

KATHERINE DRABIAK

College of Public Health, University of South Florida
13201 Bruce B. Downs Boulevard, Tampa, Florida 33612
Email: kdrabiak@usf.edu / 813-974-1335

ACADEMIC APPOINTMENTS

University of South Florida College of Public Health

Tampa, Florida

Department Chair, Health Policy & Systems Management

Professor

Associate Professor

Assistant Professor

2025 – current

2023 – current

2020 – 2023

2015 – 2020

Indiana University Center for Bioethics at Indiana University School of Medicine

[Remote] Charlotte, North Carolina

Law & Bioethics Policy Consultant

2011 – 2012

Indiana University Center for Bioethics at Indiana University School of Medicine

Indianapolis, Indiana

Visiting Assistant Research Professor and Faculty Investigator

2009 – 2010

BAR ADMISSION

Admitted to practice in the state of Indiana, October 2008.

Admitted to the Federal District Courts for the Northern and Southern Districts of Indiana, October 2008.

EDUCATION

Indiana University School of Law – Indianapolis

J.D. – May 2008

University of California, Santa Barbara

B.A. Law & Society *and* Sociology with High Honors – March 2005

AWARDS

Cliff Blair Excellence in Teaching Award, 2022.

Norman Lefstein Award of Excellence for Pro Bono Service, 2008.

Guiding Principles in Public Health Law & Ethics, Public Health Executive Leadership Program, Florida Department of Health, Tallahassee, Florida [Virtual], December 7, 2023.

Responsible Conduct of Research, Sunshine Education and Prevention Research Center, University of South Florida College of Public Health, October 19, 2023.

Medical Decision-making for Prisoners, Palliative Care Friday Chalk Talk, Advocate Health Care, Milwaukee, Wisconsin [Virtual], October 6, 2023.

Panelist: Legal and Ethical Issues with AI/ML in Healthcare, Artificial Intelligence + X Symposium, University of South Florida, September 29, 2023.

Panelist: SB 1718 Immigration and Healthcare, Navigating and Knowing Your Rights: El Poder Latino, University of South Florida, Tampa, Florida, September 20, 2023.

Artificial Intelligence and Machine Learning: Ethics and the Impact to the Physician-Patient Relationship, Advent Health Medical Ethics Committee, Tampa, Florida [Virtual], September 13, 2023.

Legal and Ethical Issues Associated with Artificial Intelligence/Machine Learning in Healthcare, American Society of Law, Medicine and Ethics, Annual Health Law Professors Conference, University of Maryland School of Law School of Law, Baltimore, Maryland, June 9, 2023.

Panelist: Ancestry, Genetics and Ethics, “I Belong” Diversity Week, University of South Florida, Tampa, Florida, April 20, 2023.

Ethics for Public Health Professionals, USF College of Public Health Professional Engagement Network, Tampa, Florida, March 23, 2023.

Guiding Principles in Public Health Law & Ethics, Florida Public Health Association Workforce Development Training, Alachua, Florida [Virtual], February 27, 2023.

Guiding Principles in Public Health Law & Ethics, Public Health Executive Leadership Program, Florida Department of Health, Tallahassee, Florida [Virtual], February 16, 2023.

Medical Decision-making When the Patient is a Prisoner, Advent Health Medical Ethics Committee, Tampa, Florida [Virtual], December 14, 2022.

Florida Health and Education Law Update, Healthy Start Coalition of Hillsborough County, Tampa, Florida [Virtual], July 21, 2022.

Eight Strategies to Engineer Acceptance of Human Germline Modifications, American Society of Law, Medicine and Ethics, Annual Health Law Professors Conference, Arizona State University School of Law, Phoenix, Arizona, June 2, 2022.

Legal and Ethical Issues Associated with Artificial Intelligence/Machine Learning in Healthcare, Moffitt Cancer Center, Tampa, Florida, March 29, 2022 (with student Valerie Nemov).

Adolescent Health Law and the Parental Bill of Rights Act, Healthy Start Coalition of Hillsborough County, Tampa, Florida [Virtual], January 27, 2022.

