2005–2009

Course Co-Director Scholarly Concentration in Public Health – International Medicine Track, College of Medicine, USF, Tampa MS1-4, BMS 6991I, 6992I, 6993I, 6994I

07/07–8/10

Co-Director, BMS 6920 Colloquium II, Global Medicine Section, College of Medicine, USF, Tampa

08/07–12/09

Lectured annually on Poverty Inequality and Health: A Global Perspective

Graduate Education:

Invited Lecturer, PHC 6764 Global Health Principles & Contemporary Issues. Annual lecture on *Infectious Diseases in a Global Context*. University of South Florida, College of Public Health

09/06–present

MSPH Thesis Committee, Ubin Pokharel, Dept. of Epidemiology & Biostatistics, College of Public Health, University of South Florida

08/15–05/16

Co-Instructor, GMS 6836 Approach to Clinical and Behavioral Research in Adolescents: Focus on HIV. University of South Florida College of Medicine. Taught four modules.

04/08–04/12

Instructor, PHC 6410, Social and Behavioral Core Course, MPH Program, College of Public Health, USF & International Institute on Information Technology, Pune, India	04/05–07/05
Invited Lecturer, PHC 6413 Family and Community Violence in Public Health. International Partner Violence, College of Public Health, University of South Florida, Tampa	5/24/05
Field experience supervisor, Karina D'Souza Komal D'Souza, Helen Georgiev, College of Public Health, University of South Florida, Tampa	2005–2009
Invited Speaker, PHC 6934, Maltreated Children and their Families. Issues in International Child Maltreatment. College of Public Health, University of South Florida, Tampa	4/10/03
Teaching Assistant, PHC 6413, Family and Community Violence in Public Health. Assisted in developing curriculum, organized speakers, and planned and coordinated agency visits for students. Presented at two sessions on International Partner Violence and International Child Maltreatment.	05/03–06/03
Teaching assistant, PHC 6934, Maltreated Children and their Families Developed syllabus, prepared class lectures and presentations. Presented at four sessions including Child Physical Abuse, Child Psychological Abuse, Children Exposed to Violence, and Abuse of Children with Disabilities. Organized guest speakers and coordinated classroom activities	01/01–05/01
Teaching assistant, PHC 6934, Maltreated Children and their Families. Developed syllabus, assisted in preparing class lectures and presentations. Organized speakers. Coordinated classroom activities.	01/00–05/00

INNOVATION

Founding Director, USF Medicine International	2006–2012
Assistant Dean, USF Medicine International	01/13– present
Assistant Vice President International, USF Health	10/12– present

- Pioneered a four-year international medicine scholarly concentration program for USF medical students. Class size of 65-

- 70 with annual admission of 15-20 MS1s; Trained 231 students; graduated 168 until 2021
- Co-founded with John Sinnott, MD a global medicine program for the Morsani College of Medicine
 - 1324 MCOM students engaged in global experiences—research (181), clinical externships (180), and service learning (963), since 2006
 - Established 57 active MCOM collaborations with academic institutions in 23 countries—31 in 16 countries since FY 2017
 - Established a medical student externship exchange program with 25 international medical schools; 9 new agreements since FY 2017
 - 347 international exchange students visited USF MCOM since FY 2006
 - Created opportunities for international clinical electives for USF MCOM residents and fellows with partner institutions in China, Colombia, Dominican Republic, India, Panama, Senegal, Thailand, and Uganda
 - Codirected HIV management training programs for physicians and other providers from India
 - Developed, expanded, and refined hospital administrator training programs for physicians and administrators from China, Thailand, Panama, and Central Asia
 - Developed, expanded, and enhanced sub-specialty training programs for physicians from Brazil, China, India, Kazakhstan, Panama, South Korea, and Thailand
 - Designed and established a clinical observership program for international medical graduates (IMG) from 55 countries.
 - 1405 International medical trainees have trained at USF since 2006 including international medical graduates (678), hospital administrators (207), medical students (372), and Sub-specialty physicians (148).
 - Rebranded to USF Health International
 - Oversee 92 USF Health agreements in 38 countries—45 since FY 2017
 - Developed and expanded opportunities for international clinical electives, research electives and field experiences for USF medical and other health sciences students with

