

Curriculum Vitae

Kevin B. Sneed, Pharm.D.
12901 Bruce B. Downs Blvd.
MDC 30
Tampa, Fl 32612
(813) 974-5699
ksneed@health.usf.edu

OBJECTIVE

Provide Curriculum Vitae to display enhanced administrative, clinical, scholarly, and educational skills.

PROFESSIONAL

University of South Florida / USF Health
Senior Associate Vice-President- January 2014 - present

University of South Florida College of Pharmacy
Founding Dean- November 1, 2009- present
University of South Florida: Tenure- earned 08/ 2008

University of South Florida College of Medicine
Department of Family Medicine- Associate Professor
Division of Clinical Pharmacy- Assistant Dean, Clinical Director
(May 1, 2007- October 2009)
University Tenure- earned 08/ 2008

Florida A&M University College of Pharmacy and Pharmaceutical Sciences (1999 – 2007); Associate Professor (promoted 8/2004)
Division of Pharmacy Practice
• Ambulatory Care Clinical Coordinator (2004- 2007)
University Tenure- earned 08/ 2006

University of South Florida College of Medicine,
Clinical Professor, Visiting Professor Status. (1999-April 30, 2007)
Team Pharmacist, USF Athletic Department (February 2004-present)

Licensure- State of Florida Department of Health
Registered Pharmacist
License Number – PS 33669; Valid through 10/2015
Registered Consultant Pharmacist
License Number- PU 6389; Valid through 12/2014

EDUCATION/ LEADERSHIP TRAINING

Leadership Florida – “Class 30”

Graduated Summer 2012

USF Health Leadership Institute- Fellow

Graduated January 2010

Group Project “Developing a School of Pharmacy”

- Business Plan development; marketing strategies, student and faculty recruitment strategies

Post-Graduate Professional Training

Primary Care Pharmacy Resident (ASHP Accredited)

Bay Pines Veterans Administration Medical Center

Completion Date- July 1999

Academic

Xavier University of Louisiana College of Pharmacy

Doctor of Pharmacy

Graduation Date- May 1998

University of Central Florida

Bachelor of Science

Major: Biology, *Concentration- Microbiology*

Graduation Date- December 1992

PROFESSIONAL COMMITTEES

American Association of Colleges of Pharmacy (AACP)

Council of Deans Taskforce on Collaborations with State
Pharmacy Organizations

July 2013 - Present

American Heart Association

Chair- Cultural Health Initiative Committee

AHA- Great Southeast Affiliate

May 2010 - 2013

National Pharmaceutical Association

Policy, Bylaws, and Vision Committee 2008 – present

American Heart Association- Florida/ Puerto Rico Affiliate

Policy Committee Member, 2006-2009

Florida Pharmacy Association

Legislative Committee Member, 2003-2005

ACADEMIC/ ADMINISTRATIVE

University of South Florida College of Pharmacy/ USF Health (2009 – present)

- Founding Dean
- Development strategic vision for the College of Pharmacy (COP)
- Developed the 10-year budget for the COP
- Initial hiring of administrative team
- Lead accreditation initiatives (2010- present)
- Creation of academic entrepreneurial model for student achievement and faculty development
- Participation with USF Physicians Group in clinical affairs
- Interdisciplinary interactions with USF entities (Colleges of Engineering, Business, Art & Sciences, USF Athletics)
- Creating Tampa Bay economic development opportunities for the COP
- Successful endowment of scholarship for COP

University of South Florida College of Medicine/ USF Health (2007 – November 2009) Assistant Dean, Clinical Director, Division of Clinical Pharmacy/ USF College of Medicine Associate Professor, Department of Family Medicine

- Program Director - USF Doctor of Pharmacy Degree program development
 - Successful acceptance of USF Doctor of Pharmacy doctoral degree proposal
 - Accepted by FL BOG- January 29, 2009
 - Author - **USF Doctor of Pharmacy Degree proposal submission to Florida Board of Governors**
 - Curriculum development for Doctor of Pharmacy degree program
 - Successfully guided doctoral submission to *acceptance* by Florida Board of Governors- **January 29, 2009**
 - Guided proposal to acceptance by USF Board of Trustees- June 2008 (presentation provided)
 - Guided proposal to acceptance by USF Graduate Education Council- February, 2008 (presentation provided)
 - Completed initial draft proposal document; submitted to University President September 7, 2007
 - Guided proposal to acceptance by USF Graduate Executive Curriculum Committee- August 2007 (presentation provided)
 - Personal meetings with key Florida legislators, members of FL Board of Governors, Tampa Chamber of Commerce
 - Developed inter-professional collaborations among academic units at University of South Florida
 - USF Health - College of Medicine: Educational Affairs Office, Department of Molecular Pharmacology and Physiology
 - USF Health - College of Nursing
 - USF Health - College of Public Health
 - USF Department of Chemistry
 - USF Health, Office of Graduate Studies
 - USF Honors College
 - Established collaborations with area hospital pharmacy departments, clinics
 - Recruited Tampa Bay area clinical pharmacists as visiting professors- USF Division of Clinical Pharmacy

- Developed collaborations/ advocacy from seven Tampa Bay area-teaching hospitals to support Doctor of Pharmacy program at USF
 - Tampa General Hospital
 - Moffitt Cancer Center
 - James A Haley VA Medical Center
 - St. Joseph's Hospital
 - Bay Pines VA Medical Center
 - Bayfront Medical Center
 - Morton Plant Mease Hospital
 - Established industry partnerships with pharmacy companies (retail, mail-order, independent)
 - Established relationships with various pharmaceutical-related companies (informatics, pharmaceutical industry)
- Clinical Pharmacy Director, Anticoagulation Clinic, Medication Management Clinic, Metabolic Disorders Clinic- USF Family Medicine
- Clinical Director, Consultant Pharmacist of Record, Pharmacy Service, Morsani Center for Advanced Healthcare (Licensed Consultant Pharmacist), 2007 - present
- Consultant Pharmacist of Record, Pharmacy Service USF Dialysis Center (Licensed Consultant Pharmacist), 2007 - 2009
- Coordinator - Clinical Research activities, particular emphasis on clinical trial and translational research- 2007 - present
- Development of academic programs emphasizing the principles of pharmaceutical management and pharmaceutical care

ACADEMIC/ TEACHING

Clinical Instructor – Professional/ Undergraduate Students- Provide Didactic Lectures to the following students (2000 - **PRESENT**)

- University of South Florida College of Medicine
 - Medical Students- 2nd, 3rd year
 - MS II- Medication Approval Process/ Prescription Writing
 - MS III- Hypertension, Community Acquired Pneumonia, Soft Skin/ Structure Infections
 - Orthopedic/ Athletic Training Students- Undergraduate
 - USF College of Nursing, Doctor of Nursing Practice (DNP) Students
 - AHEC- PSEP Students
- FAMU College of Pharmacy Students- Clinical preceptor, topic discussions (1998-2007)

Clinical Adjunct Faculty, Ambulatory Care Preceptor, FAMU College of Pharmacy- Tampa Division (2007 – 2009)

- Train Doctor of Pharmacy candidates in clinical disease-state management, evidence-based medicine, and ambulatory principles of pharmacist-directed primary care
- Teach research principles, presentation techniques, and academic advisement for FAMU Doctor of Pharmacy candidates

Field Experience Program Preceptor/ Instructor, USF College of Public Health (2004 - Present)

- Provided field experience for Master's of Public Health students; students developed community outreach programs associated with health disparities project (IN-SCHAPE)
- Assessed final project assignments for field experience program; utilized documents developed as part of community outreach program by MPH students.

