

SADAF ASLAM, MBBS, MS
Associate Professor
Department of Internal Medicine
Division of Infectious Disease
Day Phone: 727-631-9645
Email: saslam@usf.edu

May, 2022

EDUCATION

M.S. Masters in Science (Clinical and Translational Research), Morsani College of Medicine, University of South Florida, Tampa, FL	2012-2014
M.B.B.S (Highest professional degree in Medicine- equivalent to MD) Fatima Jinnah Medical University, University of Punjab, Lahore, Pakistan	1982-1988
B.Sc., University of Punjab, Lahore, Pakistan	1982-1985

POST-GRADUATE TRAINING

Post-Doctoral Fellowship (Diabetes, Obesity and Aging), Morsani College of Medicine, University of South Florida, Tampa, FL	2005-2007
Intern, Ultrasound Training, Boston Medical Center Boston University, MA	1992-1993
Resident Surgeon (General Surgery), Sir Ganga Ram Hospital, Lahore, Pakistan	1989-1990
Resident Physician (Internal Medicine) Sir Ganga Ram Hospital, Lahore	1988-1989

CERTIFICATIONS:

Licensed and Registered Medical Practitioner, Pakistan Medical and Dental Council, Islamabad, Pakistan	1989-2008
Diagnostic Ultrasound, Ultrasound Diagnostic School, Norwood, Massachusetts, USA (Affiliated with Boston University Medical Center for clinical training)	1992-1993

ACADEMIC APPOINTMENTS AND WORK EXPERIENCE

- | | |
|---|----------|
| Associate Professor , Department of Internal Medicine, Division of Infectious Disease, Morsani College of Medicine, University of South Florida, Tampa, FL
Hours/week: 40 | 07/2019- |
|---|----------|
- Conducting collaborative research on interdisciplinary projects, both quantitative and qualitative research related to infectious disease, public health and related programs including diabetes, obesity, transplantation, women's health and health outcomes research. For several studies developed, validated and conducted surveys and focus group interviews. Published scientific articles in peer reviewed journals and provided mentorship.

- Advising and providing study design, and methodology support to faculty, fellows and medical students. In addition, advising ID fellows on data analysis and interpretation of the results for presentation and publication of manuscripts.
- Supervising and mentoring 11 fellows/year for their research training and evaluations.
- Leading scientific review of all internal medicine grant proposals and research protocols. Developed methodology for critical review and evaluation of clinical studies for scientific and regulatory content.
- As an investigator, initiation, implementation, data collection, analysis, and interpretation of study results, writing scientific abstracts, presenting posters and submitting manuscripts to peer reviewed journal
- Consulting with clinicians at Tampa General Hospital (a major Florida healthcare institution) to provide guidance and support in the process of clinical research methods
- Teaching clinical research methodology to 1st and 2nd year Medical Students at Morsani College of Medicine

Assistant Professor, Division of Infectious Disease, Morsani College of Medicine, University of South Florida, Tampa, FL 09/2015-2019

Assistant Professor, Department of Internal Medicine, Morsani College University of South Florida, Tampa, FL 09/2012-2019

Assistant Professor, Division of Evidence Based Medicine, Comparative Effectiveness Research Center, Morsani College of Medicine, University of South Florida, Tampa, FL 2012-2013

Research Instructor, Clinical and Translational Sciences, Department of Internal Medicine, USF Health, Morsani College of Medicine, University of South Florida, Tampa, FL 2007-2012

Post-Doctoral Research Fellow, Department of Internal Medicine and Pediatrics, Preclinical Center for Diabetes and Aging Research Center, University of South Florida, Tampa, FL 2005-2007

- As a key investigator, conducted and managed research studies at the Diabetes, Obesity and Aging Research Center in the areas of Metabolic Syndrome, Diabetic Nephropathy, Dyslipidemia, Metabolomics and Sirtuins in non-human primate model. Most of this research work and data have been presented and published in the national conferences and manuscripts are in progress
- Served as project director for drug studies for toxicology and safety assessment on non-human primates (for the pharmaceutical industry)
- Performed necropsy surgeries, renal biopsies, experimental procedures, lab assays in non-human primate and also statistical analysis using Excel and NCSS,
- Worked on writing grant proposals for funding, developing and managing data entry, protocols for routine procedures, writing manuscripts and articles for publication
- Presented research work and lab data at national scientific conferences
- Maintained tissue repositories, storage of specimen and providing research support to fulfill grants and contract requirements

