

**USF Faculty Class Specification**

CLASS TITLE: Clinical Fellow

CLASS CODE: 9179

FLSA: Professional

Effective Date: 1/1/1996

**Title: Clinical Fellow**

**Description**

- Responsible to a licensed health care practitioner or other appropriate higher level administrator of a medical or professional school of a State university.
- Serves as a member of the House staff of a State University System Medical/Professional School.
- Responsible for conducting research in specialized areas of health care, and for writing reports on research objectives and results.
- May participate in teaching activities.

**Minimum Qualification**

Must be a graduate of an approved professional degree program in the appropriate health discipline and have completed, or are completing, post-residency training within a selected area of specialization, including research and/or clinical training in specialized areas. This post-residency training will usually follow completion of clinical training in preparation for an academic position or subspecialty certification.

Must meet university criteria for appointment to the rank of Clinical Fellow.
