

**CURRICULUM VITAE****Olga V Klinkova, MD MS**

Mailing Address:  
CSBI-1 INF DIS  
12902 Magnolia Drive  
Tampa, FL 33612

Phone: (813) 745-8565  
Email: [Olga.Klinkova@moffitt.org](mailto:Olga.Klinkova@moffitt.org)

**EDUCATION:**

Medical School                      Omsk State Medical Academy, 1996-2002  
MD degree

Other degrees:                      University of South Dakota, 2004 – 2006  
MS degree

**Postgraduate Training:**

Fellowship                              University of South Florida, 2015 – 2017  
Infectious Diseases

Residency                              University at Buffalo/SUNY, 2007 – 2010  
Internal Medicine

Residency                              Omsk State Medical Academy, 2002 – 2004  
Internal Medicine

**PROFESSIONAL EXPERIENCE:****Academic Appointments:**

Assistant Member                      Moffitt Cancer Center, November 2018- present  
Department of Internal and Hospital Medicine  
Division of Infectious Diseases

Assistant Professor                      University of South Florida, November 2018- present  
Department of Internal Medicine  
Department of Oncologic Sciences

Assistant Professor                      University of South Florida, 2017 - 2018  
Department of Internal Medicine  
Division of Infectious Disease & International Medicine

Assistant Professor                      University at Buffalo/SUNY, 2010-2014  
Department of Internal Medicine

**Hospital Affiliations:**

Infectious Disease Consultant	Moffitt Cancer Center, Tampa FL, December 2017- present
Infectious Disease Consultant	Tampa General Hospital, Tampa FL, November 2017 November 2018
Academic Hospitalist	Moffitt Cancer Center, Tampa FL, November 2018- June 2020
Academic Hospitalist	Erie County Medical Center, Buffalo, NY, 2010-2013
Academic Hospitalist	Buffalo VA Medical Center, Buffalo, NY, 2013-2014

**Other Professional Experience:**

Research Associate      University of South Dakota, School of Medicine, 2007

**CLINICAL ACTIVITIES AND INNOVATIONS:**

Specialty certifications:

Infectious Disease	Board-Certified 2017-2027
Internal Medicine	Board-Certified 2010-2020

**Professional Licenses:**

FL State Medical License	# ME120307 Issued: June 5, 2004 (expires January 31, 2022)
NY State Medical License	# 266483 Issued: August 30, 2012 (expired October 31, 2017)

**TEACHING**

Site Director, Internal Medicine Clerkship  
Moffitt Cancer Center  
2019- present

Attending Physician teaching Infectious Disease Fellows and Internal Medicine Residents during BMT Infectious Disease and General Infectious Disease rotations at Moffitt Cancer Center  
2019- present

Teaching "Infections in Cancer Patients", University of South Florida College of Nursing  
January 2021, joined lecture with Dr. Aliyah Baluch, MD

Teaching “Cardiovascular Infections: Clinical Correlation” - Course C6T2L24  
University of South Florida School of Medicine  
November 2020

Doctoring Clinical Experience (DCE) Course Preceptor – Course BMS 6825  
University of South Florida  
March 2017- 2020

Attending Physician teaching Internal Medicine Residents and Medical Students during  
Internal Medicine Rotations (IHM Service A and Medicine Consult Service rotations)  
2019- March 2019

Site Coordinator, Medicine Clerkship  
VA Medical Center  
University at Buffalo School of Medicine  
2013- 2014

Course Preceptor, Clinical Practice of Medicine course  
2<sup>nd</sup> year medical students  
University at Buffalo School of Medicine  
2010-2014

Member of House Staff Clinical Competence Evaluation Committee for medical residents  
Department of Medicine University at Buffalo  
2010-2014

## **SCHOLARLY ACTIVITY**

**O. Klinkova**, K. A. Hansen, E. Winterton, C. J. Mark, K. M. Eyster “Two-way communication between endometrial stromal cells and monocytes” *Reproductive Sciences* (2010) 17;2:125-36

K.M. Eyster, **O. Klinkova**, V. Kennedy, K.A. Hansen “Whole genome deoxyribonucleic acid microarray analysis of gene expression in ectopic versus eutopic endometrium” *Fertility and Sterility* (2007) 88; 6:1505-1533

K.M. Eyster, K.A. Hansen, **O. Klinkova** “The effect of monocyte conditioned medium on estrogen and progesterone regulation of gene expression in cultured endometrial stromal cells” *Fertility and Sterility* (2007) 88;Supplement 1: S209

K.M. Eyster, **O.V. Klinkova**, K.A. Hansen “Differential gene expression in the eutopic endometrium of women with endometriosis compared to that of women without endometriosis” *Fertility and Sterility* (2006) 86; Supplement 1: S273-S274

**Book Chapters:**

**Olga Klinkova MD**, Chapter “Pulmonary Infections” in book "Infections in Neutropenic Cancer Patients", published by Springer, 2019

Shylah Moore- Pardo MD, **Olga Klinkova MD**, Chapter “Central Nervous System infections” in book "Infections in Neutropenic Cancer Patients", published by Springer, 2019

Kathleen Eyster, Michelle Booze, Donis Drappeau, **Olga Klinkova**, M. Subeha Rahman, and Connie Mark-Kappeler “ Estrogen and estrogen selective modulators regulate differential gene expression in the liver”, “ Estradiol: Synthesis, Functions and Effectiveness”, 2016

**Oral Presentations/Posters:**

Zola Nlandu, MD, Carlos Perez MD, Aliyah Baluch MD MS, **Olga Klinkova, MD MS (supervising faculty)**, “A Challenging Case of Ureaplasma Urealyticum Septic Arthritis in a Patient with Diffuse Large B-cell Lymphoma”, oral presentation at the Fellows' Day Workshop at IDWeek 2020™, 2020