Associate Professor, Ambulatory Care Clinical Coordinator / Ambulatory Care Clinical Professor FAMU Pharmacy Practice Division- Tampa Branch (1999- 2007)

- Coordinated Professional Experiential Ambulatory Clinical program for students; liaison for adjunct clinical professors/ instructors.
- Curriculum Committee member- 2000 - 2007
- Train Doctor of Pharmacy candidates in clinical disease-state management, evidence-based medicine, and ambulatory principles of pharmacist-directed primary care
- Teach research principles, presentation techniques, and academic advisement for FAMU Doctor of Pharmacy candidates

Clinical Instructor, Visiting Professor, University of South Florida College of Medicine (August 1999- April 2007)

- Provide pharmacotherapy clinical instruction to medical students, nurse-practitioner students (USF College of Nursing), and physician-assistant students (University of Florida) in USF Family Medicine
- Provide didactic lecture on “ Practical Approach to Hypertension” to third-year medical students

Clinical Faculty, Ambulatory Care Preceptor, Tampa General Hospital Pharmacy Practice Residency (2000- 2005; 2007 – present)

- Trained Pharmacy Practice Residents in advanced techniques of pharmacist-directed disease-state management
- Train Residents to appropriately instruct professional pharmacy students

Clinical/ Professional Development

- USF Health **Leadership Institute** – Class of 2010
- Participant- Johns Hopkins University School of Medicine Lipid Disorders Training Center (2001-2003, 2005, 2006, 2008)
 - Advanced Lipidology training provided by national and world leaders in Human Lipid Disorders
 - Provided foundational knowledge to assist creation of USF Department of Family Medicine Pre-Diabetes Center; clinical research proposals; and Department of Family Medicine- Statin-Induced Myalgia Clinic
- Loyola University Leadership Seminar Series- annual attendance (1995- 1998)

CLINICAL MANAGEMENT

- **Director, Research Pharmacy, USF Office of Clinical and Translational Research**
 - Developed and implemented research pharmacy activities for USF Clinical Trials Researchers
 - Developed policies and procedure for research pharmacy; attained materials and resources; recruited clinical trials researchers to utilize centralized research pharmacy

- **Clinical Pharmacotherapist, University of South Florida Department of Family Medicine**
 - Coordinator, Anticoagulation Management Clinic, Medication Management Clinic (Diabetes, Hypertension, Hyperlipidemia, Compliance management)
 - Developed, initiated Pharmacist-managed clinics in family medicine clinic
 - Developed Clinical-management protocols, utilizing Florida State Pharmacy statues (Rule 64B16-27.830 Standards of Practice - Drug Therapy Management Protocol)
 - Developed Reimbursement Schedule for Pharmaceutical Care Services- services have been reimbursed since April 2000.

- **Clinical Pharmacy Services- Specialty/ Entrepreneurial**
 - USF Hemophilia Center Pharmacy- In Development
 - USF Clinical Research Pharmacy- Completed
 - USF IHI- patient safety program development; collaboration with Informatics companies

- **University of South Florida College of Medicine, Department of Family Medicine, Pre-Diabetes Clinic (2001- 2005)**
 - Assisted the initiation of the USF Pre-Diabetes Clinic, one of the first in the country aimed at prevention of diabetes.
 - Research-based clinical care is provided to patients diagnosed with cardiac metabolic syndrome.
 - Assisted the development of protocols for clinical research and clinical management of patients.

- **University of South Florida College of Medicine, Department of Cardiology, Cardiomyopathy Clinic (2001 – 2005)**
 - Providing services as a clinician and consultant to USF Health- Cardiology Cardiomyopathy Clinic.
 - Provide pharmacotherapy expertise in clinical medication management of Congestive Heart Failure patients.
 - Professional role modeling teaching opportunity for FAMU Doctor of Pharmacy students to be exposed to interdisciplinary clinical research and pharmaceutical clinical management.

- **Team Pharmacist, University of South Florida Athletic Department (2003 – present)**
 - Provide clinical consultation to team physicians and athletic trainers; clinical pharmacotherapy management of USF NCAA collegiate athletes
 - Provide Pharmaceutical didactic sessions to athletic trainer students.
 - Mentor for select NCAA athletes

PUBLICATIONS

Publications In Print (Peer- Reviewed):

1. **Plasma and Brain Pharmacokinetics of Previously Unexplored Lithium Salts** A. J. Smith, S. Kim, J. Tan, K. B. Sneed, P. R. Sanberg, C. V. Borlongan and R. D. Shytle, *RSC Adv.*, 2014, DOI: 10.1039/C3RA46962J

2. **Gene Network Analysis in Amygdala following Taste Aversion Learning in Rats** Siva K. Panguluri, Nobuyuki Kuwabara, Nigel Cooper, Srinivas M. Tipparaju, Kevin B. Sneed, and Robert F. Lundy *Neuroscience Journal*, Volume 2013 (2013), Article ID 739764, 13 pages
3. **Hyperoxia Induced Hypertrophy and Ion Channel remodeling in Left Ventricle.** Panguluri SK, Tur J, Fukomoto J, Deng W, Sneed KB, Kolliputi N, Bennett ES, Tipparaju SM. *Am J Physiol Heart Circ Physiol*. 2013 Apr 12.
4. **Designing a Community-Based Lay Health Advisor Training Curriculum to Address Cancer Health** Clement K. Gwede, Atalie A. Ashley, Kara McGinnis, F. Alejandro Montiel-Ishino, Maisha Standifer, Julie Baldwin, Coni Williams, Kevin B. Sneed, Deanna Wathington, Lolita Dash-Pitts and B. Lee Green published online 14 September 2012 *Health Promot Pract*
5. **Proteomic response to acupuncture treatment in spontaneously hypertensive rats.** Lai X, Wang J, Nabar NR, Pan S, Tang C, Huang Y, Hao M, Yang Z, Ma C, Zhang J, Chew H, He Z, Yang J, Su B, Zhang J, Liang J, Sneed KB, Zhou SF. *PLoS One*. 2012;7(9):e44216. Epub 2012 Sep 12.
6. **An Innovative Approach for Community Engagement: Using an Audience Response System** Davis JL, McGinnis KE, Walsh ML, Williams C, Sneed KB, Baldwin JA, Green BL.. *Journal of Health Disparities Research and Practice*: 2012, Vol. 5: Iss. 2, Article 1
7. **Herb-Drug Interactions and Mechanistic and Clinical Considerations** Xiao-Wu Chen, Kevin B. Sneed, Si-Yuan Pan, Chuanhai Cao, Shu-Feng Zhou *Current Drug Metabolism*, 2012, Vol. 13, No. 5 640-651
8. **Computational and in vitro studies on the inhibitory effects of herbal compounds on human cytochrome P450 1A2.** Yang LP, Zhou ZW, Chen XW, Li CG, Sneed KB, Liang J, Zhou SF. *Xenobiotica*. 2011 Oct 4.
9. **Clinical Herbal Interactions with Conventional Drugs: From Molecules to Maladies.** Chen XW, Serag ES, Sneed KB, Liang J, Chew H, Pan SY, Zhou SF. *Curr Med Chem*. 2011 Sep 15.
10. **Pharmacokinetic profiles of anticancer herbal medicines in humans and the clinical implications.** Chen XW, Sneed KB, Zhou SF. *Curr Med Chem*. 2011;18(21):3190-210. Review.
11. **Ligand- and Protein-Based Modeling Studies of the Inhibitors of Human Cytochrome P450 2D6 and a Virtual Screening for Potential Inhibitors from the Chinese Herbal Medicine, Scutellaria Baicalensis (Huangqin, Baikal Skullcap)** Sui-Lin Mo, Wei_feng Liu, Yuling Chen, Hai-Bin Luo, Lai-Bao Sun, Xiao-Wu Chen, Zhi-Wei Zhou, Kevin B. Sneed, Chun Guang Li, Yao-Min Du, Jun Liang, and Shufeng Zhou. *Combinatorial Chemistry & High Throughput Screening*, 2011 Aug 17.