ADMINISTRATIVE APPOINTMENTS

Research Director Fellowship Program , Division of Infectious Diseases, and International Medicine, Morsani College of Medicine, University of South Florida, Tampa, FL	2017-present
<ul style="list-style-type: none">- Directing the clinical research program and supervising fellows for their scholarly activity at the Division of Infectious Disease- Managing a mentorship program to facilitate research for 11 fellows across the department- Developing curriculum for research best practices and leading workshops for the division to encourage scholarly activity- Maintaining and managing record of all scholarly activity in the division	
Research Scientist/Liaison , employment (visiting), James Haley Veterans Hospital, Tampa, FL	2016-2019
Research Advisor/Methodologist , Division of Infectious Diseases, Morsani College of Medicine, University of South Florida, Tampa, FL	2015-2017
Director of Clinical Research Education and Training/Communications , USF Health, Office of Clinical Research, Morsani College of Medicine, University of South Florida, Tampa, FL	2013-2015
Hours per week: 40	
<ul style="list-style-type: none">- Guiding the strategy for clinical research, implementing and evaluating research programs, educating research staff in conducting clinical trials- Working with the CROs to enhance clinical research operations, education and training of investigators and coordinators, identification of investigators for projects in specific areas, identification of barriers and challenges in recruitment and retention and drafting strategies for improvement- Conducting and coordinating monthly meetings for the clinical research staff on a wide range of topics related to clinical research administration- Working closely with other groups within the organization and affiliates who have clinical research as one of their missions on a variety of strategic initiatives- Developing standard operating procedures (SOPs) for the Office of Clinical Research and the Morsani Clinical Research Center for the conduct of clinical trials; reviewing and revising and maintaining SOPs and identifying gaps- Assisting with securing partnerships (by collecting and compiling information on OCR and investigators) with sponsors and CROs- Working with database administrator in Clinical Trials Management System, regularly updating the website, editing and publishing quarterly newsletter for the OCR	
Faculty Advisor , Women's Health Collaborative Fellowship, Morsani College of Medicine, University of South Florida, Tampa FL,	2012-2016
Course Director , ORG 00656, Medicine and Gender Scholarly Concentration, Morsani College of Medicine, University of South Florida, Tampa, FL	2013-2014
Course Co-Director , ORG 00656, Medicine and Gender Scholarly Concentration Program, Morsani College of Medicine, University of South Florida, Tampa, FL	2012
Scientific and Grant Reviewer , Department of Internal Medicine, Morsani College of Medicine, University of South Florida, Tampa, FL	2010-present
Research Liaison , University of South Florida/ Tampa General Hospital, Tampa, FL	2007-present
Medical Writer/Study Design and Methodologist , Tampa General Hospital, Tampa, FL	2007-present

Scientific and Grant Reviewer, Tampa General Hospital, Tampa FL 2007-present

CLINICAL APPOINTMENTS

- **Senior Medical Specialist**, Consulate of Pakistan, Jeddah, Saudi Arab 1995-1997
- **Senior Medical Officer/Internist**, Aadil Hospital, Lahore Defense, Pakistan 1993-1995
- **Medical and Ultrasound Specialist**, Fayyaz Hospital Lahore Cantt, Pakistan 1993-1995
- **Resident House Physician and Resident House Surgeon**, Sir Ganga Ram Hospital, Lahore, Pakistan 1988-1990

HONORS and AWARDS

- **Clerkship Research Excellence Award**, Division of Infectious Diseases and International Medicine, Morsani College of Medicine, University of South Florida, Tampa, FL 2017
- **Faculty Excellence in Mentorship Award**, Division of Infectious Diseases and International Medicine, Morsani College of Medicine, University of South Florida, Tampa, FL 2016
- **10 years University Service Award**, University of South Florida, Health, Morsani College of Medicine, Tampa, FL 2015
- **Continuous 5 years University Service Award**, University of South Florida, Health, Morsani College of Medicine, Tampa, FL 2010
- **Elected Class Representative**, Senior Year of Medical School, Fatima Jinnah Medical University, Lahore, Pakistan 1987-1988
- **Cum Laude Undergraduate**, Government College for Women, Multan Board, Sahiwal, Pakistan 1980-1982
- **Higher Academic Scholarship**, throughout high school, undergraduate and medical school years 1979-1982

