

CURRICULUM VITAE

IDENTIFYING INFORMATION

NAME: Risa Nakase-Richardson, Ph.D. (publication name)
Risa Thompson Richardson, Ph.D. (legal name)

ADDRESS: James A Haley VAMC
13000 Bruce B. Downs Boulevard, 117 PMRS
Tampa, Florida 33612
University of South Florida
Division of Pulmonary and Sleep Medicine
(p) 813-972-2000, 5309
(c) 813-406-3664
(e) Risa.Richardson@va.gov

CITIZENSHIP: U.S. Citizen

LICENSE: Mississippi Board of Psychology (40-010)

EDUCATION

1993 **B.S.; Magna Cum Laude, Psychology, Mississippi College**, Clinton, MS
Honors Thesis: Path Goal Theory of Leadership: The Moderating Effects of Locus of Control, Chair: Gloria Fisher, Ph.D., Industrial-Organizational Psychologist

POST-GRADUATE TRAINING

1993-1999 **Ph.D.; Clinical Psychology. Department of Psychology, West Virginia University (APA approved), Morgantown, WV.** *Dissertation: Medical and Psychological Predictors of PTSD Symptoms Following Myocardial Infarction*, Chair: Kevin Larkin, Ph.D. Committee Members: Barry Edelstein, Ph.D., Stanley Cohen, Ph.D., Joseph Scotti, Ph.D., & Stanley Schmidt, M.D. Ph.D. & Virginia Goetsch, Ph.D.
M.A.; Clinical Psychology. Department of Psychology, West Virginia University, Morgantown, W.V. *Thesis: Development and Validation of A Cardiac Anxiety Questionnaire*, Chair: Georg Eifert, Ph.D. Committee Members: Barry Edelstein, 1998-2000

1997-1998 **Behavioral Medicine/Neuropsychology Resident**, Department of Psychiatry & Human Behavior, University of Mississippi Medical Center & Jackson VAMC Consortium (APA approved), Jackson, MS. Supervisors: Thomas Payne, Ph.D., Phillip Godding, Ph.D., Bradley Burton, Ph.D., & Mark Sherer, Ph.D., ABPP/Cn.

1998-2000 **Neuropsychology Fellowship**, Methodist Rehabilitation Center and University of Mississippi Medical Center Neuropsychology Training Consortium (APPCN approved), Jackson, MS. Supervisors: Mark Sherer, Ph.D., ABPP/Cn & Edward Manning, Ph.D.

HONORS AND AWARDS

2023	University of South Florida Sleep Medicine Faculty Award
2022	James A. Haley and VISN 8 HERO Award: Non-Clinical Category
2019	Mitchell Rosenthal Award for Best Scientific TBI Model System Publication in 2019
2019	First Place Poster Award at the 5 th Annual Johns Hopkins University Sleep and Circadian Research Day (Mentored Award: Ken Werner, M.D., Ph.D.), Baltimore (MD). June 2019.
2019	International Brain Injury Association's 12 th World Congress on TBI, Best Abstract Award, Toronto, Canada.
2018	Military and Veteran Networking Group Best Poster Award (Mentored Award, Dayana Calvo, Ph.D.), American Congress of Rehabilitation Medicine
2018	Founders Award, 2 nd place, (Mentored Award: Peter Ricketti, M.D.) 40 th Annual Southern Sleep Society Meeting
2018	Invited Guest Editor, <i>Brain Injury Professional</i> Special Issue on Sleep and Traumatic Brain Injury
2018	Invited Chair, Galveston Brain Injury Conference Think Tank Meeting
2017	Brain Injury Interdisciplinary Special Interest Group Early Career Award (Mentored Award: Racine, Brown, Ph.D.), American Congress of Rehabilitation Medicine
2017	Invited Chair, Galveston Brain Injury Conference Think Tank Meeting
2017	Invited Co-President, International Brain Injury Association Conference
2017	Invited Associate Editor, <i>Encyclopedia of Neuropsychology</i> , 2 nd Edition
2017	Military and Veteran Networking Group Award Early Career Award (Mentored Award, Bridget Cotner, Ph.D.), American Congress of Rehabilitation Medicine
2017	Editor, 2017 <i>Journal of Head Trauma and Rehabilitation</i> Topical Issue on Chronic Needs of Veterans and Service Members with Traumatic Brain Injury
2016	Blue Ribbon Award (Mentored Award; Erin Bailey, Ph.D.) for Best Research Submission to 2016 American Psychological Association Division 40
2016	Invited Editor, <i>Journal of Head Trauma and Rehabilitation</i> Topical Issue on Sleep and Traumatic Brain Injury
2016	Military and Veteran Networking Group Best Poster Award (Mentored Award, Marc Silva, Ph.D.), American Congress of Rehabilitation Medicine
2016	Military and Veteran Networking Group Award Early Career Award (Mentored Award, Katherine Burns, Ph.D.), American Congress of Rehabilitation Medicine
2015	Military and Veteran Networking Group Award (Mentored Award, Leah Gause, Ph.D.), American Congress of Rehabilitation Medicine
2015	Founders Award, (Mentored Award: Erica Schwaiger, M.D.) Southern Sleep Society Meeting
2015	Woman of the Year, VA EEO Federal Women's Program
2014	Joshua B. Cantor Scholar Award, Brain Injury Interdisciplinary Special Interest Group of the American Congress of Rehabilitation Medicine (ACRM)
2014	Fellow, National Academy of Neuropsychology
2014	Fellow, American Congress of Rehabilitation Medicine
2014	Mitchell Rosenthal Award for Best Scientific Publication in 2013
2013	Tampa Bay Health Care Hero for Non-Acute Care Professional
2007	Alumnus of the Year; Mississippi College
1993	HERF Award, West Virginia University