12. **Herbal bioactivation, molecular targets and the toxicity relevance**
Xiao-Wu Chen, Erini S. Serag, Kevin B. Sneed, Shu-Feng Zhou
Chemico-Biological Interactions 2011 March (In Press) PMID: 21459083
13. **A cluster-randomized effectiveness trial of a physician-pharmacist collaborative model to improve blood pressure control** Carter BL, Clarke W, Ardery G et al. *Circulation: Cardiovasc Qual Outcomes* 2010;3:418-423. (*Site Principal Investigator- PBRN acknowledgement*)
14. **Combination Antibiotics as a Treatment for Chronic *Chlamydia*-Induced Reactive Arthritis** Carter JD¹, Espinoza LR², Inman RD³, Sneed KB⁴, Ricca LR¹, Vasey FB¹, Valeriano J¹, Stanich JA⁵, Oszust C⁵, Gerard HC⁵, Hudson AP⁵. *Arthritis & Rheumatism*. 62(5):1298-307, 2010 May
15. **Formation of a primary care pharmacist practice-based research network**
Dickerson LM, et al – *American Journal of Health-System Pharmacy*- Vol 64, No 19: 2004-9, Oct 1, 2007 (*Site Principal Investigator- PBRN acknowledgement*)
16. **MRSA Nasal Colonization in Professional Football Athletes.** Coris, E, et al., Sneed, KB- Accepted by *Clinical Journal of Sports Medicine*- 2006 (Not released by National Football League, Inc {NFL} for distributive publication)
17. **Atherosclerosis: Assessment of Biochemical Predictors and Corresponding Therapies.** George, A and **Sneed KB** – *US Pharmacist*- Vol 30, No. 2, February 2005
18. **Use and Utility of a Community Health Screening.** Young Y., Jones A, Sneed KB, - *Florida Pharmacy Today*- Vol 67, No. 11, November 2004
19. **Acute Congestive Heart Failure Induced by Rofecoxib.** Robert J. Campbell and **Kevin Sneed**, - *Journal of the American Board of Family Practice*- Vol. 17, No. 2, March 2004
20. **Compliance with Recommendations for Lipid Management among Patients with Type 2 Diabetes in an Academic Family Practice.** Gavin Putzer, Richard Roetzheim, Arnold M. Ramirez, **Kevin Sneed**, H. J. Brownlee, Jr, and Robert J. Campbell. *Journal of the American Board of Family Practice*- Vol. 17, No. 2, March 2004
21. **Prevalence of Patients with Type 2 Diabetes Mellitus Reaching the American Diabetes Association's Target Guidelines in a University Primary Care Setting.** Gavin Putzer, Richard Roetzheim, Arnold M. Ramirez, **Kevin Sneed**, H. J. Brownlee, Jr, and Robert J. Campbell. *Southern Medical Journal*- Vol. 97, No. 2, February 2004

22. **The Research Follies. Sneed KB, Roetzheim RJ-** *Florida Pharmacy Today- Vol 66, No. 11, November 2003*
23. **Enfuvirtide: A Novel Agent for Inhibiting the Entry of HIV-1 into Immune Cells.** Eraikhuemen N, Branch III E, Boston N, Honeywell M, **Sneed KB - P&T, Vol. 28 No. 9, September 2003.**
24. **Sneed, KB, and Gonzalez, E. Diabetes Mellitus Induced by Atypical Antipsychotics.** *Journal of the American Board of Family Practice, Vol. 16 No.3 May-June 2003.*
25. **Herold A, Sneed KB, Treatment of a Young Adult Taking Gamma Butyrolactone (GBL) in a Primary Care Clinic.** *The Journal of the American Board of Family Practice- Vol. 15 No. 2 Mar-Apr 2002.*
26. **Assessment of the Pharmacist's Knowledge Concerning Herbal Products.** Scrivens J, Clayton R D, Braun W, Branch E, **Sneed K B** *Florida Journal of Health Systems Pharmacy, 18 (4), April 2001.*
27. **How Prepared are Pharmacists for Counseling Asthma Patients.** Houg H, Ho V, Luong T, **Sneed K**, Scrivens J *Florida Journal of Health Systems Pharmacy, 18 (2), August 2000.*

Abstracts/ Poster Presentation (Peer reviewed- Published/ Accepted)

1. **Identification of Novel Biomarkers in Clinically Important Diseases and Pharmacotherapy Using the Metabolomics Approach**, September 22-24, 2011, University of South Florida, Tampa FL Authors: Ruijuan Luo, Jiazhi Sun, Chuanhai Cao, Kevin B. Sneed, and Shu-Feng Zhou
2. **A Computational Prediction of microRNAs that Regulate Human Cytochrome p450 genes**, 1st Annual International Conference on Translational & Clinical Pharmacogenomics, September 22-24, 2011, University of South Florida, Tampa FL Authors: Zhi-Xin Wang, Kevin B. Sneed, Shu-Feng Zhou
3. **Developing a network of Community Research Councils to promote and facilitate clinical prevention trial participation in medically underserved populations**, Fourth AACR Conference on The Science of Cancer Health Disparities in Racial/Ethnic Minorities and the Medically Underserved, *Atalie Ashley-Gordon, BA, Kevin Sneed, PharmD, Julie Baldwin, PhD, and Maisha Kambon, MPH*
4. **Fostering an Inter-Professional Culture: Development of Shared Services Model for Interdisciplinary Delivery of Student Affairs Programming**, 2011 AACP Annual Meeting in San Antonio, TX **Authors:** *Kevin Sneed, Heather Petrelli, Joann Strobe, Alicia Monroe, William Quillen, Rita D'Aoust, Jennifer Moyer*

5. **Mexican migrant men, "illegality" and cancer health disparities: No access to health allowed** 138th APHA Annual Meeting (November 6-10, 2010) in Denver, CO
Francisco Alejandro Montiel-Ishino, BS, Kara McGinnis, BA, Miranda Holloway, BS, Julie Baldwin, PhD, Deanna Wathington, MD, MPH, FAAFP, Kevin Sneed, PharmD, B. Lee Green, PhD, MEd and Maisha Kambon, MPH
6. **An Evaluation of the Utility of PBMC PCR Testing for Chlamydia in Subjects with Suspected Chronic Chlamydia-Induced Reactive Arthritis** Carter JD, Espinoza LR, Inman RD, Sneed K, Ricca L, Valeriano J, Vasey FB, Oszust C, Snelgrove J, Hudson AP; American College of Rheumatology Scientific Meeting, Boston, MA November 2007
7. **Synovial Tissue PCR Analysis for Chlamydia in Subjects with Suspected Chronic Chlamydia-Induced Reactive Arthritis: An Evaluation of Predictive Factors.** Carter JD, Espinoza LR, Inman RD, Sneed K, Ricca L, Valeriano J, Vasey FB, Oszust C, Snelgrove J, Gerard H, Hudson AP; American College of Rheumatology Scientific Meeting, Boston, MA November 2007
8. **Screening of Men for Osteoporosis in a Primary Care Setting.** Zwygart K, Roetzheim R, Sneed KB, Kotun D, Gonzalez E North American Primary Care Research Group (NAPCRG) 2007 Annual Meeting Vancouver, British Columbia, October 2007 (Poster/ Panel presentation)
9. **Screening of Men for Osteoporosis in a Primary Care Setting.** Zwygart K, Roetzheim R, Sneed KB, Kotun D, Gonzalez E Florida Academy of Family Physicians Annual Meeting, Family Medicine Research Poster Presentation- Florida Academy of Family Physicians Destin, FL November 11, 2006
10. **Assessing Cardiovascular Risks in Minority Adult Populations for the Purpose of Lifestyle Intervention- The IN-SHAPE Project (The Inter-collaborative Students Health Assessment Project and Evaluation)** Olivera D, Fortune G, Hinmon K, Johnson A, Pagan L, Wathington D, Ziboh A, Sneed KB* Florida Society of Health-Systems Pharmacists (FSHP) *Orlando, FL June, 2007* (Poster presentation)- *Awarded 1st place*
11. **Assessing Cardiovascular Risks in Minority Adult Populations for the Purpose of Lifestyle Intervention- The IN-SHAPE Project (The Inter-collaborative Students Health Assessment Project and Evaluation)** Sneed KB*, Graham RR, Parker VM, Wheeler KM, Wray CC, Wathington D American Society of Health-Systems Pharmacists (ASHP)- Midyear Clinical Meeting, *Anaheim, CA December 4, 2006* (Poster presentation)
12. **Assessment of lipoprotein sub-fractions in ethnic underserved community populations** Sneed, K*, Smalls, T.; Patel, B.; Nakhla E.; Williams, M.; American Society of Health-Systems Pharmacists (ASHP)- Midyear Clinical Meeting, *Anaheim, CA December 4, 2006* (Poster presentation)
13. **The African-American Insulin Resistance Syndrome Study (AAIRS).** L.Toombs, L. Hudson, B. Cristwell, L. Barnes, K. Sneed American Society of Health-Systems Pharmacists (ASHP)- Midyear Clinical Meeting, *Las Vegas, NV December 5, 2005* (Poster presentation)