- partner institutions in Brazil, China, Colombia, Cyprus, Italy, Mexico, Netherlands, Panama, Peru, South Korea, Senegal, Thailand, Uganda, and United Kingdom
- 1901 USF Health students trained abroad in 69 countries and US territories (Guam, St. Croix, and Puerto Rico) since July FY 2014; 1042 since FY 2017
- Instituted an online registration system for USF Health students to travel abroad safely and securely
- During ongoing COVID-19 pandemic:
 - Initiated and hosted virtual global platform for Global Health Conversation Series. 21 Webinars with expert speakers from USF and international collaborators
 - Designed and hosted virtual global platform for Global Health Student Conversation Series between USF Health students and other international colleges of medicine, nursing and pharmacy
 - Inaugurated and hosted first Virtual Medical Spanish Language Educational program between UNAM, Mexico and USF MCoM students
 - Inaugurated five Global Virtual Exchange (GVE) study abroad programs between USF nursing and Universities in Colombia, Exeter and Scotland
- Locally, appointed to USF COVID-19 taskforce in January 2020 with other leadership to guide the COVID-19 pandemic response and recovery
 - Developed processes and policy for domestic and international travel and led the post-exposure assessment for USF faculty, staff, and students
- Cofounded in 2020 with Asa Oxner, MD and John Sinnott MD a Global Health Fellowship Program
- Collaborated with USF ID faculty to establish a Global Emerging Diseases Institute at Tampa General Hospital for COVID-19 and other infectious diseases

LECTURES/PRESENTATIONS

National and International:

<i>Ethical Challenges Related to HIV/AIDS</i> . Invited speaker. Indian Medical Association, Goa Chapter, Ponda, Goa, India	01/10/04
<i>Ethics and HIV</i> . Invited speaker. KEM Hospital, Mumbai India	01/14/04

<i>HIV/AIDS: Ethical and Legal Challenges</i> . Invited speaker. Panel session. Third National HIV/AIDS Update, Vadodara, Gujarat, India	01/17/04
<i>HIV/AIDS: Psychosocial and Adherence Issues</i> . Invited speaker. The 4th National HIV/AIDS Update, Mysore, India	01/07/05
<i>Ethics in Public Health Research</i> (4-hour workshop). Invited Speaker International Institute of Information Technology (I2IT), Pune, India. Trained physicians and other health care professionals conducting research in India.	03/30/05
<i>Access and Adherence to ART</i> . What works? Invited speaker. The 5th National HIV/AIDS Update, Mumbai, India	01/07/06
<i>Adherence Vital to ART Success</i> . Invited speaker. The 6th National HIV/AIDS Update, Ahmedabad, India	01/27/07
<i>Ethical Issues in International Health Research</i> . Invited speaker. Essential Medicine in the Globalization Era. Symposium hosted by Srinakharinwirot University, Bangkok, Thailand	11/27/08
<i>HPV Update 2008</i> . Invited speaker. Essential Medicine in the Globalization Era. Symposium hosted by Srinakharinwirot University, Bangkok, Thailand	11/28/08
Course Faculty, <i>Ethical Issues in Health Research</i> , Medical College Baroda, Vadodara, Gujarat, India. Conducted 2-day training for physicians.	02/10/11
Course Faculty, <i>Ethical Issues in Health Research</i> , Government Medical College Surat, Gujarat India. Conducted 2-day training for physicians.	02/08/11
<i>HPV Infection in HIV-infected Women</i> . Invited Speaker: International Science Symposium on HIV and Infectious Disease 2012, Chennai, India.	01/21/12
Course Faculty, <i>Responsible Conduct of Research Training</i> , Government Medical College Surat, India. Conducted 1-week training for physicians.	01/31/12
<i>Cervical and Other HPV-associated Cancers: An Urgent and Preventable Global Health Issue</i> Invited Speaker: 25-year Jubilee Celebration, MGM Medical School, Vashi, India Symposium on Cervical cancer.	08/14/13