1993	Perry Academic Award, Mississippi College
1993	Senior Psychology Award, Mississippi College
1992	Psi Chi Outstanding Junior in Psychology Award
1992	Who's Who Among Students in American Universities
1992	Psi Chi, National Psychology Honor Society, President; Mississippi College
1992	Mortar Board, National Honor Society, President; Mississippi College
1992	Alpha Chi, National Academic Honor Society
1992	Omicron Delta Kappa, National Honor Society
1990	Freshman Woman of the Year, Mississippi College

EMPLOYMENT/APPOINTMENTS

2022-present	Associate Chief of Staff for Research (ACOS/R) , James A. Haley Veterans Hospital, Tampa, FL (ACOS/R Acting: July 1, 2022-December 31, 2022; GS 15-06)
2019-present	Professor, Director of Sleep Medicine Research , Division of Pulmonary and Sleep Medicine, Morsani College of Medicine, University of South Florida, Tampa, FL
2018-present	Defense Health Agency Traumatic Brain Injury Center of Excellence (TBICoE) Senior Clinical Research Director , James A. Haley Veterans Hospital, Tampa, FL
2008- 2022	Clinician Investigator, Neuropsychologist , Polytrauma Rehabilitation Program, James A. Haley VAMC, Tampa, FL; GS 14-09
2000-2008	Clinical Neuropsychologist, Scientist, and Interim Director (2007-2008) , Department of Neuropsychology and Center for Neuroscience and Neurological Recovery, Methodist Rehabilitation Center, Jackson, MS
2002- 2007	Director of Clinical Training (served as Asst. Director from 2002-2006) , Methodist Rehabilitation Center and University of Mississippi Medical Center Postdoctoral Neuropsychology Fellowship Consortium, Jackson, MS
2002-2007	Private Practice Neuropsychologist , The Hope Center, 211 South 29 th Avenue, Hattiesburg, MS

FACULTY APPOINTMENTS

8/2019-	Professor , Morsani College of Medicine, Department of Internal Medicine, Pulmonary and Sleep Medicine Division, University of South Florida, Tampa, Florida
2013-2019	Associate Professor , Morsani College of Medicine, Pulmonary and Sleep Medicine Division, University of South Florida, Tampa, Florida
2010-2013	Assistant Professor , Department of Psychology, University of South Florida, Tampa, Florida

2005-2008 **Assistant Professor**, Department of Psychiatry and Human Behavior, University of Mississippi Medical Center, Jackson, Mississippi

INVITED LECTURES

1. Nakase-Richardson R. & Hoffman J. Chronic Pain and TBI. Defense Health Agency Research Network; February 2024; Virtual
2. Hoffman J. & Nakase-Richardson R. Chronic Pain and TBI. Mitch Rosenthal Webinar hosted by the Brain Injury Association of America; January 2024; Virtual.
3. Nakase-Richardson R. Improving the significance and direction of sleep research in TBI rehabilitation: A research translation journey. Invited presentation to: Southern Sleep Society; April 2023; Houston, TX.
4. Nakase-Richardson R. (Invited) Improving the significance and direction of sleep research in TBI rehabilitation: A research translation journey. International Rehabilitation Conference, May 28, 2022
5. Nakase-Richardson R. (Invited). Improving the significance and direction of sleep management in TBI. Fort Bragg, NC, March 16, 2022
6. Nakase-Richardson R. (Invited). Better Sleep/Sleep Interventions and TBI. NASHIA State of the States Conference. September 22, 2021
7. Nakase-Richardson R. (Invited). Actigraphy monitoring in the clinical setting. Current Concepts in Sleep. Sarasota, FL. August, 2021.
8. Nakase-Richardson R. (Invited), Silva M, Finn J, Cotner B. Comorbidities, Rehabilitation and Family Needs in U.S. Active Duty Personnel and Veterans in the First Five Years After TBI. International Brain Injury Association World Congress on Brain Injury. July 2021.
9. Nakase-Richardson R. (Invited), Silva M, Finn J, Cotner B. Comorbidities, Rehabilitation and Family Needs in U.S. Active Duty Personnel and Veterans in the First Five Years After TBI. Department of Veterans Affairs National Polytrauma Grand Rounds July 21, 2021.
10. Nakase-Richardson R. (Invited). The role of sleep in brain injury and healing. Defense Health Agency National Capital Region Pain Initiative Functional Medicine Division, Walter Reed Army Medical Center, May 4, 2021.
11. Nakase-Richardson R. (Invited). TBI and Sleep: A Research Translation Journey. Toronto Rehabilitation Institute, Toronto, CA, April 26, 2021.
12. Nakase-Richardson R. (Invited). Improving the significance and direction of sleep management in TBI and Disorders of Consciousness TBIMS Update. Georgia Brain Injury Association Keynote Lecturer, Atlanta, GA, January 2020.
13. Nakase-Richardson R. Brain Injury and Sleep. 2019 Current Concepts in Sleep, Clearwater, FL.
14. Hoffman S, Nakase-Richardson R, Huang M, McGlinchey R, Chen A. (Invited). Rehabilitation for the chronic effects of TBI. Society for Brain Mapping and Therapeutics Meeting 2019, Los Angeles, CA; March 17, 2019.
15. Nakase-Richardson R, Schwartz D, Silva M, Bogner J. (Invited). Managing sleep disorder comorbidities to enhance brain injury outcome. World Congress on Brain Injury 2019, Toronto, CA, March 13, 2019.
16. Nakase-Richardson R. (Invited). Improving the significance and direction of sleep management in TBI. Interdisciplinary Brain Injury Research Seminar Series. Department of Rehabilitation Medicine. Weill Cornell Medical School, New York, February 19, 2019.
17. Nakase-Richardson R. (Invited). Improving the significance and direction of sleep management in TBI. Western Michigan Brain Injury Network Symposium, Grand Rapids, MI, April 18, 2018.