14. **African-American Insulin Resistance Syndrome**
Sneed K., Barnes L, Cristwell B, Hudson L, Toombs L
American Society of Health-Systems Pharmacists (ASHP)- Midyear Clinical Meeting, Orlando, FL December 4, 2004 (Poster presentation)
15. **Assessment of Health-Practitioner Screening Procedures for Juvenile Type 2 Diabetes**
Reginald LaFleur, Leslie Wagner, David Kotun, Kevin B. Sneed
American Society of Health-Systems Pharmacists (ASHP)- Midyear Clinical Meeting, Orlando, FL December 4, 2004 (Poster presentation)
16. **Availability and assessment of written patient education concerning sexually transmitted diseases in community pharmacies**
Thompson J, Kazaleh F, Bailey R, Gainer E, Sneed K
American Society of Health-Systems Pharmacists (ASHP)- Midyear Clinical Meeting, Orlando, FL December 4, 2004 (Poster presentation)
17. **Assessment of Employee Wellness and Risk for Cardiovascular Disease**
Fadeyi K, Jackson C, Simmons A, Sneed K, Huttenhower A
American Society of Health-Systems Pharmacists (ASHP)- Midyear Clinical Meeting, Orlando, FL December 4, 2004 (Poster presentation)
18. **Assessment of Cardiovascular Risk Factors Associated with Hyperlipidemia in HIV Patients Receiving HAART** Lovel KA, Powers CT, Sneed KB*
American Society of Health-Systems Pharmacists (ASHP)- Midyear Clinical Meeting, New Orleans, LA December 6, 2003 (Poster presentation)
19. **Assessing Cardiovascular Risks in Minority Adult Populations For the Purpose of Lifestyle Intervention** Dalia R. Crawford, PharmD Candidate; Kervin B. Mack, PharmD Candidate; Kevin B. Sneed, PharmD American Society of Health-Systems Pharmacists (ASHP)- Midyear Clinical Meeting New Orleans, LA December 6, 2003 (Poster presentation)
20. **The “PHAT” Study: Prediction of Heart Attack using Total Cholesterol/HDL ratio**
Davis, ND., Simpson, KI., Sneed, KB* American Society of Health-Systems Pharmacists (ASHP)- Midyear Clinical Meeting
New Orleans, LA December 6, 2003 (Poster presentation)
21. **Assessment of Cardiovascular Risk Factors Associated with Hyperlipidemia in HIV Patients Receiving HAART** Lovel KA, Powers CT, Sneed KB*
American Society of Health-Systems Pharmacists (ASHP)- Midyear Clinical Meeting, New Orleans, LA December 6, 2003 (Poster presentation)
22. **Assessment of dyslipidemia and metabolic anomalies among professional football players** Fisher DT, Smith TR*, Sneed KB, Ben-Aquaah J
Florida Society of Health-Systems Pharmacists (FSHP)
Orlando, FL June, 2003 (Poster presentation)

23. **The “PHAT” study: Prediction of Heart Attack using Total Cholesterol/ HDL ratio** Fisher DT, Smith TR*, Sneed KB, Ben-Aquaah J
Florida Society of Health-Systems Pharmacists (FSHP)
Orlando, FL August, 2002 (Poster presentation)
24. **Assessing the incidence of Abnormal PSA/DRE Exams from a Community Health Screen** Sneed KB, Jones AJ, Young Y
American Society of Health-Systems Pharmacists (ASHP)- Midyear Clinical Meeting, Atlanta, GA December 4, 2002 (Poster presentation)
25. **Assessment of Physician Screening Procedures for Juvenile Type 2 Diabetes** Marissa C. Guevara, Carmen L. Wise, Dr. Kevin B. Sneed
Florida Society of Health-Systems Pharmacists (FSHP)
Orlando, FL August, 2002 (Poster presentation)
26. **Pre-diabetes Endpoints and Education Project (PEEP)**
Kevin B. Sneed Pharm.D, Andenika Clement, Lelia Williams
Florida Society of Health-Systems Pharmacists (FSHP)
Orlando, FL August, 2002 (Poster presentation)
27. **The Risk and Prevalence of Cardiac Metabolic Syndrome in an African American Community (19)** Kevin B. Sneed Pharm D, Dawn Glass, Shay Phillips
Florida Society of Health-Systems Pharmacists (FSHP)
Orlando, FL August, 2001 (Poster presentation)
28. **Monotherapy Versus Combination Therapy in Achieving Desired Hemoglobin A1c values in Type 2 Diabetics** Sneed KB, King SA, Ellis JD
Florida Society of Health-Systems Pharmacists (FSHP)
Orlando, FL August, 2001 (Poster presentation)- *Awarded 1st place*
29. **Monotherapy Versus Combination Therapy in Achieving Desired Hemoglobin A1c values in Type 2 Diabetics** Sneed KB, King SA, Ellis JD
American Society of Health-Systems Pharmacists (ASHP)- Midyear Clinical Meeting, New Orleans, LA December , 2001 (Poster presentation)
30. **The Risk and Prevalence of Cardiac Metabolic Syndrome in an African American Community (19)** Kevin B. Sneed Pharm D, Dawn Glass, Shay Phillips
American Society of Health-Systems Pharmacists (ASHP)- Midyear Clinical Meeting, New Orleans, LA December, 2001 (Poster presentation)
31. **Screening, Prevention, and Treatment of Type 2 Diabetes (SP65)**
Darrell McGee, Juanita Wilson, Kevin B. Sneed Pharm D
American Society of Health-Systems Pharmacists (ASHP)- Midyear Clinical Meeting, New Orleans, LA December, 2001 (Poster presentation)
32. **Lipid Assessment in Patients with Multiple Risk Factors**
Kevin Sneed, Pharm.D., Daniels D, Dexter L
American Society of Health-Systems Pharmacists (ASHP)- Midyear Clinical Meeting, New Orleans, LA December, 2000 (Poster presentation)

33. Assessment of patient and providers perceptions of geriatric polypharmacy

Kevin Sneed, Pharm.D., Hayes CN, Stewart KS
American Society of Health-Systems Pharmacists (FSHP)
Orlando, FL December, 2000 (Poster presentation)

34. Perceptions and Attitudes Of Pharmacists and Patients Toward Expired Medications

Tayanna Marr, Joel Rios, Kevin Sneed, Pharm.D.,
Florida Society of Health-Systems Pharmacists (FSHP)
Orlando, FL August, 2000 (Poster presentation)

35. Lipid Assessment in Patients with Multiple Risk Factors

Kevin Sneed, Pharm.D., Daniels D, Dexter L
Florida Society of Health-Systems Pharmacists (FSHP)
Orlando, FL August, 2000 (Poster presentation)

36. Assessment of patient and providers perceptions of geriatric polypharmacy

Kevin Sneed, Pharm.D., Hayes CN, Stewart KS
Florida Society of Health-Systems Pharmacists (FSHP)
Orlando, FL August, 2000 (Poster presentation)

37. Perceptions and Attitudes Of Pharmacists and Patients Toward Expired Medications

Tayanna Marr, Joel Rios, Kevin Sneed, Pharm.D.,
West Virginia University School of Pharmacy, Morgantown, WV
October 14, 2000 (Abstract & Poster Presentation)

Presentation of Papers/Major Speeches:

1. "Photo-Novellas: A method to educate low-literate and underserved populations"
138th APHA Annual Meeting (November 6-10, 2010) Denver, CO. **Miranda Holloway, BS**, Francisco Alejandro Montiel-Ishino, BS, Kara McGinnis, BA, Margarita Romo, Johnetta Goldsmith, MA, Maisha Kambon, MPH, Julie Baldwin, PhD, Deanna Wathington, MD, MPH, FAAFP, Kevin Sneed, PharmD and B. Lee Green, PhD, MEd
2. Zwygart K, Roetzheim R, Sneed K, Kotun D, Gonzalez EC. Screening of men for osteoporosis in a primary care setting. American Academy of Family Physicians Scientific Assembly 2007. Chicago, Illinois. October 3 – 6, 2007.

Abstracts Submitted: (Peer-reviewed)

1. Community Perceptions of Health Disparities: Applying Audience Response Systems (ARS) in community-Based Research
Margaret L. Walsh, MPH¹, Kara McGinnis, BA², Jenna Davis, MPH³, Coni Williams, MS⁴, B. Lee Green, PhD, MEd⁵, Deanna Wathington, MD, MPH, FAAFP⁶, Kevin Sneed, PharmD⁷, Julie Baldwin, PhD⁸.

