

CURRICULUM VITAE OF PHILLIP J. MARTY

PERSONAL

Name/Address: Phillip J. Marty
9307 Rockrose Drive
Tampa, Florida 33647

Office: Associate Vice President, USF Health
Interim Chair, Department of Pathology and Cell Biology, College of Medicine
Professor, Department of Community and Family Health, College of Public
Health and Professor, Departments of Internal Medicine and Psychiatry
and Behavioral Medicine, College of Medicine
University of South Florida
MDC Box 002, Room CMS 3018
12901 Bruce B. Downs Blvd.
Tampa, Florida 33612

EDUCATION

Wisconsin State University-Whitewater
Whitewater, Wisconsin 53190
Degree: B.S. May 1971
Major/Minor: Biology/English

University of Wisconsin-Madison
Madison, Wisconsin 53706
Degree: M.S. 1974 in Curriculum and Instruction
Major: Community Health Education

University of Wisconsin-Madison
Madison, Wisconsin 53706
Degree: Ph.D. 1980 in Curriculum and Instruction
Major: Community Health Education with focus area in Preventive Medicine

UNIVERSITY ADMINISTRATIVE EXPERIENCE

2002 – present

Associate Vice President, Office of Research, USF Health (Health Sciences Center), **Associate Dean (2002-2005) Vice Dean for Research (2008-2012)**, College of Medicine, University of South Florida, Tampa, FL, 33612

Responsibilities include providing leadership to the research enterprise by facilitating collaborative research programs at USF Health and in the College of Medicine. Current extramural funding to USF Health (Medicine, Nursing, Public Health, and Physical Therapy/Rehab Sciences, & Pharmacy) exceeds \$276 million in 2012 with \$251 million from the College of Medicine (up from \$85 million and \$64 million respectively the year I started this position). USF reported \$428 million in Awards for 2013-14. Specific responsibilities of USF Health and the College of Medicine included building and supporting research cores, enhancing research infrastructure, supporting research initiatives through pilot and bridge funds, providing support and resources for faculty recruitment, and expanding interdisciplinary collaboration across colleges, the campus, and with affiliates. Also responsible for organizing and identifying USF Health research programs for support through congressionally directed appropriations.

2012- present

Interim Chair, Department of Pathology and Cell Biology, Morsani College of Medicine, University of South Florida, Tampa FL 33612

Responsibilities included administration of faculty and staff. Other administrative duties included class scheduling, budgeting, assignment of graduate assistants, and facilitating future plans for the department.

2013 – present

Supervisor, Area Health Education Center, Morsani College of Medicine, University of South Florida, Tampa, FL 33612

Provide administrative oversight to staff and the annual \$2.6 million tobacco Cessation AHEC program funded by Florida Department of Health.

2008 – 2010

Interim Director, Lawton and Rhea Chiles Center for Healthy Mothers and Babies, College of Public Health, University of South Florida, Tampa FL 33613

Responsibilities include insuring that the mission of the Lawton and Rhea Chiles Center for Healthy Mothers and Babies is met which is to promote and protect the health of pregnant women, their infants, and young children through research, education and service. Named after former Florida Governor Lawton Chiles and his wife, Rhea, The Lawton and Rhea Chiles Center for Healthy Mothers and Babies was established as a research institute to address the factors affecting pregnancy, pregnancy outcomes and child development toward optimal health for all children and their families. The Chiles Center is dedicated to determining the most effective strategies for reducing illness, disability and

death among mothers, their infants and young children.

1995 – 2002

Executive Associate Dean, College of Public Health, University of South Florida, Tampa FL, 33612

Responsibilities included providing leadership and serving as the internal Dean for all day-to-day College related administration of a \$8.3 million dollar state budget and \$20 million dollar external funded research and service enterprise. I had primary oversight for academic programs, accreditation, faculty affairs, budget, and strategic planning and decisions involving the College's teaching, research /scholarly activities, and service program. Other responsibilities included strategic decisions, management and supervision of approximately 60 faculty, 35 staff, 100 graduate assistants, a graduate program of 650 master's and doctoral degree seeking students, and a service program of more than 1000 undergraduate and graduate students from outside the College.