Managing Conflicts of Interest and Business Relationships in Healthcare, Advent Health Medical Ethics Committee, Tampa, Florida [Virtual], January 12, 2022.

Public Health Ethics for Responding to Communicable Disease: Principles for Public Health Professionals, Public Health Executive Leadership Program, Florida Department of Health, Tallahassee, Florida [Virtual], December 9, 2021.

Abortion Law and State Law Challenges to *Roe v. Wade*, Reproductive Health Week, University of South Florida College of Medicine and University of South Florida Physician Assistant Reproductive Health Affinity Group, Tampa, Florida November 9, 2021.

Framing Germline Modification of Human Embryos, Boston University Law Review Online Fall Symposium, Boston University School of Law, Boston, Massachusetts [Virtual], November 5, 2021.

COVID-19 and the Workplace, Workers' Injury Law and Advocacy Group Conference, Palm Beach, Florida [Virtual], September 27, 2021.

What Clinicians Should Know About Prescription Drug Price Spikes, Advent Health Medical Ethics Committee, Tampa, Florida [Virtual], August 11, 2021.

Futility and Process Based Dispute Resolution, Bayonet Point Hospital, Hudson, Florida [Virtual], July 22, 2021.

Legislative Testimony: Medical Decision-making for Children Under Senate Bill 1517/House Bill 2271, Massachusetts State Legislature Public Health Committee, Boston, Massachusetts [Virtual], July 12, 2021.

Resolving Physician-Parent Disputes Involving Pediatric Patients, American Society of Law, Medicine and Ethics, Annual Health Law Professors Conference, Northeastern University School of Law, Boston, Massachusetts [Virtual], June 9, 2021.

Leveling a Fair Market for Prescription Drugs, Jaharis Health Law Institute Annual Symposium, DePaul University College of Law, Chicago, Illinois [Virtual], April 29, 2021.

Sacrificing the Public's Health: Conspiracies and Trust in the Scientific Enterprise, Spring Symposium: Alternative Realities, Conspiracy Theory, and the Constitutional and Democratic Order, University of St. Thomas School of Law, St. Paul, Minnesota [Virtual], April 16, 2021.

Eight Strategies to Engineer Acceptance for Germline Modification of Human Embryos, The Future of Humanity: Genetic Engineering, CRISPR, and Beyond, Union Internationale des Avocats, Paris, France [Virtual], April 7, 2021.

Public Health Ethics for Responding to Communicable Disease: Principles for Public Health Professionals, Public Health Executive Leadership Program, Florida Department of Health, Tallahassee, Florida [Virtual], March 12, 2021.

What Clinicians Should Know About COVID-19 and Public Health Law, Advent Health Medical Ethics Committee, Tampa, Florida [Virtual], November 11, 2020.

Medical Ethics Law for Florida Clinicians, Bay Pines Veterans Affairs Healthcare System, Bay Pines, Florida [Virtual], November 6, 2020.

Treating for Two: Addressing Gaps in Maternal Substance Abuse Treatment Law, American Society of Law, Medicine and Ethics, Annual Health Law Professors Conference, June 5, 2020 [Accepted, conference cancelled due to SARS-CoV-2/COVID-19].

Law and Policy Considerations for Germline Modification of Human Embryos, Gulf Coast Regional Genetics Conference, Tampa, Florida, February 21, 2020.

Sustainable Vaccine Policy, Advent Health Medical Ethics Committee, Tampa, Florida, February 12, 2020.

Principles of Public Health Law and Ethics for Public Health Professionals, Public Health Executive Leadership Program, Florida Department of Health, Tallahassee, Florida, December 11, 2019.

Liability and Risk Management for Treating Patients with Opioid Use Disorder, Hillsborough County Bar Association Health Law Continuing Legal Education, Tampa, Florida, November 20, 2019.

Panelist, An Interprofessional Response to the Opioid Crisis, USF Health Annual Interprofessional Education Day, Tampa, Florida, November 13, 2019.