2. Combination Antibiotics as a Treatment for Chronic *Chlamydia*-Induced Reactive Arthritis_Carter JD¹, Espinoza LR², Inman RD³, Sneed KB⁴, Ricca LR¹, Vasey FB¹, Valeriano J¹, Stanich JA⁵, Oszust C⁵, Gerard HC⁵, Hudson AP⁵. American College of Rheumatology Annual Meeting

Manuscripts Accepted: (Peer-reviewed)

MRSA Nasal Colonization in Professional Football Athletes. Coris, E, et al., Sneed, KB- Accepted by Clinical Journal of Sports Medicine- 2006 (Not released by National Football League, Inc {NFL} for distributive publication)

Manuscripts In-Press: (Peer-reviewed)

1. **Herb-Drug Interactions and Mechanistic and Clinical Considerations**
Shu-Ming He, Kevin B. Sneed, Xiao-Wu Chen, Chuanhai Cao, Shu-Feng Zhou
Current Drug Metabolism

Manuscripts Submitted: (Peer-reviewed)

1. **Designing a community-based Lay Health Advisor training curriculum to address cancer health disparities**
Gwede, CK, Ashley, AA, McGinnis, KE, Montiel-Ishino, FA, Standifer, M, Baldwin, J, Williams, C, Sneed, KB, Dash-Pitts, L, Green, BL.
Health Promotion Practice

Text Books/ Chapters:

1. **General Medical Conditions in the Athlete**
Micki Cuppett and Katie M. Walsh, Copyright 2011
ISBN# 0-323-02623-0 (2 Chapters)
 1. *Therapeutic Drug Categories (Kevin B. Sneed and Dorraine Reynolds)*
 2. Basic Principles of Pharmacology (Chapter Consultant/ editor)
2. **A to Z Quick Pocket Guide: Complementary and Alternative Therapies for Primary Care Practitioners.**
Fanning JJ, Haber S, published May 2002 (<http://www.gnahec.org/Products.asp>)
Handbook- ISBN# 0-9712143-0-1
Sneed KB- Editorial Board, Consultant

Manuscripts in progress:

1. **Type 1 & ½ Diabetes: A Clinical Perspective** Sneed KB, Gonzalez EC (Southern Medical Journal) Expected Submission- November 2014
2. **Emerging role of Statins in reducing Gadolinium- enhancing lesions in Multiple Sclerosis patients.** Sneed KB, Jordan S (Annals of Pharmacotherapy) Expected Submission- November 2014

3. **Addressing Health Disparities: Moving Beyond Health Fairs in Minority Communities** Sneed KB (Public Health Journal) Expected Submission- September 2014
4. **Byetta: A Clinical Perspective in a Primary Care Setting.** Sneed KB, Gonzalez EC, Brownlee HJ (Family Medicine Journal). Expected Submission- TBD
5. **Statin-Induced Myalgias: Management Techniques for Patients.** Sneed KB, Battle R, Robinson J, Brownlee HJ (Primary Care Journal). Expected Submission- TBD

JOURNAL REVIEWER

Journal of the American Board of Family Medicine- journal reviewer 2005 - 2008

RESEARCH

Clinical Research/ Funded- Federal or State Contracts/ Grants (Current/ Completed)

1. **MEDication Focused Outpatient Care for Underutilization of Secondary Prevention (MED FOCUS)**
R18 HL116259 (Carter) (109,696) 4/1/2014 – 3/31/2019
Funding Source – NIH/NHLBI
 The major goal of this project is to improve cardiovascular disease management with team-based care using innovated strategies to evaluate team care implementation and guideline adherence using cluster-randomized trials. (Site investigator)
 Active
2. **Rx for Research Initiatives 1 G11 HD076484-01 (90,500) 5/2013 – 3/2018**
 Funding Source - NIH/NICHD
 Co- PI's - Kymia Love-Jackson, Yashwant Pathak Role – Co-Investigator
 The major goal of this project is to provide training, education, and resources to establish and sustain an institutional research administration infrastructure for the USF College of Pharmacy. (Co-investigator)
 Active
3. **USF/Moffitt Transdisciplinary Center of Excellence to Address Cancer Health Disparities- \$ 6,750,000/ 5 years (CEOC - \$1.5 million) 2009 - 2013**
Funding Source- NIH/ National Center on Minority Health and Health Disparity (P20-MD003375-01)
 Co- PI's- Richard Roetzheim (USF COM), Lee Green (Moffitt CC)
Co-Investigator; Director- Kevin B. Sneed (Co-Directors: Deanna Wathington, Julie Baldwin)
Community Outreach and Engagement Core (COEC)- \$1.5 Million (K. Sneed)
 Completed – 12/2014

4. **A Collaborative Model to Improve BP Control and Minimize Racial Disparities. (CAPTION Study)** Carter BL, James PA, Ardery G, Weber C, Van der Weg M, Chrischilles E, Vaughn T.) Funded by the National Heart, Lung and Blood Institute: HL091841-01A1 (Total budget: \$8,482,800). March 1, 2009 – April 30, 2012 Site Principal Investigator- **\$100,000**
Completed
5. **Comparative Effectiveness Research for Eliminating Disparities (CERED)- \$1,400,000/ 2 Years (ARRA) 2010 - 2012**
(Application number 3P20MD003375-02S1)
Principal Investigator- Brian Rivers, PhD (Moffitt Cancer Center)
Role: Co-Investigator, USF Health/ Center for Equal Health
Completed
6. **Optimizing Detection, Prevention and Treatment of Vector Borne Diseases in Florida** (Cluster Grant from State of Florida; participating institutions are University of South Florida and University of Florida) - Awarded October 2010
Total Cluster Award **\$794,444**
USF College of Pharmacy: Kevin Sneed, PharmD, Dean
Role: Curriculum Development in Orphan-Neglected Diseases
Completed
7. **Establishing Benchmarks For The Medical Office Survey On Patient Safety (SOPS)**
Role: Clinical Site Investigator; Principal Investigator- Grace Kuo, University of California- San Diego - College of Pharmacy
UCSD School of Pharmacy and Pharmaceutical Sciences, Research Office 3263
25 primary-care clinics in the National Interdisciplinary Primary Care Practice Based Research Network (NIPC PBRN) located in multiple states, including Connecticut, Florida, Iowa, Massachusetts, New York, North Carolina, Pennsylvania, Rhode Island, South Carolina, Texas, and Wisconsin. **Completed Winter 2009**
Completed
8. **AIDS Drug Assistance Program (ADAP)- \$338,550; Consultant.** Funded through Florida Department of Health (contract # 19-1507-146)
Provide clinical consultation services to Florida ADAP programs- West coast of Florida. Consultant Fee (\$6,765.00); Principle Investigator- Dr. Michael Thompson
Completed.
9. **Clinical Pharmacy Demonstration Grant-** \$ 245, 230; Co-Investigator; Consultant- Education Facilitator; Funded through HRSA (Grant No. 6 H19 CS 02825-22-03); Consultant Fee - dispersed to FAMU COPPS. Grant period: 2001- 2003
Completed
10. **Co-Investigator, Seamless Care: Transitional Health Care from Hospital to Home,**
VA Patient Safety Center, Tampa, FL Project Period 2002- 2004
Principle Investigator- Andrea Spehar, MS, DVM, MPH, JD, USF College of Public Health; Consultant
Completed

11. Co-Investigator- USF College of Medicine- Dept. of Family Medicine
Diabetes Research Group, Year- 2001- 2002
Completed

Clinical Trials (In Progress// Completed)

1. **The Systolic Blood Pressure Intervention Trial (SPRINT)**
2-arm, multicenter, randomized clinical trial
Principal Investigator- Ramon Lopez, MD (USF Health- Nephrology)
Role: Co-Investigator, USF Health/ College of Pharmacy
2. Research Pharmacist, **Efficacy and Safety Trial of Bapineuzumab (AAB-001, ELN115727) In Patients with Mild to Moderate Alzheimer's Disease who are Apolipoprotein E4 Non-Carriers (ELAN 301) or Apolipoprotein E4 Carriers (ELAN 302) / Pharmaceutical Company Clinical Trial- ELAN Pharmaceuticals, Principal Investigator- Amanda Smith, MD (In Progress)**
 - a. Research Pharmacist (Alternate), *A Phase 3, Multicenter, Randomized, Double-Blind, Placebo-Controlled, Parallel-Group Efficacy and Safety Trial of Bapineuzumab (AAB-001, ELN115727) in Subjects With Mild to Moderate Alzheimer Disease Who Are Apolipoprotein E ϵ 4 Carriers.* Sponsor: WYETH Pharmaceuticals. Protocol: 3133K1-3001-US. Investigator: B. Ashok Raj, M.D
 - b. Research Pharmacist (Alternate), *A Phase 3, Multicenter, Randomized, Double-Blind, Placebo-Controlled, Parallel-Group, Efficacy and Safety Trial Of Bapineuzumab (AAB-001, ELN 115727) in Patients with Mild to Moderate Alzheimer's Disease Who Are Apolipoprotein Ee4 Non-Carriers.* Sponsor: Elan Pharmaceuticals, Inc. Protocol:ELN115727-301 AND ELN115727-302. Investigator: B. Ashok Raj, M.D.
3. Research Pharmacist, **Effect of LY2062430, an Anti-Amyloid Beta Monoclonal Antibody, on the Progression of Alzheimer's Disease as Compared with Placebo.** Sponsor Eli Lilly and Company. Protocol No. H8A-MC-LZAN. Investigator: B. Ashok Raj, M.D. (*In Progress*)
4. Research Pharmacist, **Efficacy and Safety of Ocrelizumab in Combination with Methotrexate compared with Infliximab Plus Methotrexate in Patients with Active Rheumatoid Arthritis Currently Responding Inadequately to Etanercept or Adalimumab/ Pharmaceutical Company Clinical Trial- Genetech**
Principal Investigator- John Carter, MD (In Progress)
5. Research Pharmacist, **Efficacy and Safety of Filgastrim as a Pro-cognitive Agent for Alzheimer's Disease.**
Principal Investigators- Juan Sanchez-Ramos, MD, PhD, Raj Ashok, MD (In Progress); Member- Data Safety Monitoring Board