2000

Interim Chair, Department of Epidemiology and Biostatistics, College of Public Health, University of South Florida, Tampa FL, 33612

Responsibilities included administration of faculty and staff. Other administrative duties included class scheduling, budgeting, assignment of graduate assistants, and facilitating future plans for the department.

1998

Interim Chair, Department of Environmental and Occupational Health, College of Public Health, University of South Florida, Tampa FL, 33612

Responsibilities included administration of faculty and staff. Other administrative duties included class scheduling, budgeting, assignment of graduate assistants, and facilitating future plans for the department.

1998

Interim Chair, Department of Health Policy and Management, College of Public Health, University of South Florida, Tampa FL, 33612

Responsibilities included administration of faculty and staff. Other administrative duties included class scheduling, budgeting, assignment of graduate assistants, and facilitating future plans for the department.

1994 - 1995:

Interim Dean, College of Public Health, University of South Florida, Tampa FL, 33612

Responsibilities included leadership and administration of a \$4.1 million dollar state budget and \$4.85 million dollar external funded research and service enterprise. Additional responsibilities were to initiate a College distance learning program that resulted in the first MPH degree program in the country to be delivered through distance-based technology. Responsible for initiating an

entrepreneurial executive MPH program for health care providers that included a new generic executive format curriculum that met the academic needs of practitioners. Responsibilities also included providing leadership to the College in regards to teaching, research/scholarly activities, and service program of the faculty. Provided leadership to 46 faculty, 25 staff, 47 graduate assistants, and a graduate program of 500 master's and doctoral degree seeking students along with an undergraduate service program for other students on campus.

1991 - 1993:

Chair, Community and School Health Concentration, and Principal Investigator of extramural grants, College of Public Health, University of South Florida, Tampa FL, 33612

Responsibilities included administration of personnel, development of teaching schedules, establishing/monitoring short and long-range objectives, and other administrative related tasks. Grant responsibilities include managing budget, personnel, and other grant related tasks. Personnel on grants (total grant awards = \$1.7 million) provided two project coordinators, one project evaluator, three graduate assistants, two data analysts, and several research assistants.

1987 - 1990:

Graduate Coordinator of Programs in Health Sciences, Kinesiology, and Recreation, College of Education, University of Arkansas, Fayetteville AR 72701

Responsibilities included management of graduate program in Department that encompassed 13 Masters degree (M.S. & M.Ed.) options, 3 Education Specialist (Ed.S.) options, 3 Doctorate of Education (Ed.D.) options, and one Doctorate of Philosophy (Ph.D.) option. Approximately 150 students were in the various degree programs. Specific responsibilities included recruitment, development of short and long range objectives, curriculum development, budget management, graduate assistantship supervision, record keeping, mentoring of junior faculty members, managing mini-grant program for students and faculty, and other related administrative responsibilities. A total of 20 graduate faculty were included in the Department.

1983 - 1987:

Chair, Program in Health Sciences, University of Arkansas, Fayetteville AR

Responsibilities included administration of personnel, budget, teaching schedules, short and long-range Program objectives developing Program policy, and other administrative related tasks. Personnel included six full-time faculty, three adjunct faculty, five graduate assistants, and one secretary. Administered the bachelor's and master's degree programs in the program that included nearly 200 students

