

Zachary Pruitt, PhD, MHA, FACHE

zpruitt@usf.edu

EDUCATION

- Doctor of Philosophy, Health Services Research, University of South Florida (2013)
- Master of Health Administration, University of South Florida (2008)
- Bachelor of Arts, Psychology, University of Texas at Austin (1998)

ACADEMIC EXPERIENCE

University of South Florida

Tampa, FL

College of Public Health, Department of Health Policy & Systems Management

June 2025 – Current Professor

June 2021 – May 2025 Associate Professor

March 2018 – May 2021 Assistant Professor

Teach graduate and undergraduate courses in health services management, health systems, and population health. Conduct research in health services and health administration education. Facilitate educational workshops and professional development programs for current healthcare professionals. Engage in community service, including contributing to boards and committees of professional organizations in the field.

March 2018 – Current Director of Community Practice

Cultivate and maintain partnerships with a wide range of healthcare organizations, including hospitals, medical group practices, managed care organizations, community health clinics, and consulting firms, to support student internship placements, administrative residencies, and post-graduate administrative fellowships. Mentor graduate students on career pathways, professional development, and experiential learning opportunities aligned with their goals in health administration. Coordinate with community partners to identify emerging workforce needs and align student competency attainment with professional practice expectations.

September 2016 – May 2019 Health Systems Domain Co-Lead

For USF Morsani College of Medicine SELECT program, create and deliver Health Systems curriculum for 1st and 2nd year medical students. Mentor students in health systems-related scholarly projects.

January 2015 – February 2018 Visiting Assistant Professor

January 2014 – December 2014 Adjunct Assistant Professor

Taught graduate and undergraduate courses in the Department of Health Policy and Management. Conducted health services and health management research.

January 2010 – December 2013 Doctoral Candidate / Research Assistant

Public Health doctoral student with concentration in health services research. Assisted graduate-level course teaching. Conducted quantitative analyses of secondary data using SAS analytics software and scientific research methodologies.

PRACTICE EXPERIENCE

Universal Healthcare, Inc.

March 2009 – December 2009

St. Petersburg, FL

Director, Medicaid

For government programs health plan, directed Florida Medicaid HMO enrolling over 34,000 members. Responsible for profit and loss of business line.

WellCare Health Plans, Inc.

July 2007 – March 2009

Tampa, FL

Senior Manager, Public Policy

Analyzed federal policy opportunities and risks impacting operations for a health plan specializing in Medicare and Medicaid managed care programs.

April 2006 – June 2007

Manager, Florida Regulatory Affairs

Managed Medicaid regulator relationships and oversaw compliance staff. Oversaw implementation of regulations and contract requirements into business operations.

January 2005 – March 2006

Project Analyst, Regulatory Affairs

Led corporate regulatory team in expansion applications and new business implementation.

Navigant Consulting, Inc.

2004 – 2005

Tampa, FL

Staff Coordinator: Business Development

For a healthcare unit of a publicly traded consulting firm, coordinated development of proposals and engagement contracts in healthcare provider segment.