Treating Adolescents: What Providers Should Know About Florida Law, Advent Health Medical Ethics Committee, Tampa, Florida, October 10, 2019 (with students Morgan Cardon and Chelsea Walker).

Resolving Physician – Parent Disputes Involving Pediatric Patients, Advent Health Medical Ethics Committee, Tampa, Florida, July 10, 2019.

Questioning Medication Assisted Treatment, American Society of Law, Medicine and Ethics, Annual Health Law Professors Conference, Chicago, Illinois, June 6, 2019.

Principles of Public Health Law and Ethics for Public Health Professionals, Public Health Executive Leadership Program, Florida Department of Health, Tallahassee, Florida, February 14, 2019.

Building Medical Ethics Capacity at Florida Hospital- Tampa, USF College of Public Health Community Engagement Year in Review, Tampa, Florida, December 13, 2018.

Clinical Practice Guide: What Providers Should Know About Emerging Genomics Technology, Florida Hospital Medical Ethics Committee, Tampa, Florida, December 12, 2018.

Digging for the Truth: Decoding Politicized Health Information, USF College of Public Health Professional Engagement Network, Tampa, Florida, October 23, 2018.

Can We Rely on Mitochondrial Replacement Therapy to Cure Disease and Treat Infertility? Perinatal Research Seminar, Tampa General Hospital, Tampa, Florida, September 19, 2018.

Futility and Medically Nonbeneficial Interventions in Florida: Process Based Resolution, Florida Hospital Medical Ethics Committee, Tampa, Florida, June 13, 2018.

Roundup Litigation: Using Discovery to Dissolve Doubt, American Society of Law, Medicine and Ethics, Annual Health Law Professors Conference, Cleveland, Ohio, June 9, 2018.

Parsing Out the Hope from the Hype in Genomics, Carol Carfang Nursing and Healthcare Ethics Conference, Duquesne University, Clearwater, Florida, March 1, 2018.

Engineering Our Extinction? Treating Infertility With Germline Modifications, American Society of Bioethics & Humanities Annual Conference, Kansas City, Missouri, October 21, 2017.

Integrating Experimental Cell and Tissue Products into Clinical Care: Regulatory Compliance and Best Practices, Hillsborough County Bar Association Health Law Continuing Legal Education, Tampa, Florida, October 18, 2017.

Justice and Managed Care, Florida Hospital Medical Ethics Committee, Tampa, Florida, June 14, 2017.

Emerging Governance of Mitochondrial Replacement Therapy: Assessing Coherence Between Scientific Evidence and Policy Outcomes, American Society of Law, Medicine and Ethics, Annual Health Law Professors Conference, Atlanta, Georgia, June 9, 2017.

Assessing Florida's End of Life Care Options and Considerations for Implementing POLST, Florida Hospital Medical Ethics Committee, Tampa, Florida, May 10, 2017.

Regulatory Strategies Addressing Zika: The Fine Print Behind Chemical Vector Control, Emergency Use Authorizations, and Genetically Modified Mosquitoes, Global Health Seminar Series, University of South Florida Health, Tampa, Florida, April 25, 2017.

A Brave New Healthcare: How Genomics and Emerging Technologies Challenge Legal Boundaries, Community Engagement Luncheon Keynote Speaker, University of South Florida Health, Tampa, Florida, April 17, 2017.

Dying to Be Fresh and Clean? Assessing Regulatory Shortcomings Governing Personal Care Products, Cancer Risk, and Epigenetic Damage, American Society of Bioethics & Humanities Annual Conference, Washington, D.C., October 7, 2016.

Big Data and Consumer Genomics: Regulatory Compliance, Secondary Data Usage, and Informational Privacy Risks, 8th Annual FUNDamentals: The Legal Implications of the "Internet of Things," Florida State Bar Association Continuing Legal Education Seminar, Orlando, Florida, September 16, 2016.

The Impact of a Developing Regulatory Framework Governing Diagnostic Tests in Precision Oncology: Re-envisioning the Clinical Risk Assessment Paradigm, American Society of Law, Medicine and Ethics, Annual Health Law Professors Conference, Boston, Massachusetts, June 3, 2016.