TEACHING/ACADEMIC EXPERIENCE

- 2003/2005 – present** **Joint Professor**, Department of Internal Medicine (2003) and Department of Psychiatry and Behavioral Neurosciences (2005), College of Medicine, University of South Florida, Tampa FL 33612
- Responsibilities include collaborating with faculty on grants and contracts, providing departmental seminars and grand rounds (K30 program, Research Administration), and contributing to departmental committee assignments as appropriate. Additional responsibilities include developing interdisciplinary research collaborations with public health and nursing faculty, as well as others at the university.
- 1990 - present:** **Professor**, Department of Community and Family Health, College of Public Health, University of South Florida (tenured, 1992), Tampa FL 33612
- Responsibilities include conducting research in area of interest, providing service to University and community, advising on master's theses/projects and doctoral dissertations, and teaching undergraduate, graduate and professional courses in College of Public Health and College of Medicine. Courses and topics taught include: Tobacco Control--Roles of Medicine and Public Health, Introduction to Public Health, Public Health Issues in Higher Education, Policy Issues in Community and Family Health, Contemporary Health Sciences, Human Structure and Function, Health Planning, Substance Abuse Prevention and Control.
- 1982 – 1990** **Assistant/Associate/Full Professor** in Health Sciences (promoted to full professor on 7-1-89/tenured and promoted to associate professor on 8-16-85), Program in Health Sciences, University of Arkansas, Fayetteville AR 72701
- Responsibilities include conducting research in area of interest, providing service to University and community, advising on master's theses/projects and doctoral dissertation committees, and teaching undergraduate and graduate courses in Health Sciences.
- 1979 - 1982:** **Assistant Professor** of Health Science, Department of Health Education, Physical Education, and Recreation, University of Minnesota-Duluth, Duluth MN 55812
- Responsibilities included teaching undergraduate and graduate courses in the Community and School Health programs. Other responsibilities included conducting health sciences research and providing service to department, university and community committees.
- 1980-1982** **Clinical Assistant Professor**, School of Public Health, University of Minnesota, Twin Cities Campus, Minneapolis MN

Served as a preceptor for students working on an Extended Learning Master of Public Health Degree program at the U of MN Twin Cities Campus. Provided local mentorship in the Duluth area where these students lived. Met periodically to discuss program progress and provided informal lectures on topics of relevance to the student's degree program.

1978 (Summer):

Project Assistant for Department of Preventive Medicine-BioGerontology Laboratory, University of Wisconsin, Madison WI 53706

Responsibilities included conducting pulmonary function tests, assisting with cardiac stress tests, and completing statistical and computer analysis of data collected for an Osteoporosis research study of middle-age women receiving calcium supplementation.

1973 - 1978:

Teaching Assistant for Department of Curriculum and Instruction and School of Medicine, University of Wisconsin, Madison WI 53706

Responsibilities included assisting professors in Preventive Medicine with the teaching of introductory and professional Health Sciences courses.

SUPPORT FOR RESEARCH AND SPONSORED PROGRAMS

#610101800, University of South Florida Foundation, Bringing Science Home, PI, 12/1/2010 - 8/24/2014, \$4,603,236

D120100-01, Health Resources and Services Administration, Rural Health Outreach Special Initiative, PI, 9/1/2010 - 8/31/2013, \$495,000

#610101800, H. Lee Moffitt Cancer Center, USF and Moffitt Health Disparities Synergy Social, PI, 9/1/2010 - 8/31/2011, \$21,066

#6101101800, Summer Medical Biomedical Research Training Support for Medical Students, PI,

AHA, 7/03-12/15, \$142,800

#5K30RR022270-03, National Institutes of Health, Clinical Research Curriculum Award (K 30), Co-PI, 10/06-9/11, \$1,490,000

#6414105900, Florida Right From the Start (First Time Motherhood/New Parent Initiative) Evaluation, PI, Healthy Start Coalition of Pinellas, Inc., 1/09-9/10, \$60,000

#6405103400, Florida Child Health and Healthcare Quality Chartbook: Focus on Childhood Obesity, Co-PI, Florida Blue Foundation, 1/09-12/09, \$100,000

Responsible for developing/assisting U.S. Congressional Budget Requests (CBR) for specific research support for USF Health (\$11.25 million) - 2010

Proposal Writing Workshop for the Physician Researcher (Principal Investigator), April 1, 2003- June 30, 2004, Pfizer Pharmaceutical Unrestricted Educational Grant Program, \$20,000.

