### TEACHING ADMINISTRATION AND CURRICULUM DEVELOPMENT:

#### ADMINISTRATION

<u>Institution</u>	<u>Rank/Title</u>	<u>Dates</u>
Indiana University, Indianapolis, IN	Program Coordinator, Psychiatric- Mental Health Nurse Practitioner	2013-2014

#### CURRICULUM DEVELOPMENT UNDERGRADUATE

## CURRICULUM VITAE

<u>Course</u>	<u>Task</u>	<u>Dates</u>
H365- Nursing Research	Completed major revision of course descriptions, objectives, and content with other IUSON faculty input to match needs of curriculum changes in the undergraduate program	2012-2013
<b>GRADUATE</b>		
<u>Course</u>	<u>Task</u>	<u>Dates</u>
Advanced Training in Symptom Science and Self-Management Interventions	T32 Core Faculty Serve as a mentor for IUSON pre-doctoral and postdoctoral fellows whose research is focused on a topic that matches my area of expertise. Attend two (2) Advisory Board meetings each year, in May and December, to provide feedback to the T32 trainees on their progress and to the directors to improve the program.	2019-2022
PhD Program Curriculum	As PhD Chair-Elect (AY 2018-2019), Chair (AY 2019-2020), and faculty, I am co-leading faculty review of all courses including content, sequence, and overall structure of program continuum. Findings will inform revisions as needed.	2019 – 2020
Psychiatric Mental Health Nurse Practitioner Program Track	Revising the entire program curriculum to accommodate the burgeoning number of students, meet and maintain rigorous clinical placements. As a leader in the program, I provide historical context, course descriptions, and recommend revisions to course sequencing, alignments, and content to meet students' learning outcomes and readiness for workplace.	2017- 2018
P651-Psychiatric Mental-Health Nursing with Families	Developed a module on Health/Mental Health Disparities complete with mini lectures, reading assignments, review, and critique of bills. The module and teaching strategies aims to reflect current trends in inter-professional approach to addressing mental health needs of all Americans. Highlights the clinician's appreciation of power to influence mental health outcomes through advocacy and policy activities in addition to direct patient care.	2016
J692-Advanced Clinical Management PsychNP Role	Developed child and adolescent curriculum content on common mental disorder in children; Targeted for advanced practice registered nurses	2012

## CURRICULUM VITAE

transitioning from Clinical Nurse  
Specialist to Nurse Practitioner roles

Psychiatric-Mental Health Nurse Practitioner Life Span Program	Transition of program from CNS to NP program, Prepared supporting document that described how the curriculum content and structure met lifespan training requirements. Facilitated program approval from accrediting agency	2011
---	---	------
