## I. BACKGROUND

### EDUCATION and TRAINING

2001- 2007	<b>Ph.D., Curriculum &amp; Instruction, Cognate in Public Health Nutrition</b> University of South Florida, Tampa, FL DISSERTATION: Comparison of Student Outcomes in Distance Learning Internships versus Traditional Dietetic Internships ADVISOR: Jan Ignash
1987 – 1988	<b>M.S., Nutrition</b> , Case Western Reserve University, Cleveland, OH
1983 – 1987	<b>B.S., Dietetics</b> , The Ohio State University, Columbus, OH

### CREDENTIALS

- Registered Dietitian/Nutritionist under the standards of the Commission on Dietetic Registration, American Dietetic Association (#720000)
- Licensed Dietitian in the State of Florida (#5504)
- Fellow of the Academy of Nutrition and Dietetics

## II. PROFESSIONAL EXPERIENCE

2023 – Present	University of South Florida, Tampa, Florida <b>Director of Nutrition Programs/Associate Professor</b> Direct the Dietetic Internship, Coordinate the MPH concentration in Nutrition & Dietetics and the MPH Concentration in Community Nutrition. Developed new undergraduate major in Nutrition Science. Teach a 2/2/1 load including Leadership, Clinical Nutrition and Assessment, Public Health Nutrition, Nutritional Biochemistry, and Nutrition Practicum. Conduct applied research in food insecurity & health disparities, and global malnutrition.
----------------	--

2016 – 2023	University of North Florida, Jacksonville, Florida <b>Associate Professor/ Director, Center for Nutrition and Food Security/Director, Graduate Programs (MS and DCN)</b>
<b>[2018 -2022]</b>	<b>Department Chair</b> - Conducted administrative responsibilities and led a department of 13 faculty members. Assigned a 2/2/1 load but taught a <b>4/4/2</b> load of graduate-level courses online including Advanced Clinical Nutrition, Public Health, Global Nutrition, Leadership and Public Policy, Teaching Nutrition in Higher Education, Current Trends in Dietetics Practice, and Qualitative Research.
	Developed and Directed the nation's second doctorate in clinical nutrition program. Developed and achieved Quality Matters approval for 7 courses. Recruited and advised over 60 doctoral students. Chaired/served on an average of 6 dissertation committees per semester. Directed the MS Online program for dietetic interns and dietitians.
	Conducted applied research in food insecurity & health disparities, HIV disease, and global malnutrition.
	Established and directed a Center whose mission is to bring individuals and organizations together in a coordinated and sustained effort that finds solutions and eliminates barriers in order to improve food access and nutritional health in the local and global community. Center includes <i>Meals on Wings</i> , a food recovery-meal delivery program serving 250 underserved seniors in Jacksonville.
2010 – 2016	University of South Florida, Tampa, Florida College of Public Health, Department of Community & Family Health <b>Assistant Professor/Nutrition Program Director</b> Taught a 1/1 load. Courses taught included Public Health Nutrition, Food and Culture, Introductory Nutrition. Supervised MPH research projects and served on doctoral dissertation committees. Conducted applied nutrition research in food insecurity and outcomes research in nutrition. Developed and secured accreditation for an integrated MPH/Dietetic Internship. Developed and managed an undergraduate minor in public health nutrition.
2008 – 2010	University of North Florida, Jacksonville, Florida <b>Dietetic Internship Director/Assistant Professor</b> Taught graduate and undergraduate level dietetic courses in medical nutrition therapy, clinical nutrition and research methodology. Conducted applied research in food insecurity, nutrition and HIV, and dietetics pedagogy. Administered the MSH/Dietetic Internship Program. Coordinated practicum sites, developed and revised program curriculum, conducted continuous program evaluation, and maintained accreditation.
2004 – 2008	Bay Pines VA Hospital, St. Petersburg, FL

### **Dietetic Internship Director**

Began and administered the Dietetic Internship Program. Developed and revised supervised practice curriculum, provided training sessions for preceptors, planned and supervised advance practice workshops, recruited and selected candidates, managed the human resource, fiscal and administrative aspects of the internship including stipends, accreditation fees and affiliation agreements, monitored intern progress, obtained and maintained accreditation, and evaluated program outcomes. Taught graduate level dietetic courses at USF.

1989 – 2004

James A. Haley VA Hospital, Tampa, Florida

### **Clinical Dietitian**

Provided medical nutrition therapy for a case load of 70 acute inpatients. Provided nutrition education to outpatients in Infectious Disease Clinic. Relief coverage for Clinical Nutrition Supervisor and Dietetic Internship Director.

## **III. RESEARCH AND SCHOLARSHIP**

### **PUBLICATIONS**