Caveat Emptor: How the Intersection of Big Data and Consumer Genomics Exponentially Increases Informational Privacy Risks, Public Health Research Seminar Series, University of South Florida Health, Tampa, Florida, April 8, 2016.

FDA Regulation of Mesenchymal Stem Cell Injections: Corporate Circumvention, Clinical Risk, and Medical Tourism, Global Health Seminar Series, University of South Florida Health, Tampa, Florida, March 8, 2016.

Globalized Surrogacy Arrangements, Global Health Journal Club, University of South Florida Health, Tampa, Florida, February 25, 2016.

Genomics for a New Era: Integrating Research Ethics Lessons from Biobanking's Infancy, University of South Florida Health, Tampa, Florida, April 16, 2015.

Implications of *Bearder*, *Beleno*, and *Higgins*: Legal Regulation of Banking Newborn Blood Spots for Research, ELSI Congress, Center for Genomics and Society at the University of North Carolina, Chapel Hill, North Carolina, April 12, 2011.

Reining In The Pharmacological Enhancement Train: We Should Remain Vigilant About Standards For Prescribing Controlled Substances, Transforming Humanity Conference, University of Pennsylvania Center for Bioethics, Philadelphia, Pennsylvania, December 4, 2010.

Building a Biobank in Indiana: Legal and Ethical Issues to Consider, Purdue University Extension Program, Indianapolis, Indiana, November 16, 2010.

Prescribing Modafinil for Performance Enhancement and Sleep Avoidance: Physicians' Legal and Ethical Duties, Predictive Health Ethics Research Consortium, Indianapolis, Indiana, October 11, 2010.

Expert Testimony, Resolution 10:03, The Sale of Over the Counter Gender Prediction Tests, Indiana State Medical Association Annual Convention, Indianapolis, Indiana, September 26, 2010.

Community Engagement and Biobanks, Biannual Community Advisory Council Meeting for Indiana Clinical and Translational Sciences Community Health Engagement Program, Indianapolis, Indiana, September 22, 2010.

Research Ethics Lessons from *Havasupai Tribe v. Arizona State University Board of Regents*, Genetics & Ethics in the 21st Century Conference, Estes Park, Colorado, July 23, 2010.

Resolving Issues of Consent to Collect Newborn Blood Spots for Research, Third International Conference for Individualized Pharmacotherapy in Pregnancy, Indiana University School of Medicine, Indianapolis, Indiana, June 7, 2010.

Gene Patenting Litigation Update: *Association for Molecular Pathology v. USPTO*, Predictive Health Ethics Research Consortium, Indianapolis, Indiana, May 17, 2010.

A Closer Examination of Physician Assisted Suicide: Mismanaging the Desire for Dignity, Debate with Compassion and Choices, Indiana University School of Law- Indianapolis, Indianapolis, Indiana, April 6, 2010.

Panelist, Non-Traditional Health Law Careers, Indiana University School of Law- Indianapolis, Indianapolis, Indiana, February 16, 2010.

Federal Regulation of Direct to Consumer Genetic Tests and the Case of Baby Gender Mentor, Predictive Health Ethics Research Consortium, Indianapolis, Indiana, January 25, 2010.

Gene Patents in the Context of *Association for Molecular Pathology v. USPTO*, presentation to Indiana University Bioethics Journal Club, Indianapolis, Indiana, January 14, 2010.

Baby Gender Mentor: FDA's Framework for Direct to Consumer Genetic Tests, The Poynter Center for the Study of Ethics and American Institutions, Bloomington, Indiana, December 10, 2009.

Assent to Research for Adults with Impaired Decision-Making Capacity, Indiana CTSI and Bioethics and Subject Advocacy Program, Indianapolis, Indiana, August 24, 2009.

Revisiting the U.S. Patent and Trademark Office Examination Guidelines for Gene Patents, Predictive Health Ethics Research Consortium, Indianapolis, Indiana, August 17, 2009.