18. Nakase-Richardson R. (Invited). Objective sleep monitoring in brain injury research. Center for Neuroscience and Regenerative Medicine, Uniformed Services University, Bethesda, MD, February 2018.
19. Nakase-Richardson R. (Invited). Evidence-informed approaches to sleep dysfunction following traumatic brain injury. Brain Injury Summit 2018 sponsored by Craig Hospital, Vail Colorado; January 2018.
20. Nakase-Richardson R. & Makley M. (Invited). Developing a sleep-centric brain injury rehabilitation unit: practical use of actigraphy. Brain Injury Summit 2018 sponsored by Craig Hospital, Vail Colorado; January 2018.
21. Nakase-Richardson R. (Invited). Sleep and Traumatic Brain Injury. University of Pittsburgh Medical Center Brain Injury Conference. November 2017.
22. Nakase-Richardson R. & French L. (Invited). Long-Term Impact of Traumatic Brain Injury: The 15-Year Longitudinal TBI Studies and IMAP Study. Oral presentation at the Defense Centers of Excellence for Psychological Health and Traumatic Brain Injury 2017 Summit; September 2017; Silver Spring, MD.
23. Nakase-Richardson R. (Invited). Sleep and Traumatic Brain Injury. Current Concepts in Sleep and Epilepsy 2017 sponsored by Tampa General Hospital, September 2017, Clearwater, FL.
24. Nakase-Richardson R. & Scholten J. Advances in Care Resulting from VA and TBI Model Systems Collaboration. HSR&D CyberSeminar; August 17, 2017, National Broadcast.
25. Nakase-Richardson, R. (Invited). Improving the significance and direction of sleep management after TBI. Grand Rounds presentation to University of South Florida Department of Neurology; April 21, 2017, Tampa, FL.
26. Nakase-Richardson R. (Invited). Improving the significance and direction of sleep management after TBI. Grand Rounds presentation to the Mental Health and Behavioral Sciences Division at James A. Haley Veterans Hospital; December 2016, Tampa, FL.
27. Nakase-Richardson, R. (Invited). Improving the significance and direction of sleep management after TBI. Grand Rounds presentation to Roskamp Institute Grand Rounds, August 2016, Sarasota, FL.
28. Nakase-Richardson, R. (Invited). Improving the significance and direction of sleep management after TBI. Invited presentation to VA Polytrauma Grand Rounds sponsored by the Department of Veterans Affairs VA Central Office, July 2016, Nationwide Broadcast.
29. Nakase-Richardson R. (Invited). Sleep and Traumatic Brain Injury. Online webinar sponsored by Journal of Head Trauma and Rehabilitation and Brain Injury Association of America; March 10, 2016.
30. Nakase-Richardson R. (Invited). Outcome and Rehabilitation of Severe TBI. Invited presentation to the Military Health System Speaker Series sponsored by the Department of Defense; March 2016, International Broadcast.
31. Nakase-Richardson R. (Invited). Sleep and Traumatic Brain Injury. Invited presentation at: The Rusk Rehabilitation Center sponsored by Rusk Rehabilitation Center Inc.; August 2015; New York, NY.
32. Nakase-Richardson R., Schwartz D., Jenkins B. (Invited). Sleep and traumatic brain injury. Presentation at: The VA National Polytrauma Conference Department of Veterans Affairs VA Central Office; May 2015; Hyattsville, MD.
33. Nakase-Richardson R. (Invited). Disorders of consciousness rehabilitation in VA. A TEDMED talk at: The VA National Polytrauma Conference Department of Veterans Affairs VA Central Office; May 2015; Hyattsville, MD.
34. Schwartz DJ, Nakase-Richardson R. (Invited). Traumatic Brain Injury and Sleep. Invited presentation at: The Current Concepts in Sleep Medicine Conference sponsored by Tampa General Hospital; September 2015; St. Petersburg, FL.