<i>Cervical Cancer Epidemiology Update.</i> Invited speaker. Center of Nanosciences and molecular medicine, Amrita University, Kochi, India	03/26/14
<i>Ethical Issues in Health Research: Current Concerns in India.</i> Invited Speaker. Government Medical College Surat, India.	07/07/15
<i>Globalizing Hospital Systems.</i> Invited Speaker. International Hospital Director/CEO Forum 2016, Guigang, Guanxi, China.	05/06/16
<i>HPV-Associated Cancers.</i> Invited Speaker, International Conference on Ethics and Evidences, Khon Kaen, Thailand	06/30/16
<i>Workshop on Ethical Issues in Health Research.</i> Invited Speaker. Workshop for physicians, nurses, medical residents, Khon Kaen Hospital, Khon Kaen, Thailand.	07/01/16
<i>Strategic Planning in Healthcare Administration.</i> LEAD Training Program for Hospital Administrators and Physicians from Thailand	05/15/17
<i>Strategic Planning in Healthcare Administration.</i> LEAD Training Program for Hospital Administrators and Physicians from Gansu and Guanxi, China	12/04/17
<i>Strategic Planning in Healthcare Administration.</i> LEAD Training Program for Hospital Administrators and Physicians from Gansu, Northwestern China	09/18/18
<i>USF Medicine International: Global initiatives.</i> Invited presentation to President and Vice President, X'ian Aerospace General Hospital, X'ian, China	10/12/18
<i>USF Medicine International: Global initiatives.</i> Invited presentation to President and faculty, Luohe Central Hospital, Luohe, China	10/16/18
<i>Making life Better Globally: USF Medicine International.</i> Invited Presentation to Nsambaya, Hospital, Kampala, Uganda	06/04/19
<i>Making life Better Globally: USF Medicine International.</i> Invited Presentation to Uganda Viral Research Institute, Entebbe, Uganda	06/04/19
<i>Making life Better Globally: USF Medicine International.</i> Invited Presentation to University of Ghana Health Sciences, Accra, Ghana	06/07/19

<i>Making life Better Globally: USF Medicine International.</i> Invited Presentation to Institute for Health Research, Epidemiological Surveillance and Training (IRESSEF) Dakar, Senegal	06/10/19
<i>Making life Better Globally: USF Medicine International.</i> Invited Presentation to Dakar Pasteur Institute, Dakar, Senegal	06/11/19
<i>Strategic Planning in Healthcare Administration.</i> LEAD Training Program for Hospital Administrators and Physicians from Gansu, Northwestern China	06/18/19
<i>Making life Better Globally: USF Medicine International.</i> Invited Presentation to China Medical University, Shenyang, China	10/15/19
<i>Elimination of Cervical Cancer: Are we ready?</i> Invited lecture. 17th Annual meeting of the Chinese Hospital Association, Guanxi, China	10/19/19
Moderator for Global Health Conversation series. <i>COVID-19 response and the social determinants of health in Mexico.</i> Conversation with Dr. Guadalupe Garcia, Chair Dept of Public Health UNAM, Mexico Hosted by USF Health International	11/17/20
Moderator for Global Health Conversation series “ <i>Don’t Just Sit There - Adapt and Optimize in a Post-COVID World</i> ” Conversation with Kristopher Kaliebe, MD. USF Professor of Psychiatry, Hosted by USF Health International	09/22/20
Moderator for Global Health Conversation series “ <i>Public-Private Partnership During a Pandemic — Experience in Udupi District of India</i> ” with Dr. Shashikaran Umakanth, Manipal Academy of Higher Education, Manipal, India, Hosted by USF Health International	03/02/21
Moderator for Global Health Student Conversation series. <i>Telehealth in the US and Japan.</i> Conversation between medical students from Morsani College of Medicine and Gifu University Japan. Hosted by USF Health International	04/21/21
Moderator for Global Health Conversation series “ <i>Advancing Neglected Tropical Diseases Control in Africa: Integrating Social Development with Biomedical Approaches</i> ” with Dr. Amadou Sall, CEO, Institut Pasteur de Dakar and Dr. Edwin Michael, Professor USF Center for Global Health Infectious Disease Research. Hosted by USF Health International	10/12/21
<i>USF Health: Transforming Healthcare Through Academic Innovation.</i> Keynote, Panelist on Innovation in Health Education. Knowledge &	11/08/21

Transformation Forum 2021. Organized by National Autonomous University of Mexico (**UNAM**) and PAHO/WHO.

