UNIVERSITY OF SOUTH FLORIDA**

CONTACT INFORMATION

University of South Florida
College of Public Health
13201 Bruce B. Downs Blvd., MDC 56
Tampa, FL 33612

Office: CPH 2127
Office phone: (813) 974-0900
Email: mjvalente@usf.edu

EDUCATION

Ph.D. <i>Arizona State University</i> , Quantitative Research Methods (Advisor: David P. MacKinnon, Ph.D.)	2012-2018
M.A. <i>Arizona State University</i> , Quantitative Research Methods (Advisor: David P. MacKinnon, Ph.D.)	2012-2015
B.S. <i>University of North Florida</i> , Psychology (summa cum laude) (Advisor: Christopher Leone, Ph.D.)	2006-2010

POSITIONS HELD

<i>University of South Florida</i> , Assistant Professor, College of Public Health	Aug. 2022 – present
<i>Florida International University</i> , Assistant Professor, Psychology	Aug. 2018 – July 2022

ACADEMIC AND PROFESSIONAL HONORS

Nominated for National Institute of Health Office of Disease Prevention Early-Stage Investigator Lecture Award	October 2023
Abstract of Distinction for organized symposium titled <i>Innovative Methods for Identifying Health Inequities</i> conducted at the meeting of the Society for Prevention Research, Washington DC.	June 2023
Nominated for membership in the Society of Multivariate Experimental Psychology (SMEP)	March 2023
National Research Service Award Predoctoral Fellowship (NRSA F31)	May 2017 – May 2018
SAS Student Ambassador Award to attend SAS Global Forum	2017 & 2018
Arizona State University, College of Liberal Arts and Sciences (CLAS) Graduate Excellence Award	2015 & 2017

Society of Multivariate Experimental Psychology (SMEP) Student Travel Award	2015
Arizona State University, Nominated for Graduate and Professional Student Association (GPSA) Teaching Excellence Award	2015
University of North Florida Outstanding Undergraduate Student Award in Psychology	2011
Psi Chi Research Award, The Annual Meeting of the Southeastern Psychological Association	2011
Graduated summa cum laude with Baccalaureate Honors from the University of North Florida	2010
Best Research Poster Award, The Annual Meeting of the Society of Southeastern Social Psychologists	2010
Society for Multivariate Experimental Psychology Minority Fellowship, Kansas University Statistics Workshop	2010
Ling Summer Scholarship, Kansas University Statistics Workshop	2010
University of North Florida Travel Grant, Kansas University Statistics Workshop	2010
University of North Florida Undergraduate Research Grant for Undergraduate Honors Thesis	2009
Florida Bright Futures Medallion Scholarship	2006-2010

RESEARCH FUNDING

Grant Proposals Under Review (1)

Title: Clinical Trial Data Sharing with Differential Privacy

Submitted:	6/05/24
PI:	Chen, Henian
Role:	Co-I
Funding Agency:	National Institutes of Health
Direct Costs Requested:	\$1,802,091.00
Indirect Costs Requested:	\$522,226.00
Total Request:	\$2,324,317.00
Anticipated Start and End Dates:	1/1/25 – 12/31/28

FUNDED RESEARCH

Current Funded Research (2)

Title: Methods for Synthesizing Causal Mediation Effects in Single Case Experimental Designs

Submitted: 1/11/24
PI: Valente, Matthew
Role: PI
Funding Agency: Institute of Education Sciences
Direct Costs Requested: \$751,971.00
Indirect Costs Requested: \$144,211.00
Total Request: \$896,182.00
Anticipated Start and End Dates: 9/1/24 – 8/31/27

Title: Interventions for English Language Learners at Risk for ADHD

Submitted: 8/20/20
PI: Schatz, Nicole
Role: Co-I
Funding Agency: Institute of Education Sciences
Direct Costs Requested: \$3,012,605.00
Indirect Costs Requested: \$779,718.00
Total Request: \$3,792,323.00
Start and End Dates: 8/1/21 – 7/31/25

Previously Funded Research (2)

Title: Adapting a Parenting Intervention to Promote Healthy Screen Time Habits in Young Children with Externalizing Behavior Problems (No subcontract was granted after transitioning to USF)

Submitted: 4/6/21
PI: Shayl, Griffith
Role: Co-I
Funding Agency: National Institutes of Health
Direct Costs Requested: \$275,000.00
Indirect Costs Requested: \$130,625.00
Total Request: \$405,625.00
Start and End Dates: 12/1/21 – 11/30/23