6. Research Pharmacist IMPALA/ Pharmaceutical Company Clinical Trial- Pfizer, Inc
(*In Progress*)
7. Research Pharmacist, GILEAD Clinical Trial (*In Progress*)
8. Research Pharmacist, **Synovial Tissue PCR Analysis for Chlamydia in Subjects with Suspected Chronic Chlamydia-Induced Reactive Arthritis**,
Principal Investigator- John Carter, MD (2008) (Completed)
9. Co- Investigator, Research Pharmacist - **The Atorvastatin and Amlodipine in Patients With Elevated Lipids and Hypertension- AVALON Clinical Trial**,
Pharmaceutical Company Clinical Trial- Pfizer, Inc
USF College of Medicine- Dept. of Family Medicine; Year- 2001- 2002
Principal Investigators- Arnold Ramirez, MD, Kevin B. Sneed, PharmD
(Completed)
10. Co- Investigator, Research Pharmacist - **Omapatrilat versus Enalapril on Cardiovascular Outcomes - OCTAVE Clinical Trial**,
Pharmaceutical Company Clinical Trial- Bristol Myers Squibb, Inc
USF College of Medicine- Dept. of Family Medicine; Year- 2001
Principal Investigator- Richard Roetzheim, MD, (Completed)

Grants Submitted (Federal/ State/ USF Internal)

Project Title: *Sunshine Heart Health PCOR Accelerator Demonstration* Investigators: Jay Wolfson, et al (Kevin B. Sneed)

- Granting Agency- **Agency for Healthcare Administration (AHRQ)**
 - Submission Date: June, 2014
- Amount Requested: \$15,000,000
- Status: **Not Funded**

Project Title: *Models to improve the health of populations*

- Investigators: Jay Wolfson, Jeff Lowenkron, et al (Kevin B. Sneed)
- Granting Agency- **Center for Medicare and Medicaid Services' Innovation Center (CMS/CMMI)**
 - Submission Date: August 2013
- Amount Requested: \$12,760,000
- Status: **Not Funded**

Project Title: *Improving and Increasing Community Participation in Clinical Research*

- Investigator: Kevin B. Sneed
- Granting Agency- **Bankhead Coley Cancer Research Program (State of Florida)**
 - Submission Date: July 31, 2013
- Amount Requested: \$400,000.00
- Status: **Not Funded**

Project Title: *Suncoast Health Transformation Innovation*

- Investigators: Jay Wolfson, Kevin B. Sneed, et al
- Granting Agency- **Center for Medicare and Medicaid Services' Innovation Center (CMS/CMMI)**
 - Submission Date: January 2012
- Amount Requested: \$29,991,171
- Status: **Not Awarded**

Project Title: *Statin-Induced Myalgia Study- Resolution of Statin-Induced Myalgia with Supplemental Co-enzyme Q10 (S.I.M.S)*

- Investigators: Kevin B. Sneed, H.J. Brownlee, MD (USF)
- Granting Agency- **The Signature Interdisciplinary Program in Cardiovascular Research (SIPCVR)- (USF Health)**
 - Submission Date: March 13, 2010
- Amount Requested: \$15,000.00
- Status: **Funding Withdrawn**

Project Title: *Statin Therapy for the Prevention of Atrial Fibrillation*

- Cardiovascular Project
- Investigators: Anne Curtis, MD (P.I.),
- Granting Agency- **National Institutes of Health**
- Status: **Submitted May, 2008; resubmitted October 2009; Not awarded**
- Amount Requested: \$ 7 million

Project Title: *Assessing knowledge of cardiovascular risks and overcoming barriers to healthcare in minority adult populations for the purpose of improving health outcome: The IN-SCHAPE Project {Inter-collaborative Student's and Community's Health Assessment Project and Evaluation}*

- Health-Disparities: Community-Based Participatory Research (CBPR) Project
- Principal Investigators: Kevin B. Sneed (P.I.), Deanna Wathington, MD (Co-P.I.)
- Granting Agency- **National Institutes of Health {PAR 06-247}**
- Amount Requested: \$326,250.00
- Status: **Submitted May 17, 2007; Not awarded**

Project Title: *Assessing knowledge of cardiovascular risks in minority adult populations for the purpose of lifestyle intervention- The IN-SHAPE Project {Inter-collaborative Student's Health Assessment Project and Evaluation}*

- Health-Disparities Community-Based Research Project
- Principal Investigators: Kevin B. Sneed, Deanna Wathington, MD (USF)
- Granting Agency- **National Institutes of Health {PAR 05-026}**
 - Submission Date: May 17, 2006
- Amount Requested: \$370,000.00
- Status: **Not Awarded; Re-submission May, 2007**

Project Title: *Assessment of Lipid Subfractions and Biochemical Markers of Vascular Inflammation in African-American and Hispanic Patients*

- Investigators: Kevin B. Sneed
- Granting Agency- Area Health Education Council (AHEC)
- Submission Date: October, 2005
- Amount Requested: \$10,000.00
- Status: **Proposal Not Awarded**

Project Title: *Assessment of Lipid Subfractions and Biochemical Markers of Vascular Inflammation in African-American and Hispanic Patients- The L.I.M.S. Project (Lipid/ Inflammatory Markers Study)*

- Investigators: Kevin B. Sneed, Aigner George
- Granting Agency- Multi-Cultural Business Team- Pfizer Inc.
- Submission Date: September 1, 2005
- Amount Requested: \$31,658.00
- Status: **Submitted; Not Reviewed- Granting Agency Disbanded**

Project Title: *Assessing knowledge of cardiovascular risks in minority adult populations for the purpose of lifestyle intervention- The IN-SHAPE Project {Inter-collaborative Student's Health Assessment Project and Evaluation}*

- Investigators: Kevin B. Sneed, Deanna Wathington, MD (USF)
- Granting Agency- Multi-Cultural Business Team- Pfizer Inc.
- Submission Date: August 1, 2005
- Amount Requested: \$108,625.00
- Status: **Not Reviewed- Granting Agency Disbanded**

Clinical Research/ Activities

1. L.I.M.S. (Lipid/ Inflammatory Marker Study)
Assessment of Lipid Sub-fractions and Biochemical Markers of Vascular Inflammation in African-American and Hispanic Patients
Principle Investigator- Kevin B. Sneed, PharmD
IN DEVELOPMENT

Internal Grants Funded (Florida A&M University College of Pharmacy)

- Florida A&M University College of Pharmacy, \$1,500.00- Grant- Hemoglobin A1C device for Diabetes Management, Clinical Research
- Centers of Excellence/ Lilly Faculty Development Award, \$1224.00
 - Physical Assessment Training Program, Nova Southeastern Institute of Physical Assessment

Extramural Funding

- IN-SHAPE Project, \$7,500 (Award- January 2008)
 - Pfizer, Inc.
- IN-SHAPE Project, \$6,000 (Awarded March 2006)
 - American Heart Association/ St. Petersburg Affiliate Chapter
- IN-SHAPE Project, \$5,000 (Awarded December 2005)
 - Pfizer, Inc.