Regional/Local:

- IRB Protocol for Conducting Human Subject Research* (4-hour workshop). Trained Indian physicians attending a USF Summer Fellowship Program in HIV/AIDS Medicine at COPH, organized by the USF-India Center for Health, HIV/AIDS Research and Training in India (CHART-India). 06/16/03
- Cultural Issues in Intimate Partner Violence*. Plenary Session. Sixth Annual Meeting of the Minds Conference. Responding to Family Violence and Injury: The Health Provider Link. 07/17/03
- Qualitative Methods: A New World of Research Inquiry*. Presenter, panel discussion on qualitative methods in public health research. College of Public Health, summer course for graduate students 06/07/04
- Cultural Practices in Health*. Invited panel discussion. APAMSA, USF, Tampa, FL 02/15/06
- Conducting International Projects: What Does it Take?* Invited speaker. APAMSA, College of Medicine, USF, Tampa, FL 01/30/08
- International Research: What Does it Take?* Invited speaker. APAMSA, College of Medicine, USF, Tampa, FL 03/02/09
- International Research: What Does it Take?* Invited speaker. APAMSA, College of Medicine, USF, Tampa, FL 09/24/09
- Conducting International Research: What Does it Take?* Invited speaker. APAMSA, College of Medicine, USF, Tampa, FL 11/02/11
- HPV Infection in HIV-infected Women*. Invited speaker. Center for Infection Research in Cancer. Moffitt Cancer Center, Tampa, FL 04/22/13
- International Projects: Development and Sustainability*. Presentation to International Health Service Collaborative, USF Health, Tampa, FL 09/04/13
- International Projects: Development and Sustainability*. Presentation to International Health Service Collaborative, USF Health, Tampa, FL 09/09/14
- Every Child Counts: Global Epidemiology of Childhood Infectious diseases*. Grand Rounds, USF Division of Infectious Disease and International Medicine, USF, Tampa, FL 11/24/14

<i>International Projects: Development and Sustainability.</i> Presentation to International Health Service Collaborative, USF Health, Tampa, FL	09/01/15
<i>USF Medicine International.</i> Invited Presentation to All Chairs, Morsani College of Medicine, USF Health. Tampa, FL	10/19/16
<i>Preparing for international Research.</i> Invited Presentation to International Health Service Collaborative, USF Health, Tampa, FL	09/14/16
<i>Preparing for International Research.</i> Invited Presentation to International Health Service Collaborative, USF Health, Tampa, FL	10/25/17
<i>2019 Novel coronavirus.</i> Presentation by Sinnott J, Menezes L, Lakshmi S to the USF Campus Leadership Council, USF, Tampa, FL	02/03/20
<i>COVID-19: A Pandemic Looms.</i> Presentation by Sinnott J, Menezes L, Lakshmi S to USF Health Academic Council, USF Health, Tampa, FL	02/27/20
<i>COVID-19: An Epic Pandemic.</i> Presentation to College of Pharmacy, faculty and Staff, USF Health, Tampa, FL	04/01/20
<i>COVID-19: An Epic Pandemic.</i> Presentation to Administrative Advisory Council, USF, Tampa, FL	4/14/20
<i>COVID-19: An Update.</i> Presentation to Administrative Advisory Council, USF, Tampa, FL	7/14/20
<i>Preventing the Devastating Impacts of Future Pandemics: Investing in Maternal and Child Health.</i> Presentation to USF MCHSO Symposium 2021, University of South Florida, Tampa, FL	03/04/21
Invited Panelist, <i>Women in Leadership Panel</i> , USF Health	03/15/21
Menezes K, Weiland E, Bohn J & Menezes L. <i>Tampa Bay Street Medicine.</i> Invited presentation at Digital Debriefing on Homelessness. Tampa Bay Downtown Partnership	03/18/21
Ninesling B, Ortega Cotte A, Harb A, Oxner A, Menezes L , Mahoney D & Baer R. <i>Evaluating Understanding of COVID-19 Pandemic Policies among Spanish and Arabic Speaking Refugees and Immigrants in Tampa, Florida.</i> Presented to Tampa Bay Area Refugee Task Force	06/02/21
<i>Mask on or Mask Off: Returning to Campus.</i> Presentation to Academic Advising, USF, Tampa, FL.	6/23/21