35. Nakase-Richardson R. (Invited). Syndromes of impaired consciousness: Diagnostic distinctions and rehabilitation. Invited presentation at: The Brain Injury Summit sponsored by Craig Hospital; January 2015; Vail, CO.
36. Nakase-Richardson R, Eastridge D, Kupfer J. (Invited). Neurobehavioral Functional Analysis: Paradigms for Treatment. Invited presentation at: The Brain Injury Summit; January 2015; Vail, CO.
37. Nakase-Richardson, R. (Invited). Sleep and cognition. Invited presentation at: The Brain Injury Summit sponsored by Craig Hospital; January 2015; Vail, CO.
38. Nakase-Richardson R. Brain injury and sleep-wake cycle disorders. Presentation at: The Mayo Clinic's Neurorehabilitation Summit Conference sponsored by the Mayo Clinic Inc.; May 2014; Rochester, MN.
39. Nakase-Richardson R. (Invited). Early phenomenology after TBI: Diagnoses, outcomes and reconsideration of treatment targets. Department of Rehabilitation Medicine Grand Rounds, University of Alabama; April 2014; Birmingham, AL.
40. Nakase-Richardson R. (Invited). Traumatic brain injury and sleep. Presentation at: Sleep Annual Conference sponsored by Tampa General Hospital; August 2013; St. Petersburg, FL.
41. Nakase-Richardson R. (Invited). Severe TBI and disorders of consciousness; Rehabilitation update. Presentation at: The DOD DVBIC/SOMA TBI Symposium sponsored by the Defense and Veterans Brain Injury Center; December 2012; Tampa, FL.
42. Whyte, J, Nakase-Richardson, R (Interviewees), Babbage, DR (Interviewer/Producer). Disorders of consciousness. Archives of Physical Medicine and Rehabilitation [audio podcast]. October 2013. Available at: <http://archives-pmr.org>.
43. Nakase-Richardson R. (Invited). Syndromes of impaired consciousness: An introduction and update. Brooke Army Medical Center Polytrauma Grand Rounds; April 2012 sponsored by the Defense and Veterans Brain Injury Center; San Antonio, TX.
44. Nakase-Richardson R. (Invited). Early neurobehavioral recovery from impaired consciousness. Invited Speaker at: Division 40, American Psychological Association Annual Conference sponsored by APA; August 2011; Washington, DC.
45. Nakase-Richardson R., Horn L. (Invited). Early neurobehavioral recovery from impaired consciousness. Symposium Presentation at the Brain Injury Association of Michigan Annual Conference sponsored by BIA Michigan; May 2011; Lansing, MI.
46. Nakase-Richardson R. (Invited). Behavioral intervention for persons with severe TBI. Invited presentation at: The Managing Challenging Behaviors in Older Adults Conference (co-sponsored by VHA VISN 6 and Duke University);2009; Durham, NC.
47. Nakase-Richardson R. (Invited). Using the ABC approach to inform treatment: Behavioral assessment of challenging behaviors. Invited presentation at: The NIDRR RRTC Dissemination Conference (Community Integration of Persons with Traumatic Brain Injury: "Advances in Research and Implications for Treatment" sponsored by TIRR Memorial Hermann) sponsored by the National Institute on Disability Rehabilitation and Research; September 2009; Houston, TX.
48. Nakase-Richardson R. (Invited). Syndromes of impaired consciousness: An introduction and update. Department of Neurosurgery/Neurology Grand Rounds, University of Mississippi Medical Center; April 2012; Jackson, MS.
49. Nakase-Richardson R. (Invited). The ABC approach: Behavioral assessment of neurobehavioral syndromes to inform treatment. Invited address at VA Central Office of Geriatrics and Extended Care sponsored "Transforming Care for Veterans with Challenging Behaviors Conference" Conference; July 2008; Chicago, IL.
50. Nakase-Richardson R. (Invited). Behavior management of neurobehavioral syndromes: Increasing compliance. Invited Address at the joint meeting of the Mississippi Speech Language Pathology and Audiology and Physical Therapy Associations; 2007; Jackson, Mississippi.

TEACHING EXPERIENCE

- 2013-Current **Sleep Medicine Fellowship Research Supervisor**, University of South Florida Division of Pulmonary and Sleep Medicine, Morsani College of Medicine.
- 2008-Current **Brain Injury Fellowship Rotation and Research Supervisor**, James A. Haley Postdoctoral Fellowship Training Program in Neuropsychology and Rehabilitation Psychology.
- 2007-2008 **Director of Training**, Methodist Rehabilitation Center & University of Mississippi Medical Center Neuropsychology Fellowship Training Consortium. Member of the Association of Postdoctoral Programs in Clinical Neuropsychology.
- 2000-2006 **Assistant Director of Clinical Training & Supervisor**, Methodist Rehabilitation Center & University of Mississippi Medical Center Neuropsychology Fellowship Training Consortium. Member of the Association of Postdoctoral Programs in Clinical Neuropsychology.
- 1999-2007 **Guest Lecturer**, Department of Allied Health; University of Mississippi Medical Center.
- 1993-1997 **Instructor**, Department of Psychology, West Virginia University, Morgantown, WV.
Introductory Psychology (Instructor, 1996-1997),
Psychological Assessment I (Guest Lecturer, 1996)
Psychological Assessment II (Teaching Asst., 1996)
Communication Skills (Teaching Asst., 1996)
Applying to Graduate School (Co-Instructor, 1995)
Experimental Psychology (Teaching Asst., 1993)

STUDENT COMMITTEES

- 2013 Jill Massengale, ARNP (Doctorate of Nursing; Walden University)
- 2014 Dina Masha'Al (Doctorate; College of Nursing, University of South Florida)
- 2015 Jeffery Garofano (M.S., School Psychology, University of South Florida)
- 2017 Jeffery Garofano (Doctorate, School Psychology, University of South Florida)
- 2022 Deveney Ching (Doctorate, College of Community and Behavioral Sciences, University of South Florida)

CLINICAL EXPERIENCE

- 2008– **Research Neuropsychologist, Polytrauma** Rehabilitation Program, James A. Haley VAMC.
Duties: Consultation to polytrauma rehabilitation program as needed. Direct TBI Research Lab at James A. Haley Polytrauma Rehabilitation Center.
- 2000-2007 **Neuropsychologist**, Methodist Rehabilitation Center, Jackson, MS.
Rehabilitation Hospital Duties: Inpatient and outpatient neuropsychological assessment, psychological assessment, behavioral management, and education of adult and adolescents admitted to brain injury, stroke, spinal cord, and orthopedic rehabilitation units. Supervision of neuropsychology post-doctoral fellows, psychometrists, and research assistants.
Community Integration Program Duties (2000-2002): Neuropsychological and psychological assessment and treatment of acquired and developmental brain injury patients attempting to re-integrate into the community via job placement, volunteer work, or return to school.
- 2002-2007 **Neuropsychologist**, The Hope Center, Hattiesburg, MS.
Duties: Delivery of rural mental health care in the form of outpatient neuropsychological and psychological evaluation with treatment recommendations to individuals with acquired neurological injuries (e.g., head injury, stroke, tumor resection, dementia).

