James Cullison Professor of Medicine
Chairman, Department of Internal Medicine
Morsani College of Medicine, University of South Florida

Education:

University of South Alabama College of Medicine, Mobile, AL, 1978, MD
University of South Florida, Tampa, FL, 1973, Microbiology, MA
Columbus College, Columbus, GA, 1971, Biology, Psychology

Recent Executive Summary of Institutional Service

In 2012 I was selected Chairman of the Department of Internal Medicine. In any medical school this is the largest department in terms of patient care, research and teaching. This is the metrics for 2016.

Patient Centered Teaching

Association of American Medical Colleges: Top 4% for Educational Quality in Internal Medicine

Doximity Ranking: Top 17% of the program

Board of Internal Medicine pass rate by trainees: 100%

Patient Centered Research

Sponsored Research: \$1.9m

Clinical Research: \$7.6m

NIH Grants: \$27.9m (Blue Ridge Ranking #36 in US overall #22 among state institutions)

Patient Centered Care: With Tampa General Hospital as training site

US Name and World report ratings of 5 of my 18 Divisions

Nephrology 18 in US

Gastroenterology 26 in US

Endocrinology 27 in US

Pulmonary 48 in US

Under my term the operating budget reached \$129.5M, 40 MD's listed Best Doctors in US, developed program in ONCO Nephrology, Renal Transplantation and Lung Transplantation.

Internationally 156 medical students studied and performed research in 22 countries. Tampa and Lanzhou, People Republic of China, signed sister cities agreement and 136 international scholars chose to study and perform research in the Department of Internal Medicine. Two of my physicians volunteered to fight Ebola in Sierra Leone.

The Directorate of Medical Education and Research, Government of Maharashtra	India	2006	Initiated & developed

International Visiting Professorships

Tianjin Infectious Disease Hospital, Tianjin, China, July 2011

Sinakharinwirot University, Nakorn Nayok, Thailand, December 2002, October 2007

Rungsit University, Thailand, October 2007

International Memberships:

Editorial Advisory Board, *Journal of Health Management*, Indian Institute of Health Management Research, 2005-present

International Academic Advisory Board, Vivekananda Institute for Leadership Development, 2005-present

Other International Activities:

Faculty Advisor, International Health Service Collaborative, USF Health, University of South Florida, Tampa, 2006 – present

Program Advisor, Stephen Klasko Clinical Observership, Office of International Affairs and the Division of Infectious Disease, in collaboration with Yeungnam University, South Korea, 2008

Co-Host, Seven National HIV Updates for Indian Physicians, Pune, India, 2000 – 2007

Co-Sponsor, Seven Training Programs (105+ Indian Trainees) Ruby Hall Clinic, Pune, India, 2000 – 2007

Founder, Learning Center with Computer and Broadband Access, Mysore Medical College, Mysore, India, 2005

Invited Speaker, International Hepatitis B Symposium, Manila, 2005

Co-Sponsor, Training Programs on Disaster Management, Emerging Infections and Trauma Care for Policy Planners and Physicians (12 Indian Trainees) at University of South Florida, Tampa, 2005

Co-Sponsor, HIV Management Training Programs (38 Indian Trainees) at University of South Florida, Tampa, 2004

Founder, CHART-India Training Center, Swami Vivekananda Youth Movement, Mysore, India, 1998

Member, Aid to Russia Committee, Society for Hospital Epidemiology, Washington, DC, 1993 – 1996

Invited Lecturer, Conference on Preventive Medicine in the Caribbean, Pan American Health Organization, Nassau, Bahamas, 1992

Invited Lecturer, General Hospital and St. George's College of Medicine, St. George, Grenada, 1990

Invited Lecturer, Royal Marsden Cancer Hospital, London, England, 1989

Invited Lecturer, Aberdeen Royal Infirmary, Aberdeen College of Medicine, Aberdeen, Scotland, 1986

Invited Lecturer, As Salam International Hospital, Medical College IV, Cairo, Egypt, 1985

Invited Lecturer, Arab Contractors Medical Center, Medical College IV, Cairo, Egypt, 1985

International Awards:

Dunhuang Award, People's Republic of China, Gansu Province, (first ever award of its kind to anyone outside of China) for outstanding contribution to the economic, scientific, academic development and education program, 2017