Menezes, PhD
05/2/2022

Invited Presentation. *USF Health Global Engagement*, MCOM Faculty Council, Tampa, FL 10/26/22

Invited Presentation. *OMICRON: Will this be the last?* Presentation to Administrative Advisory Council, USF, Tampa, FL 1/11/22

Invited Panelist, *Community Impact: Increasing Healthcare Access session*. American Medical Women's Association, USF Chapter TEA Conference Breaking Barriers: The obstacles and resilience women have shown in revolutionizing medicine. Tampa, FL. 2/27/22

Invited Presentation, *Lifting Up Underserved Populations: Tampa Bay Street Medicine*. Bisht R, **Menezes L**. Leadership & Innovation Forum of Tampa. 3/3/22

SCHOLARLY ACTIVITIES

Grants and Contracts:

Current:

Federal:

NIH Fogarty International Center 5D43TW011509-01A1 Cui L (PI) 2021-2026
Training in Malaria Research Myanmar
The purpose of this grant is to strengthen research capacity in malaria in Myanmar
Role: Volunteer effort, member, Training Advisory Committee (TAC); Volunteer effort to strengthen research ethics capacity.

Local:

USF COVID-19 Rapid Response Program Biasse (PI) \$25,000 2020-2021
Secure Mobile Contact Tracing App
Purpose: Multidisciplinary team to develop a secure contact tracing app allowing for early detection of viral transmission and timely intervention to stop the spread of SARS-CoV-2 that causes COVID-19.
Role: Co-Investigator, 0.01 FTE

First Presbyterian Church, Tampa Tampa Bay Street Medicine \$10,000 2020-2021
Tampa Bay Street Medicine COVID-19 Vaccination Clinic. This grant was awarded to vaccinate the homeless in Tampa.
Location: USF Foundation
Role: Co-Investigator, volunteer effort

International:

Gansu Health Department, China Menezes (PI) \$700,000 cumulative 2015-2022

Training Program for Hospital Administrators and Physicians from Gansu, Northwestern China.

Purpose: To build the capacity of Chinese physicians and hospital administrators from across Gansu province, by enhancing leadership and management skills to improve patient outcomes.

Location: USF Health Profession Conferencing Corporation (HPCC) (01/15: \$111,372; 10/16: \$135,000; 5/17: 30,000; 12/17: \$80,800; 9/18: \$50,500; 6/19: \$55,550; 2020 & 2021 on hold for pandemic)

Role: Principal Investigator, 0.05 FTE

Gansu Health Department, China Menezes (PI) \$650,000 cumulative 2015 – 2022

Sub-specialty Training Program for Physicians from Gansu, Northwestern China.

Purpose: To build the capacity of Chinese physicians in various specialties by enhancing clinical skills to improve patient outcomes.

Location: USF HPCC (05/15: \$63,000; 12/15: \$48,000; 05/16: \$46,500; 10/16: \$42,000; 6/17: \$24,000; 3/18: \$42,000; 7/18 & 9/18: \$36,000; 3/19: \$40,000; 7/19: \$42,000; 2020 & 2021 on hold for pandemic)

Role: Principal Investigator, 0.04 FTE

US/China Business & Cultural Exchange Center, Menezes (PI) \$176,000 (cumulative) 2015–2020

Sub-specialty Training Program for Physicians from Guanxi Province China.

Purpose: To build the capacity of Chinese physicians in various specialties by enhancing clinical skills to improve patient outcomes.

Location: USF UMSA (10/15: \$40,000; 5/16: 11/16: \$24,000; 2/17: 8,000; 10/17: 56,000; 8/18-2/19: 48,000; 2020 & 2021 on hold for pandemic)

Role: Principal Investigator, 0.02 FTE

Kunshan Hospital, Kunshan, China Menezes (PI) \$400,000 cumulative 2016–2022

Sub-specialty Training Program for Physicians from Kunshan Hospital, Kunshan, China.

Purpose: To build the capacity of Chinese physicians in various specialties by enhancing clinical skills to improve patient outcomes.