- IN-SHAPE Project, \$2,500 (Awarded December 2005)
 - American Heart Association
- Abbott Pharmaceuticals, \$ 2000.00- Publication Grant
- Dupont Pharmaceuticals, \$1,700.00- Unrestricted grant- Initiation of Anticoagulation Clinic
- Dupont Pharmaceuticals, \$1,500.00- Unrestricted grant- Initiation of Clinical Pharmacy Services
- Pfizer, INC, \$4,200.00- Unrestricted Grant- Close to Your Heart health fair.
- Pfizer, INC, \$500.00- Unrestricted Grant- Close to Your Heart health fair.
- Searle Pharmaceutical, \$300.00- purchase of clinic software
- **TOTAL Extramural Funding = \$ 31,200.00**

Doctoral Dissertation Committee Membership

1. Doctoral Dissertation Committee Member, Dr. Shani Davis, PhD

Research Title “*The Relationship Between Socioeconomic Status and Body Mass Index on Vitamin D Levels in African American Women with and without Diabetes Living in Areas with Abundant Sunshine*”

University of South Florida College of Nursing; PhD Conferred July 2, 2013

- Primary Role- Assisted Development and review of retrospective analysis of NHANES data
- Guidance in preparation of dissertation for doctoral defense.

2. Doctoral Dissertation Committee Member, Dr. Gregory Holm, PhD

Research Title “*Pyridoxine (B6) in the Treatment of Carpel Tunnel Syndrome*”

University of South Florida College of Nursing; PhD Conferred June 5, 2002

- Primary Role- Assisted Development of Pyridoxine Clinical Trial
- Guidance in preparation of dissertation for doctoral defense.

University/ Academic Service

- USF Health Search Committee – USF Health Assistant Vice-President for Development (2014) –
 - Successfully Completed – Kimberly Constantine
- USF Health Search Committee - USF College of Nursing Dean Search (2010)
 - Successful search – Dr. Diane Morrison-Beedy, Dean CON
- USF Student Health Services Search Committee - Director of Student Health Services (2009)
 - Successful Search – Diane Zanto, Director- Student Health Services
- University of South Florida/ USF Health Morsani Center for Advanced Health Care- Continuous Quality Improvement Committee
- University of South Florida College of Medicine Appointment, Promotion, and Tenure Committee (2008 – 2010- 3 years)
- University of South Florida College of Medicine - Continuing Professional Development Oversight Committee (2007 – 2011)
- University of South Florida Diabetes Education Council, **Advisory Council**, 2003-present

- USF Continuing Professional Development Office- ACPE Accreditation Board- Chair (2009-)
- Florida A&M University College of Pharmacy and Pharmaceutical Sciences- Curriculum Committee member (2000 – 2007)
 - Principal architect- revised curriculum (2006 – 2007) to be implemented starting in 2008
- ACPE Re-Accreditation Committee member
 - Florida A&M University College of Pharmacy (2000, 2006- 2007)
 - Xavier University of Louisiana College of Pharmacy (1997-1998)
 - *Student Representative*
- Xavier University of Louisiana College of Pharmacy- Curriculum Committee member (1996 – 1998). *Student representative* on curriculum committee; assisted Self-study report for ACPE Re-Accreditation visit in 1997.

COMMUNITY SERVICE/ LEADERSHIP

- Director, IN-SCHAPE Project (Inter-collaborative Student’s and Community’s Health Assessment Project and Evaluation)
 - Original concept; Community Health Disparities Project
 - Collaboration with the *American Heart Association- Florida/ Puerto Rico Affiliate*
 - Directed project with over 35 volunteers since inception, including graduate students, health professions students, and undergraduate students
- Director, KOBRA, LLC
 - Mentorship Program for at-risk minority male youth
 - Original concept; developing 501(c)3 non-profit organization
 - Currently in development

BOARD OF DIRECTORS MEMBERSHIP/ NATIONAL COMMITTEES

- American Heart Association- Scientific Meetings Working Group (January 2014-present)
- American Heart Association- Clinical Scientific Session Planning Committee, At-Large Member
 - 2012 - International Scientific Sessions Meeting, (Pharmacogenomics Core) Los Angeles, CA
 - 2013 - International Scientific Sessions Meeting, (Pharmacogenomics Core) Dallas, TX
- American Heart Association- Great Southeast Affiliate (AHA-GSA) **Board of Directors**, 2010 - present
 - **Chairman- Cultural Health Initiatives Committee**- 2010 - 2013
- Area Health Education Center- University of South Florida, **Board of Directors**, 2011-2012
- USF Nanomedicine Research Center (UNRC) **Board of Directors**, 2011 - present
- Humana Corporation, HumanaCARES Division National Board of Advisors- 2010 - 2012
- Area Health Education Center- USF (Gulfcoast North), **Board of Directors**, 2008-present
- Hillsborough County Sickle Cell Association, **Board of Directors**, 2002- 2014

PRESENTATIONS (INVITED)- Continuing Education, Professional (Local, National, International)- Selected

Emerging Disruptive Innovative Technologies: Can Pharmacist (Em)Brace (for) the Future?!

Continuing Education Program, Nigerian Pharmacists Association (NPA) International Meeting
Orlando, FL June 2014

Emerging Disruptive Innovative Technologies: Can Pharmacist (Em)Brace (for) the Future?!

Continuing Education Program, Nigerian Pharmacists Association (NPA) Annual Conference
Tampa, FL April 11, 2014

Type 1.5 Diabetes....Does It Really Exist?

Continuing Education Program, Nigerian Pharmacists Association (NPA) Annual Conference
Tampa, FL April 11, 2014

Creation of A Clinical Research Council

Cobb/NMA Health Institute Annual Health Disparities Meeting
Moffitt Cancer Center, Tampa, FL January 25, 2014

Unintended Cardiovascular Effects of Mood, Sleep and Pain Medications

Preventive Cardiovascular Nurses Association Annual Symposium
Pharmacology Preconference; Atlanta, GA April 9, 2014

Addressing Minority Health With Clinic Research Involvement and Emerging Health Technologies

Florida Public Health Assoc Annual Education Conference
Orlando, FL August 28, 2013

Increasing Minority Participation in Clinical Research and Emerging Technologies

National Association of Black Journalist Annual Meeting
"What's Killing Us? Reducing Health Disparities in Our Communities" - Panel & Presentation
Gaylord Palms Hotel, Orlando, FL August 2, 2013

Creation of A Clinical Research Council

Cobb/NMA Health Institute Annual Health Disparities Meeting (International Meeting)
National Medical Association Meeting, Toronto, Canada July 29, 2013

Emerging Disruptive Innovative Technologies: Can Pharmacist (Em)Brace (for) the Future?!

Continuing Education Program, National Pharmaceutical Association (NPHA) National Annual Meeting, New Orleans, LA. July 27, 2013

Increasing Minority Participation in Clinical Research and Emerging Technologies

Florida Diversity Healthcare Summit
Moffitt Cancer Center, Tampa, FL May 31, 2013

Emerging Disruptive Innovative Technologies: Can Pharmacist (Em)Brace (for) the Future?! (International)

Guiyang Medical University
Guiyang, China; Guizhou Province- China May 25, 2013

Creation of A Clinical Research Council

Cobb/NMA Health Institute Annual Health Disparities Meeting
Moffitt Cancer Center, Tampa, FL January 12, 2013

Increasing Minority Participation in Clinical Research

National Forum for Black Public Administrators Annual Conference
Innisbrook Resort, Tarpon Springs, FL October 6, 2012

Pharmacogenomics...Future Opportunities for Pharmacists

Continuing Education Program, National Pharmaceutical Association (NPHA) National Annual Meeting, Las Vegas, NV. July 23, 2012

Translational Pharmacogenomics...Future Opportunities

USF College of Pharmacy 1st Annual International Pharmacogenomics Symposium, University of South Florida Center for Global Solutions
Tampa, FL September 18, 2011

Translational Pharmacogenomics...The Time is Now

USF Bioinformatics Symposium, USF COM Department of Molecular Medicine
Tampa, FL March 16, 2011

Clinical Pharmacy Innovation at the USF College of Pharmacy (International)

Xioalan Hospital, Guangdong, China March 8, 2011

Type 1 & 1/2 Diabetes...Does it really exist?

Continuing Education Program, 6th Annual Diabetes Conference, Solomon Ortiz Center sponsored by Texas A&M University College of Pharmacy/ Area Health Education Council, Corpus Christi, July 31, 2010

Type 1 & 1/2 Diabetes...Does it really exist?