Title: Modern Longitudinal Mediation Methods for Prevention Studies (Ruth L. Kirschstein Predoctoral Individual National Research Service Award F31)

Submitted: 4/15/16
PI: Valente, Matthew
Role: PI
Funding Agency: National Institutes of Health
Direct Costs Requested: \$64,595.00
Indirect Costs Requested: \$0.00
Total Request: \$64,595.00
Start and End Dates: 5/1/17 – 7/31/18

PRESENTED PAPERS AND LECTURES

Invited Lectures

9. **Valente, M. J.** (2024, June). *Mediation and Moderation Analysis for Health Interventions*. Invited talk presented in Applied Public Health Research and Evaluation Methods (PHC 7702), College of Public Health, University of South Florida Tampa, FL.
8. **Valente, M. J.** (2023, May). *Mediation effects in single-case experimental designs*. In A. Montoya (Chair) *Understanding Causal Mediation Analysis*. Organized symposium conducted at the annual meeting of the Association of Psychological Science (APS), Washington, DC.
7. **Valente, M. J.** (2022, April). *A novel approach to estimate moderated effects with continuous variables*. Invited virtual talk presented at the Aging and Longitudinal Modeling Research Group Methodology Meeting, at Amsterdam University Medical Center, Amsterdam, the Netherlands.

6. **Valente, M. J.** (2021, May). *Causal mediation effects in Single Case Experimental Designs (SCEDs)*. Invited talk presented at the Mediation Research Days Virtual Meeting, at McGill University Montreal, Canada.
5. **Valente, M. J.** (2021, April). *Causal mediation effects in Single Case Experimental Designs (SCEDs)*. Invited talk presented at the UCLA Department of Psychology, Quantitative Area brown bag seminar, at University of California, Los Angeles, CA.
4. **Valente, M. J.** (2020, October). *Significance testing in statistical mediation analysis*. Invited talk presented at the ReACH Lab, at Florida International University, Miami, FL.
3. **Valente, M. J.** (2019, November). *Total effect decomposition in mediation analysis using the potential outcomes framework*. Invited talk presented at the Quant Forum at the University of North Carolina at Chapel Hill, Chapel Hill, NC.
2. **Valente, M. J.** (2019, August). *Temporal design considerations in longitudinal mediation models: It's about "time"*. Invited talk presented at Single Subject Causal Mediation Analysis Workshop, Lorentz Center, Leiden, the Netherlands.
1. **Valente, M. J.** (2019, February). *Introduction to causal inference*. Invited talk presented at the Developmental Research Methods Graduate Course (DEP 5796), Florida International University, Miami, FL.

Workshops

6. **Valente, M. J.** (2022, October). *Mediation analysis for health disparities research*. Invited workshop presented (virtually) at the National Hispanic Science Network Early Career Leadership Committee Webinar on Mediation Analysis.
5. **Valente, M. J.** (2021, April). *Introduction to causal mediation analysis*. Invited workshop presented (virtually) at the Western Psychological Association (WPA) Annual Meeting.
4. MacKinnon, D. P. & **Valente, M. J.** (2020, February). *Modern Mediation Analysis Workshop* presented at Miller School of Medicine, University of Miami, Miami, FL.
3. MacKinnon, D. P. & **Valente, M. J.** (2020, February). *Modern Mediation Analysis Workshop* presented at University of Miami, Coral Gables, FL.
2. MacKinnon, D. P., **Valente M. J.**, Gonzalez, O., Miočević, M. (2017, May). *Bayesian Causal Mediation Analysis Workshop* presented at the 26th Annual Meeting of the Society for Prevention Research, Washington, DC.
1. MacKinnon, D. P., **Valente M. J.**, Gonzalez, O., Mazza, G., & O'Rourke, H. (2016, May). *Modern Mediation Analysis Workshop* presented at the 25th Annual Meeting of the Society for Prevention Research, Washington, DC.

