Science and Engineering Student Competition, Intel, Orlando, FL	1991
Moderator, Infectious Diseases II. Southern Society, American Federation for Clinical Research, New Orleans, LA	1990

MISCELLANEOUS SCHOLARLY ACTIVITIES Cont.

Advisor & Co-Founder, Adolescent AIDS Education Program.

The American Medical Association, USF College of Medicine, Tampa, FL 1987-1996

Consultant, Hillsborough County: President's National Committee 1987
on AIDS Site Visit, Tampa, FL

Instructor, Medical Knowledge Self-Assessment Program, 1987
American College of Physicians, Orlando, FL

Invited Lecturer, Paraprofessional Counseling Service, USF, Tampa, FL 1984-86

EDITORIAL ACTIVITY

Editorial Advisory Board, *Journal of Health Management* 2006-2009

Editorial Board, *Medscape* 1999-2000

Associate Editor, *Infections in Urology* 1991-2000

Editor-in-Chief, *Infections in Medicine* 1994-2009

Medical Editor*, Emedicine:* Medicine, Obstetrics/Gynecology, 1999-2000
Psychiatry, and Surgery

Senior Editor, *Antimicrobic and Infectious Diseases Newsletter* 1994-2000

Editorial Board, *Infections in Medicine* 1992-1994

Co-Editor, *Contagion* 1992-1994

Associate Editor, *Infectious Disease Newsletter* 1989-1994

North American Editorial Board, *Health Information Network*, 1991-1992
London, England