Continuing Education Program, National Pharmaceutical Association (NPHA) National Annual Meeting, Chicago, IL. July 20, 2010

Role of the Pharmacist in Diabetes Education

5th Annual Education Forum, National Florida Alliance for Diabetes Prevention and Care/ USF Diabetes Center, Tampa, FL September 24, 2010

Importance of Research and Education in Addressing Health Disparities

Continuing Education Program, Association of Black Health-systems Pharmacists (ABHP) National Annual Meeting, Houston, TX. May 2010

Statin-Induced Myalgias: Pharmacists Role in the future using Pharmacogenomics

Continuing Education Program, National Pharmaceutical Association (NPHA) National Annual Meeting, Chicago, IL. July 20, 2009

Statin-Induced Myalgias: Pharmacists Role in the future using Pharmacogenomics

Continuing Education Program, Nova Southeastern College of Pharmacy, Ft. Lauderdale, FL.
May 2, 2009

Statin-Induced Myalgias- Role of Co-Enzyme Q10 Supplementation

Continuing Education Program, National Pharmaceutical Association (NPHA) National Annual Meeting, Ft. Lauderdale, FL. July 28, 2008

**Population-Based Intervention Strategies in Ethnic Minority Populations:
Multidisciplinary Approaches**

Continuing Education Program, National Pharmaceutical Association (NPHA) National Annual Meeting, Ft. Lauderdale, FL. July 28, 2008

Statin-Induced Myalgias- Mechanisms and Patient Management Techniques

Continuing Education Program, Nova Southeastern College of Pharmacy, Ft. Lauderdale, FL.
May 3, 2008

Pharmacists Working with USF Athletic Trainers

Continuing Education Program, Nova Southeastern College of Pharmacy, Ft. Lauderdale, FL.
May 3, 2008

**The IN-SCHAPE Project: Population-Based Intervention Strategies in Ethnic Minority
Populations: Multidisciplinary Approaches**

Xavier University of Louisiana College of Pharmacy 2nd Annual Health Disparities Conference
New Orleans, LA, Westin Hotel, April 11, 2008

Hypertension: Pathogenesis, Treatment, and Prevention of Nephropathy

Continuing Education Program, Florida A&M University College of Pharmacy-
Tallahassee, FL December, 2007

The Metabolic Syndrome- Not Just a Numbers Game

Continuing Education Program, Florida Society of Health-Systems Pharmacist Annual Meeting,
Orlando, FL. August 2, 2007

The Metabolic Syndrome- Not Just a Numbers Game

Continuing Education Program, National Pharmaceutical Association (NPHA) National Annual Meeting, Las Vegas, NV. July 23, 2007

Pathogenesis of the Metabolic Syndrome (International Presentation)- Expert Content

Continuing Education Program, National Diamondback Alumni Organization,
Montreal, Quebec, June 29, 2007

Dyslipidemia and the Metabolic Syndrome Patient

Continuing Education Program, Florida A&M University College of Pharmacy- Annual Pharmacy Symposium, Tallahassee, FL February, 2007

Antibiotic Resistance- New Approaches

Continuing Education Program, National Pharmaceutical Association (NPHA) National Annual Meeting, Philadelphia, PA. May, 2006

Hypertension and Renal Nephropathy in African-Americans

Continuing Education Program, Florida A&M University College of Pharmacy, Tampa, FL
October, 2005

Hyperlipidemia with a Focus on Vascular Inflammation

Continuing Education Program, Florida A&M University College of Pharmacy, Tampa, FL
October, 2005

Combination Therapy for the Treatment of Hyperlipidemia

Continuing Education Program, National Pharmaceutical Association (NPHA) National Annual Meeting, Orlando FL. April 26, 2005

Hypertension and Renal Nephropathy in African-Americans

Continuing Education Program, Florida A&M University College of Pharmacy annual Pharmacy Symposium, Tallahassee, FL February 2005

Antibiotic Resistance- a Focus on Macrolides

Continuing Education Program, Florida A&M University College of Pharmacy, Tampa, FL
October 2004

Hypertension and Renal Nephropathy in African-Americans

Continuing Education Program, National Pharmaceutical Association (NPHA) National Annual Meeting, New Orleans, LA. June, 2004

Anticoagulation Management

Continuing Education Program, Florida Pharmacy Association; Wesley Chapel, FL
June 14, 2003

Hypertension and Renal Nephropathy

Continuing Education Program, University of South Florida School of Nursing, Tampa, FL
April 26, 2003

Pharmacological Management of Type 2 Diabetes

Continuing Education Program, Certified Diabetes Educator Examination Review
Tampa, FL, March 27, 2003

Cardiac Metabolic Syndrome and Inflammation

MacDill Airforce Base, Tampa, FL
March 27, 2003

Urinary Incontinence

Continuing Education Program, University of South Florida School of Nursing, Tampa, FL
April 26, 2003

Cardiovascular Health- Managing Hyperlipidemia,

Continuing Education Program, Florida A & M University; Embassy Suites Hotel, Tampa, FL
October 27, 2002

Sickle Cell Anemia- New Treatment Options

Sickle Cell Association, State-wide meeting, Tampa, FL
November 9, 2002

Pharmacist Role in Counseling the Post-Menopausal Woman

Continuing Education Program, Association of Black Hospital Pharmacists, New Orleans, LA
December 02, 2001

Controversies Concerning Macrolide Resistance

Educational Program, Tampa Area Physicians, Tampa, FL
November 28, 2001

Cardiovascular Health- Managing Hyperlipidemia,

Education Program, West Florida Society of Health Systems Pharmacist; Sarasota, Florida
November 19, 2001

New Treatment Options: Microbiologic & Pharmacologic

Considerations, Continuing Education Program, USF College of Nursing, Tampa, Florida
November 17, 2001

Urinary Incontinence and Erectile Dysfunction

Continuing Education Program, Florida A & M University; Embassy Suites Hotel, Tampa
Florida **October 27, 2001**

Osteoarthritis- Treating the Elderly Patient

Dinner Program, Hillsborough County Physicians Assistants Organization, Tampa, FL
October 2, 2001

Focus on Emerging Cardiovascular Risk Factors- Educational Program, Bay Area Pharmacy

Residents; Clearwater, FL
September 13, 2001

Cardiovascular Health- Managing Hyperlipidemia, Continuing Education Program, Florida

Society of Health Systems Pharmacist; Orlando, Florida
August 10 & 11, 2001

Anticoagulation Clinic Initiation-, Continuing Education Program, Florida Pharmacy

Association; Panama City, FL
August 6, 2001

Erectile Dysfunction- Special Pharmacologic Consideration

Presented to Tampa HIV Nursing Alliance, sponsored by Pfizer, Inc, Tampa, Florida
June 14, 2001

Erectile Dysfunction

Roundtable Facilitator, presented to James A Haley VA Pharmacy Residents, sponsored by
Pfizer, Inc., Tampa, Florida
May 01, 2001

Erectile Dysfunction

Presented to MacDill Airforce Base, sponsored by Florida A & M University College of Pharmacy, Tampa, Florida
March 27, 2001

Osteoarthritis- Pharmacologic Treatment Modalities

Continuing Education Program, USF School of Nursing, Tampa, Florida
March 10, 2001

Cardiovascular Health in Women

Presented at African-American Health Prostate Cancer Screening, sponsored by Florida Cancer Network, Tampa, Florida
February 24, 2001

Cardiovascular Health in Women

Presented at MacDill Air force Base, Juneteenth Celebration Program, sponsored by African American Military Health Alliance, Tampa, Florida, February 14, 2001

Cardiovascular Health- Managing Hyperlipidemia, Continuing Education Program, Florida A & M University; Holiday Inn, Tampa Florida
October 10, 2000

Understanding The Role of Cholesterol

Presented at MacDill Air force Base, Juneteenth Celebration Program, sponsored by African American Military Health Alliance, Tampa, Florida
June 19, 2000

Erectile Dysfunction

Presented to Participants at the Health Fair titled “ Close to Your Heart” sponsored by Florida A&M University Pharmacy Alumni, Tampa, Florida, April 8, 2000

Understanding The Role of Cholesterol

Presented at the African American Men’s Prostate Cancer Awareness Forum, sponsored by the Florida Cancer Network, Tampa, Florida
February 12, 2000

Medication History and Refill Procedures

Presented to USF Department of Family Medicine- Nursing Staff , Tampa, Florida, February 22, 2000

Pharmacist’s Intervention in Warfarin Monitoring

Presented to Bay Pines VAMC clinical pharmacy staff
November 11, 1998

Influenza Vaccine in Geriatric Patients

Presented to Bay Pines VAMC geriatric clinic staff

October 14, 1998

HIV Therapy Update: New Medications, New Regimens

Presented to St. Thomas Clinic Staff, New Orleans, Louisiana

March 3, 1998