Presentations

* Student co-author

38. Alvarez, K., Buckley, P. R., Bradshaw, C., Lea, C., Lozano, A., **Valente, M. J.**, Parker, M. SPR standards of evidence task force III (2024, May). In C. Berkel & S. Grant (Chairs) *SPR Standards of Evidence Task Force III*. Organized symposium conducted at the meeting of the Society for Prevention Research, Washington DC.
37. **Valente, M. J.**, *Pang, J., & Rijnhart, J. J. M. (2024, May). Causal mediation methods for N-of-1 interrupted time series designs. In S. Xu (Chair), *Methods to Examine Mediation in Multilevel, Continuous, and Interrupted Time series Studies*. Organized symposium conducted at the meeting of the Society for Prevention Research, Washington DC.
36. *Pang, J., Chen, H., & **Valente, M. J.** (2024, March). *Evaluation of statistical methods for estimating intervention effects in interrupted time series*. [Poster presentation]. USF Health Research Day 2024
35. Rijnhart, J. J. M., & **Valente, M. J.** (2023, June). Parallel multiple mediator models may lead to wrong conclusions on the relative importance of mediators when mediators are causally ordered. In J.J.M. Rijnhart (Chair), *Innovative Methods for Identifying Health Inequities* [Abstract of Distinction]. Organized symposium conducted at the meeting of the Society for Prevention Research, Washington DC.
34. **Valente, M. J.**, & Rijnhart, J. J. M. (2023, June). A simulation-based approach for estimating moderated treatment effects in health disparities research. In J.J.M. Rijnhart (Chair), *Innovative Methods for Identifying Health Inequities* [Abstract of Distinction]. Organized symposium conducted at the meeting of the Society for Prevention Research, Washington DC.
33. *Frederick, J., Ng., M. Y., **Valente, M. J.**, Venturo-Conerly, K., & Weisz, J.R. (2023, November). *What CBT modules work best for whom? Identifying subgroups of depressed youths by their differential response to specific modules* [Poster presentation]. Association for Behavioral and Cognitive Therapies Convention, Seattle, WA.
32. *Taskin, T., Roncancio, A. M., **Valente, M. J.**, Sheehan, D. M., Ibañez, G., Rahman, A., Thompson, E. L. (2023, April). *Cancer fatalism is associated with HPV vaccine uptake among Hispanic emerging adults in the US*. International Papillomavirus Conference, Washington DC.

20. **Valente, M. J.** & MacKinnon, D. P. (2019, October). *A potential outcomes perspective on treatment-by-mediator interactions in a longitudinal mediation model*. In P. E. Shrout (Chair) Modeling Mediation Processes in Longitudinal Data. Organized symposium conducted at the annual meeting of the Society for Experimental Social Psychologists (SESP), Toronto, CA.
19. MacKinnon, D. P. & **Valente, M. J.** (2019, October). *Benchmark validation of a potential outcomes model for two mediators*. Paper presented at the annual meeting of the Society for Experimental Multivariate Psychology, Baltimore, MD.
18. **Valente, M. J.** (2019, August). *Causal inference in longitudinal data with time-varying confounders*. In D. P. MacKinnon (Chair) Just cause: Revolutionary Causal Inference in Psychology. Organized symposium conducted at the annual meeting of the American Psychological Association (APA), Chicago, IL.
17. **Valente, M. J.** (2019, June). *Performance of traditional and potential outcomes framework methods for estimating mediation in the pretest-posttest control group design*. Paper presented at the annual Dutch Epidemiology Conference (WEON), Groningen, the Netherlands.
16. Rijnhart, J. J. M. & **Valente, M. J.**, & D. P. MacKinnon (2019, June). *Total effect decomposition in mediation analysis with a continuous mediator and a binary outcome*. Paper presented at the annual Dutch Epidemiology Conference (WEON), Groningen, The Netherlands.
15. **Valente, M. J.**, Rijnhart, J. J. M., & MacKinnon, D. P. (2019, May). *Causal direct and indirect effects: The link between traditional logistic regression and the potential outcomes framework for binary outcomes*. In **M. J. Valente** and O. Gonzalez (Chairs), *Advanced Mediation Analysis*. Organized symposium conducted at the meeting of the Society for Prevention Research, Washington DC.
14. Rijnhart, J. J. M., **Valente, M. J.**, & MacKinnon, D. P. (2019, May). *Total effect decomposition in mediation analysis with a binary outcome*. In **M.J.Valente** and O. Gonzalez (Chairs), *Advanced Mediation Analysis*. Organized symposium conducted at the meeting of the Society for Prevention Research, Washington DC.