MEMBERSHIP IN HONORARY/PROFESSIONAL SOCIETIES

- Infectious Diseases Society of America 2017-
- Florida Infectious Diseases Society 2017-
- HIV Medical Association 2017-
- American Heart Association 2017-
- Global Sepsis Alliance and World Sepsis Day 2016-
- Women's Health Collaborative, University of South Florida, Tampa 2014-
- American Medical Writers Association 2008-2010
- American Diabetes Association 2005-2007

CONTINUING EDUCATION/PROFESSIONAL DEVELOPMENT (Completed)

- Scientific Writing, Faculty Development workshop, Morsani College of Medicine 2019
- Safe Zone Ally Training Workshop, Morsani College of Medicine, University of South Florida Health, Tampa, FL 2016-2017
- Grant Writing Synergy, Women's Health Collaborative, Morsani College of Medicine, University of South Florida Health, Tampa, FL 2016
- Human Subject Research Training and Certification (yearly), Collaborative Institutional Training Initiative, (CITI), Miami, FL 2007-2021

- How to improve your presentation skills? Workshop (16 contact hours) 2013-2014
Women's Health Collaborative, University of South Florida, Tampa, FL
- Model Agreements & Guidelines International (MAGI) streamlining clinical 2014
research by standardizing best practices for clinical operations, business and
regulatory compliance. 22 contact hours for clinical research education, 2012-2013
Workshop held in Philadelphia, PA
- Grant Writing Course, USF Main Campus, College of Arts and Sciences, 2013
University of South Florida, Tampa, FL
- Faculty Leadership Training Workshop, USF Health, Tampa, FL 2013
- Grant writing workshop (16 contact hours), Clinical and Translational Science 2010
Institute, MCOM, USF Health
- Medical Ethics Symposium, USF, Division of Research Integrity and Compliance 2008
- Research Compliance Matters Workshop Series, USF Division of Research 2008
Integrity and Compliance
- Medical Writing and Communication Workshop, (14 contact hours), The Center 2008
for Professional Innovation and Education, Malvern, PA

TEACHING ACCOMPLISHMENTS

University Teaching

Undergraduate Medical Education, University of South Florida, Morsani College of Medicine (MCOM)

Role: Teaching Faculty

- SELECT coach: Course- BMS6890.003.728M20 2020-present
Mentoring and coaching medical students for the entirety of their medical
school education, coaching them for leadership, diversity, healthcare systems,
patient oriented team based care.
- Course: BMS 6825 Doctoring 1, MCOM 2016-present
Teaching students interviewing, physical diagnosis, and differential diagnostic
skills, medical humanities, health systems and economics; community,
preventive, and public health; I care of special populations including the
disabled.
- Course: BMS 6836 Evidence Based Clinical Reasoning I, MCOM 2016-present
- Course: BMS6826 Doctoring 2, MCOM 2015- 2019
A required small group-based course that teaches students interviewing,
physical diagnosis, and differential diagnostic skills; bioethics, medical
humanities, health systems and economics; community, preventive, and public
health. Introduces care of special populations including the disabled.
- Course: ORG 00656 Scholarly Concentration Research Program, MCOM 2013-2019
- Course: BMS 6837 Evidence Based Clinical Reasoning II 2015-2016
- Course: ORG 00656 Medicine and Gender Scholarly Concentration, MCOM 2012-2014
Role: Concentration Leader, Program Mentor,
- Course: BMS 6835 Evidence Based Clinical Practice course MCOM 2009-2010
- Course: BMS 6832 Clinical Problem Solving, Department of Molecular 2007-2008
Pharmacology and Physiology MCOM
- Course: BMS 6500 Physiology, MCOM 2007-2008

Graduate Teaching

- Research Director Fellowship Program, Division of Infectious Diseases and 2017-present
International Medicine, Morsani College of Medicine, University of South
Florida, Tampa, 33606

- Post Graduate Level: Infectious Disease Fellows
- Teaching Faculty for the Division of Infectious Diseases and International Medicine, Morsani College of Medicine, University of South Florida, Tampa, 33606 2015-present
- Student Level: Infectious Disease Fellows, observers and Interns
- Course: GMS6452, Clinical Nutrition 2009-2013
- Graduate Certificate Program in Women's Health, Morsani College of Medicine 2012
- Role: Co-Director
- Graduate Program Women's Health, Morsani College of Medicine 2012
- Role: Co-Director
- Course: GMS 7930 Medicine and Gender 2011-2012
- Role: Co-Director
- Course: BCH 6935, Graduate Course on Scientific Writing and Ethics course COM, Department of Graduate Studies 2008-2009
- Course/Event: Research Scholarly Series 2010-2012
- Description: A series of extensive clinical research workshops for faculty researchers covering every aspect of research including research methodology, grant writing and responsible conduct of research
- Role: Director

