LEADERSHIP & ADMINISTRATIVE EXPERIENCE

- 11/2022 – **Director, Obstetrics & Midwifery Ambulatory Care, Department of Obstetrics & Gynecology, University of South Florida, Morsani College of Medicine, (Tampa, FL)**
- Promoted to director of general obstetrics and midwifery clinics after demonstrating success and productivity in the outpatient midwifery leadership role.
 - Works in partnership with Department Chair, Vice Chair of Clinical Operations, Director of Ambulatory Gynecology, division directors, and nursing leadership to oversee three outpatient clinics and over 35 specialists in general OB/GYN, certified nurse-midwives, and nurse practitioners.
 - Closely collaborated with FPQC Clinical Director to create and implement innovative reduced prenatal care schedule.
 - Fully remodeled the department's prenatal care documentation templates and problem list checklists to reduce charting time and provider burnout and improve care quality and safety.
 - Created skills workshops for new graduate providers to work one-on-one to improve hand skills like suturing, ultrasound, biopsies, and LARCs. Physicians can use the same discrete scheduling system to optimize their Epic workflows.
 - Authored patient education materials and scripts for nurse educator initial prenatal visits.
 - Implemented clinic policy changes to align with best practice and state statutes.
- 7/2022-11/2022 **Director, Midwifery Ambulatory Care, Department of Obstetrics & Gynecology, University of South Florida, Morsani College of Medicine, (Tampa, FL)**
- One of three team members who were promoted to leadership roles adjunctive to the Division Director who is a national leader in the field.
 - Mentored new graduate and newly hired midwives which included twice-daily clinic rounds to learn the needs of these team members and help promote their success.
 - Initiated and led large chart review of first trimester bedside ultrasound quality and billing compliance in collaboration with department ultrasound supervisor. This was followed by quality improvement project providing personalized feedback and/or reeducation plans for each provider.
- 10/2022 – **Epic Provider Champion, Department of Obstetrics & Gynecology, University of South Florida, Morsani College of Medicine (Tampa, FL)**
- Working in collaboration with TGH Chief Medical Informatics Officer and department Chair in pilot project aimed at using Epic to improve patient quality and care and meet revenue goals.
 - In process of completing courses to earn Epic Provider Builder Certification.

CLINICAL EXPERIENCE

- 2013 – **Certified Nurse-Midwife & Family Nurse Practitioner, Clinical Instructor I**,
Department of Obstetrics & Gynecology, University of South Florida Health,
Department of OB/GYN (Tampa, FL).
- Provides antepartum, intrapartum, postpartum, and non-surgical gynecological services within the midwifery model of care at a large university-affiliated medical center.
 - Co-manages a large gender affirming hormone therapy clinic in collaboration with a physician colleague; this is one of the few centers of its kind in the Tampa Bay region.
 - Consistently performs at the top of the division and department in Press Ganey patient satisfaction surveys.
 - Proficient in limited first trimester obstetric ultrasound, LARCs, and endometrial and vulvar biopsies.
 - Regularly serves as a primary clinical educator for first year resident physicians in OB triage and low-risk labor and delivery as part of an innovative medical education teaching model. Participates in OB/GYN residency recruitment, interviews, and rank meetings.
 - Teaches and precepts nurse-midwifery, nurse practitioner, and physician assistant students.