MEDSWU Honorable Award presented by the Medical Association of Thailand and the Faculty of Medicine, Srinakharinwirot University, International Medical Summit II, Bangkok, Thailand, 2010

Global Leadership Award presented by the HRH Princess Maha Chakri Sirindhorn, Bangkok, Thailand, 2008

Lifetime Achievement Award, The AIDS Institute, for "Longtime Dedication to HIV/AIDS Prevention, Treatment, and Research in the United States and Internationally, Tampa 2006

Directorate of Medical Education and Research of Maharashtra, India, HIV Update Award, 2006

Vasai Region AIDS Control Society, Significant Contribution to International Infectious Disease Issues, India, 2004

The Dr. K. Menda Memorial Oration Award, P.D. Hinduja National Hospital, Mumbai, India, 2003

Contribution Award, Indian Practitioner, Bombay (now Mumbai), India, 2001

Society Membership:

Society of Hospital Epidemiologists of America, 1987 – present
American College of Physicians (Fellow), 1985 – present
Infectious Diseases Society of America (Fellow), 1984 – present
American Society for Microbiology, 1983 – present
American Medical Association, 1978 – present
International Society for Heart Transplantation, 1985 – 2000
American Society for Transplant Physicians, 1989 – 1999
Florida Practitioners of Infection Control, 1986 – 1996
American Society for Tropical Medicine, 1992 – 1994

Physician's Association for AIDS Care, 1988 – 1994
American College of Physician Executives, 1985 –1994
Alabama Academy of Science, 1976 –1978

64. Yangco BG, Craig CP, **Sinnott JT**, McClelland JJ: Cefoxitin versus Two Dosage Regimens of Cefotetan in Urinary Tract Infections (20% effort). Stuart Pharmaceuticals, 1983
65. Yangco BG, Craig CP, **Sinnott JT**, Holder CD, Toney JF: Cefpimizole vs. Cefoperazone in Lower Respiratory Tract Infection (20% effort). Upjohn Pharmaceuticals, 1983
66. Yangco BG, **Sinnott JT**, Craig CP: Addendum to: "A Multicenter Randomized Study to Compare the Efficacy and Safety of Ceftazidime and Cefamandole in the Treatment of Lower Respiratory Infections" to include treatment of skin and skin structure infections with or without bacteremia (33% effort). Glaxo Pharmaceuticals, 1982
67. Yangco BG, Craig CP, **Sinnott JT**, McClelland JJ: Ceftizoxime versus Moxalactam or Cefotaxime for Pneumonia in Patients at Risk (25% effort). SmithKline Pharmaceuticals, 1982
68. Yangco BG, Craig CP, **Sinnott JT**, McClelland JJ: A Comparative Study of Intravenous Cefotetan vs. Cefoxitin in the Treatment of Hospitalized Patients with Urinary Tract Infections (25% effort). Stuart Pharmaceuticals, 1982
69. Yangco BG, **Sinnott JT**, Craig CP: A Randomized Study to Comparing Ceftazidime and Cefamandole in the Treatment of Lower Respiratory Tract Infections (30% effort). Glaxo Pharmaceuticals, 1982
70. Yangco BG, **Sinnott JT**, Craig CP: Controlled Study Comparing Cefonicid with Cefazolin in Urinary Tract Infections (30% effort). SmithKline Pharmaceuticals, 1981

Grants (Federal, State, and Other):