GUEST LECTURES

HIPAA and Health Privacy, Morsani College of Medicine, University of South Florida, June 22, 2026 (MS Program).

Artificial Intelligence in Healthcare, Morsani College of Medicine, University of South Florida, June 1, 2026 (MS Program).

Systems of Law Affecting Healthcare Providers: Understanding Elements of Negligence and Malpractice, University of South Florida Morsani College of Medicine Physician Assistant Program, April 1, 2026.

Research Ethics for Maternal & Child Health, University of South Florida College of Public Health, January 28, 2026.

What is Health Law?, Great American Teach In, Turner Bartels K8 School, November 20, 2025.

Artificial Intelligence in Healthcare: Regulation and Risk, Morsani College of Medicine, University of South Florida, October 13, 2025 (Law & Business Scholarly Concentration).

Human Subjects Research Law, University of South Florida College of Public Health, September 12, 2025.

Systems of Law Affecting Healthcare Providers: Understanding Elements of Negligence and Malpractice, University of South Florida Morsani College of Medicine Physician Assistant Program, March 7, 2025.

Public Health Ethics for Maternal & Child Health, University of South Florida College of Public Health, January 29, 2025.

What is Public Health and Health Law?, Great American Teach In, Turner Bartels K8 School, November 21, 2024.

What is Public Health and Health Law?, Great American Teach In, Temple Terrace Elementary School, November 21, 2024.

Human Subjects Research Law, University of South Florida College of Public Health, September 13, 2024.

Systems of Law Affecting Healthcare Providers: Understanding Elements of Negligence and Malpractice, University of South Florida Morsani College of Medicine Physician Assistant Program, March 1, 2024.

Public Health Ethics for Maternal & Child Health, University of South Florida College of Public Health, January 24, 2024.

Artificial Intelligence in Healthcare: Regulation and Risk, Morsani College of Medicine, University of South Florida, December 6, 2023.

What is Health Law and Bioethics?, Great American Teach In, Turner-Bartels K-8 School, November 16, 2023.

Current Issues in Global Health Law, University of South Florida College of Public Health, November 1, 2023.

Human Subjects Research Law, University of South Florida College of Public Health, September 8, 2023.

What New Physicians Should Know About Florida Abortion Law, Morsani College of Medicine, University of South Florida, August 18, 2023.

Reducing Health Inequities Through Policy (Course Section II), University of South Florida College of Public Health, April 25, 2023.

Reducing Health Inequities Through Policy (Course Section I), University of South Florida College of Public Health, April 24, 2023.

Public Health Ethics for Maternal & Child Health, University of South Florida College of Public Health, January 25, 2023.

Genomics and Public Health Ethics, University of South Florida College of Public Health, January 25, 2023.

Current Issues in Global Health Law, University of South Florida College of Public Health, December 7, 2022.

Legal Issues in Regenerative Medicine, Genetics, and Emerging Technology, University of South Florida School of Physical Therapy and Rehabilitation Science, November 18, 2022.

What is Public Health and Health Law?, Great American Teach In, Turner-Bartels K-8 School, November 17, 2022.

Human Subjects Research Law, University of South Florida College of Public Health, September 9, 2022.

Systems of Law Affecting Healthcare Providers: Understanding Elements of Negligence and Malpractice, University of South Florida Morsani College of Medicine Physician Assistant Program, June 23, 2022.

Medical Ethics Law for New Physicians, University of South Florida Morsani College of Medicine (Medicine and Education Scholarly Concentration), March 28, 2022.

Public Health Ethics for Maternal & Child Health, University of South Florida College of Public Health, February 16, 2022.

What is Public Health and Health Law?, Great American Teach In, Turner-Bartels K-8 School, November 18, 2021.

Vaccine Law and Policy, University of South Florida College of Public Health, October 5, 2021.

Human Subjects Research Law, University of South Florida College of Public Health, September 9, 2021.

Human Subjects Research Law, University of South Florida College of Public Health, September 3, 2021.