Construction of a Regional Biocontainment Facility (Principal Investigator), National Institute of Allergy and Infectious Diseases (2005), \$30,425,200 (Not funded).

Construction of a Regional Biocontainment Facility (Principal Investigator), National Institute of Allergy and Infectious Diseases (2003), \$23,987,199 (Not funded).

COPH Continuing Education Project (Principal Investigator), July 1, 2003 - June 30, 2004, University Medical Service Association (\$157,780)

Faculty Support Agreement (Principal Investigator), August 7, 2003-June 30, 2004, H. Lee Moffitt Cancer Center and Research Institute, \$18,966.

Biodefense Preparedness for Florida Professionals (Co-Investigator), February 1-August 30, 2003, Florida Department of Health, \$1,000,000

T35 Training Grant for Medical Students (Co-Investigator), July 1, 2003, National Institutes of Health, \$92, 432 (not funded)

Proposed Construction of a Regional Biocontainment Facility (Principal Investigator), October 1, 2003, National Institute of Allergy and Infectious Diseases, \$22,816,794 (Not funded).

COPH Continuing Education Project (Principal Investigator), July 1, 2002 - June 30, 2003, University Medical Service Association (\$182,704)

Stauffer Chemical Plant Worker Cohort and Gulfside Elementary School Cohort Reconstruction, (Principal Investigator), June 1, 2002 – September 15, 2002, National Opinion Research Corporation (via the ATSDR), \$48, 495

Public Health Preparedness Center (Co-Investigator), March 1, 2001 – September 30, 2002, Association for Schools of Public Health, \$1,162,000.

Public Health Traineeship Program (Co-Investigator), March 30, 2001 - June 30, 2002, Health Resources and Services Administration, (\$44,978)

COPH Continuing Education Project (Principal Investigator), July 1, 2000 - June 30, 2002, University Medical Service Association (\$89,693)

Florida Public Health Laboratory Initiative, (Principal Investigator), July, 1, 2000 - June 30, 2001, Florida Department of Health (\$35,006)

COPH Continuing Education Project (Principal Investigator), July 1, 1999 - June 30, 2000, University Medical Service Association (\$229,996)

Department of Health Teleconference Network (Principal Investigator), July 1, 1999 - June 30, 2000, Florida Department of Health (\$187,264)

Florida Public Health Laboratory Initiative, (Principal Investigator), July, 1, 1999 - June 30, 2000, Florida Department of Health (\$35,006)

Public Health Leadership Development and Evaluation (Co-Investigator), July 1, 1998 - June 30, 1999, USPHS/Health Resources and Services Administration (\$142,105)

COPH Continuing Education Project (Principal Investigator), July 1, 1998 - June 30, 1999, University Medical Service Association (\$183,884.08)

Florida Public Health Laboratory Initiative (Principal Investigator), July, 1, 1998 - June 30, 1999, Florida Department of Health (\$28,000)

Public Health Traineeship Program (Principal Investigator), October 1, 1997 - September 30, 1998, USPHS/Health Services and Services Administration (\$36,538)

Public Health Leadership Development and Evaluation (Co-Investigator), July 1, 1997 - June 30, 1998, USPHS/Health Resources and Services Administration (\$169,440)

Department of Health Teleconference Network (Principal Investigator), July 1, 1997 - June 30, 1998, Florida Department of Health (\$54,390.46)

COPH Continuing Education Project (Principal Investigator), July 1, 1997 - June 30, 1998, University Medical Service Association (\$24,409.92)

Osteoporosis Prevention and Education Program (Principal Investigator), July, 1, 1997 - June 30, 1998, Florida Public Health Association (\$59,010)

Florida Public Health Laboratory Initiative, (Principal Investigator), July 1, 1997, June 30, 1998, Florida Department of Health (\$28,000)