Location: USF University Medical Service Association, Inc (UMSA) (01/16 -05/16: \$40,000; 4/17: \$48,000; 5/18: \$32,000; 3/19: \$48,000; 11/19-2/20: \$64,000; total=\$232,000; 2020 & 2021 on hold for pandemic)

Role: Principal Investigator, 0.01 FTE

X'ian Aerospace Hospital, China Menezes (PI) \$24,000 cumulative 2019–2020

Sub-specialty Training Program for Physicians from X'ian Aerospace Hospital, China.

Purpose: To build the capacity of Chinese physicians in various specialties by enhancing clinical skills to improve patient outcomes.

Location: USF UMSA (6/19: \$24,000)

Role: Principal Investigator, 0.01 FTE

USF HPCC UMSA Sinnott & Menezes (Co-PIs) 1,474,951 (cumulative) 2013–present
Clinical Observership Training Program for International Medical Trainees.
Purpose: To build the capacity of international physicians and medical students in various specialties by enhancing clinical skills to improve patient outcomes.
Location: USF HPCC UMSA (2013-2014: \$103,715; 2014-2015: \$173,498; 2015-2016: \$207,000; 2016-2017: \$284,626; 2017-2018: \$260,112; 2018-2019: \$238,000; 2019-2020: 208,000; 2020 & 2021 on hold for pandemic)
Role: Co-Principal Investigator, 0.02 FTE

Completed:
Federal

NIH Fogarty International Center 5D43TW006793 Emmanuel (PI) \$49,656 01/11–12/12

Supplement for Responsible Conduct of Research Training at Government Medical College Surat (India)
The purpose of this grant is to institute responsible conduct of research training using a “train the trainer” model in Government Medical College Surat, Gujarat, India
Role: Co-Investigator, 0.05 FTE

NIH Fogarty International Center, (S07)TW008851-01, Chenneville (PI) \$54,200 09/10–03/12

"Enhancing NIH Supported Health Research in Gujarat, India"
The purpose of this grant is to improve functioning of Institutional Ethics committees in Medical College Baroda and Surat Medical College, Gujarat, India.
Role: Co-Investigator, 0.05 FTE

NIH Fogarty International Center Emmanuel (PI) \$1,100,000 07/07–12/14
USF-India Program in Adolescent HIV/AIDS Research Training (PAHRT)
The purpose of this grant is to build the capacity of Indian health care providers in Vadodara, Gujarat, India to initiate and sustain a research and training program in adolescent HIV/AIDS.
Role: Co-Investigator, 0.05 FTE

International

Guigang City Hospital, Guanxi, China Menezes (PI) 28,000 (cumulative) 2016–2017
Sub-specialty Training Program for Physicians from Guigang, Guanxi, China.
Purpose: To build the capacity of Chinese physicians in various specialties by enhancing clinical skills to improve patient outcomes.
Location: USF UMSA (11/16: \$28,000)
Role: Principal Investigator, 0.01 FTE

Burapha University, Thailand Menezes (PI) \$116,580 2015–2017
(cumulative)

Training Program for Hospital Administrators and Physicians from Hospitals in Thailand, China, Panama.

Purpose: To build the capacity of Thai and other international physicians and hospital administrators by enhancing leadership and management skills to improve patient outcomes

Location: USF HPCC (10/15: \$68,180; 5/17: 38,400)

Role: Principal Investigator, 0.02 FTE

Srinakharinwirot University, Thailand Menezes (PI) \$124,500 (cumulative) 03/13-04/14

Training Program for Hospital Administrators and Physicians from Hospitals in Thailand.

Purpose: To build the capacity of Thai physicians and other hospital administrators by enhancing leadership and management skills to improve patient outcomes

Location: USF HPCC (03/13: \$68,500; 03/14: 56,000)

Role: Principal Investigator, 0.03 FTE

Gansu Health Department, China Menezes (PI) \$80,202 11/13-12/13

Training Program for Hospital Administrators and Physicians from Gansu, Northwestern China.

Purpose: To build the capacity of Chinese physicians and other hospital administrators from across Gansu province, by enhancing leadership and management skills to improve patient outcomes.

