PROFESSIONAL EXPERIENCE

- 2018 – present **Associate Director of Programs & Operations**
Florida Perinatal Quality Collaborative
Chiles Center, College of Public Health
University of South Florida
- 2016 – present **Assistant Director**
Chiles Center
College of Public Health
University of South Florida
- 2010 – 2018 **Program Manager**
Florida Perinatal Quality Collaborative
Chiles Center, College of Public Health
University of South Florida
- 1999 – present **Research Associate**
Chiles Center
College of Public Health
University of South Florida
- 1996-1998 **Coordinator, Academic Support Services**
Graduate School
University of South Florida

EDUCATION

- 1989 – 1996 **Doctor of Philosophy in Sociology**
University of Illinois at Urbana-Champaign
- 1987 – 1989 **Master of Arts**
University of Illinois at Urbana-Champaign
Department: Sociology

1982 – 1987

Bachelor of Science, Cum Laude

Central Michigan University, Mt. Pleasant, MI

Major: Sociology; Minors: Mathematics and Philosophy

GRANTS

"Process Evaluation of the National Friendly AccessSM Program" funded by a cooperative agreement between the Association of Schools of Public Health and the Centers for Disease Control and Prevention (ASPH/CDC Project# S3591-24/24), October 2005-September 2007; \$157,593.

"OB HEN (Obstetrics Hospital Engagement Network) Consultation" funded by the Florida Hospital Association to provide consultation and technical assistance to hospitals working to reduce rates of early term elective deliveries. June 1, 2012 – December 31, 2013: \$51,346

ACTIVE RESEARCH/PROGRAM ACTIVITY

* *COHEG* Reeves (PI) 7/1/23 – 6/30/25

FL Department of Health purchase order to develop quality improvement projects on maternal and infant health issues.

Role: Associate Director of Programs & Operations

* *COHEF* Reeves (PI) 7/1/23 – 6/30/24

FL Department of Health purchase order to facilitate hospital participation in levels of maternal care verification.

Role: Associate Director of Programs & Operations

* *Strengthening the Florida Perinatal Quality Collaborative's (FPQC) QI Capacity*

Sappenfield/Reeves (PI) 9/30/22 – 9/29/27

Centers for Disease Control and Prevention grant to build Florida hospital QI capacity to participate in the Florida Perinatal Quality Collaborative.

Role: Associate Director of Programs & Operations

COMPLETED RESEARCH SUPPORT

* *COHWB* Sappenfield (PI) 7/1/21 – 6/30/23

FL Department of Health purchase order to develop quality improvement projects on maternal and infant health issues.

Role: Associate Director of Programs & Operations

* *Expanding FPQC Participation* Sappenfield (PI) 9/30/17 – 9/29/22

Centers for Disease Control and Prevention grant to expand Florida hospital participation in the Florida Perinatal Quality Collaborative.

Role: Program Manager; Associate Director of Programs & Operations starting May 2018

* *COHY5* Sappenfield (PI) 7/1/19 – 6/30/21

FL Department of Health purchase order to develop quality improvement projects on maternal and infant health issues.

Role: Associate Director of Programs & Operations

* *COHM7* Sappenfield (PI) 4/1/17 – 3/31/19

FL Department of Health purchase order to develop quality improvement projects to improve access to long-acting reversible contraception.

Role: Program Manager; Associate Director of Programs & Operations starting May 2018

* *COHN9* Sappenfield (PI) 7/1/17 – 6/30/19

FL Department of Health purchase order to develop quality improvement projects on maternal and infant health issues.

Role: Program Manager; Associate Director of Programs & Operations starting May 2018

* *Florida Covering Kids and Families – MACRA Project* Ray (PI) 7/1/16 – 6/30/18

Florida Covering Kids & Families (FL-CKF) works collaboratively with Florida agencies and stakeholders to advocate and conduct outreach for Florida KidCare health insurance programs. The initiative aims to foster and facilitate innovative methods for enrolling and retaining eligible children in Florida's publicly funded insurance programs.

Role: Evaluator

* FDOH Sappenfield (PI) 7/1/12 – 6/30/17

FL Department of Health purchase order to develop quality improvement projects on maternal health issues.

Role: Program Manager

* FDOH Sappenfield (PI) 10/1/15 – 6/30/17

FL Department of Health purchase order to develop quality improvement projects on neonatal and infant health issues.