Reducing Health Inequities Through Policy, University of South Florida College of Public Health, August 9, 2021 [designed for online course content].

Systems of Law Affecting Healthcare Providers: Understanding Elements of Negligence and Malpractice, University of South Florida Morsani College of Medicine Physician Assistant Program, August 2, 2021.

HIPAA and Occupational Risk, University of South Florida College of Public Health, April 23, 2021 [designed for online course content].

Organizational and Professional Ethics in Public Health, University of South Florida College of Public Health, April 23, 2021 [designed for online course content].

Responsible Conduct of Research and IRBs, University of South Florida College of Public Health, April 23, 2021 [designed for online course content].

Public Health Ethics for Maternal & Child Health, University of South Florida College of Public Health, March 3, 2021.

Public Health Genomics and Ethics, University of South Florida College of Public Health, January 27, 2021.

What is Public Health and Health Law?, Great American Teach In, Turner-Bartels K-8 School, November 19, 2020.

Human Subjects Research Law, University of South Florida College of Public Health, September 25, 2020.

Case Studies in Human Subjects Research: Considerations for Research Involving Children, Indigenous Populations, and Public Health Research, University of South Florida College of Public Health, September 10, 2020.

Case Studies in Human Subjects Research: Considerations for Research Involving Children, Indigenous Populations, and Public Health Research, University of South Florida College of Public Health, September 4, 2020.

Systems of Law Affecting Healthcare Providers: Understanding Elements of Negligence and Malpractice, University of South Florida Morsani College of Medicine Physician Assistant Program, July 17, 2020.

Medical Malpractice: A Primer for New Physicians, University of South Florida Morsani College of Medicine Doctoring Cohort, April 8, 2020.

What is Public Health and Health Law?, Great American Teach In, Turner-Bartels K-8 School, November 21, 2019.

Abortion Law, Medicine and Gender Scholarly Concentration, University of South Florida Morsani College of Medicine, November 5, 2019.

Foundations of Research Ethics Involving Human Subjects, University of South Florida College of Public Health, September 6, 2019.

Systems of Law Affecting Healthcare Providers: Understanding Elements of Negligence and Malpractice, University of South Florida Morsani College of Medicine Physician Assistant Program, July 24, 2019.

Medical Malpractice: A Primer for New Physicians, University of South Florida Morsani College of Medicine Doctoring Cohort, May 7, 2019.

Framing the Research Question: Tools To Identify Red Flag Rhetoric And Decode Bias, University of South Florida College of Public Health, April 19, 2019.

Case Studies in Human Subjects Research: Considerations for Research Involving Children, Indigenous Populations, and Public Health Research, University of South Florida College of Public Health, March 29, 2019.

Foundations of Research Ethics Involving Human Subjects, University of South Florida College of Public Health, February 15, 2019.

Dying to Be Fresh and Clean? Preventable Cancer and Environmentally Mediated Epigenetic Damage, University of South Florida Morsani College of Medicine, Tampa, Florida, May 8, 2018.

What is Public Health and Health Law?, Great American Teach In, Turner-Bartels K-8 School, November 16, 2017.

Dying to Be Fresh and Clean? Preventable Cancer and Environmentally Mediated Epigenetic Damage, University of South Florida Morsani College of Medicine, Tampa, Florida, May 30, 2017.

Panelist, The Role of Law and Ethics in Healthcare Careers, University of South Florida College of Public Health, Tampa, Florida, March 21, 2017.

Zika, Law, and Ethics, University of South Florida College of Public Health, Tampa, Florida, October 28, 2016.

Legal and Ethical Issues in Biobanking: What Can We Learn from the Havasupai Case?, Indiana University School of Medicine, Indianapolis, Indiana, November 16, 2010.

The Intersection of Public Health and Research: Newborn Screening and Research Using Blood Spots, Indiana University School of Medicine, Indianapolis, Indiana, November 9, 2010.

Biological Materials, Data, and Ownership: The Havasupai Case, Indiana University School of Medicine, Indianapolis, Indiana, October 5, 2010.