- 1998-2000 **Neuropsychology Fellow**, Methodist Rehabilitation Center (MRC) & University of Mississippi Medical Center (UMMC), Jackson, MS. Supervisors: Mark Sherer, Ph.D., ABPP/Cn, Edward Manning, Ph.D., Wayne Hoyer, Ph.D., Stuart A. Yablon, M.D.
MRC Duties: Neuropsychological assessment, behavioral management, and educational transition of adult and adolescent inpatient and outpatients referred following traumatic brain injury, stroke, epilepsy, tumor resection, and spinal cord injury. Supervision and training of research assistants.
QUEST, MRC Duties: Assessment and treatment of individuals with neurologic injuries in a community integration program transitioning individuals to return to competitive employment, independent living, or formal education tracks. Therapies for substance abuse, risk-factor reduction, brain injury education, family counseling, behavior management, and independent skills education administered in both individual and group formats.
UMMC Department of Neurology Duties: Neuropsychological assessment of adult and pediatric inpatient and outpatients referred following traumatic brain injury, stroke, epilepsy surgery, encephalopathy. Supervision and training of research and undergraduate assistants.
- 1997-1998 **Psychology Resident**, University of Mississippi Medical Center & Jackson VAMC Consortium, Jackson, MS. Supervisors: Phil Godding, Ph.D., Thomas Payne, Ph.D., Jim Fitterling, Ph.D., Jeff Parker, Ph.D., Bradley Burton, Ph.D. Rotations: VAMC Consultation Service, Health Behavior Program, Chemical Dependency Treatment Program & Neuropsychology Consultation Service.
- 1994-1997 **Graduate Practicum Student**, West Virginia University, Morgantown, WV West Virginia University Hospital (Cardiology). Supervisor: Kevin Larkin, Ph.D. & David Beckner, M.D.; Quin Curtis Outpatient Psychology Center, Supervisors: Kevin Larkin, Ph.D., Georg Eifert, Ph.D., Sharpe Psychiatric Hospital and Summit Community Mental Health Center, Supervisors: Barry Edelstein, Ph.D., Mike Todt, Ph.D., Carruth Center for Counseling and Psychological Services, Supervisors: Scott Friedman, Psy.D., Phil Comer, Ph.D.
- 1992 **Psychology Apprentice**, Veteran's Affairs Medical Center, Biloxi and Gulfport, MS. Director of Training: Kenneth R. Jones, Ph.D.

Title: Sleep-EEG Predictors of Functional Outcome after TBI.
P.I. Mo Modarres, Ph.D. (North Florida/South Georgia VAMC)
Role Co-Investigator
Effort (%) 5%
Total Costs \$199,925
Project Period 10/2016-09/2018

Agency National Institute of Health (Nursing Research)
I.D. # 5R01NR013658-03, Project Officer, Lois Tully
Title: Quality of Life in Caregivers of Traumatic Brain Injury: The TBI-CareQOL.
P.I. Noelle Carlozzi, PhD (University of Michigan Ann Arbor).
Role Site Investigator
Effort (%) 5%
Total Costs \$1,236,734
Project Period 10/2016-6/2017.

Agency Department of Veterans Affairs, Health Services Research and Development
I.D. # VA HSRD; SDR 13-228
Title: Veterans with mild TBI: Barriers to Community Reintegration.
P.I. Risa Richardson, Ph.D.
Role Principal Investigator
Effort (%) 20%
Total Costs \$138,613.
Project Period 2013-2014

Agency National Academy of Neuropsychology
I.D. #
Title: The Value of Effort Testing and Predictive Utility of Effort Indices on the CVLT-2 In Predicting Outcomes in a Consecutive Series of Acute TBI Rehabilitation Admissions.
P.I. Risa Richardson, Ph.D.
Role Principal Investigator
Effort (%) 5%
Total Costs \$18, 500.
Project Period 2007-2008

Agency U.S. Department of Education, National Institute on Disability Rehabilitation and Research
I.D. # H133A040004, Project Officer, Theresa San Agustin, M.D.

Updated April 29, 2024

Title: The Effect of Scheduled Telephone Intervention on Outcomes After Traumatic Brain Injury: A Multi-Center Randomized Controlled Trial.

P.I. Kathleen Bell, M.D.
Role Site Principal Investigator
Effort (%) 20%
Total Costs \$3,000,000
Project Period 2004-2008

Agency **U.S. Department of Education, National Institute on Disability Rehabilitation and Research**

I.D. # H133A031713, Project Officer Leslie Caplan, Ph.D.
Title: A multicenter randomized controlled trial of the effectiveness of amantadine hydrochloride in promoting recovery of function following severe TBI.

P.I. John Whyte, M.D., Ph.D., Joseph Giacino, Ph.D.
Role Site Investigator
Effort (%) 20%
Total Costs \$2,999,838
Project Period 2003-2009

Agency **U.S. Department of Education, National Institute on Disability Rehabilitation and Research**

I.D. # H133A020514, Project Manager, Theresa San Agustin, M.D.
Title: Traumatic Brain Injury Model System of Mississippi (TBIMSM).
P.I. Mark Sherer, Ph.D. & Risa Richardson, Ph.D.
Role Project Director (20% 01/2007 – 12/2008), Co-Investigator (2002- 2008)
Effort (%) 25%
Total Costs \$1,460,000
Project Period 2002-2005

Agency **U.S. Department of Education, National Institute on Disability Rehabilitation and Research**

I.D. # H133A980067
Title: Collaborative Study of Impaired Self-awareness after Traumatic Brain Injury.
P.I. Mark Sherer, Ph.D.
Role Data Manager
Effort (%) 50%
Total Costs \$560,432.
Project Period 1998-2003