Role: Program Manager

* *Antenatal Corticosteroids Therapy* Sappenfield (PI) 12/15/13 – 10/31/17

This March of Dimes funded project seeks to develop and implement a hospital-level quality improvement project to optimize timely administration of antenatal steroids to women delivering babies prematurely.

Role: Program Manager

*Ray (PI) 8/14/13 – 9/12/17

Florida Covering Kids & Families – Cooperative Agreement to Support Navigators in Federally-facilitated and State Partnership Exchanges

Role: Evaluator

* *Florida Covering Kids and Families – CHIPRA Project* Ray (PI) 12/1/10 – 2/13/16

Florida Covering Kids & Families (FL-CKF) works collaboratively with Florida agencies and stakeholders to advocate and conduct outreach for Florida KidCare health insurance programs. The initiative fosters and facilitates innovative methods for enrolling and retaining eligible children in Florida's publicly funded insurance programs. FL-CKF also maintains strong channels of communication with local communities to reduce health disparities for special populations.

Role: Evaluator

* Sappenfield (PI) 6/1/12 – 7/31/15

Health Management Associates subcontract for neonatal quality improvement projects, specifically focused on neonatal catheter-associated blood stream infections

Role: Program Manager

** A Patient Centered Approach to the Development of an Intervention to Prevent Neonatal Abstinence Syndrome* Eisert (PI) 1/1/15 – 6/30/15

The goal of this University of South Florida College of Public Health Individual Investigator Award project is to conduct focus groups and administer surveys to pregnant and post-partum opiate addicted women in Pinellas County to explore their interest in: 1.) tapering/detoxing from opiates/methadone, 2.) effective family planning methods, and 3.) parent/infant group care for the purpose of preventing neonatal abstinence syndrome

Role: Co-I

*Detman (PI) 6/1/12 – 1/31/14

Florida Hospital Association subcontract to provide technical assistance and expertise to OB adverse events hospital engagement network.

** Provider, Payer, and Policymaker Education on Non-Medically Indicated Deliveries Before 39 Weeks Gestation* Sappenfield (PI) 7/1/11 – 12/31/15

March of Dimes project to improve knowledge about risks of non-medically indicated deliveries before 39 weeks through a three-year coordinated educational and communication campaign to raise awareness and change provider, payer, and policymaker attitudes and clinical care practices.

Role: Co-PI and project director

*FDOH Sappenfield (PI) 10/1/10-9/30/13

The Florida Perinatal Quality Collaborative (FPQC) seeks to improve maternal and infant health by improving the quality of health care for all women and infants in Florida before, during and after pregnancy. This funding is used to develop the FPQC infrastructure and plan for future quality improvement initiatives.

Role: Program Manager

* *Perinatal Research and Systems Design Project (Healthy Futures)*
Detman (PI) 7/1/05-6/30/10

Agency for Health Care Administration, MED009. The objective of this qualitative study is to explore personal, social, contextual, and environmental factors that may contribute to adverse maternal, birth, and infant outcomes among African American women in Florida. (Served as co-investigator July 2005-November 2007)

* *Process Evaluation of the National Friendly AccessSM Program*
Detman (PI) 10/1/05-9/30/07

ASPH/CDC Project #: S3591-24/24. Funding to assess the legacy and lessons of the National Friendly AccessSM Program.

* *Maternal and Child Health Care Delivery Systems* Gorski (PI) 10/1/03-9/30/05

ASPH/CDC Cooperative Agreement project (S3251-23/23). Funding for ongoing data collection and evaluation of the National Friendly AccessSM Program.

Role: Evaluation Director

* *Friendly AccessSM and Workforce Development* Gorski (PI) 8/10/02-8/9/03

This project facilitates the development of community coalitions to address issues access, use, satisfaction, and outcomes, and to enact a change process to the delivery of maternal and child health care.

Role: Research Associate, Evaluation Team

* *Florida Outreach Childbirth Education Project* Graven (PI) 7/00-1/02

Working with the states AHECs, the Florida Outreach Childbirth Education Program (FOCEP) designed a curriculum and trained educators interested in providing childbirth education to low-income, low literacy Florida women.

Role: Research Associate, Evaluator

* *Family Planning Waiver Evaluation* Graven (PI) 7/99-6/01

Multilevel evaluation of Florida's 1115 Waiver to Extend Family Planning Benefits to Post Partum Women.

Role: Research Associate, Evaluator