Public Health Improvement Project: MPH Training for Public Health Professionals (Principal Investigator), July 1, 1996 - June 30, 1997, Florida Department of Education, (\$102,000)

USF Public Health Leadership/State Health Office Collaboration (Principal Investigator), July 1, 1996 - June 30, 1997, Florida Department of Health & Rehabilitative Services, (\$184,000)

Public Health Leadership Institute of Florida (Co-Investigator), October 1, 1994 - September 30, 1997, Centers for Disease Control and Prevention, Atlanta, GA (\$135,000)

Risk Factor Identification and Intervention Program for Schistosomiasis Reinfection Among Egyptian Children, (U.S. Collaborator), September 1, 1995 - June 30, 1997, Arab Republic of Egypt Ministry of Health USAID Schistosomiasis Research Project, Agouza, Egypt, (\$21,181)

Project ADEPT- Acquiring Drug Education Prevention Training (Principal Investigator), October 1, 1994 - March 31, 1996, U.S. Department of Education Drug-Free School, Washington D.C. (\$36,973)

Project EMPOWER Evaluation - Risk Reduction Program for Substance Using Pregnant Women (Principal Investigator), July 1, 1994 - June 30, 1995, Florida Department of Health, Tallahassee, FL. (\$14,293)

Project CAUSE-Counselors and Other School Personnel Against the Use of Substances through Educational Services (Principal Investigator), August 1, 1993 - January 31, 1994, U.S. Department of Education Drug-Free Schools, Washington D.C., (\$110,837)

Public Health Community Empowerment Project (PHCEP), (Principal Investigator), October 1, 1994 - September 30, 1996, Florida Community Opportunity Partnership Center, Tampa FL, (\$20,000)

Project EMPOWER Evaluation - Risk Reduction Program for Substance Using Pregnant Women (Principal Investigator), October 1, 1994 - September 30, 1995, Florida Department of Health and Rehabilitative Services, Tallahassee, FL (\$14,293)

Public Health Research Support (Principal Investigator), June 18, 1994 - June 30, 1996, H. Lee Moffitt Cancer Center, Tampa, FL (\$92,148)

Project EMPOWER Evaluation - Risk Reduction Program for Substance Using Pregnant Women (Principal Investigator), March 1, 1994 - September 31, 1993, Florida Department of Health and Rehabilitative Services (\$7,500)

Assessing Needs of District Health and Human Service Boards in Florida (Principal Investigator), May 8, 1993 - October 15, 1993, Florida Department of Health and Rehabilitative Services (\$27,000)

Project ADEPT-Acquiring Drug Education Prevention Training (Principal Investigator), October 1,

1994 - March 31, 1996, U.S. Department of Education Drug-Free Schools, Washington, D.C., (\$142,709)

Evaluation and Technical Assistance-Substance Using Women, (Principal Investigator), June, 1 1993 - May 31, 1994, Florida Department of Health and Rehabilitative Services (\$64,252)

Project EMPOWER Evaluation - Risk Reduction Program for Substance Using Pregnant Women (Co-Investigator), May 8, 1993 - August 31, 1993, Florida Department of Health and Rehabilitative Services (\$37,982)

Project SAFE TEAM - Substance Abuse Free Everyone Teaching Examples and Models, (Principal Investigator), October 1, 1991 to September 30, 1993, U.S. Department of Education Drug-Free Schools (\$412,323)

Project SUPPORT - Substance Use in Pregnancy Prevention, Outreach, Referral, and Treatment (Principal Investigator-yrs 2-5), September 1, 1989 - August 31, 1994, U.S. Department of Health and Human Service, Alcohol, Drug Abuse and Mental Health Administration-Office for Substance Abuse Prevention, Washington, D.C., Recipient agency - Florida Department of Health Rehabilitative Services (\$1,165,599). The following subcontracts came to USFa from this project:

Evaluation and Technical Assistance-Substance Using Women, (Principal Investigator), September 1, 1992 - May 31, 1993, Florida Department of Health and Rehabilitative Services (\$54,191)

Evaluation and Technical Assistance-Substance Using Women, (Principal Investigator), September 1, 1992 - September 31, 1993, Florida Department of Health and Rehabilitative Services (\$9,022)

Evaluation and Technical Assistance-Substance Using Women, (Principal Investigator), September, 1 1991 - May 31, 1992, Florida Department of Health and Rehabilitative Services (\$83,546)

Evaluation and Technical Assistance-Substance Using Women, (Principal Investigator), September 1, 1990 - August 31, 1991, Florida Department of Health and Rehabilitative Services (\$75,111)

Smokeless Tobacco Use Among College Students (Principal Investigator), July 1, 1989 - June 30, 1990, College of Education, University of Arkansas, Dean's Research Mini-Grant, Fayetteville AR, (\$2,000)

School Health Improvement Project in Zimbabwe (Principal Investigator), August 1, 1988 - September 31, 1989, The Rockefeller Foundation, New York NY, (\$26,400)

Assessing an AIDS Education Program on a College Campus (Principal Investigator) July 1, 1988 - June 30, 1989, Arkansas Department of Health, Little Rock AR (\$15,525)

Assessing Health Risks in a College Population (Co-Investigator), July 1, 1988 - June 30, 1989, College of Education, University of Arkansas, Special Projects Award (\$5,000)

Tobacco Prevention Strategies in a Male Population (Principal Investigator), July 1, 1988 - June 30, 1989 College of Education, University of Arkansas, Special Projects Award (\$1,570)

Leadership Development Program (Principal Investigator), July 1, 1985 - August 31, 1985, American

Cancer Society grant to Arkansas Division (\$30,000)

Assessing a Cancer Education Program for College Women (Principal Investigator), July 1, 1981 - June 30, 1982, University of Minnesota Graduate School Grant-in-Aid Research Program, Minneapolis MN, (\$1,400)

Leadership Development Program (Principal Investigator), July 1, 1982 - August 31, 1982, Ordean Foundation grant to the St. Louis Co Division, American Cancer Society, Duluth MN, (\$4,300)

Assessing a Cancer Education Program for College Men (Principal Investigator), July 1, 1981 - August 31, 1981, University of Minnesota, Duluth College of Education Award (\$150)

Assessing Compliance with School Health Policy and Law in Wisconsin Districts (Principal Investigator), September 1, 1978 - December 31, 1979 Health Planning Council, Inc., Madison WI, (\$1,200)

SERVICE TO UNIVERSITY, PROFESSION, AND COMMUNITY

A. Service to University

1. University of South Florida

a. College and University Committees

Member, Ad Hoc Committee on Science, Technology, Engineering and Mathematics Steering Committee, USF System, 2014-present

Co-Chair, Planning Committee for a Joint Governed Department of Biomedical Engineering (Medicine & Engineering), 2014-present

Chair, Medical Students LCME Self-Study Subcommittee, LCME Accreditation Site Visit, 2014-present

Facilitator, Research Section, Strategic Planning Workshop, College of Public Health, 2014

Member, Faculty Search Committee, Department of Health Policy and Management, College of Public Health, 2014-present

Member, numerous Ad Hoc Committees at USF and COM, 2002-2010

Ad Hoc Member, numerous Standing Committees at USF Health and COM, 2002-2014

Member, Senior Management Team, USF Health, 2009-present

Member, USF Health Space Committee, 2009-present

Co-Chair/member, Executive Committee on Research and Education, COM, 2009-present

Member, Executive Leadership Team, Health Sciences Center, 2002-2005

Chair, Search Committee, Associate Vice President, Office of Research and Innovation, 2009