Agency **U.S. Department of Education, National Institute on Disability Rehabilitation and Research**

I.D. # H133A980068, Project Officer: Constance Pledger, Ed.D.
Title: Research Impact of Family Environment on Patient and Family Outcome after TBI: A Multi-Center Study.
P.I. Angelle Sander, Ph.D.
Role Site Investigator / Treatment Therapist
Effort (%) 10%
Total Costs \$645,467
Project Period 1998-2003

Agency U.S. Department of Education, National Institute on Disability Rehabilitation and Research
I.D. # H133A980035, Project Officer Richard E Wilson II, Ed.D.
Title: Traumatic Brain Injury Model System of Mississippi (TBIMS).
P.I. Mark Sherer, Ph.D.
Role Project and Data Manager
Effort (%) 50%
Total Costs \$1, 380,000
Project Period 1998-2001

PEER-REVIEWED MANUSCRIPTS (Senior Author Underlined)

UNDER REVIEW

Perrin PB, Haun J, Klyce DW, Melillo C, **Nakase-Richardson R**, Seel RT, Martindale-Adams J, Nichols LO, Perera R, Xia B, Hahm B, Zuber J. Trial protocol for the REACH intervention for caregivers of veterans and service members with TBI: efficacy and implementation planning across the VA polytrauma system of care.

Dams-O'Connor K, Bulas A, Ketchum J, Mellick D, **Nakase-Richardson R**, O'Rourke J, Silva M, Kumar R, TBI Severity Classification: An argument against the use of mild-moderate-severe categorization in the NIDILRR Traumatic Brain Injury Model Systems National Database. Under Review (J Neurotrauma, 07/2023).

CONFERENCE PRESENTATIONS/PUBLISHED ABSTRACTS

Nakase

2024

1. **Nakase-Richardson R**, Haun J, Moore M, Bogner J, Kretzmer T, Dams O'Connor K, Silva M, Coulter J, Hoffman J, Martin A, Goldschmidt D, Miles S, Pagulayan KF, Mellick D, Campbell-Montalvo R, Ketchum J, Ryan JL, Gilmore N, Kempthorne L, Melillo C, Radwan C, Benzinger R, Corrigan J, Phillips L. Improving Health Care Access and Engagement for Veterans and Service Members with TBI Morbidity (IHEAL): A CDMRP Focused Program Award Implementation Science Grant. Poster at: Military Health System Research Symposium (MHSRS), August 26 – 29, 2024. Kissimmee, FL.
2. **Nakase-Richardson R**, Sevigny M, Hanks R. Hammond F, Rabinowitz A, Martin A, Ryan J, Tweed A, Haun J, Silva MA, Campbell-Montalvo R, Gilmore N, Hoffman J. Access to Evidence-Based Behavioral Health Interventions for Chronic Pain Post TBI Through Identification of Barriers that Inform A Multi-Modal Implementation Strategy: A NIDILRR and VA TBI Model System Collaborative Study. Poster at: Military Health System Research Symposium (MHSRS), August 26 – 29, 2024. Kissimmee, FL.
3. Ryan JL, Venkatachalam H, Silva MA, Klyce DW, Finn JA, **Nakase-Richardson R**. Service Member and Veteran participants of the Department of Veterans Affairs Traumatic Brain Injury (TBI) Intensive Evaluation and Treatment Programs (IETPs): Who are they? Oral presentation at: Military Health System Research Symposium, August 26-29, 2024. Kissimmee, FL.
4. Perrin, P. B., Haun, J., Klyce, D. W., Melillo, C., **Nakase-Richardson, R.**, Seel, R. T., Martindale-Adams, J., Nichols, L. O., Perera, R., Xia, B., Hahm, B., & Zuber, J. (2024). Development of a telehealth intervention for caregivers of veterans and service members with TBI: A hybrid effectiveness-implementation approach. Poster presentation at: 2024 Military Health System Research Symposium; August 26-29, 2024; Kissimmee, FL.
5. Moore M, Kempthorne L, Radwan C, Corrigan J, Gilmore N, Campbell-Montalvo R, Ryan JL, Silva MA, Haun J, **Nakase-Richardson R**. Engaging Family Members, Veterans and Service Members with experience of Traumatic Brain Injury (TBI) in Research: Strategies from the Improving Health Care Access and Engagement for Veterans and Service Members with TBI Morbidity (IHEAL) Program Award. Poster at: Military Health System Research Symposium (MHSRS), August 26 – 29, 2024. Kissimmee, FL.
6. Haun JN, **Nakase-Richardson R**, Moore M, Bogner J, Kretzmer T, Dams O'Connor K, Silva MA, Coulter J, Hoffman JM, Martin A, Goldschmidt D, Miles S, Pagulayan KF, Mellick D, Campbell-Montalvo R, Ketchum J, Ryan JL, Gilmore N, Kempthorne L, Melillo C, Radwan C, Benzinger R, Corrigan JD, Phillips L. (August 26 – 29, 2024). Improving Access to Care for Service Members and Veterans with Traumatic Brain Injury Using a Partner-Engaged Human Centered Design Approach: A CDMRP Focused Program Award Implementation Science