13. Gonzalez, O., & **Valente, M. J.** (2019, May). *Potential contributions of machine learning to statistical mediation*. In **M. J. Valente** and O. Gonzalez (Chairs), *Advanced Mediation Analysis*. Organized symposium conducted at the meeting of the Society for Prevention Research, Washington DC.
12. **Valente, M. J.**, & MacKinnon, D. P. (2018, May). *Comparison and application of traditional and potential outcomes framework methods for estimating mediated effects in a three-wave mediation model*. In H.J. Kim (Chair), *Abstract of Distinction: Leveraging Modern Mediation Analysis in Prevention Science*. Organized poster forum conducted at the meeting of the Society for Prevention Research, Washington DC.
11. MacKinnon, D. P., **Valente, M. J.**, Gonzalez, O., & Mazza, G. L. (2017, October). *Mediated interaction in the potential outcomes and traditional mediation models*. Paper presented at the annual meeting of the Society for Experimental Multivariate Psychology, Minnesota, MN.
10. **Valente, M. J.**, & MacKinnon, D. P. (2017, May). *Comparison of traditional regression and interventional analogues for a three-wave autoregressive mediation model*. Paper presented at the 25th annual meeting of the Society for Prevention Research, Washington, DC.
9. Gonzalez, O., **Valente, M. J.**, & MacKinnon, D. P. (2017, May). *Longitudinal measurement invariance in a two-wave mediation model*. Paper presented at the 25th annual meeting of the Society for Prevention Research, Washington, DC.
8. **Valente, M. J.**, & MacKinnon, D. P. (2016, May). *Inverse-propensity weighting approaches for estimating the mediated effect in pretest-posttest control group design*. Presented at the 24th annual meeting of the Society for Prevention Research, San Francisco, CA.
7. MacKinnon, D. P., **Valente, M. J.**, & Wurpts, I. C (2015, October). *The centrality of the intervention by mediator interaction in causal mediation analysis*. Presented at the annual meeting of the Society for Multivariate Experimental Psychology, Redondo Beach, CA.
6. **Valente, M. J.**, MacKinnon, D.P., & Suk, H.W. (2015, September). *Functional Data Approach to Longitudinal Modeling in the National Hockey League*. Presented at the 2015 New England Symposium on Statistics in Sports, Cambridge, MA.
5. MacKinnon, D. P., & **Valente, M. J.** (2015, May). *Causal Mediation Approaches for the Pretest-Posttest Control Group Design in Prevention Research*. Presented at the 23rd annual meeting of the Society for Prevention Research, Washington, DC.

4. MacKinnon, D. P., Wurpts, I. C., & **Valente, M. J.** (2014, August). *Imagery and memory as substantive validation of mediation analysis*. Poster presented at 122nd annual convention of the American Psychological Association, Washington, DC.
3. **Valente, M. J.**, & MacKinnon, D. P. (2014, May). *Estimating the mediated effect in pretest-posttest control group designs*. In A. N. Baraldi (Chair), *Advanced methods for mediation analysis in prevention studies*. Poster symposium conducted at the 22nd annual meeting of the Society for Prevention Research, Washington, DC.
2. MacKinnon, D. P., & **Valente, M. J.** (2013, January). *Mediation from multilevel to structural equation modeling*. Invited presentation at the Analysis of Child Growth Trajectories workshop, Center for Advanced Studies, Ludwig Maximilians Universitat Munchen, Munich, Germany.
1. **Valente, M. J.**, & Leone, C. (2011, January). *Self-generated attitude change and intergroup relations: Some effects of thoughts and cross-categorization*. Presented at the Annual Meeting of the Society of Personality and Social Psychology, San Antonio, TX.

WORKS IN PROGRESS

Papers submitted to journals for publication

* Student co-author

7. *Pang, J., **Valente, M. J.**, Kim, K., & Lu, X. (under review). *Medelian randomization analyses do not support a causal effect of Toxoplasma gondii infection on psychopathology*.
6. Wei, W., **Valente, M. J.**, & Chen, H. (under review). *Moderation testing for equivalence in clinical trials*.
5. Chen, H., *Pang, J., *Zhao, Y., *Cao, B., **Valente, M.J.**, *Cen, W., & Evalknova, E. (under review). *Investigating started sample size, completed sample size and drop-out rate in 10,252 phase III clinical trials: Insights from ClinicalTrials.gov*.
4. *Pang, J., Chen, H., & **Valente, M. J.**, (under review). *Evaluation of statistical methods for estimating intervention effects in interrupted time series*.
3. **Valente, M. J.**, *Pang, J., & *Cao, B. (under review). *Understanding who benefits the most from interventions: Implications for baseline target moderated mediation*.