Location: USF HPCC

Role: Principal Investigator, 0.02 FTE

Gansu Health Department, China Sinnott (PI) \$290,870 01/10-12/12

Training Program for Hospital Administrators and Physicians from Gansu, Northwestern China.

Purpose: To build the capacity of Chinese physicians and other hospital administrators from across Gansu province, by enhancing leadership and management skills to improve patient outcomes.

Location: USF HPCC & TGH foundation (01/10: \$87,570; 11/11: \$89,280; 11/12: 114,020)

Role: Co-Principal Investigator, 0.05 FTE

Regional

Florida Medical Clinic Foundation Tampa Bay Street Medicine \$15,000 2019-2020

Tampa Bay Street Medicine Women's Clinic. This grant was awarded to establish a women's clinic for homeless and underserved female patients.

Location: USF Foundation

Role: Co-Investigator, volunteer effort

Humana Foundation Tampa Bay Street Medicine \$75,000 2017–2019
Improving Access to Care: Medical Van for the Homeless in Tampa Bay
This grant was awarded to establish a mobile clinic for homeless and underserved patients in the Tampa Bay Area
Location: USF Foundation
Role: Co-Investigator, volunteer effort

University of South Florida Menezes (PI) 2011–2013
HPV Infection in HIV-infected women in Chennai, India: A Pilot Study
This study uses secondary data from YRGCARE clinic to estimate the 3-month incidence and prevalence of HPV infection at the cervix, anal canal and oropharynx in HIV-infected women in Chennai, India.
Role: Principal Investigator, 0.1 FTE, unfunded

University of South Florida Logan (PI) 04/07–05/09
Evaluation of Cervical Cancer Screening Practices for HIV-positive Women
This study examines secondary data to evaluate whether HIV-infected women receive CDC-recommended cervical cancer screening, and how demographic factors impact receipt of this screening.
Funding: NA
Role: Co-Investigator, 0.02 FTE

University of South Florida Menezes (PI) 9/06–6/09
Disease Progression and Health Change Patterns among HIV-positive Patients at the Hillsborough County Health Department
This study uses secondary data to examine a cohort of HIV-infected persons to determine disease progression and mediation factors.
Funding: NA
Role: Principal Investigator, 0.05 FTE

Pfizer Foundation Sinnott (PI) 100,000 03/06–01/07
“Linezolid and the Management of MRSA”
Role: Co-Investigator, 0.05 FTE

Pfizer foundation Sinnott (PI) 50,000 01/05–1/06
“Impact of Methicillin Resistant Staphylococcus aureus (MRSA) on the Tampa Bay Community”
Role: Co-Investigator, 0.05 FTE

Government of Maharashtra, India Sinnott (PI) \$50,000 04/05–05/05
Training Program for Health Policy Planners and Public Health Physicians of the Government of Maharashtra, India
Location: USF/CHART
Role: Co-Investigator, 0.1 FTE

Government of Maharashtra, India	Sinnott (PI) \$75,000	09/04–11/04
Training Program for Physicians on Health, HIV Management and Emerging Diseases in Resource-constrained Settings		
Location: USF/CHART		
Role: Co-Investigator, 0.1 FTE		
Government of Maharashtra, India	Sinnott (PI) \$15,000	09/04–11/04
Training Program for Health Policy Makers Practicing in Resource Poor Settings		
Location: USF/CHART		
Role: Co-Investigator 0.1 FTE		
Government of Maharashtra, India	Sinnott (PI) 85,000	6/04–7/04
HIV Management and Prevention Training Program for Policy Planners and Physicians of the Government of Maharashtra, India		
Location: USF/CHART		
Role: Co-Investigator, 0.1 FTE		
Hillsborough County Children’s Board	Coulter (PI) \$15,000	10/01–09/02
“Prediction and Prevention of Family Violence.” Analysis of database on domestic violence offenders to determine best predictors of treatment completion.		
Role: Co-Investigator, 0.2 FTE		
Hillsborough County Children’s Board	Coulter (PI) 15,000	10/00–09/01
“Domestic Violence Offender Treatment.” Assessment of characteristics of domestic violence offenders in community treatment programs.		
Role: Co-Investigator, 0.2 FTE