- Grant. Poster presentation at: 2024 Military Health System Research Symposium; August 26-29, 2024; Kissimmee, FL.
7. Haun JN, **Nakase-Richardson R**, Hoffman JM, Sevigny M, Soddors MD, Hammond FM, Cotner BA, Tweed A, Hanks R, Martin AM. (August 26 – 29, 2024). Provider Perceived Barriers to Acupuncture Treatment Access After TBI and Opportunities for Mapping Implementation Strategies: A NIDILRR and VA TBI Model System Collaborative Study. Poster presentation at: 2024 Military Health System Research Symposium; August 26-29, 2024; Kissimmee, FL.
 8. Martin AM, Ryan JL, **Nakase-Richardson R**, Hoffman J, Sevigny M, Haun J, Hammond FM, Cotner BA, Hanks, R, Rabinowitz A, Gilmore N, Tweed A, Silva MA. Determinants of Substance Use Disorder Treatment After TBI and Targets for Implementation Interventions: A NIDILRR and VA TBI Model System Collaborative Study. Poster presentation at: 2024 Military Health System Research Symposium; August 26-29, 2024; Kissimmee, FL.
 9. Babicz-Boston MA, Sudolcan BA, Ketchum JM, Calero K, Dams O'Connor K, **Nakase-Richardson, R.**, Silva MA. Exploration of polysomnography metrics measured during inpatient rehabilitation and cognitive performance two years after traumatic brain injury: A multicenter TBI Model Systems study. Poster presentation at: 2024 Military Health System Research Symposium; August 26-29, 2024; Kissimmee, FL.
 10. Silva MA, Klocksieben F, Hoffman JM, O'Neil-Pirozzi, TM, Lequierica AH, Walker WC, Irizarri-Mendez, A, **Nakase-Richardson, R.** Preliminary investigation of predictors of rehabilitation needs 10-15 years after traumatic brain injury: A Veterans Affairs TBI Model Systems study. Poster presentation at: 2024 Military Health System Research Symposium; August 26-29, 2024; Kissimmee, FL.
 11. Ching D, Cotner B, Cruz A, Ryan J, **Nakase-Richardson R.** Culture Shift within the Department of Defense regarding brain injury detection and treatment. Oral presentation at: 2024 Military Health System Research Symposium; August 26-29, 2024; Kissimmee, FL.
 12. Dismuke-Greer C, Almeida EJ, Ryan J, Silva MA, Smith JM, Rocek G, Phillips LM, Del Negro A, Walker WC, **Nakase-Richardson R.** Factors associated with Military Health System (MHS) costs post Traumatic Brain Injury (TBI) for service members treated in VA Polytrauma Rehabilitation Centers: a Veterans Affairs (VA) TBI Model Systems (TBIMS) Study. Poster presentation at: 2024 Military Health System Research Symposium; August 26-29, 2024; Kissimmee, FL.
 13. Haun JN, Schneider T, McDaniel J, McMahon-Grenz J, Benzinger R, Pugh MV, Nakase-Richardson R. (August 26 – 29, 2024). Mapping Pathways to Recovery: Using a Program Logic Model to Characterize Implementation of a Residential Inpatient Program for Service Members and Veterans with Mild TBI. Poster to be presented at the Annual Military Health System Research Symposium, Kissimmee, FL.
 14. Tsen, J., Finn, J.A., Klocksieben, F., Agtarap, S., Perrin, P., Dreer, L., O'Neil-Pirozzi, T., Sander, A., Vargas, T., Dini, M., & **Nakase-Richardson, R.** (2024, February). Long-term Family Needs After Traumatic Brain Injury: A VA TBI Model Systems Study. Paper presented at the 26th annual meeting of Division 22 (Rehabilitation Psychology) of the American Psychological Association, Austin, TX. Sunil Sengupta VA Student Research Award
 15. Kinney, A. R., Brenner, L. A., Nance, M., Mignogna, J., Cobb, A. D., Forster, J. E., Ulmer, C.S., **Nakase-Richardson, R.**, & Bahraini, N. H. (2024, March). Factors influencing adherence to insomnia and obstructive sleep apnea treatments among Veterans with mild traumatic brain injury. Oral presentation at the North American Brain Injury Society Conference on Brain Injury, Las Vegas, NV.
 16. Zayed R, Martin A, Almeida E, Silva MA, Pinto SM, Beaulieu C, Dams O'Connor K, Anderson W, **Nakase-Richardson, R.** Polysomnography associations with all-cause

hospitalization following TBI neurorehabilitation discharge. Poster presentation. Associated Professionals Sleep Society, LLC, June 1 – 4, 2024, Houston, TX. SUBMITTED.