College of Medicine Representative to the Council of Deans, 2002 - 2006

Member, Search for Associate Provost and Dean, Graduate Studies, 2004 - present

Staff Support, Board of Trustees, Health Sciences Center Work Group, 2002 – 2010

Staff Support, Board of Trustees, Research and Scholarship Work Group, 2002 – 2010

Member, USF Task Force on Graduate Studies, 2004

Lead, Several Ad Hoc Research Misconduct Investigations, 2002 - present

Lead, Clinical Trials Reengineering Work Group, 2004

Lead, COM Grant Management Work Group, 2004 – present

Member, HSC Employee's Exit Inventory Work Group, 2004

Ex Officio Member, COM Research Committee, 2002 – present

Member, Long Range Information Services Committee, 2002 – present

Member, HSC Space Committee, 2002 – present

Member, COM Space Committee, 2004 – present

Member, Research Associate Deans Work Group, 2002 – present

Facilitator for Cardiovascular Health/Disease Work Group, 2003 – present

USF Representative to the General Clinical Research Center Work Group, 2004 - present

Member, DHHS Documentation Work Group, 2003 - present

Member, USF/TGH Clinical Research Center Oversight Committee, 2002 - present

Member, Health Sciences Center Cabinet, 2001 – present

Member, College of Medicine Executive Committee, 2002 – present

Health Care and Education Facility Planning Committee, HSC, 2002 – present

Chair, Infectious Disease Workgroup, Health Sciences Center, 2002 – 2003

Chair, Cell Therapy Workgroup, Health Sciences Center, 2002 – 2003

Ex Officio member, College of Medicine Research Committee, 2002 – present

Research Compliance Task Force,. University of South Florida, 2002 – present

USF/Moffitt Hospital Affiliation Committee, University of South Florida, 2002 - present

Member, University PAR/FAR Work Group, 2001

Member, University Faculty Incentive Plan Committee, 2001

Member, HSC Search Committee for Associate Vice President for Organizational Development, 2001

Member, HSC Search Committee for Associate Vice President for Faculty Development, 2001

Member, HSC Search Committee for HR Director, 2001

Member, HSC Faculty Group on Long-Range Planning, 2001

Member, HSC Ad Hoc Committee to Review HSC Administrative Structure, 2001

Member, Health Sciences Education Building Planning Committee,
College Strategic Planning Committee, 2000-01

Member, Associate Deans for Academics, 1998 – present

Member, Associate Deans for Research, 1997 - present

Member, Planning Committee for the Engaged University Conference, 1999-2001

Member, Harvard Challenge Grant Task Force, University of South Florida, 1999-2001

Executive Committee, College of Public Health , 1993 - Present

Associate Dean's Council, University of South Florida, 1997 - Present

Member, Suncoast Gerontology Endowed Chair Search Committee, 1997

Member, Florida Mental Health Institute Associate Dean's Search Committee, 1997.

Member, Graduate School Dean's Search Committee, 1996-97

Member, College of Nursing Dean's Search Committee, 1996

Member, President's Tuition Steering Committee, 1994 - 1995

President's Leadership Council, 1995

Member, Council of Deans, 1994-1995

Interim Chair, Florida Division of Sponsored Research Board of Directors, 1994 - 1995

Member, President's Leadership Council Ad Hoc Committee on the Review of the Research Park,
1995

Member, College of Public Health Dean's Search Committee, 1994

Member, University Faculty Senate Executive Committee, 1993-94

Member, University Faculty Senate, 1993-94

Chair, University Instructional Services Committee, 1993-94

Member, University Research Council, 1993-94

Faculty President, College of Public Health, 1993 - 1994

Member, Long Range Strategy and Planning Work Group, College of Public Health, 1993 - 1994

Advisor, Public Health Student Association, 1991 - 1993

COPH Ad Hoc Committee to review University Policy on Sexual Harassment, 1992

Appointment, Promotion, and Tenure Committee, 1992 - 1993

Graduate Programs and Curriculum Committee, 1991 - 1993