MENTORSHIP

USF College of Medicine, Infectious Disease Fellows Trained/in Training for Research

Class of 2016, 2017, 2018 and 2019, 2020, 2021,2022

Mentoring a total of 11 fellows each year (a total of 72 fellows to-date)

USF Morsani College of Medicine, Mentored and in Training Medical Student for Research

Class of 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021,2022,2023

Mentored 2-3 students in each class each year

Andrew D Patterson, Gabriel S Eichler, Kristopher W Krausz, **Sadaf Aslam**, John N Weinstein, Barbara C Hansen, Jeffrey R Idle, and Frank Gonzalez: Redefining the Complex Metabolic Phenotype of Type 2 Diabetes by UPLC-ESI-TOFMS Based Metabolomic Profiling of Rhesus Macaque Urine, The Endocrine Society's 90th Annual Meeting, San Francisco, CA; June, 2008
 27. **Sadaf Aslam**, Xenia Tigno, Xioxin Wang, Tao Jiang Moshe Levi, Luiza Caramori, Behzad Najafian, Micheal Mauer and Barbara C. Hansen: Sirtuins, Diabetes and Metabolic Syndrome, a possible link among diseases of aging, The Gerontological Society of America, 60th Annual Scientific Meeting, San Francisco, CA; Nov, 2007

Book Chapter:

1. Title of Chapter: Essentials of Genomics in the Continuum of Translational Research, Author: **Sadaf Aslam**, MD, MS
Title of Book: Genomics-Driven Healthcare: Trends in Disease Prevention and Treatment; Author, Dr. Pathak; eBook ISBN: 978-981-10-7506-3 DOI; 10.1007/978-981-10-7506-3

2. Title of the Chapter: Nutraceuticals' Role in Proliferation and Prevention of Breast Cancer
 Authors: **Sadaf Aslam** and Beata Casanas
 Title of the Book: Advances in Nutraceutical Applications in Cancer: Recent Research Trends and Clinical Applications; Sheeba Varghese Gupta, Yashwant V Pathak
 1st Edition; ISBN 9781138593916 - DOI: 10.1201/9780429489129-5

RESEARCH SUPPORT

1. Research Support from Tampa General Hospital, Contract
 Role: **Collaborative Researcher and Research Support Services**
 Contract Duration: 2007- Present
 Salary Support: 42% of the salary

Completed Sponsored Research

1. **Title:** The "VaccineLink" Project / "La Salud Conexión" Collaboration with Florida Department of Health-Hillsborough Refugee/Vaccination Division and the state-wide FloridaShots registry
 Date of funding: 2013-2017
 Amount: \$ 475,000
 Principal Investigator: Jamie Morano, MD
 Role: **Investigator and Salary Support as ID faculty**
 Funding Agency: Pfizer, Inc. 9689105 / U60957-01102014
2. **Title:** Exploratory Study Examining Variables Related to the Outcomes within an Interdisciplinary Tertiary Eating Disorder
 Date of funding: 2013- 2015
 Award Name: Women's Health Collaborative USF Health
 Amount: \$ 6,700
 Role: **Principal Investigator**
 Funding agency: USF Women's Health Collaborative
3. **Title:** Heart Transplant Recipients have Higher Mortality Rate after (rATG) Induction; A Retrospective Single-Center Study
 Funding Agency: American Heart Association
Co-Investigator, award given to my mentee MCOM, summer fellowship, Research Scholarly Concentration, Summer, 2014
4. **Title:** Obesity, Diabetes, Aging and their Complications
 Date of Funding: 2005-2007
 Principal Investigator: Barbara Hansen, PhD
 Role: Salary Support as **Post Doc Fellow**
 Award Received: N/A
 Funding Agency: National Institute of Aging (NIA)

Submitted Grants and Proposals

1. Grant Type: Patient Centered Outcomes Research Institute (PCORI)
 Title: Influence of social determinants of health on the effectiveness of contact tracing methods for COVID-19 – submitted, under review process, May, 2020 Role: **Co-Investigator**
2. Grant Type: Agency for Healthcare Research and Quality (AHRQ)
 Title: Pharmacists Transitions of Care, Submitted, March, 2017 Role: **Co-Investigator**
3. Grant Type: Health Resources and Service Administration (HRSA)
 Title Linking Organ Donation and Bystander CPR For Enhanced Deceased Donor Registration in People Over the Age of 50, Submitted January, 2016 Role: **Co-Investigator**
4. Grant Type: Women's Health Collaborative, USF Health