CONSULTATIONS

DNR Orders and Medically Nonbeneficial Treatment: Model Laws and a Legislative Brief, Consultation and Legislative Materials, Simon's Law, May 2026.

Evaluating Capacity and End of Life Treatment in Florida, Consultation and Memoranda, Advent Health Medical Ethics Committee, August 2023.

Forming a Hospital Ethics Committee, Consultation, Dr. Christine Behan, Bayonet Point Hospital, Hudson, Florida, February 2021.

Legislative Analysis of Pending Vaccine Bills in Massachusetts, Consultation and Policy Memoranda development, Dr. Sylvia Fogel, Massachusetts General Hospital, December 2019.

Continuing Education Module Integrating Florida Law and Medical Ethics Best Practices for Providers, consultation and educational materials development, Florida Hospital Medical Ethics Committee, June 2018.

Provider and Patient Education Relating to Medical Ethics Committee Policies and Procedures, Consultation and Educational Material Development, Florida Hospital Medical Ethics Committee, January-March 2018.

Legal Questions Surrounding Chemical Vector Control in Miami, Consultation, Hall Clinic, July 2017.

Evidentiary and Regulatory Inconsistencies Surrounding FDA's Approval of Breast Implants, Consultation, Smith, Chappel, and Arden PC, May 2017.

End of Life Care Documentation and POLST in Florida, Consultation and Memorandum, Florida Hospital Medical Ethics Committee, May 2017.

Dossier Medical Personnels and e-Health Initiatives Law and Policy in France, Consultation with Memorandum, Indiana University Center for Bioethics, July 2012.

Pharmacogenomics and Personalized Medicine Law and Policy in France, Consultation with Memorandum, Indiana University Center for Bioethics, July 2012.

Biobanking History, Law, and Policy in France, Consultation with Memorandum, Indiana University Center for Bioethics, July 2012.

Human Embryonic Stem Cell Research Law and Policy in France, Consultation with Memorandum, Indiana University Center for Bioethics, July 2012.

Privacy and Security Considerations in Federal and State Law Relating to the Development of Health Information Technology and Using Electronic Health Records for Clinical Care and Research, Consultation and Database Development, Center for Law, Ethics, and Applied Research at Indiana University School of Law- Bloomington, November 2011- January 2012.

Legal and Ethical Issues to Consider Prior to Publicly Posting Tissue Bank Donors' RNA Data, Consultation and Memorandum, Susan G. Komen for the Cure Tissue Bank, October, 2010.

Sherley v. Sebelius: Reviewing NIH's Motion to Stay the Injunction, Consultation with Memorandum, Office of Research Administration, Indiana University School of Medicine, August 2010.

Sherley v. Sebelius: Reviewing the Injunction Against NIH's Guidelines for Human Stem Cell Research, Consultation with Memorandum, Office of Research Administration, Indiana University School of Medicine, August 2010.

Governance Issues to Consider: Surveying Attitudes Toward Newborn Blood Spot Research Use, Consultation, Indiana University Children's Health Services Research, April, 2010- December 2010.

Direct to Consumer Early Fetal Sex Detection Tests: Regulation and Outcomes in the United States, Consultation with Memorandum, InterCultural Resources, New Delhi, India, February 2010.

Attitudinal Bias Statistics and ELSI Issues Related to Direct to Consumer Early Gender Detection Tests and Sex Selection, Consultation with Memorandum, American College of Physicians, January 2010.

Newborn Blood Spot Retention and Research Use and Sample Sharing Policy, Law and Policy Recommendations, Indiana State Department of Health, Indianapolis, Indiana, December 2009- December 2010.

Newborn Blood Spot Retention and Research Use: Legal Issues to Consider for Use in Research Studies, Law and Policy Recommendations, Indiana University Children's Health Services Research, Indianapolis, Indiana, September 2009.

Information Leaks in Genome Wide Association Studies: Implications for Governance Under the Common Rule, HIPAA, and HIPAA Amendments, Law and Policy Recommendations, Department of Informatics, Indiana University-Bloomington, August 2009.

