Emergency Planning and Management Committee At UMass Hospital	2011 - 2013
Emergency Medicine Steering Committee At UMass Hospital	2011 - 2013

## **Background and Hobbies**

**Background:** I was born in Indianapolis, Indiana and moved to Florida as a young child. I was raised in the suburbs of Tampa, Florida with my family. I moved to Delaware for residency and then moved again to Massachusetts for fellowship. I returned to the Tampa Bay area to be close to my family. I got married in 2018 and we now have a 5-year-old daughter.

**Hobbies:** I enjoy reading, running, traveling and more recently playing with my daughter. I have completed several running races including six half-marathons and one full marathon. I have traveled within the USA and internationally. My international travel has included Thailand, Costa Rica, England, Scotland, Ireland, mainland Europe, Venezuela, Nepal, India, Portugal, Iceland, Croatia, New Zealand, Jamaica and Italy. We are always looking for our next great adventure.