- Title: Stress and Alcohol: A Comparison of Adolescent and Adults in a Female Animal Model, Submitted, 2015 Role: **Principal Investigator**
5. Grant Type: National Institute of Health, R21 grant
Title: Treatment of sepsis with using Plasmapheresis, submitted October 16, 2014, Role: **Co-PI**
 6. Grant Type: Patient Centered Outcomes Research Institute (PCORI)
Title: Plasmapheresis Use in the Treatment of Sepsis, submitted in 2014 Role: **Co-Investigator**
 7. Grant Type: National Institute of Health (NIH) RO3
Title: Dual Kidney Transplant from Expanded Criteria Donors: Under and Over Utilization, submitted in 2014 Role: **Co-Investigator**
 8. Grant Type: NIH Clinical and Translational Science Award (CTSA)
Title: Clinical and Translational Sciences Award submitted to NIH in 2010, with Dr. Patricia Emmanuel Role: **Investigator**
 9. Funding Type: Juvenile Diabetes Research Foundation Grant
Title: Evolution of Diabetic Peripheral Neuropathy in Primates, With Drs, B.C. Hansen, F. Rice, Tigno. X, Submitted to Juvenile Diabetes Research Foundation, 2007 Role: **Co-Investigator**
 10. Funding Type: RO1 -National Institute of Health
Title: Structural and Molecular Markers of Nephropathy in Primates with Type 2 Diabetes, with Dr. Barbara Hansen, submitted to NIH, 2007 Role: **Co-Investigator**

ONGOING INVESTIGATOR INITIATED STUDIES (2019-2020)

1. Title: Tocilizumab: A Friend or a Foe in COVID-19 Management? A Retrospective Cohort Study
Role: **Co-Investigator**
2. Title: COVID-19 Biorepository at Tampa General Hospital, archiving biological samples from COVID-19 patients and negative controls and linking biorepository to clinical registries for individuals undergoing COVID-19 testing Role: **Co-Investigator**
3. Title: Knowledge and Perceptions of Infectious Disease Fellows Regarding Clinical Research and Identification of Barriers to Research- A Cross-Sectional Study Role: **Principal Investigator**
4. Title: The MAC-EPI Study: The epidemiology, resistance patterns, and demographics of human non-tuberculosis mycobacteria (NTM) in Central Florida, with and without HIV co-infection.
Role: **Co-Investigator** with Dr. Morano (PI)
5. Title: The difference in access to care among HIV patients enrolled in ADAP
Role: **Co-Investigator** with Dr. Somboonwit (PI)
6. Title: Utility of EGD in preoperative assessment of bariatric surgery Role: **Principal Investigator**
7. Cranial orthotic device versus repositioning techniques for the management of plagiocephaly: The CRANIO Randomized Controlled Trial Role: **Co-Investigator** with Dr. Ricalde (PI)
8. Title: Selected Urinary Biomarkers as Early Risk Predictors of Renal Injury in Obese and Dysmetabolic Nonhuman Primates (basic sciences research project Role: **Principal Investigator**
9. Treatment Outcomes for HIV/HCV Co-infected versus HCV Mono-infected Veterans at a Large Veterans Administration Hospital 2016-present Role: **Co-PI** with Dr. Morano (PI)
10. Title: Measuring Knowledge Toward Bariatric Surgery in Severely Obese Adolescent Population
Role: **Co Investigator/Mentor** -Amy Weiss MD (PI)
11. Title: Retrospective and Prospective exploratory study on variables in adolescent bariatric surgery 2015-present Role: **Co Investigator/Mentor** - Amy Weiss MD (PI)
12. Title: Walking Distance Following Open Heart Surgery Predicts Discharge Destination and Length of Stay. Role: **Co-Investigator**- Kim Okkyung PhD PT (PI)
13. Title: The Evolving Epidemiology of HIV and Syphilis Coinfection in Hillsborough County
Site: USF/Department of Health-Hillsborough, Role: **Co-Investigator** with Jamie Morano (PI)