2023

17. Cotner BA, Silva MA, Carlozzi NE, Finn J, O'Connor DR, Cruz A, Dismuke-Greer CE, Garcia A, Hammond F, **Nakase-Richardson, R.** Understanding Service Needs of People with Brain Injury. Abstract accepted for oral presentation at: 2023 Military Health System Research Symposium; August 2023; Kissimmee, FL.
18. Dismuke-Greer CE, Almeida EJ, Silva MA, Dams-O'Connor K, Rocek G, Phillips LM, Del Negro A, Walker WC, **Nakase-Richardson R.** PTA Duration and Hospital Costs. Abstract accepted for oral presentation at: 2023 Military Health System Research Symposium; August 2023; Kissimmee, FL.
19. Miles SR, Garcia A, Tang X, Klyce D, Wallace R, Thelan AR, Kumar R, **Nakase-Richardson R.** Chronicity of PTSD Symptoms Following TBI: A Comparison of Special Operators and Conventional Forces. Abstract accepted for oral presentation at: 2023 Military Health System Research Symposium; August 2023; Kissimmee, FL.
20. Miles SR, Wyant HN, Silva MA, Agtarap S, Klocksieben FA, Smith T, **Nakase-Richardson R.** The Utility of the PTSD Checklist Crosswalk in Service Members and Veterans with Traumatic Brain Injury. Abstract accepted for poster presentation at: 2023 Military Health System Research Symposium; August 2023; Kissimmee, FL.
21. Wittine LM, Loyo K, Silva MA, Ketchum JM, Hammond FM, Chung JS, Kretzmer T, **Nakase-Richardson R.** Mortality among Service Members and Veterans Following Hospitalized Traumatic Brain Injury. Abstract accepted for oral presentation at: 2023 Military Health System Research Symposium; August 2023; Kissimmee, FL.
22. Le L, Schwartz DJ, **Nakase-Richardson R.** Almeida EJ, Anderson WM, Patel K, Sudolcan B, Nallu S. Simultaneous comparison of unedited and manually edited HSAT with level 1 PSG in persons with hospitalized TBI. Sleep. 2023;46(Supplement_1):A245. Poster presented at: SLEEP 2023; June 2023; Indianapolis, IA.
23. Martin AM, Rudd RM, Luongo K, Almeida EJ, Hoffman JM, Pinto SM, Walker W, Douglas ME, Wittine L, Schwartz DJ, Takagishi SC, Kane G, **Nakase-Richardson R.** The role of PTSD symptoms in the relationship between sleep quality and pain following Moderate-to-Severe Traumatic Brain Injury. Sleep. 2023;46(Supplement_1):A296-A296. Poster presented at: SLEEP 2023; June 2023; Indianapolis, IA.
24. Martin A, Almeida EJ, Hoffman JM, Pinto SM, Walker WC, Douglas ME, Wittine L, Schwartz DJ, Takagishi SC, Kane G, **Nakase-Richardson R.** Correlates of sleep quality among individuals with chronic pain after moderate to severe traumatic brain injury. Sleep. 2023; 46(Supplement_1):A276-A277. Poster presented at: SLEEP 2023; June 2023; Indianapolis, IA.
25. Hoffman J **Nakase-Richardson R.** Harrison-Felix C. Characterization and Treatment of Chronic Pain after Moderate to Severe Traumatic Brain Injury. Symposium accepted to 2023 IBIA World Congress on Brain Injury; March 2023; Dublin, IE.
26. Xia J, Klyce DW, O'Rourke JJ, Dismuke CE, Silva MA, Sevigny MA, **Nakase-Richardson R.** O'Neil-Pirozzi TM, Walker WC. Comparing the utility of posttraumatic amnesia classification schemes for predicting employment among Veterans and Service Members with TBI. Poster abstracted accepted to: Division of Rehabilitation Psychology (APA Division 22); February 16-19, 2023; Austin, TX.
27. Fox ME, Silva MA, Hoffman J, Tran J, Klocksieben F, **Nakase-Richardson R.** Cross-sectional analysis of rehospitalization following discharge from inpatient rehabilitation in veterans with traumatic brain injury up to 10 years postinjury. Poster abstract accepted to:

51st Annual Meeting of the International Neuropsychological Society; February 1-4, 2023, San Diego, CA.

2022

COMMITTEE MEMBERSHIP – NATIONAL AND LOCAL

- National Institute of Health,
 - TBI Classification Committee, Knowledge to Practice Workgroup
- Department of Health and Human Services, National Institute on Independent Living, Disability Rehabilitation Traumatic Brain Injury Model System Research Program (21-center funded research network). National Committee positions:
 - Vice-Chair, Traumatic Brain Injury Model System Planning Committee (National, 2017-2022)
 - Elected- Member, Traumatic Brain Injury Model System Executive Committee (National, 2017 - current)
 - Chair, Traumatic Brain Injury Model System Disorders of Consciousness Special Interest Group (National, 2012 – current)
 - Co-Chair, Traumatic Brain Injury Model System Health Services and Implementation Science Special Interest Group (National, 2014-2022)
 - Co-Chair, Traumatic Brain Injury Model System Sleep-Wake Fatigue Special Interest Group (National, 2014-2022)

- Neurocritical Care Society Curing Coma Campaign
 - Chair, Implementation Science Module

- American Congress of Rehabilitation Medicine (ACRM)
 - Member at Large, Board of Governors, American Congress of Rehabilitation Medicine (National, 2018 – 2024)
 - Chair, Disorder of Consciousness Task Force (Brain Injury-Interdisciplinary Special Interest Group; 2013-current)
 - Member, Partnership Committee, American Congress of Rehabilitation Medicine (National, 2019 – current)

- Veterans Affairs Polytrauma System of Care
 - Liaison, NIDILRR & VA TBI Model System Interagency Agreement (National, 2009-current).
 - Member, James A. Haley VAMC Polytrauma Research Committee (Local, 2015-current)

PAST

Member, Research Committee (National, 2013-2019), Chronic Effects of Neurotrauma Consortium of (CENC) funded by Department of Defense and Veterans Affairs.

Chair, Military and Veterans Affairs Networking Group (2015-2018), American Congress of Rehabilitation Medicine

Chair, National Polytrauma Research Committee (National, 2015 - 2021), Department of Veterans Affairs

Chair, Increasing Capacity for Clinicians Committee, James A. Haley VAMC, Department of Veterans Affairs

Member, *American Academy of Neurology*, Guideline Development Committee on Diagnosis, Prognosis, and Treatment of DOC (National, 2014-2018)

Treasurer, American Congress of Rehabilitation Medicine, Brain Injury Interdisciplinary Special Interest Group (BI-ISIG; 2010-2014)

Committee Chair, Galveston Brain Injury Conference 2014 Sleep Disorders After Traumatic Brain Injury Workgroup

Member, Division 40 (Neuropsychology) of the American Psychological Association (APA) and American Speech-Language and Hearing Association (ASHA) Interdisciplinary Committee Promoting Collaboration Between Neuropsychology and Speech-Language Pathology (2002-2005 term, reappointed 2006-2009)

Past-Chair, Traumatic Brain Injury Model System VA Collaboration Special Interest Group (National, 2013-2018)