Ethical and Legal Recommendations Regarding Assent to Research for Adults with Impaired Decision-Making Capacity, Law and Policy Recommendations, Indiana CTSI and Bioethics and Subject Advocacy Program, Indianapolis, Indiana, August 2009.

TEACHING

University of South Florida College of Public Health

Professor, August 2023 – current

Associate Professor, August 2020 – current

Assistant Professor, December 2015 – August 2020

Developed new graduate level courses:

- PHC 6934 Genomics, Law & Policy
- PHC 6934 Advanced Genomics: Emerging Ethical, Legal and Policy Issues
- PHC 6934 Bioethics and the Law

Revised curriculum and taught core curriculum graduate level courses:

- PHC 6420 Health Care Law, Regulation, and Ethics
- PHC 6421 Public Health Law and Ethics

Mentored graduate and undergraduate students during their Field Experience, thesis, Capstone, or final project.

- PHC 6945 Advanced Practice Experience (Master's Internship)
- PHC 6977 Integrated Learning Experience (Master's Thesis)
- IDH 4950 Undergraduate Honors Project
- IDH 4970 Undergraduate Honors Thesis

Revised curriculum, taught undergraduate course, built online instructor resources, and served as course supervisor/manager for 20+ course sections annually.

- PHC 4931 Health Care Ethics

University of South Florida Morsani College of Medicine

Co-Director, Law and Medicine Scholarly Concentration

Co-developed and taught lectures each month for medical students on issues intersecting law and medicine over the course each academic year.

Advised and trained students on scholarly research projects including research methods and interdisciplinary research design integrating health law, policy, and ethics for Capstone research projects.

- BMC 6991 and BMC 6992 Scholarly Concentration Program
- Research Mentor, Summer Scholars Program

PROFESSIONAL SERVICE

Service to the Community

- Medical Ethics Committee, Advent Health –Tampa, *Medical Ethicist*, November 2016- present.
- Co-Organizer, Annual Black Robe Day, Collaboration between USF Health and the Thirteenth Judicial Circuit of Florida, August 2017-present.
- Volunteer teacher, Great American Teach In, November 2017- present.
- Judge, Incubate Debate, November 13, 2021.
- COVID-19 Surge Capacity Preparedness Response Team, Advent Health – Tampa, April 2020 –June 2020.
- Preceptor, Spring Career Internship, Tampa Preparatory School, March-May 2018.

- Indiana Biobank, *member of Community Outreach and Engagement Committee*, Indiana University School of Medicine and Indiana Biobank, August 2010- December 2010.

Service to the University

- Member, Executive Committee, University of South Florida College of Public Health, 2025-present.
- Member, Operations Committee, University of South Florida College of Public Health, 2025-present.
- Chair, MHA Curriculum Committee, University of South Florida College of Public Health, 2022-present.
- Chair, Data Safety Monitoring Board, Positively Quit Trial, University of South Florida, 2020-present.
- Chair, Distinguished University Professor Candidate Selection Committee, University of South Florida, 2025-current.
- Member, Distinguished University Professor Candidate Selection Committee, University of South Florida, 2024.
- Member, Faculty Affairs Committee, University of South Florida College of Public Health, 2024.
- USF Artificial Intelligence + X Research Symposium Proposal Reviewer, 2024.
- MHA Faculty Search Committee for Administrative Specialist, University of South Florida College of Public Health, 2023.
- MHA Faculty Search Committee for Director, University of South Florida College of Public Health, 2021-2022.
- Professional Engagement Network Advisory Panel, University of South Florida College of Public Health, *Advisory Board member*, May 2018- present.
- Summer Scholarly Awards, Office of Research, Innovation, and Scholarly Endeavors, Morsani College of Medicine, University of South Florida HEALTH, *Proposal Reviewer* 2017- present.
- Masters of Health Administration Advisory Board, University of South Florida College of Public Health, *member*, December 2015- present.
- Masters of Health Administration Admission Committee, University of South Florida College of Public Health, *member*, October 2018- January 2019.