14. Title: A Retrospective Cohort Analysis of HIV Antiretroviral Prescribing Patterns in the Age of Hepatitis C Directing Acting Antivirals, Site: USF / Veteran's Administration Hospital, 2015-present
Role: **Co-investigators** with Dr. Morano (PI)
15. Title: HIV Co-infected vs Non-co-infected Hepatitis C Treatment Outcomes: lessons learned to inform future program implementation; Veteran's Administration Hospital, Role: **Co-Investigator** with Jamie Morano (PI)
16. Title: IGRA & Strongyloides in Solid Organ Transplant and HIV, Role: **Co-PI** with Dr. Alrabaa (PI)
17. Randomized, controlled trial evaluating lingual frenotomy in newborns with simultaneous lip tie for the relief of breastfeeding pain; Role: **Co-investigator** with Dr. Ricalde (PI)
18. Title: Outcomes of Hernia and Cholecystectomy Operations in Patients with End Stage Liver Disease at a Liver Transplant Center Role: **Co-Investigator** with Dr. Alsina (PI)

SERVICE

Institutional/University

Ongoing Service

- Director Research, Fellowship Program, Division of Infectious Diseases and International Medicine, Morsani College of Medicine, University of South Florida, Tampa, FL 2017-present
- Member, SELECT MD Admissions Committee, Morsani College of Medicine, University of South Florida, Tampa, FL 2016-present
- Research Liaison/Scientist, without compensation, James Haley Veterans Hospital, Tampa, FL 2015-present
- Faculty Advisor, Infectious Diseases Journal Club for ID fellows, USF Health, 2015-present
- Faculty Advisor, Weekly Clinical Case Conference and Board Review Series for Infectious Disease Fellows 2015-present
- Interviewer, SELECT MD Admissions Committee, Morsani College of Medicine, University of South Florida, Tampa, FL 2015-present
- Voting Member and Interviewer Medical Student Selection Committee (MSSC-CORE), Morsani College of Medicine, USF Health, Tampa FL 2013-present
- Member, Scientific Review Committee, Department of Internal Medicine, University of South Florida, Tampa, FL 2010-present
- Member, Research Integrity and Compliance, Conflict of Interest Committee, Office of Research, University of South Florida, Tampa, FL 2009-present
- Member Scientific Review Committee, and Research Feasibility Committee, Office of Clinical Research, Tampa General Hospital, Tampa, FL 2007-present

Completed Service

- Founder/Member, Clinical and Translational Sciences Institute, Data Safety and Monitoring Board, University of South Florida, Tampa, FL 2011-2013
- Interviewer, Medical Student Selection Committee, Morsani College of Medicine, University of South Florida, Tampa, FL 2010-2013
- Founder/Member, Scientific Review Committee Clinical and Translational Research Institute, University of South Florida, Tampa, FL 2010-2013
- Judge for Annual Research Day, University of South Florida Health 2009-2019
- Member, Institutional Review Board (Biomedical), University of South Florida, Tampa, FL 2008-2013

State

- Volunteer Academics, Lakeland Regional Medical Center, Lakeland FL 2017-present

- Member and Data Analyst, Florida Infectious Disease Society, FL 2017-present
- Local/Community**
- Data Analysis Consultant, Pinellas County Opioid Task Force, Florida Department of Health, FL 2017-present
 - Project Advisor to Pinellas Refugee Advisory Board, Florida Department of Health, FL 2017-present
 - Volunteer, Feeding Tampa Bay, Tampa, FL 2017-present
 - Volunteer, Community Health Services, New Port Richey, FL 2008-present
 - Human Development Foundation, Pakistan, Florida Chapter 2008-2015
 - Organization of Development in Literacy, Washington DC, USA 2001-2004
- International**
- Volunteer Researcher, Project Star Fish, India 2014-present
 - Volunteer Work in the Department of Dermatology, Poly Clinic Hospital, Islamabad Pakistan 1990
 - Volunteer, Department of Community Medicine, Fatima Jinnah Medical College, Lahore, Pakistan 1988
 - Participated in several Red Crescent projects, making arrangements for blood donations, breast cancer awareness, and helping in disaster relief at Sir Ganga Ram Hospital, Lahore, Pakistan 1985-1990
- Reviewer for the Journals (ad-hoc)**
- British Medical Journal, BMJ Case reports
 - Journal of Hospital Pharmacy
 - OMICS International Journal of Medicine
 - Journal of Pakistan Medical Association
- Computer Skills**
- Microsoft Word, Excel and Power Point
 ENDNOTE
 SPSS, SAS
- Language Skills**
- English, Urdu, Punjabi, and Hindi
- Hobbies**
- Travelling, reading, long distance bike riding and running