2. Rijnhart, J.J.M., & Valente, M. J. (under review). *Choice between single or multiple mediator model impacts the size and interpretation of mediation effect estimates when mediators are statistically dependent or causally ordered.*
1. Rijnhart, J. J. M., Valente, M. J., & MacKinnon, D.P. (under review). *Understanding problems associated with the difference-in-coefficients method for mediation models with a binary outcome.*

TEACHING EXPERIENCE

University of South Florida – Graduate Courses Taught

Epidemiology Methods I

Florida International University – Graduate Courses Taught

Multivariate Statistics for Applied Psychological Research

Quasi-Experiments and Causal Inference

Statistical Mediation Analysis

Arizona State University – Teaching Assistantships

Analysis of Variance

Regression Analysis for Applied Psychological Research

Multivariate Statistics for Applied Psychological Research

Structural Equation Modeling

OTHER PROFESSIONAL ACTIVITIES AND PUBLIC SERVICE

Mentorship

Doctoral students

Student: Jinyong Pang

Status: 5th year PhD student

Student: Biwei Cao

Status: 1st year PhD student

Post-doctoral students

Student: Dr. Bang Zheng

Status: Completed

Dissertation committee membership:

Student: Michaela Gross

Program: Epidemiology

Dissertation Title: Not yet specified

Status: Ongoing.

Student: Amr Ebied

Program: Epidemiology

Dissertation Title: Age-related diseases of inflammation (inflammaging) as causes of death in patients with hematological malignancies: A population-based analysis

Status: Ongoing.

Student: Rashida Jones

Program: Epidemiology

Dissertation Title: Disparities in maternal flu vaccine uptake.

Status: Ongoing.

Student: Jennifer Frederick

Program: Psychology

Dissertation Title: Mechanisms to Improve the Efficacy of Psychotherapy for Youth with Internalizing Disorders.

Status: Ongoing.

Student: Tanjila Taskin

Program: Epidemiology

Dissertation Title: Intrapersonal, Social, and Cultural Determinants of HPV Vaccine Uptake among Emerging Hispanic Adults

Status: Completed.

Master thesis committee membership:

Student: Yong Zhang

Program: Epidemiology

Thesis Title: Not yet specified.

Status: Ongoing.

Professional Service

Committees and Conference Activities

Symposium Organizer and Moderator (C. Hilley, **M. J. Valente**, & M. Halvorson) for ECPN Session II: Mixed Methods Research: Effective Integration of Qualitative and Quantitative Methodology. Organized symposium conducted at the meeting of the Society for Prevention Research, Washington DC. 2024

Society for Prevention Research Early Career Representative on the Standards of Evidence Task Force 2024 – ongoing

Steering Committee member of Society for Prevention Research (SPR) Early Career Prevention Network (ECPN) 2023 - ongoing

Ad-hoc Grant reviews	
National Science Foundation Early Career Award	2023
Scientific Quinquennial Review for UK Research and Innovation	2022
Medical Research Council	
Book Reviews	
Bayesian Statistics for social science researchers	2023
Editorial Board	
Multivariate Behavioral Research	2024 - ongoing
Quantitative Psychology and Measurement – specialty section of Frontiers in Psychology and Frontiers in Applied Mathematics and Statistics	2020 - ongoing
Ad-hoc Journal Reviews	
Psychological Methods	
Multivariate Behavioral Research	
Structural Equation Modeling: An Interdisciplinary Journal	
Advances in Methods and Practices in Psychological Science	
Prevention Science	
Psychometrika

Clinical Child and Family Psychology Review	
American Journal of Drug and Alcohol Abuse	
Annals of Epidemiology	

Consulting

Estimating Mediated Effects in Prevention Studies (R37DA09757)

PI: MacKinnon, David P.

Role: Consultant

Funding Agency: National Institutes of Health

Start and End Dates: 6/1/20 – 5/31/25

College and Department Service

COPH STEM Task force	Spring 2024 - ongoing
Application reviewer for Delta Omega National Honorary Society	Fall 2023 - ongoing
Faculty Ambassador for Biostatistics Concentration in Applied Biostatistics	Spring 2023 - ongoing
Presentation Judge for USF Graduate Student Research Symposium	Spring 2023
Poster Judge for USF Health Research Day	Spring 2023
Dissertation Status Evaluation Committee (FIU)	Fall 2020 – Spring 2022
Member of search committee for assistant professor hire in the department of biostatistics (FIU)	Fall 2021 – Spring 2022
Mentor for Training Program in Adolescent Substance Use Disorders and Co-occurring Mental and Behavioral Disorders (Institutional National Research Service Award T32) (FIU)	Summer 2019 – Fall 2022

Diversity training

Engaged Mentorship centering Partnership, Wokeness and Responsibility (EMPWR) workgroup	Fall 2020 – Summer 2022
Inclusive/Culturally Responsive Teaching Workshop	Fall 2021
Strategies and Tactics for Recruitment to Increase Diversity and Excellence (STRIDE) faculty recruitment workshop	Fall 2021
Racial Equity Diversity Inclusion (REDI) workgroup	Spring 2021