1. **Sinnott JT**, Knox M, Beal J, et al: Hepatitis C Treatment Expansion Initiative Evaluation and Technical Assistance Center. Provides clinical training and technical assistance on the implementation of HCV treatment models for patients coinfecting with HIV in Ryan White-funded HIV primary care programs. Health Resources and Services Administration (HRSA) grant U90HA19469, 2010 – 2014. (\$1.6 M)
2. **Sinnott JT**, Menezes L: Sub-Specialty Training Program for Physicians from Gansu Provincial Health Department, Gansu Province, Lanzhou, China, 2012. (funded)
3. **Sinnott JT**, Menezes L: Annual three-week Training Program for Physician Leaders, Gansu Provincial Health Department, Gansu Province, Lanzhou, China. A 3-week intensive training program consisting of over 25 lectures on management, operations and administration, finance, organizational development, employee relations, and research with a goal of educating Chinese Hospital Leaders on modern hospital management in the US, 2010 - 2012. (funded)
4. Toney JF, Schmitt K, **Sinnott JT**: Florida STD/HIV Prevention Training Center (PTC) – region IV STD/HIV Prevention Training Center (Program Announcement 00031). Centers for Disease Control and Prevention, (5% effort), 2000 – 2005. (\$268,000 yearly, 5 year renewal)
5. **Sinnott JT**, Menezes L, Naik E, & Wills T: Training Program on Disaster management, Emerging Infections and Trauma Care for Policy Planners and Physicians in resource limited settings. Government of Maharashtra, India. 05/05-7/05. (\$55,200)
6. **Sinnott JT**, Menezes L: Impact of Methicillin Resistant *Staphylococcus aureus* (MRSA) on the Tampa Bay Community. Pfizer. TGH Foundation. 01/05. (\$60,000)
7. Amuso P & **Sinnott JT**: State Health Laboratory Management. Florida Department of Health, (10% effort), 2004 – 2007. (\$278,901)
8. **Sinnott JT**, Martin R: Laboratory Quick Reference Guide for Category A Biological Agents. Florida Department of Health, (5% effort), 2004. (\$14,280)
9. **Sinnott JT**: Florida Infectious Disease Institute. Florida Department of Health, 2003 – present. (\$1,000,000)
10. **Sinnott JT**, Montero JA: STD training development grant. Pfizer, (33% effort), 1999 – 2001. (\$75,000 yearly)
11. Saba H, Larkin J, **Sinnott JT**, Gompf S: Region IV South Ryan White Care Act Title III, Hemophilia of Georgia (33% effort), 1999 – 2005. (\$124,614)
12. Emmanuel P, Larkin J, **Sinnott J**, Gompf S: Ryan White Care Act Title I, Primary Care for Women, Infants, and Children (33% effort). 1999 – 2001. (\$27,000)
13. **Sinnott JT**: Infection Control Grant. The Tampa General Hospital Auxiliary, (100% effort), 1998. (\$3,000)
14. Larkin JA, **Sinnott JT**, Holt DA: Housing and Urban Development Grant for Multi-purpose facility for AIDS/HIV related services. Hillsborough County Public Health Unit, (50% effort), 1996. (\$1,000,000)

15. Larkin JA, Shashy RG, **Sinnott JT**: Sexually Transmitted Diseases Faculty Expansion Program Grant (Announcement # 616). Centers for Disease Control and Prevention/Department of Health and Human Services, (33% effort), 1996. (\$400,000)
16. Larkin JA, **Sinnott JT**, Toney J: HIV Cost and utilization study. The Agency for Health Care Policy (AHCPR) and Research, Rand, (30% effort), 1995 – 1998. (\$6,000 yearly)
17. **Sinnott JT**, Houston SH, Holt DA: Primary Care Approach to HIV Management, Ryan White Title IV, Grant DHHS-BRH Human Rehabilitative Services, (40% effort), 1995 – 1996. (\$12,000)
18. **Sinnott JT**: Medical Student Medical Research Grant, Tampa General Healthcare Foundation, Tampa, Florida, 1995. (\$1000)
19. **Sinnott JT**, Holt DA, Cunningham B, Houston SH: Multidisciplinary Team Enhanced AIDS Management Models (TEAM). Ryan White Title IX, Grant DHHS-BRH# 890024-01-0, Human Rehabilitative Services, (40% effort), 1993 – 1998. (\$14,000)

20. **Sinnott JT**, Holt DA, Houston SH, Sanders L: The Medical Student History and Physical Examination of the AIDS Patient: Focus on Attitude and Techniques. Florida AIDS Education Training Network, DHHS-BHP No.1 D35 PE 00101-02, Subcontract A, (25% effort), 1993. (\$5,000)
21. Knox M, **Sinnott JT**: Florida AIDS Education and Training Network, DHHS-BHP No. 1 D35 PE00101-02 (subcontract 10% effort), 1992 – 2004. (\$12,000)
22. Holt DA, **Sinnott JT**, Cancio MR: HIV Health Care Cost in Hospitalized Patients. United States Public Health Service, Grant #R067, Westat Research, (15% effort), 1991 –1992. (\$10,000)

Contracts (Divisional, Negotiated):

1. **Sinnott JT**, Holt D: Hillsborough County Health Department Management Contract. Florida Department of Health, 1996 – present (\$604,500 yearly)
