

USF Faculty Class Specification

CLASS TITLE: Assistant Research Professor

CLASS CODE: 9103

FLSA: Professional

Effective Date: 4/2/2014

Title: Assistant Research Professor

Description

- Responsible to a Chair or other appropriate administrator of a State university.
- Responsible for administering research projects or conducting research for a specific program or project, and writing research papers for publications.
- Responsible for training human resources involved in specific research projects and programs.
- May be involved in teaching on an occasional or voluntary basis.
- May represent the university, college/school, or department/unit on university and/or Statewide committees.

Minimum Qualification

Doctoral degree from an accredited institution or the highest degree appropriate in the field of specialization with a demonstrated record of academic research achievement, or professional qualifications in the field of specialization above those which would be equivalent to the highest degree. Must meet university criteria for appointment which is equivalent to that required of the rank of Assistant Professor.