Ju Hee Katzman MD, Winston Crowell MS-3, Christina Ombres MD, **Olga Klinkova MD**, John Greene MD, “A Rare Cause of Chronic Pneumonia”, Virtual ePoster, presented at ACP conference, May 2020

Vidhya Sabapathy MD, **Olga Klinkova MD**, Joseph Balbona, John Greene MD, “Infectious Complications in Adult Leukemic Patients with Prolonged Neutropenia Undergoing Induction Chemotherapy”, poster presentation for IDWeek 2019™, October 2-6, 2019 at the Walter E. Washington Convention Center, in Washington, DC

**O Klinkova**, S Aslam and R Oehler “A case of severe Clostridium Difficile infection complicated by toxic megacolon successfully treated with combination therapy of oral Vancomycin, intravenous (IV) Metronidazole and IV Tigecycline”, presented at Annual 14<sup>th</sup> Infectious Disease Fellows Forum, April 28<sup>th</sup> 2017, Rochester MN

Morano JP, Paruolo J, **Klinkova O**, Pandya S, Ho M, Dahl J, Aslam S, Toyimbo P, Lapsevic W, Cheung L, Toney J “ Clinical Treatment Outcomes and Prescribing Patterns among Hepatitis C+ and HIV+ Veterans: Implementation Science and Quality Improvement Using Retrospective Cohort Analysis”, presented at VA Research Day, May24th 2016

K.M. Eyster, M. Booze, D.D. Drappeau, **O. Klinkova** and C. Mark-Kappeler. Estrogen and Selective Estrogen Receptor Modulators Regulate Gene Expression in the Liver. Endocrine Society, 96th Annual Meeting and Expo, June 2014, Oral Presentation by Dr. K.M. Eyster, PhD.

**O.V. Klinkova.** Healthcare Professions Conference for 7th graders. ECMC Healthcare Workshops (2009)  
Buffalo Science Museum, Buffalo, New York.

**O.V. Klinkova,** K.A. Hansen, D.D. Drappeau, K.M. Eyster “Real-time RT-PCR analysis of gene expression in normal and ectopic endometrium in women with endometriosis”, poster presentation.  
Annual Meeting, Society for the Study of Reproduction (2006), Omaha, Nebraska.

**O.V. Klinkova,** K.A. Hansen, D. D. Drappeau, K.M. Eyster “Real-time RT-PCR analysis of gene expression in normal and ectopic endometrium in women with endometriosis”  
Frontiers in Women's Health: Pioneering Researchers in South Dakota (2006). Sioux Falls, South Dakota

**O.V. Klinkova** “Real-time RT-PCR analysis of gene expression in normal and ectopic endometrium in women with endometriosis”  
Graduate Student Research Forum (2006). Vermillion, South Dakota.

#### **INVITED PRESENTATIONS:**

Guest Speaker – IHM Lecture – March 2, 2020 – CAP: Update in Diagnosis and Management

Guest Speaker – IHM Lecture – January 8, 2020 – Urinary Tract Infections

Guest Speaker – IHM Lecture – November 4, 2019 – Antibiotics: Basics and a little beyond

Guest Speaker – IHM Lecture – October 14, 2019 – Urinary Tract Infections

Guest Speaker – IHM Lecture – August 21, 2019 – Meningitis Encephalitis Diagnosis and Management

Guest Speaker – IHM Lecture – July 18, 2019 – Management of Community and Hospital Acquired Pneumonia

Guest Speaker – Northside Combined ID Conference – October 23, 2019 – CAP: Updates on Diagnosis and Management

#### **Grand Rounds:**

“Optimization of Diagnosis and Treatment of Urinary Tract Infections- Antibiotic Stewardship Program (SMART) initiative In Moffitt Urgent Care”, Moffitt Cancer Center, hospital-wide grand Rounds (January 2021), Tampa, FL

“Antimicrobial prophylaxis in Neurosurgery”, University of South Florida Department of Neurosurgery and Brain Repair (May 2018), Tampa, FL

**AWARDS/GRANTS**

Outstanding Infectious Disease Fellow Award, James A. Haley Veterans Hospital, Tampa, Florida (2017)

University at Buffalo Department of Medicine Young Faculty Teaching Award (2013)

“J. Frederic Paiton, MD” Resident Teaching Award (2010)  
University at Buffalo Department of Medicine/SUNY

“Philip Goldstein, MD Memorial Housestaff Award” for Demonstrating the Highest Degree of Humanitarianism in Patient Care (2009)  
University at Buffalo Department of Medicine/SUNY

Frontiers in Women's Health: Pioneering Researchers in South Dakota, third place award among student presentations (2006), University of South Dakota

Graduate Student Research Grant (2005)  
University of South Dakota

**COMMITTEES/EXTRACURRICULAR ACTIVITY**

Member of Moffitt GME Subcommittee on Trainee Wellness, August 2020- present

Member of Moffitt Cancer Center Antimicrobial Stewardship Committee  
November 2019- present

Member of Tampa General Hospital Antimicrobial Subcommittee  
February 2018- November 2018

Member of the Committee for Medical Graduates (2003-2004), Omsk State Medical Academy, Ministry of Health, Russia

**MEMBERSHIP IN PROFESSIONAL SOCIETIES**

American College of Physicians (2007-2010, 2019- present)  
Society of Hospital Medicine (2011- 2015, 2019- 2020)  
Infectious Diseases Society of America: IDSA (2015- 2018)
